Re: Application #1160 for a Chapter 313 Value Limitation Agreement between the Pecos-Barstow-Toyah Independent School District and ETC Texas Pipeline, LTD

Dear Ms. Caufield:

Per Mr. John Villareal's teleconference with Mr. Mike Fry on May 1, 2018, for the Comptroller to consider Application #1240, the mapping information on Application #1160 had to be corrected. The Applicant wishes to amend the map that is in the original Application #1160. The map used originally was incorrect, as it was not to scale and showed the Arrowhead I Gas Plant project being built on nearly the entire Reinvestment Zone land. The completed Arrowhead I Gas Plant project was built as shown on the corrected map enclosed herein.

Thanks so much for your kind attention to this matter.

Respectfully submitted,

A handwritten signature in blue ink that reads "Sara Leon".
