Notes:

- Total Investment is all investment at original cost, including land acquired after filing of application. Investments made in a year should be reflected in the subsequent year's market value.
- Use appraised values from CAD as available. For future years, use market value that the entity estimates will approximate the market value for ad valorem tax purposes in that year.
- This amount is typically the taxable value for the purpose of I&S fund or debt service reserve fund.

Section 4: Value Limitation Details Attachment

4a. If yes, please describe on an attachment how the actual qualified property – for which you are providing actual and estimated market values on subsequent pages – differs from that property described in the agreement. Include only property located in this school district.

Explanation: The proposed project has increased \$100,000,000 for Glasscock ISD. This is due to the changed layout of the turbines from other school districts to Glasscock. No additional properties are included that should not be.
