Such payments shall be independent of, and in addition to such other payments as set forth in Articles V and VI of this Agreement. Subject to the limitations contained in this Agreement (including Section 7.1), it is the intent of the Parties that the risk of any negative financial consequence to the District in making the decision to enter into this Agreement will be borne by the Applicant and not by the District.

B. The calculation of any Revenue Protection Amount required to be paid by the Applicant under this Article IV shall be made for the first time for the first complete Tax Year following the start of "Commercial Operations" (as hereinafter defined).

C. For purposes of this Article IV, and of Section 2.3, D, 1, above, the term "Commercial Operations" means the date on which the project described in **EXHIBIT 3** becomes commercially operational and placed into service, such that such project has been constructed, tested, and is fully capable of commercial production of polymer grade ethylene.

Subject to the provisions of Sections 7.1 and 7.2, the amount to be paid by the Applicant to compensate the District for loss of Maintenance and Operations Revenue resulting from, or on account of, this Agreement during the term of this Agreement (the "M&O Amount") shall be determined in compliance with the Applicable School Finance Law in effect for such year and according to the following formula:

 - ii. "New M&O Revenue" means the total State and local Maintenance and Operations Revenue that the District actually received for such school year, after all adjustments have been made to such Maintenance and Operations Revenue because of any portion of this Agreement.
- B. In making the calculations required by this Section 4.2:
- i. The Taxable Value of property for each school year will be determined under the Applicable School Finance Law.
 - ii. For purposes of this calculation, the tax collection rate on the Applicant's Qualified Property and/or the Applicant's Qualified Investment will be presumed to be one hundred percent (100%).

- iii. If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue as calculated under this Section 4.2 results in a negative number, the negative number will be considered to be zero.
- iv. All calculations made for each Tax Year during the Tax Limitation Period under this Section 4.2, clause *ii* of this Subsection B will reflect the Tax Limitation Amount for such Tax Year.
- v. All calculations made under this Section 4.2 shall be made by a methodology which isolates the full M&O Revenue impact caused by this Agreement. The Applicant shall not be responsible to reimburse the District for other revenue losses created by other agreements, or on account of or otherwise arising out of any other factors not contained in this Agreement.

Section 4.3 CUMULATIVE PAYMENT LIMITATION. In no event shall the Cumulative Payments (as defined in Section 6.1, C, (i)) made by the Applicant to the District exceed an amount equal to One Hundred Percent (100%) of the Applicant's Cumulative Unadjusted Tax Benefit (as defined in Section 6.1, C, (ii)) under this Agreement from the Commencement Date through Tax Year 2034. For each year of this Agreement, amounts due and owing by the Applicant to the District which, by virtue of the application of the payment limitation set forth in this Section 4.3 are not payable to the District for a given year, shall be carried forward to future years during the term of this Agreement, but shall be subject, in each subsequent year, to the limit set forth in this Section 4.3.

Section 4.4 CALCULATIONS TO BE MADE BY THIRD PARTY. Except for any certifications made by the District's external auditor under Article V, all calculations under this Agreement shall be made annually by an independent third party (the "Third Party") jointly approved each year by the District and the Applicant. If the Parties cannot agree on the Third Party, then the Third Party shall be selected by the mediator provided in Section 9.5 of this Agreement.

The calculations under this Agreement shall be initially based upon the valuations placed upon all taxable property in the District, including the Applicant's Qualified Investment and/or the Applicant's Qualified Property, by the Appraisal District in its annual certified tax roll submitted to the District pursuant to Section 26.01 of the TEXAS TAX CODE on or about July 25 of each year of this Agreement. Immediately upon receipt of the valuation information by the District, the District shall submit the valuation information to the Third Party selected under Section 4.4. The certified tax roll data shall form the basis of the calculation of any and all amounts due under this Agreement. All other data utilized by the Third Party to make the calculations contemplated by this Agreement shall be based upon the best available current estimates. The data utilized by the Third Party shall be adjusted from time to time by the Third Party to reflect actual amounts, subsequent

adjustments by the Appraisal District to the District's certified tax roll or any other changes in student counts, tax collections, or other data.

Section 4.6 DELIVERY OF CALCULATIONS. On or before November 1 of each year for which this Agreement is effective, the Third Party appointed pursuant to Section 4.4 of this Agreement shall forward to the Parties a certification containing the calculations required under Sections 4.2 and/or 4.3, Article VI, and/or Section 7.1 of this Agreement in sufficient detail to allow the Parties to understand the manner in which the calculations were made. The Third Party shall simultaneously submit his, her or its invoice for fees for services rendered to the Parties, if any fees are being claimed. Upon reasonable prior notice, the employees and agents of the Applicant shall have access, at all reasonable times, to the Third Party's offices, personnel, books, records, and correspondence pertaining to the calculation and fee for the purpose of verification. The Third Party shall maintain supporting data consistent with generally accepted accounting practices, and the employees and agents of the Applicant shall have the right to reproduce and retain for purpose of audit, any of these documents. The Third Party shall preserve all documents pertaining to the calculation and fee for a period of five (5) years after the Final Termination Date. The Applicant shall not be liable for any of the Third Party's costs resulting from an audit of the Third Party's books, records, correspondence, or work papers pertaining to the calculations contemplated by this Agreement or the fee paid by the Applicant to the Third Party pursuant to Section 4.7, if such fee is timely paid.

Section 4.7 PAYMENT BY APPLICANT. The Applicant shall pay any amount determined to be due and owing to the District under this Agreement on or before the January 31 next following the tax levy for each year for which this Agreement is effective. By such date, the Applicant shall also pay any amount billed by the Third Party under Section 4.6 above, plus any reasonable and necessary legal expenses paid by the District to its attorneys, auditors, or financial consultants for the preparation and filing of any financial reports, disclosures, or other reimbursement applications filed with or sent to the State of Texas which are, or may be required under the terms or because of the execution of this Agreement. Notwithstanding anything contained herein to the contrary, for no Tax Year during the term of this Agreement shall the Applicant be responsible for the payment of an aggregate amount of fees and expenses under this Section 4.7 and Section 4.6 which exceeds Ten Thousand Dollars (\$10,000.00).

Section 4.8 RESOLUTION OF DISPUTES. Should the Applicant disagree with any certification or calculations made and presented pursuant to this Article IV or Article V, the Applicant may appeal such certification or calculation and any findings related thereto, in writing, to the Third Party or the District's external auditor, as the case may be, within thirty (30) days following the later of (i) receipt of the certification or calculation, or (ii) the date the Applicant is granted access to the books, records and other information in accordance with Section 4.6 for purposes of auditing or reviewing the information in connection with the certification or calculation. Within thirty (30) days of receipt of the Applicant's appeal, the Third Party or the District's external auditor, as the case may be, will issue, in writing, a final determination with respect to the certification or calculations in issue, as the case may be. Thereafter, the Applicant may appeal such final determination with respect to the certification or

calculations in issue, as the case may be, to the Board of Trustees. Any such appeal by the Applicant to the Board of Trustees may be made, in writing, to the Board of Trustees within thirty (30) days of such final determination and shall be without limitation of the Applicant's other rights and remedies available hereunder, at law or in equity. Without limiting the generality of the immediately preceding sentence, if the Applicant disagrees with any determination by the Board of Trustees with respect to such an appeal, the Applicant may mediate such determination with the District pursuant to the mediation procedures set forth in Section 9.5.

Section 4.9 EFFECT OF PROPERTY VALUE APPEAL OR OTHER ADJUSTMENT.

If at the time the Third Party selected under Section 4.4 makes its calculations under this Agreement, the Applicant has appealed any matter relating to the valuations placed by the Appraisal District on the Applicant's Qualified Property and/or the Applicant's Qualified Investment and such appeal remains unresolved, the Third Party shall base its calculations upon the values placed upon the Applicant's Qualified Property and/or the Applicant's Qualified Investment by the Appraisal District. If as a result of an appeal or for any other reason, the Taxable Value of the Applicant's Qualified Investment and/or the Applicant's Qualified Property is changed, once the determination of the new Taxable Value becomes final, the Parties shall immediately notify the Third Party who shall immediately issue new calculations for the applicable year or years using the new Taxable Value. In the event the new calculations result in a change in any amount paid or payable by the Applicant under this Agreement, the Party from whom the adjustment is payable shall remit such amount to the other Party within thirty (30) days of the receipt of the new calculations from the Third Party.

Section 4.10 EFFECT OF STATUTORY CHANGES. Notwithstanding any other provision in this Agreement, but subject to the limitations contained in Section 7.1, in the event that, by virtue of statutory changes to the Applicable School Finance Law, administrative interpretations by the Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other reason attributable to statutory change, the District reasonably determines that it will receive less Maintenance and Operations Revenue, or, if applicable, will be required to increase its payment of funds to the State, because of its participation in this Agreement, the Applicant shall make payments to the District that are necessary to offset any actual negative impact on the District as a result of its participation in this Agreement. Such calculation shall take into account any adjustments to the amount calculated for the current fiscal year that should be made in order to reflect the actual impact on the District. Such payment shall be made no later than thirty (30) days following notice from the District of such determination and calculation. The District shall use reasonable efforts to mitigate the economic effects of any such statutory change or administrative interpretation, and if the Applicant disagrees with any calculation or determination by the District of any adverse impact described in this Section 4.10, the Applicant shall have the right to appeal such calculation or determination in accordance with the procedures set forth in Section 9.5.

At any time during this Agreement, the Board of Trustees may, in its sole discretion, direct that any of the Applicant's payments under this Article IV be made to the District's educational foundation or to a similar entity, provided that such decision and direction of the Board of Trustees does not result in additional costs to the Applicant. Such foundation or entity may only use such funds received under this Article IV to support the educational mission of the District and its students. Any designation of such a foundation or entity must be made by recorded vote of the Board of Trustees at a properly posted public meeting of the Board of Trustees. Any such designation will become effective after such public vote and the delivery of notice of said vote to the Applicant in conformance with the provisions of Section 10.1 below. Under the direction of the legislative audit committee, Applicant or District or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. For purposes of this recapture calculation, Applicant shall be entitled to a credit for all payments made to District pursuant to Article IV, V, and VI of this Agreement.

B. Notwithstanding Section 9.2.A, in the event that District determines that Applicant has failed to Maintain Viable Presence and provides written notice of termination of the Agreement, then Applicant shall pay to District liquidated damages for such failure within thirty (30) days after receipt of such termination notice. The sum of liquidated damages due and payable shall be the sum total of District ad valorem taxes for all of the Tax Years for which a Tax Limitation was granted pursuant to this Agreement prior to the year in which the default occurs that otherwise would have been due and payable by Applicant to District without the benefit of this Agreement, including penalty and interest, as calculated in accordance with Section 7.5. Penalties on said amounts shall be calculated in accordance with the methodology set forth in Section 33.01(a) of the TEXAS TAX CODE, or its successor statute. Interest on said amounts shall be calculated in accordance with the methodology set forth in Section 33.01(c) of the TEXAS TAX CODE, or its successor statute.

Section 9.3 LIMITED STATUTORY CURE OF MATERIAL BREACH. In accordance with the provisions of Section 313.0275 of the TEXAS TAX CODE, for any full tax year which commences after the project has become operational, Applicant may cure the Material Breaches of this Agreement, defined in Sections 9.1.C. or 9.1.D, above, without the termination of the remaining term of this Agreement. In order to cure its non-compliance with Sections 9.1.C. or 9.1.D for the particular Tax Year of non-compliance only, Applicant may make the liquidated

damages payment required by Section 313.0275(b) of the TEXAS TAX CODE, in accordance with the provisions of Section 313.0275(c) of the TEXAS TAX CODE.

Section 9.4 DETERMINATION OF MATERIAL BREACH AND TERMINATION OF AGREEMENT.

A. After receipt of the notice, Applicant shall be given ninety (90) days to present any facts or arguments to the Board of Trustees showing that it is not in Material Breach of its obligations under the Agreement, or that it has cured or undertaken to cure any such Material Breach.

B. If the Board of Trustees is not satisfied with such response and/or that such breach has been cured, then the Board of Trustees shall, after reasonable notice to Applicant, conduct a hearing called and held for the purpose of determining whether such breach has occurred and, if so, whether such breach has been cured. At any such hearing, Applicant shall have the opportunity, together with their counsel, to be heard before the Board of Trustees. At the hearing, the Board of Trustees shall make findings as to whether or not a Material Breach of this Agreement has occurred, the date such breach occurred, if any, and whether or not any such breach has been cured. In the event that the Board of Trustees determines that such a breach has occurred and has not been cured, it shall also terminate the Agreement and determine the amount of recaptured taxes under Section 9.2.A and B (net of all credits under Section 9.2.A and B), and the amount of any penalty and/or interest under Section 9.2.C that are owed to District.

C. After making its determination regarding any alleged Material Breach of this Agreement, the Board of Trustees shall cause Applicant to be notified in writing of its determination (a "Determination of Breach and Notice of Contract Termination").

Section 9.5 DISPUTE RESOLUTION.

A. After receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 9.3, Applicant shall have ninety (90) days in which either to tender payment or evidence of its efforts to cure, or to initiate mediation of the dispute by written notice to District, in which case the District and the Applicant shall be required to make a good faith effort to resolve, without resort to litigation and within ninety (90) days after the Applicant's receipt of notice of the Board of Trustee's determination of breach under Section 9.3, such dispute through mediation with a mutually agreeable mediator and at a mutually convenient time and place for the mediation. If the Parties are unable to agree on a mediator, a mediator shall be selected by the senior state district court judge then residing in

B. In the event that any mediation is not successful in resolving the dispute or that payment is not received before the expiration of such ninety (90) days, District shall have the remedies for the collection of the amounts determined under Section 7.8 as are set forth in Chapter 33, Subchapters B and C, of the TEXAS TAX CODE for the collection of delinquent taxes. In the event that District successfully prosecutes legal proceedings under this section, the Applicant shall also be responsible for the payment of attorney's fees and a tax lien on Applicant's Qualified Property and Applicant's Qualified Investment pursuant to Section 33.07 of the TEXAS TAX CODE to the attorneys representing District pursuant to Section 6.30 of the TEXAS TAX CODE.

C. In any event where a dispute between District and Applicant under this Agreement cannot be resolved by the Parties, after completing the procedures required above in this Section, either District or Applicant may seek a judicial declaration of their respective rights and duties under this Agreement or otherwise, in any judicial proceeding, assert any rights or defenses, or seek any remedy in law or in equity, against the other Party with respect to any claim relating to any breach, default, or nonperformance of any covenant, agreement or undertaking made by a Party pursuant to this Agreement.

Section 9.6 LIMITATION OF OTHER DAMAGES. Notwithstanding anything contained in this Agreement to the contrary, in the event of default or breach of this Agreement by the Applicant, District's damages for such a default shall under no circumstances exceed the greater of either any amounts calculated under Sections 9.2 above, or the monetary sum of the difference between the payments and credits due and owing to Applicant at the time of such default and District taxes that would have been lawfully payable to District had this Agreement not been executed. In addition, District's sole right of equitable relief under this Agreement shall be its right to terminate this Agreement. The Parties further agree that the limitation of damages and remedies set forth in this Section 9.5 shall be the sole and exclusive remedies available to the District, whether at law or under principles of equity.

Section 9.7 BINDING ON SUCCESSORS. In the event of a merger or consolidation of District with another school district or other governmental authority, this Agreement shall be binding on the successor school district or other governmental authority.
