Re: Application for Chapter 313 Value Limitation Agreement

Dear Dr. Poole:

Enterprise Products Operating LLC ("Enterprise") is proposing a new manufacturing facility at our Mont Belvieu complex in Chambers County. The estimated total project investment is in excess of \$292 million. We are respectfully requesting an agreement for limitation on appraised value on qualified property under Chapter 313, Tex. Tax Code.

As you are aware, school districts have the option of providing a waiver of the jobs requirement if they determine that the job creation requirement set forth in Texas Tax Code 313.051(b) (i.e. 25 jobs), would exceed the industry standard for the number of employees reasonably necessary for the operation of the facility. Enterprise Products requests that the Barbers Hill Independent School District's Board of Trustees make such a finding and waive the minimum job creation requirement. Based on the industry standard, the size and scope of this project will require less than twenty five (25) permanent jobs. The installation of the new manufacturing facility, however, will create fifteen (15) new permanent full-time positions. The wages for these positions will be at least above 110% of the Chambers county average wage rate. Additionally, benefits such as medical, dental, and life insurance will be provided, as well as 401K and pension plans.

We have also submitted an economic analysis as part of Tab 5 of the application that we deem to be proprietary and confidential, and request that this information be kept confidential and transmitted separately when the District's consultants forward the application to the Texas Comptroller of Public Accounts.

We believe this proposed investment demonstrates our commitment to growing our economic presence in the Mont Belvieu area promoting economic growth and jobs for your community. We respectfully request consideration of the project for an Agreement for Value Limitation under Chapter 313 of the Texas Property Tax Code.

We appreciate your consideration of our application and the above mentioned job requirement waiver request. Please feel free to contact me if you need any additional information by telephone at 713-381-8071 or by email at ctate@eprod.com.

Application for Appraised Value Limitation on Qualified Property

(Tax Code, Chapter 313, Subchapter B or C)

INSTRUCTIONS: This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.025 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- notify the Comptroller that the school board has elected to consider the application. This notice must include:
 - the date on which the school district received the application;
 - the date the school district determined that the application was complete;
 - the date the school board decided to consider the application; and
 - a request that the Comptroller prepare an economic impact analysis of the application;
- provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the original hard copy of the completed application to the Comptroller in a three-ring binder with tabs, as indicated on page 9 of this application, separating each section of the documents, in addition to an electronic copy on CD. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, the Comptroller will publish all submitted application materials on its website. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller rules. For more information, see guidelines on Comptroller's website.

The Comptroller will independently determine whether the application has been completed according to the Comptroller's rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. Pursuant to 9.1053(a)(1)(C), requested information shall be provided within 20 days of the date of the request. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project, issue a certificate for a limitation on appraised value to the school board regarding the application and prepare an economic impact evaluation by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application not later than the 150th day after the application review start date (the date the application is finally determined to be complete), unless an extension is granted. The Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to issue a certificate, complete the economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller's website to find out more about the program at comptroller.texas.gov/economy/local/ch313/. There are links to the Chapter 313 statute, rules, guidelines and forms. Information about minimum limitation values for particular districts and wage standards may also be found at that site.

 5a. If no, attach in **Tab 6** additional information on the project scope and size to assist in the economic analysis.
6. Did you receive a determination from the Texas Economic Development and Tourism Office that this proposed project and at least one other project seeking a limitation agreement constitute a single unified project (SUP), as allowed in §313.024(d-2)? Yes No
 6a. If yes, attach in **Tab 6** supporting documentation from the Office of the Governor.

SECTION 11: Investment

NOTE: The minimum amount of qualified investment required to qualify for an appraised value limitation and the minimum amount of appraised value limitation vary depending on whether the school district is classified as Subchapter B or Subchapter C, and the taxable value of the property within the school district. For assistance in determining estimates of these minimums, access the Comptroller’s website at comptroller.texas.gov/economy/local/ch313/.

1. At the time of application, what is the estimated minimum qualified investment required for this school district? _____
2. What is the amount of appraised value limitation for which you are applying? _____
Note: The property value limitation amount is based on property values available at the time of application and may change prior to the execution of any final agreement.
3. Does the qualified investment meet the requirements of Tax Code §313.021(1)? Yes No
4. Attach a description of the qualified investment [See §313.021(1).] The description must include:
 - a. a specific and detailed description of the qualified investment you propose to make on the property for which you are requesting an appraised value limitation as defined by Tax Code §313.021 (**Tab 7**);
 - b. a description of any new buildings, proposed new improvements or personal property which you intend to include as part of your minimum qualified investment (**Tab 7**); and
 - c. a detailed map of the qualified investment showing location of tangible personal property to be placed in service during the qualifying time period and buildings to be constructed during the qualifying time period, with vicinity map (**Tab 11**).
5. Do you intend to make at least the minimum qualified investment required by Tax Code §313.023 (or §313.053 for Subchapter C school districts) for the relevant school district category during the qualifying time period? Yes No

SECTION 12: Qualified Property

1. Attach a detailed description of the qualified property. [See §313.021(2)] (If qualified investment describes qualified property exactly, you may skip items a, b and c below.) The description must include:
 - 1a. a specific and detailed description of the qualified property for which you are requesting an appraised value limitation as defined by Tax Code §313.021 (**Tab 8**);
 - 1b. a description of any new buildings, proposed new improvements or personal property which you intend to include as part of your qualified property (**Tab 8**); and
 - 1c. a map of the qualified property showing location of new buildings or new improvements with vicinity map (**Tab 11**).
2. Is the land upon which the new buildings or new improvements will be built part of the qualified property described by §313.021(2)(A)? Yes No
 - 2a. If yes, attach complete documentation including:
 - a. legal description of the land (**Tab 9**);
 - b. each existing appraisal parcel number of the land on which the new improvements will be constructed, regardless of whether or not all of the land described in the current parcel will become qualified property (**Tab 9**);
 - c. owner (**Tab 9**);
 - d. the current taxable value of the land. Attach estimate if land is part of larger parcel (**Tab 9**); and
 - e. a detailed map showing the location of the land with vicinity map (**Tab 11**).
3. Is the land on which you propose new construction or new improvements currently located in an area designated as a reinvestment zone under Tax Code Chapter 311 or 312 or as an enterprise zone under Government Code Chapter 2303? Yes No
 - 3a. If yes, attach the applicable supporting documentation:
 - a. evidence that the area qualifies as a enterprise zone as defined by the Governor's Office (**Tab 16**);
 - b. legal description of reinvestment zone (**Tab 16**);
 - c. order, resolution or ordinance establishing the reinvestment zone (**Tab 16**);
 - d. guidelines and criteria for creating the zone (**Tab 16**); and
 - e. a map of the reinvestment zone or enterprise zone boundaries with vicinity map (**Tab 11**)
 - 3b. If no, submit detailed description of proposed reinvestment zone or enterprise zone with a map indicating the boundaries of the zone on which you propose new construction or new improvements to the Comptroller's office within 30 days of the application date. What is the anticipated date on which you will submit final proof of a reinvestment zone or enterprise zone? _____

SECTION 13: Information on Property Not Eligible to Become Qualified Property

1. In **Tab 10**, attach a specific and detailed description of all **existing property**. This includes buildings and improvements existing as of the application review start date (the date the application is determined to be complete by the Comptroller). The description must provide sufficient detail to locate all existing property on the land that will be subject to the agreement and distinguish existing property from future proposed property.
2. In **Tab 10**, attach a specific and detailed description of all **proposed new property that will not become new improvements** as defined by TAC 9.1051. This includes proposed property that: functionally replaces existing or demolished/removed property; is used to maintain, refurbish, renovate, modify or upgrade existing property; or is affixed to existing property; or is otherwise ineligible to become qualified property. The description must provide sufficient detail to distinguish existing property (question 1) and all proposed new property that cannot become qualified property from proposed qualified property that will be subject to the agreement (as described in Section 12 of this application).
3. For the property not eligible to become qualified property listed in response to questions 1 and 2 of this section, provide the following supporting information in **Tab 10**:
 - a. maps and/or detailed site plan;
 - b. surveys;
 - c. appraisal district values and parcel numbers;
 - d. inventory lists;
 - e. existing and proposed property lists;
 - f. model and serial numbers of existing property; or
 - g. other information of sufficient detail and description.
4. Total estimated market value of existing property (that property described in response to question 1): _____ \$ _____
5. In **Tab 10**, include an appraisal value by the CAD of all the buildings and improvements existing as of a date within 15 days of the date the application is received by the school district.
6. Total estimated market value of proposed property not eligible to become qualified property (that property described in response to question 2): _____ \$ _____

Note: Investment for the property listed in question 2 may count towards qualified investment in Column C of Schedules A-1 and A-2, if it meets the requirements of 313.021(1). Such property cannot become qualified property on Schedule B.

SECTION 14: Wage and Employment Information

1. What is the estimated number of permanent jobs (more than 1,600 hours a year), with the applicant or a contractor of the applicant, on the proposed qualified property during the last complete quarter before the application review start date (date your application is finally determined to be complete)?
2. What is the last complete calendar quarter before application review start date:
 First Quarter Second Quarter Third Quarter Fourth Quarter of _____
(year)
3. What were the number of permanent jobs (more than 1,600 hours a year) this applicant had in Texas during the most recent quarter reported to the Texas Workforce Commission (TWC)?
- Note:** For job definitions see TAC §9.1051 and Tax Code §313.021(3).
4. What is the number of new qualifying jobs you are committing to create?
5. What is the number of new non-qualifying jobs you are estimating you will create?
6. Do you intend to request that the governing body waive the minimum new qualifying job creation requirement, as provided under Tax Code §313.025(f-1)? Yes No
 - 6a. If yes, attach evidence in **Tab 12** documenting that the new qualifying job creation requirement above exceeds the number of employees necessary for the operation, according to industry standards.
7. Attach in **Tab 13** the four most recent quarters of data for each wage calculation below, including documentation from the TWC website. The final actual statutory minimum annual wage requirement for the applicant for each qualifying job — which may differ slightly from this estimate — will be based on information from the four quarterly periods for which data were available at the time of the application review start date (date of a completed application). See TAC §9.1051(21) and (22).
 - a. Average weekly wage for all jobs (all industries) in the county is
 - b. 110% of the average weekly wage for manufacturing jobs in the county is
 - c. 110% of the average weekly wage for manufacturing jobs in the region is
8. Which Tax Code section are you using to estimate the qualifying job wage standard required for this project? §313.021(5)(A) or §313.021(5)(B)
9. What is the minimum required annual wage for each qualifying job based on the qualified property?
10. What is the annual wage you are committing to pay for each of the new qualifying jobs you create on the qualified property?
11. Will the qualifying jobs meet all minimum requirements set out in Tax Code §313.021(3)? Yes No
12. Do you intend to satisfy the minimum qualifying job requirement through a determination of cumulative economic benefits to the state as provided by §313.021(3)(F)? Yes No
 - 12a. If yes, attach in **Tab 12** supporting documentation from the TWC, pursuant to §313.021(3)(F).
13. Do you intend to rely on the project being part of a single unified project, as allowed in §313.024(d-2), in meeting the qualifying job requirements? Yes No
 - 13a. If yes, attach in **Tab 6** supporting documentation including a list of qualifying jobs in the other school district(s).

SECTION 15: Economic Impact

1. Complete and attach Schedules A1, A2, B, C, and D in **Tab 14**. Note: Excel spreadsheet versions of schedules are available for download and printing at URL listed below.
2. Attach an Economic Impact Analysis, if supplied by other than the Comptroller's Office, in **Tab 15**. (*not required*)
3. If there are any other payments made in the state or economic information that you believe should be included in the economic analysis, attach a separate schedule showing the amount for each year affected, including an explanation, in **Tab 15**.

Tab # 4

Detailed Description of the Project

Proposed Project Description

The proposed project is the construction of a new Isomerization Unit capable of processing 45,000 SBPD of normal butane feed. The plant will include inlet treating and an Isomerization unit with a De-Isobutanizer (DIB) and a Pentane Stripper to produce saleable isobutane and a small untreated gasoline stream.

The process consists of isomerization of normal butane to isobutane using fixed bed catalyst reactors. Normal butane feed is treated to remove water and sulfur components and then mixed with a recycled stream of recovered unreacted normal butane. The mixed feed is heated and then processed in two reactors. The hot reactor effluent is cooled before entering the separation section, where the effluent stream is separated into a hydrogen rich stream and a C4 rich liquid product. The C4 rich liquid product contains mainly isobutane and normal butane which is sent to a DIB where the normal butane and heavies are removed. This NC4 stream is sent to a pentane stripper, and the DIB isobutane overheads are then sent to cavern storage/distribution. The pentane stripper further separates the DIB bottoms into a recovered normal butane stream which is recycled to the ISOM feed, and an untreated gasoline stream which is then sent to cavern storage/distribution.

Summary of plant feed stock and finished products

1. Feedstock Source: Normal Butane
2. Final Products Produced:
 - a. Isobutane
 - b. Untreated Gasoline

The proposed project will consist of the following components:

- Inlet separation and filtration
- Pentane Removal Tower
- Tower Auxiliary Reboiler
- DIB Reboilers
- DIB Bottoms Product Pumps
- Deisobutanizer
- Compressors
- Tower reflux pumps
- Overhead accumulator
- Condensers
- DIB Heat Pump Compressor
- N-Butane Recycle Pumps
- HCl Guard Bed Filters
- DIB Booster Pumps
- Isomerization reactors
- Mol sieve beds for removal of residual H₂S and water
- Stabilizer and enricher for removal of light ends
- Heat medium systems
- Hydrogen recovery system
- Caustic fuel gas recovery treating system
- Flare system
- Propylene refrigeration system
- Storm water system
- Utilities (fuel, air, nitrogen, R.O. water)

Limitation is a Determining Factor

- 1. Does the applicant currently own the land on which the proposed project will occur?**

Applicant owns the land upon which the proposed project identified in Tab 7 will be constructed. That land is described in Tab 9, Item 1.

- 2. Has the applicant entered into any agreements, contracts or letters of intent related to the proposed project?**

The Applicant has not entered into any agreement with respect to the proposed project.

- 3. Does the applicant have current business activities at the location where the proposed project will occur?**

As described in Tab 10 to this Application, the site of the proposed project is currently being used as a construction staging area for an unrelated project under construction by the Applicant. The construction items in the staging area are not improvements to the site of the proposed project. The construction items in the staging area will be totally removed from the site of the proposed project prior to commencement of the construction of the proposed project.

- 4. Has the applicant made public statements in SEC filings or other documents regarding its intentions regarding the proposed project location?**

Applicant has not made public statements regarding the potential development of the proposed project.

- 5. Has the applicant received any local or state permits for activities on the proposed project site?**

N/A

- 6. Has the applicant received commitments for state or local incentives for activities at the proposed project site?**

N/A

7. Is the applicant evaluating other locations not in Texas for the proposed project?

N/A

8. Has the applicant provided capital investment or return on investment information for the proposed project in comparison with alternative investment opportunities?

See Item 10 to Tab 5, as referenced below in the answer to question 10.

9. Has the applicant provided information related to the applicant's inputs, transportation and market for the proposed project?

N/A

10. Are you submitting information to assist in the determinations as to whether the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in Texas?

See the attached Item 10 to Tab 5.

Key Determining factors:

- The Applicant has submitted in Item 10 to Tab 5 a discounted cash flow model (DCF) computing the proposed project's rate of return with the Chapter 313 appraised value limitation agreement and without the value limitation agreement. The DCF model shows that the rate of return with the valuation limitation agreement exceeds the minimum rate of return required by the Applicant to proceed with the proposed investment.
- An appraised value limitation agreement under Chapter 313 results in significant annual operating cost savings which would incentivize the Applicant to invest capital in the proposed project rather than making an alternative investment.
- The property tax burden for the Applicant's proposed project is significant. The property tax burden has a direct impact on the proposed project's economic viability and the decision to invest in Texas.
- The ability to enter into a Chapter 313 appraised value limitation agreement with the school district is a determining factor to invest in this project.

- Capital investments by the Applicant are based on expected economic return on investment. Property tax liabilities can make up a substantial ongoing cost of operation that directly impacts the rate of return on the investment in the proposed project. Without the tax incentive the economics of this project will be less competitive with other capital intensive projects and the viability of the proposed project becomes uncertain.
- Tax incentives play an important role in attracting capital intensive manufacturing facilities due to the high property tax burden in Texas.
- The Applicant is evaluating various manufacturing projects for development and where to commit substantial long term investment based on economic rate of return on investment in the proposed projects. The economic benefits provided by a Chapter 313 appraised value limitation agreement is an important component in this analysis.

AT THE REQUEST OF THE APPLICANT, SUPPORTING DOCUMENTS IN ITEM 10 TO TAB 5 ARE CONSIDERED PROPRIETY AND CONFIDENTIAL DUE TO THE NATURE OF THE FINANCIAL INFORMATION AND ANALYSIS SUBMITTED. Applicant has separately submitted Propriety and Confidential Discounted Cash Flow Models comparing the rate of return on investment in the proposed project with and without a Chapter 313 Appraised Value Limitation Agreement. These models are confidential.

Description of all property not eligible to become qualified property

The site selected for the proposed project is currently being used as a construction staging area for Applicant's Fractionator # 9 project which is immediately adjacent to the planned site of the proposed project. The items which are currently stored here for staging include contractor's construction trailers, instrumentation and electrical equipment ("I&E"), piping material, water treatment equipment, cable trays and other construction material for the Fractionator # 9 project. These items are wholly unrelated to the proposed project. Applicant will clear all the items temporarily stored in the staging area from the site before construction on the proposed project commences. The cost associated with the items temporarily stored here will not be part of the value limitation agreement. Please note Applicant's Fractionator# 9 application (application # 363) is a totally separate facility and unrelated to the proposed project.

**Request for Waiver of Job Creation
Requirement and supporting information**

Re: Chapter 313 Job Waiver Request; ISOM Unit Chapter 313 Application

Dear Dr. Poole:

Enterprise Products Operating LLC (“Enterprise”) respectfully requests that Barbers Hill Independent School District’s Board of Trustees waive the job requirement provision as allowed in Section 313.025(f-1) of the tax code in connection with its ISOM Unit Chapter 313 Application. This waiver would require that the school District make a finding that the jobs creation requirement exceeds the industry standard for the number of employees reasonably necessary for the operation of the facility described in the Enterprise application for the ISOM Unit. Enterprise requests that Barbers Hill ISD makes such findings and waive the job creation requirement of twenty five (25) permanent jobs.

Enterprise currently operates multiple plants and facilities in Chambers County and expects to integrate the new facility with existing operations. Based on this and other plant operation experience Enterprise expects to create fifteen (15) permanent jobs for the proposed project. The proposed project is expected to directly create approximately 500 jobs during construction, which will increase the need for local goods and services and generate incremental state and local tax revenue.

We believe this facility will promote economic growth and welfare to the community by creating permanent full-time positions. The wages for these positions will be at least above 110% of the Chambers County average wage rate. Additionally, benefits such as medical, dental, and life insurance will be provided, as well as 401K and pension plans.

We appreciate your consideration of the job waiver request and if you have any questions, please feel free to contact me by telephone at 713-381-8071 or by email at ctate@eprod.com.

Sincerely,

Description of Reinvestment Zone

**ORDER DESIGNATION/CREATING
ENTERPRISE PRODUCTS OPERATING, LLC 2013
REINVESTMENT ZONE**

Guidelines and Criteria for creating Reinvestment Zone are attached.

**ORDER DESIGNATION/CREATING
ENTERPRISE PRODUCTS OPERATING, LLC 2013
REINVESTMENT ZONE**

On FEBRUARY 26, 2013, at a regular, public meeting of the Commissioner's Court of CHAMBERS COUNTY, TEXAS ("the Court"), the Court conducted a hearing on the application of ENTERPRISE PRODUCTS OPERATING, LLC for the creation of the ENTERPRISE PRODUCTS OPERATING, LLC 2013 Reinvestment Zone.

The Court finds and declares that:

1. The Court has adopted tax abatement guidelines and policies which are now in effect, thereby electing to become eligible to participate in tax abatement.
2. The request for designation of the ENTERPRISE PRODUCTS OPERATING, LLC 2013 REINVESTMENT ZONE was timely received.
3. All notices and legal requirements have been given and/or satisfied prior to the consideration by the Court of the creation of the reinvestment zone. Specifically, notice of today's hearing was published in the manner required by law and notice was timely given to the presiding officer of other taxing units of government as required by law.
4. The designation of the reinvestment zone will contribute to the retention or expansion of primary employment and will attract major investment in the zone that will be a benefit to the property to be included in the zone and will contribute to the economic development of the COUNTY and surrounding area.
5. The improvements sought to be made are feasible and practical and will be a benefit to the land to be included in the reinvestment zone.
6. The area requested to be designated as a reinvestment zone meets the criteria for designation as such in one of more ways as specifically provided by law.

Therefore, upon motion made by Commissioner Nelson
seconded by Commissioner Senac and unanimously passed, be it
RESOLVED and ORDERED by the Court that the 527.514-acre tract of land,
more or less, described in the attached Exhibit "FIELD NOTES " is hereby
designated as the ENTERPRISE PRODUCTS OPERATING, LLC 2013
REINVESTMENT ZONE and is eligible for manufacturing / industrial tax
abatment.

GUIDELINES AND CRITERIA FOR TAX ABATEMENT IN CHAMBERS COUNTY

SECTION 1 INTRODUCTION

In recognition of the fact that:

- a.) The creation and retention of job opportunities that bring new wealth is the highest civic priority;
- b.) New jobs and investments will benefit the area economy, provide needed opportunities, strengthen the real estate market and generate tax revenue to support local services;
- c.) The communities within Chambers County must compete with other localities across the nation currently offering tax inducements to attract new plant and modernization projects;
- d.) Any tax incentives offered in Chambers County would reduce needed tax revenue unless strictly limited in application to those new and existing industries that bring new wealth to the community;
- e.) Any tax incentives should not adversely affect the competitive position of existing companies operating in Chambers County;
- f.) The abatement of property taxes, when offered to attract primary jobs in industries which bring in money from outside a community instead of merely recirculating dollars within a community, has been shown to be an effective method of enhancing and diversifying an area's economy; and
- g.) Effective September 1st, 1987, Texas law requires any eligible taxing jurisdiction to establish guidelines and criteria for tax abatement agreements prior to granting tax abatement, said guidelines and criteria to be unchanged for a two-year period unless amended by a three-quarters vote; and Chambers County has developed the following guidelines and criteria for tax abatement.

SECTION 2 DEFINITIONS

- a.) **“Abatement”** means the full or partial exemption from ad valorem taxes of the increase in value of certain real property in a reinvestment zone designated for economic development purposes.
- b.) **“Eligible Jurisdiction”** means Chambers County and any municipality, school district or college district that levies ad valorem taxes upon property located within the proposed or existing reinvestment zone.
- c.) **“Agreement”** means a contractual agreement between a property owner and an eligible jurisdiction for the purpose of tax abatement.
- d.) **“Base Year Value”** means the assessed value of eligible property on the January 1st preceding the execution of the agreement.

- e.) **“Economic Life”** means the number of years a property improvement is expected to be in service in a facility.
- f.) **“Deferred Maintenance”** means improvements necessary for continued operations, which do not improve productivity or alter the process technology.
- g.) **“Expansion”** means the addition of buildings, structures, or fixed machinery or equipment for purposes of increasing production capacity.
- h.) **“Facility”** means property improvements completed or in the process of construction which together comprise an integral whole.
- i.) **“Manufacturing Facility”** means buildings and structures, including fixed machinery and equipment, the primary purpose of which is or will be the manufacture of tangible goods or materials or the processing of such goods or materials by physical or chemical change.
- j.) **“Modernization”** means the replacement and upgrading of existing facilities, which increases the productive input or output, updates the technology or substantially lowers the unit cost of the operation. Modernization may result from the construction, alteration or installation of buildings, structures, of fixed machinery or equipment. It shall not be for the purpose of reconditioning, refurbishing or repairing.
- k.) **“New Facility”** means a property previously undeveloped, which is placed into service, by means other than or in conjunction with expansion or modernization.
- l.) **“Other Basic Industry”** means buildings and structures including fixed machinery and equipment not elsewhere described, used or to be used for the production or products or services and which result in the creation of new permanent jobs and bring in new wealth.
- m.) **“Wholesale Distribution Facility”** means buildings and structures, including fixed machinery and equipment, used or to be used primarily to receive, store, service or distribute goods or materials owned by the facility operator.
- n.) **“Entertainment and Recreation Facility”** means buildings and structures, including fixed machinery and equipment, used or to be used to provide entertainment through the admission of the general public.
- o.) **“Service Facility”** means buildings and structures, including fixed machinery and equipment, used or to be used to service goods.
- p.) **“Research Facility”** means building structures, including fixed machinery and equipment, used or to be used primarily for research or experimentation to improve or develop new tangible goods or materials or to improve or develop the production processes of such goods or materials.

SECTION 3 ABATEMENT AUTHORIZED

- a.) **Authorized Facility.** A facility may be eligible for abatement if it is a: Manufacturing Facility, Research Facility, Wholesale Distribution Facility, Service Facility, Entertainment and Recreation Facility, or other Basic Industry.

- b.) **Creation of New Value.** Abatement may be only be granted for the additional value over the base year value resulting from eligible property improvements made subsequent to and listed in tax abatement agreement between the eligible jurisdiction and the property owner subject to such limitations as the eligible jurisdiction may require.
- c.) **New and Existing Facilities.** Abatement may be granted for new facilities and improvements to existing facilities for purposes of modernization or expansion.
- d.) **Eligible Property.** Abatement may be extended to the value of buildings, structures, fixed machinery and equipment, site improvements plus that office space and related fixed improvements necessary to the operation and administration of the facility.
- e.) **Ineligible Property.** The following types of property shall be fully taxable and ineligible for tax abatement: land; inventories; supplies; tools; furnishings and other forms of movable personal property; vehicles; watercraft; aircraft; housing; deferred maintenance investments; any improvements, including those to produce, store or distribute natural gas, fluids or gases, which are not integral to the operation of the facility; property which has an economic life of less than 15 years; property owned or used by the State of Texas or its political subdivisions or by any organization owned, operated or directed by a political subdivision of the State of Texas.
- f.) **Owned/Leased Facilities.** In order for a facility to qualify for tax abatement, the land and eligible property must be owned and operated by the same individual or company or be leased to a facility operator whose lease term is at least 10 years.
- g.) **Value and Term of Abatement.** Tax Abatement for eligible property shall be granted effective with the January 1st valuation date immediately following the date of execution of the agreement and shall not exceed five (5) years, including construction time. The percentage of the new value created pursuant to the agreement on which taxes will be abated in each of the years for which abatement is granted shall be as follows:

1 st year	100%
2 nd year	100%
3 rd year	75%
4 th year	60%
5 th year	50%

If a modernization project includes facility replacements, the value to which abatement applies shall be the value of the new unit(s) less the value of the old unit(s).

Provided, however, that the value on which abatement is granted in any year shall not exceed the estimated increase in market value (required to be included in the tax abatement agreement in accordance with Section 6 (a), (1) resulting from construction of or improvements to eligible facilities.)

- h.) **Economic Qualification.** In order to be eligible for designation as a reinvestment zone and receive tax abatement, the proposed improvement;
 - (1) Must be reasonably expected to increase the value of property in the amount of \$500,000 or more after the period of abatement has expired;

- (2) Must be reasonably expected to prevent the loss of employment and to create employment at the facility for at least five people on a permanent basis and the owner must agree to exercise its best efforts to insure that 50% of new employees, or a minimum of two (2) employees, are residents of Chambers County, Harris County, Jefferson County, Galveston County, Hardin County and/or Liberty County; 10% of new employees, or a minimum of two (2) employees, are residents of Chambers County; and 5% of new employees, or a minimum of one (1) employee are resident(s) of the city in which the facility is located;
- (3) Must not be expected to solely or primarily have the effect of transferring employment from one part of Chambers County to another; and
- (4) If a new facility, must be necessary because capacity cannot be provided efficiently utilizing existing improved property when reasonable allowance is made for necessary improvements.

Further, the owner of the proposed improvement must make every reasonable effort to use local resources in employees, goods and services at the facility.

- i.) **Taxability.** For tax years beginning on or after the execution of the tax abatement agreement to the end of the agreement period taxes shall be payable as follows;
 - (1) the value of ineligible property as provided in Section 3(e) shall be fully taxable;
 - (2) the base year value of existing eligible property shall be fully taxable; and
 - (3) the value of eligible property shall be taxable in the manner described in Section 3(g).

SECTION 4 APPLICATION

- a.) **Filing of Application.** Any present or potential owner of taxable property in Chambers County may request the creation of a reinvestment zone and tax abatement by filing a written request with the County Judge of Chambers County if the property is located outside of the taxing jurisdiction of a municipality.
- b.) **Content of Application.** The application shall consist of a completed application form accompanied by: a general description of the new improvements to be undertaken; a general descriptive list of the improvements for which an abatement is requested; a list of the kind, number and location of all proposed improvements of the property; a map and/or aerial and location of all proposed improvements of the property; a map and property description; and a time schedule for undertaking and completing the proposed improvements. In the case of modernization, a statement of the assessed value of the facility, separately stated for real and personal property shall be given for the tax year immediately preceding the application. The application form may require such financial and other information as the municipality or County deems appropriate for evaluating the financial capacity and other factors of the applicant.
- c.) **Notice to Eligible Jurisdiction.** Upon receipt and approval of an application, Chambers County shall notify in writing the presiding officer of the governing body of each eligible jurisdiction.

- d.) **Abatement Inapplicable to Prior Projects.** Chambers County shall not establish a reinvestment zone or enter into an abatement agreement if it finds that the request for the abatement was approved by Commissioner's Court after the construction, alteration, or installation of improvements began as related to a proposed modernization, expansion or new facility.
- e.) **Variance.** Requests for variance from the provisions of Subsections (a), (e) and (g) of Section 3 must be made in written form. Such request shall include a complete description of the circumstances explaining why the applicant should be granted a variance.

**SECTION 5
PUBLIC HEARING AND APPROVAL**

- a.) **Public Hearing for Designation of Zone.** A resolution designating a reinvestment zone may not be adopted until the governing body has held a public hearing at which interested persons are entitled to speak and present evidence for or against the designation. Notice of the hearing shall be published at least seven (7) days prior to the hearing in a newspaper having general circulation in the eligible jurisdiction. The presiding officers of other eligible jurisdictions shall be notified in writing at least (7) days prior to the hearing.
- b.) **Findings Required for Agreement.** In order to enter into a tax abatement agreement, the eligible jurisdiction must find that the terms of the proposed agreement and the subject property meet these guidelines and criteria and that:
 - (1) there will be no substantial adverse effect on the provision of the jurisdiction's service or tax base; and
 - (2) the planned use of the property will not constitute a hazard to public safety, health or morals.

**SECTION 6
AGREEMENT**

- a.) **Contents of Agreement.** After approval, the eligible jurisdiction shall formally approve and execute an agreement with the owner of the facility which agreement shall include:
 - (1) estimated value to be abated and the base year value;
 - (2) percent of value to be abated each year as provided in Section 3(g);
 - (3) the commencement date and the termination date of abatement;
 - (4) the proposed use of the facility; nature of construction, time schedule, map, property description and improvement list as provided in Section 4(b);
 - (5) contractual obligations in the event of default, violation of terms or conditions, delinquent taxes, recapture, administration and assignment as provided in Sections 3(a), 3(f), 3(g), 7, 8, and 9, or other provisions that may be required for uniformity or by state law; and
 - (6) amount of investment and average number of jobs involved.

Such agreement shall normally be executed within 60 days after the applicant has forwarded all necessary information and documentation to the County. Upon execution of this agreement, it becomes the responsibility of the applicant to file with the County the necessary reports annually certifying employment and investment level as stated in the executed contract.

SECTION 7 RECAPTURE

The tax abatement agreement shall contain provisions for recapture of taxes abated in the event that 1) the improvements for which abatement was granted are not completed in accordance with agreement, 2) the owner allows ad valorem taxes owed the eligible jurisdictions granting abatement to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of such taxes, 3) the owner discontinues operating or using the property as required by the agreement, or 4) the owner breaches any of the terms or conditions of the agreement.

SECTION 8 ADMINISTRATION

- a.) **Appraisal and Assessment.** The Chief Appraiser of the County shall annually determine an appraisal of the real and personal property comprising the reinvestment zone. Each year, the company or individual receiving abatement shall furnish the assessor with such information as may be necessary for the abatement. Once value has been established, the Chief Appraiser shall notify the affected jurisdictions, which levy taxes of the amount of the assessment.
- b.) **Access to Property.** The agreement shall stipulate that employees and/or designated representatives of the contracting eligible jurisdiction shall have access to the subject property during the term of the abatement to inspect the facility to determine if the terms and conditions of the agreement are being met. All inspections will be made only upon twenty-four (24) hours prior notice and will only be conducted in such manner as to not unreasonably interfere with the construction and/or operation of the facility.
- c.) **Annual Evaluations.** Upon completion of construction, the jurisdiction creating the reinvestment zone shall annually evaluate each facility receiving abatement to ensure compliance with the agreement and report possible violations of the agreement to the eligible jurisdictions.

SECTION 9 ASSIGNMENT

A tax abatement agreement may not be assigned unless written consent is first granted by the eligible jurisdiction that has entered into the agreement, which consent shall be at the sole discretion of such eligible jurisdiction. Any assignment shall provide that the assignee shall irrevocably and unconditionally assume all the duties and obligations of the assignor upon the same terms and conditions as set out in the agreement. Any assignment of a tax abatement agreement shall be to an entity that contemplates the same improvements to, and operation of the property as the assignor, except to the extent such improvements have been completed. No assignment shall be approved by an eligible jurisdiction if the assignor or the assignee is indebted to the eligible jurisdiction for ad valorem taxes or other obligations.

SECTION 10
SUNSET PROVISIONS

- a.) These guidelines and criteria are effective upon the date of their adoption and will remain in force for two years, at which time all reinvestment zones and tax abatement contracts created pursuant to its provisions will be reviewed by the County to determine whether the goals have been achieved. Based on that review, the guidelines and criteria will be modified, renewed or eliminated.
- b.) This policy applies only to the tax abatement under the provisions of Chapter 312. Property Redevelopment and Tax Abatement Act, Texas Tax Code.

APPLICATION FOR TAX ABATEMENT IN CHAMBERS COUNTY, TX

This application should be filed at least 90 days prior to the proposed date for beginning of construction or the installation of fixed machinery and equipment. **Projects that have begun construction (including earthwork) prior to County approval of final contracts are ineligible.** The filing of this document acknowledges familiarity and conformance with Guidelines and Criteria for Tax Abatement in Chambers County (attached). This application will become part of the agreement and any knowingly false representations will be grounds to void the agreement. Original copy of this request should be submitted to the County Judge Jimmy Sylvia, 404 Washington Avenue, P. O. Box 939, Anahuac, Texas 77514 if the property is located outside the corporate limits of a municipality. If the property is within the corporate limits of a municipality, the application should be submitted to the city manager of the municipality or city administrator. Note: Approval of this application is only 1 step in securing tax abatement. The applicant must provide other legal documents.

Upon approval, the applicant must maintain membership in the Baytown-West Chambers County Economic Development Foundation, commencing the date of agreement and extending for the term of this agreement, at the standard rate for similar size companies as established by the Foundation.

INSTRUCTIONS

Applicant and projects must meet the requirements established in the Guidelines and Criteria (attached) in order to receive positive consideration. Section 3 of the Guidelines, for example, sets out improvements, terms and economic qualifications. Conformance with all sections, however, is required for eligibility.

APPLICANT INFORMATION

The taxing unit may consider applicant's financial capacity in determining whether to enter into an abatement agreement. Established companies for which public information is available, or the wholly owned businesses of such companies, should include with the application a copy of their latest annual report to stockholders. Other applicants and new companies should attach a statement showing when the company was established; business references (name, contact and telephone number of principal bank, accountant and attorney) and may be required to submit an audited financial statement and business plan.

PROJECT INFORMATION

Only facilities listed in Section 3(a) of the Guidelines may receive abatement without applying for a variance. Check guideline definitions in Section 2 to confirm project qualification.

ECONOMIC INFORMATION

Permanent Employment Estimates – In estimating the permanent employment, include the total number of jobs retained or created at this site by your firm as well as known permanent jobs of service contractors required for operation.

Estimated Appraised Value on Site – The value January 1st preceding abatement should be the value established by the Chambers County Appraisal District. If the applicant must estimate value because the taxable value is not known or is combined with other properties under a single tax account, please so state. To qualify, the abated properties must be expected to result in an addition to the tax base of at least five hundred thousand dollars (\$500,000.00) after the period of abatement expires. Projections of value should be a “best estimate” based on taxability in Texas. The projection of project values not abated should include personal property and ineligible project-related improvements such as office space in excess of that used for plant administration, housing, etc.
