Greetings Mr. Zinglemann,

In conjunction with the subject agreement between Beaumont Independent School District and Exxon Mobil Corporation (Beaumont Refinery / Cogeneration Project), attached is the completed form 50-772, as required by the Texas Comptroller's Office.

Form 50-772 is the **Chapter 313 Annual Eligibility Form**; it is my understanding this form should be retained by Beaumont ISD. I am also sending an electronic copy to Mali Hanley of O'Hanlon, McCollom & Demerath, per her request and for her use in this process.

NOTE: This form must be completed by an authorized representative of each approved applicant and each entity with property subject to the limitation agreement. It must be submitted to the school district by May 15th of every year using information from the previous tax (calendar) year. For limitation agreements where there are multiple company entities that receive a part of the limitation provided by the agreement: 1) each business entity not having a full interest in the agreement should complete a separate form for their proportionate share of required employment and investment information; and, 2) separately, the school district is required to complete an Annual Eligibility Report that provides for each question in this form a sum of the individual answers from reports submitted by each entity so that there is a cumulative Annual Eligibility Report reflecting the entire agreement.
