Third Amended and Reatated Agreement for Limitation on Appraised Value
Between Iraan-Sheffield Independent School District, OCI Alamo 6 LLC & OCI Solar TRE LLC *Texas Economic Development Act Agreement*
TEXAS COMPTROLLER APPLICATION NUMBER 1020
December 12, 2016 *Comptroller Form 50-286 (January 2014)*

In conformance with the provisions of Texas Tax Code § 313.027(f)(1), it is the intent of the Parties that the District shall be compensated over the course of this Agreement by the Applicant for: (i) any monetary loss that the District incurs in its Maintenance and Operations Revenue; or, (ii) for any new uncompensated operating cost incurred as a sole and direct result of, or on account of, entering into this Agreement, after taking into account any payments to be made under this Agreement. Subject to the limitations contained in this Agreement. It is the intent of the Parties that the risk of any negative financial consequence to the District in making the decision to enter into this Agreement will be borne by the Applicant and not by the District, and paid by the Applicant to the District in addition to any and all support due under Article VI.

The calculation of the amount of any Revenue Protection required to be paid by Applicant under this Article IV shall be made for the first time for the first complete tax year of the Tax Limitation Period.

Section 4.2. CALCULATING THE AMOUNT OF LOSS OF REVENUES BY THE DISTRICT.

The amount to be paid by the Applicant to compensate the District for loss of Maintenance and Operations Revenue resulting from, or on account of, this Agreement for each year during the term of this Agreement (the "M&O Amount") shall be determined in compliance with the Applicable School Finance Law in effect for such year and according to the following formula:

The M&O Amount owed by the Applicant to District means the Original M&O Revenue *minus* the New M&O Revenue;

Where:

- i. "Original M&O Revenue" means the total State and local Maintenance & Operations Revenue that the District would have received for the school year under the Applicable School Finance Law had this Agreement not been entered into by the Parties and the Qualified Property and/or Qualified Investment been subject to the ad valorem maintenance & operations tax at the tax rate actually adopted by the District for the applicable year.
- ii. "New M&O Revenue" means the total State and local Maintenance & Operations Revenue that the District actually received for such school year, after all adjustments have been made to Maintenance and Operations Revenue because of any portion of this agreement.

In making the calculations required by this Section 4.2:

- i. The Taxable Value of property for each school year will be determined under the Applicable School Finance Law.

- ii. For purposes of this calculation, the tax collection rate on the Applicant's Qualified Property and/or the Applicant's Qualified Investment will be presumed to be one hundred percent (100%)
- iii. If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue as calculated under this Section 4.2 results in a negative number, the negative number will be considered to be zero.
- iv. All calculations made for all years of this Agreement under Section 4.2, Subsection *ii* of this Agreement will reflect the Tax Limitation Amount for such year.
- v. All calculations made under this Section 4.2 shall be made by a methodology which isolates the full M&O revenue impact caused by this Agreement. The Applicant shall not be responsible to reimburse the District for other revenue losses created by other agreements, or on account of or otherwise arising out of any other factors not contained in this Agreement.

Section 4.3. CUMULATIVE PAYMENT LIMITATION.

In no event shall the Cumulative Payments made by Applicant to the District exceed an amount equal to One Hundred Percent (100%) of Applicant's Cumulative Unadjusted Tax Benefit under this Agreement from the Commencement Date through Tax Year 2028. For each year of this Agreement, amounts due and owing by Applicant to the District which, by virtue of the application of payment limitation set forth in this Section are not payable to the District for a given year, shall be carried forward to future years, but shall be subject, in each subsequent year to the limit set forth in this Section.

- A. "Cumulative Unadjusted Tax Benefit" means for each Tax Year of this Agreement, the Unadjusted Tax Benefit for the applicable Tax Year added to the Unadjusted Tax Benefit from all previous Tax Years of this Agreement.
- B. "Unadjusted Tax Benefit" means for each year of this Agreement the total of all gross tax savings calculated for each year of the Agreement by multiplying the Applicant's taxable value for debt service taxes for each applicable Tax Year, minus the Tax Limitation Amount defined in Section 2.5(A) above, as Twenty-Five Million Dollars (\$25,000,000.00), multiplied by the District's Maintenance & Operations tax rate for the applicable Tax Year.

Section 4.4. COMPENSATION FOR LOSS OF OTHER REVENUES.

In addition to the amounts determined pursuant to Section 4.2 above, the Applicant, on an annual basis, shall also indemnify and reimburse the District for the following:

- A. The Applicant, on an annual basis, shall also indemnify and reimburse the District for all non-reimbursed costs, certified by the District’s external auditor to have been incurred by the District for extraordinary education-related expenses related to the project that are not directly funded in state aid formulas, including expenses for the purchase of portable classrooms and the hiring of additional personnel to accommodate a temporary increase in student enrollment attributable to the project. Applicant shall have the right to contest the findings of the District's external auditor pursuant to Section 4.8 herein.

- B. Any other loss of District revenues which are, or may be reasonably attributable to the payment by the Applicant to or on behalf of any other third party beneficiary of this Agreement. Applicant shall have the right to contest the findings of the District's external auditor pursuant to Section 4.8 herein.

All other data utilized by the Third Party to make the calculations contemplated by this Agreement shall be based upon the best available current estimates. The data utilized by the Third Party shall be adjusted from time to time by the Third Party to reflect actual amounts,

subsequent adjustments by the Appraisal District to the District's certified tax roll or any other changes in student counts, tax collections, or other data.

Section 4.10. EFFECT OF PROPERTY VALUE APPEAL OR OTHER ADJUSTMENT.

In the event that, at the time the Third Party selected under Section 4.5 makes its calculations under this Agreement, the Applicant has appealed the taxable values placed by the Appraisal District on the Qualified Property, and the appeal of the appraised values are unresolved, the Third Party shall base its calculations upon the values initially placed upon the Qualified Property by the Appraisal District.

In the event that the result of an appraisal appeal or for any other reason, the Taxable Value of the Applicant's Qualified Investment and/or the Applicant's Qualified Property is changed, once the determination of a new value becomes final, the Parties shall immediately notify the Third Party who shall immediately issue new calculations for the applicable year or years. In the event the new calculations result in the change of any amount payable by the Applicant under this Agreement, the party from whom the adjustment is payable shall remit such amounts to the counter-party within thirty (30) days of the receipt of the new calculations from the Third Party.

Section 4.11. EFFECT OF STATUTORY CHANGES.

Notwithstanding any other provision in this Agreement, but subject only to the limitations contained in Section 7.1, in the event that, by virtue of statutory changes to the Applicable School Finance Law, administrative interpretations by the Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other reason attributable to statutory change, the District will receive less Maintenance and Operations Revenue, or, if applicable, will be required to increase its payment of funds to the State, or to other governmental entities, because of its participation in this Agreement, the Applicant shall make payments to the District, that are necessary to offset any negative impact on the District as a result of its participation in this Agreement. Such calculation shall take into account any adjustments to the amount calculated for the current fiscal year that should be made in order to reflect the actual impact on the District.

ARTICLE V

PAYMENT OF EXTRAORDINARY EDUCATION RELATED EXPENSES

Section 5.1.

In addition to the amounts determined pursuant to Section 4.2 above, and to the extent provided in Section 6.3, the Applicant, on an annual basis, shall also indemnify and reimburse the District for all non-reimbursed costs, certified by the District's external auditor to have been incurred by the District for extraordinary education-related expenses related to the project that are not directly funded in state aid formulas, including expenses for the purchase of portable classrooms and the hiring of additional personnel to accommodate a temporary increase in student enrollment attributable to the project. Applicant shall have the right to contest the findings of the District's external auditor pursuant to Section 4.8 herein.

ARTICLE VI
PAYMENT OF SUPPLEMENTAL PAYMENTS

Section 6.1. INTENT OF PARTIES WITH RESPECT TO SUPPLEMENTAL PAYMENTS.

In interpreting the provisions of Article IV and VI, the Parties agree as follows:

A. Amounts Exclusive of Indemnity Amounts. In addition to undertaking the responsibility for the payment of all of the amounts set forth under Article IV, and as further consideration for the execution of this Agreement by the District, the Applicant shall also be responsible for the Supplemental Payments set forth in this Article VI. The Applicant shall not be responsible to the District or to any other person or persons in any form for the payment or transfer of money or any other thing of value in recognition of, anticipation of, or consideration for this Agreement for limitation on appraised value made pursuant to Chapter 313 of the Texas Tax Code, unless it is explicitly set forth in this Agreement. It is the express intent of the Parties that the obligation for Supplemental Payments under Article VI of this agreement are separate and independent of the obligation of the Applicant to pay the amounts described in Article IV; provided, however, that all payments under Articles IV and VI are subject to such limitations as are contained in Section 7.1, and that all payments under Article VI are subject to the separate limitations contained in Section 6.4.

B. Adherence to Statutory Limits on Supplemental Payments. It is the express intent of the Parties that any Supplemental Payments made to or on behalf of the District by the Applicant, under this Article V, shall not exceed the limit imposed by the provisions of Texas Tax Code 313.027(i) unless that limit is increased by the Legislature at a future date, in which case all references to statutory limits in this Agreement will be automatically adjusted to reflect the new, higher limits, but only if, and to the extent that such increases are authorized by law.

C. As used in Article IV and in this Article, the following terms shall be defined as follows:

i. “Cumulative Payments” means for each year of this Agreement the total of all payments, calculated under both Article IV and Article VI of this Agreement for the current Tax Year which are paid by or owed by Applicant to the District, plus payments paid by Applicant for all previous Tax Years under Article IV and Article VI of this Agreement.

ii. “Cumulative Unadjusted Tax Benefit” means for each Tax Year of this Agreement, the Unadjusted Tax Benefit for the applicable Tax Year added to the Unadjusted Tax Benefit from all previous Tax Years of this Agreement.

iii. “Net Tax Benefit” means (a) the amount of maintenance and operations *ad valorem* taxes that the Applicant would have paid to the District for all Tax Years if this Agreement had not been entered into by the Parties, (b) adding to the amount determined under clause, and (c) subtracting from the sum of the amounts determined under clauses (a) and (b) the

sum of (d) all maintenance and operations ad valorem school taxes actually due to the District or any other governmental entity, including the State of Texas, for all Tax Years of this Agreement, plus (e) any payments due to the District under Article IV under this Agreement as well as the Annual Limit.

C. For purposes of this Agreement, the amount of the Annual Limit shall be \$50,700 based upon the District's 2013-2014 Average Daily Attendance of 507, rounded to the whole number.

Section 6.3. STIPULATED SUPPLEMENTAL PAYMENT AMOUNT - SUBJECT TO ANNUAL LIMIT.

In any year during the term of this Agreement, the District shall be entitled to receive Supplemental Payments that equal the lesser of:

A. the Applicant's Stipulated Supplemental Payment Amount, defined as Forty Percent (40%) of the Applicant's Net Tax Benefit, as the term is defined in Section 6.1(C)(vi), above; or,

B. the Annual Limit, as the term is defined in Section 6.1(C), above.

Section 6.4. ANNUAL CALCULATION OF STIPULATED SUPPLEMENTAL PAYMENT AMOUNT.

The Parties agree that for each Tax Year of this Agreement, beginning with Tax Year 2014, the first year of the qualifying time period specified in Section 2.3 of this Agreement, the Stipulated Supplemental Payment amount, described in Section 6.2 will annually be calculated based upon the then most current estimate of tax savings to the Applicant, which will be made,

based upon assumptions of student counts, tax collections, and other applicable data, in accordance with the following formula:

Taxable Value of the Applicant's Qualified Property for such Tax Year had this Agreement not been entered into by the Parties (i.e., the Taxable Value of the Applicant's Qualified Property used for the District's interest and sinking fund tax purposes for such Tax Year, or school taxes due to any other governmental entity, including the State of Texas, for such Tax Year);

The alternative entity may only use such funds received under this Article to support the educational mission of the District and its students. The calculation and comparison of the amounts described in clauses (i) and (ii) of the preceding sentence shall be included in all calculations made pursuant to Section 4.2 of this Agreement, and in the event the sum of the amounts described in said clause (i) exceeds the amount described in said clause (ii), then the payments otherwise due from Applicant to District under Articles IV, V, and VI shall be reduced until such excess is eliminated.

Section 9.2. CONSEQUENCES OF EARLY TERMINATION OR OTHER BREACH BY APPLICANT.

A. In the event that Applicant terminates this Agreement without the consent of District, except as provided in Section 7.2 of this Agreement, or in the event that Applicant fails to comply in any material respect with the terms of this Agreement or to meet any material obligation under this Agreement, after the notice and cure period provided by Section 9.3, then District shall be entitled to the recapture of all ad valorem tax revenue lost as a result of this Agreement together with the payment of penalty and interest, as calculated in accordance with Section 9.3.C on that recaptured ad valorem tax revenue. Penalties on said amounts shall be calculated in accordance with the methodology set forth in Section 33.01(a) of the TEXAS TAX CODE, or its successor statute. B. If the Board of Trustees is not satisfied with such response and/or that such breach has been cured, then the Board of Trustees shall, after reasonable notice to Applicant, conduct a hearing called and held for the purpose of determining whether such breach has occurred and, if so, whether such breach has been cured. At any such hearing, Applicant shall have the opportunity, together with their counsel, to be heard before the Board of Trustees. At the hearing, the Board of Trustees shall make findings as to whether or not a material breach of this Agreement has occurred, the date such breach occurred, if any, and whether or not any such breach has been cured. In the event that the Board of Trustees determines that such a breach has occurred and has not been cured, it shall also terminate the Agreement and determine the amount of recaptured taxes under Section 9.2.A and B (net of all credits under Section 9.2.A and B), and the amount of any penalty and/or interest under Section 9.2.C that are owed to District.

Section 9.5. DISPUTE RESOLUTION.

A. After receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 9.4, Applicant shall have ninety (90) days in which either to tender payment or evidence of its efforts to cure, or to initiate mediation of the dispute by written notice to District, in which case the District and the Applicant shall be required to make a good faith effort to resolve, without resort to litigation and within ninety (90) days after the Applicant's receipt of notice of the Board of Trustee's determination of breach under Section 9.3, such dispute through mediation with a mutually agreeable mediator and at a mutually convenient time and place for the mediation. B. In the event that any mediation is not successful in resolving the dispute or that payment is not received before the expiration of such ninety (90) days, District shall have the remedies for the collection of the amounts determined under Section 7.8 as are set forth in Chapter 33, Subchapters B and C, of the Texas Tax Code for the collection of delinquent taxes. In the event that District successfully prosecutes legal proceedings under this section, the Applicant shall also be responsible for the payment of attorney's fees and a tax lien on Applicant's Qualified Property and Applicant's Qualified Investment pursuant to Section 33.07 of the Texas Tax Code to the attorneys representing District pursuant to Section 6.30 of the Texas Tax Code.

C. In any event where a dispute between District and Applicant under this Agreement cannot be resolved by the Parties, after completing the procedures required above in this Section, either District or Applicant may seek a judicial declaration of their respective rights and duties under this Agreement or otherwise, in any judicial proceeding, assert any rights or defenses, or seek any remedy in law or in equity, against the other Party with respect to any claim relating to any breach, default, or nonperformance of any covenant, agreement or undertaking made by a Party pursuant to this Agreement.

Section 9.6. LIMITATION OF OTHER DAMAGES.

Notwithstanding anything contained in this Agreement to the contrary, in the event of default or breach of this Agreement by the Applicant, District's damages for such a default shall under no circumstances exceed the greater of either any amounts calculated under Sections 9.2 above, or the monetary sum of the difference between the payments and credits due and owing to Applicant at the time of such default and District taxes that would have been lawfully payable to District had this Agreement not been executed. In addition, District's sole right of equitable relief under this Agreement shall be its right to terminate this Agreement. The Parties further agree that the limitation of damages and remedies set forth in this Section 9.6 shall be the sole and exclusive remedies available to the District, whether at law or under principles of equity.
