Re: Amended Certificate for Limitation on Appraised Value of Property for School District Maintenance and Operations taxes by and between McCamey Independent School District and CED Upton County Solar, LLC, Application 1082

Dear Superintendent Valencia:

This application (Application 1082) was originally submitted on May 29, 2015, to the McCamey Independent School District (school district) by CED Upton County Solar, LLC (applicant) for a limitation on appraised value under the provisions of Tax Code Chapter 313<sup>[1]</sup>. On September 10, 2015, the Comptroller issued written notice that the applicant submitted a completed application; and later issued a certificate for a limitation on appraised value on December 1, 2015. The applicant and school district executed an agreement for a limitation on appraised value (agreement) on December 15, 2015.

On September 30, 2020, the Comptroller received an amendment to the agreement to modify the project boundary and to create a new reinvestment zone. This presents the Comptroller's review of that amendment per Section 10.2 of the agreement and determinations required:

- 1) under Section 313.025(h) to determine if the property meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C; and
- 2) under Section 313.025(d), to issue a certificate for a limitation on appraised value of the property and provide the certificate to the governing body of the school district or provide the governing body a written explanation of the Comptroller's decision not to issue a certificate, using the criteria set out in Section 313.026.

**Determination required by 313.025(h)**

The information provided by the applicant related to eligibility has not changed and therefore, the Comptroller has determined that the property meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C.

**Certificate decision required by 313.025(d)**

Determination required by 313.026(c)(1)

The information provided by the applicant has not changed and therefore, the Comptroller has determined that the project proposed by the applicant is reasonably likely to generate tax revenue in an amount sufficient to offset the school district's maintenance and operations *ad valorem* tax revenue lost as a result of the agreement before the 25th anniversary of the beginning of the limitation period.

Determination required by 313.026(c)(2)

Comptroller has still determined that the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in this state.

Based on these determinations, the Comptroller issues a certificate for a limitation on appraised value for the amendment.

The Comptroller's review of the application assumes the accuracy and completeness of the statements in the application. If the application is approved by the school district, the applicant shall perform according to the provisions of the Texas Economic Development Act Agreement (Form 50-826) executed with the school district. The school district shall comply with and enforce the stipulations, provisions, terms, and conditions of the agreement, applicable Texas Administrative Code and Chapter 313, per TAC 9.1054(i)(3).

This certificate is no longer valid if the application is modified, the information presented in the application changes, or the limitation agreement does not conform to the application. Additionally, this certificate is contingent on the school district approving and executing the amendment to the agreement by December 31, 2020.
