NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Hermleigh Independent School District as follows:

1. The application made by Pyron Wind Farm, LLC for a tax credit pursuant to Texas Tax Code §313.103 in the total amount of EIGHT HUNDRED EIGHTEEN THOUSAND FOUR MILLION NINE HUNDRED THIRTY-FIVE THOUSAND TWO HUNDRED EIGHTY-FIVE DOLLARS AND THIRTY-SEVEN CENTS (\$4,935,285.37) is approved by the adoption of this Resolution.
2. The application made by Inadale Wind Farm, LLC for a tax credit pursuant to Texas Tax Code §313.103 in the total amount of TWO HUNDRED TWENTY THREE THOUSAND FIVE HUNDRED THIRTY-SIX DOLLARS AND EIGHTY-SEVEN CENTS (\$223,536.87) is approved by the adoption of this Resolution.

3. Beginning with the Tax Year 2012, and in each of the subsequent six (6) tax years (ending in Tax Year 2018), the Superintendent is directed to issue a refund as a credit to Pyron Wind Farm, LLC against the *ad valorem* school taxes imposed on the Qualified Property by the District the lesser amount of either: 1.) SEVEN HUNDRED FIVE THOUSAND FORTY DOLLARS AND SEVENTY-SEVEN CENTS (\$705,040.77) (An amount equal to one-seventh of the total amount of tax credit to which Pyron Wind Farm, LLC is entitled under Section 313.102); or, 2.) Fifty Percent (50%) of the total amount of *ad valorem* school taxes imposed on the Qualified Property by the school district in that tax year.
4. Beginning with the Tax Year 2012, and in each of the subsequent six (6) tax years (ending in Tax Year 2018), the Superintendent is directed to issue a refund as a credit to Inadale Wind Farm, LLC against the *ad valorem* school taxes imposed on the Qualified Property by the District the lesser amount of either: 1.) THIRTY-ONE THOUSAND NINE HUNDRED THREE DOLLARS AND EIGHTY-FOUR CENTS (\$31,993.84) (An amount equal to one-seventh of the total amount of tax credit to which Pyron Wind Farm, LLC is entitled under Section 313.102); or, 2.) Fifty Percent (50%) of the total amount of *ad valorem* school taxes imposed on the Qualified Property by the school district in that tax year.
5. In addition to the foregoing, in the Tax Years 2019 through 2021, (The first three tax years after Pyron Wind Farm, LLC and Inadale Wind Farm, LLC's eligibility for an Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code, expires), the District's collector of taxes is directed to credit against the *ad valorem* school taxes imposed on the Qualified Property by the District the lesser of either: 1.) any remainder of the tax credit balance which was not paid under paragraphs 3 and 4, above; or, 2.) the total amount of *ad valorem* school taxes imposed on the Qualified Property by the school district in that tax year.
6. Prior to making any tax credit payments under Sections 3, 4, or 5, above, the District's Superintendent is directed to determine whether Pyron Wind Farm, LLC and Inadale Wind Farm, LLC have relocated outside the District, and have otherwise met their obligations under the Agreement; under State law; and under applicable regulations promulgated either by the Texas Comptroller's Office, or by the Texas Commissioner of Education. In the event that Pyron Wind Farm, LLC and Inadale Wind Farm, LLC have not met their obligation or have relocated outside the District, no tax credit will be paid for such tax year or the tax years thereafter.
7. If the Texas Comptroller of Public Accounts or the District's tax collector, after providing notice and the opportunity for a response, determine that Pyron Wind Farm, LLC or Inadale Wind Farm, LLC was either not eligible for the credit or received more credit than it was entitled, then the District shall impose an additional tax on the Qualified Property that is equal to the amount of tax credit that was erroneously taken, plus interest at an annual rate of 7.0% calculated from the date on which the credit was issued. A tax lien attaches to the Qualified Property in favor of the school district to secure payment by the person of the additional tax and interest that are imposed and any penalties incurred.

A taxpayer which is delinquent in the payment of an additional tax may not submit a subsequent application or receive a tax credit under this subsection in a subsequent year.

APPROVED, ADOPTED, AND ORDERED on the 16th day of March, 2013.

The Texas Legislature does not set the amount of your local taxes. Your property tax burden is decided by your locally elected officials and all inquiries concerning your taxes should be directed to those officials.

The above tax estimates use last year's tax rates for the taxing units shown. The governing body of each unit (school board, county commissioners, and so forth) decides whether property taxes increase. The appraisal district only determines your property value. The taxing units will set tax rates later this year.
 * Your residence homestead is protected from future appraisal value increases in excess of 10% per year from the date of the last appraisal PLUS the value of any new improvements.
 ** If you are 65 years of age or older and received the \$10,000 school tax exemption on your home last year from the school listed above, your school taxes for this year will not be higher than when you first received the exemption on this home. If you are disabled and received the \$10,000 school tax exemption on your home last year from the school listed above, your school taxes for this year will not be higher than the 2003 taxes or the first year you received the exemption, whichever is later. If your county, city, or junior college has approved a limitation on your taxes in the preceding year, your county, city, or junior college taxes will not be higher than the first year your county, city, or junior college approved the limitation or the first year you qualified for the limitation. If you improved your property (by adding rooms or buildings), your school, county, city, or junior college calling may increase for these improvements. If you are a surviving spouse, age 55 or older, you may be eligible to retain the school, county, city, or junior college tax calling.

Contact the appraisal office if you disagree with this year's proposed value for your property or if you have any problem with the property description or address information. If the problem cannot be resolved, you have the right to appeal to the appraisal review board (ARB).

To appeal, you must file a written protest with the ARB before the deadline date:
 Deadline for filing a protest: JUNE 17, 2010
 Location of Hearings: 2812 COLLEGE AVE
 ARB will begin hearings: JULY 13, 2010

Enclosed is a protest form to send the appraisal district office if you intend to appear and present evidence before the ARB. The ARB will notify you of the date, time, and place of your scheduled hearing. Also enclosed is information to help you in preparing your protest. You do not need to use the enclosed form to file your protest. You may protest by letter, if it includes your name, your property's description, and your reason for protesting.

If you have any questions or need more information, please contact the appraisal district office at (326) 873-8549 or at the address shown above.
 Sincerely,
 Chief Appraiser
