Each qualifying job is a new job that meets the wage standard for that school district, and is covered by a group health benefits plan for which the employer offers to pay at least 80 percent of the employee-only premium. Do not include construction jobs in counts of qualifying jobs.
3. For new job definition see TAC §9.1051(14).
4. Total investment is all investment at original cost, including land acquired after filing of application. Investments made in one year should be reflected in the subsequent year's market value.
5. The investment made during the qualifying time period meeting the requirements of Tax Code §313.021(1). Fill in amounts for the time between the application approval and Jan. 1 of first tax year, Year 1 and Year 2 only. (See also Note #1)
6. For all values, use those from CAD as available. For future years, use market value that the entity estimates will approximate the market value for ad volorem tax purposes in that year.
