Re: Amendment No. 2 to Application No. 1270 Carthage ISD

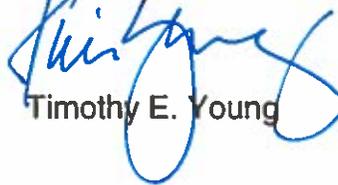

Dear Ms. Perez:

We are submitting Amendment No. 2 to Application No. 1270 involving the Carthage Independent School District. Two items are covered in this amendment. First, a decision was made by the client to utilize a different Enterprise Products subsidiary as the Applicant. Accordingly, in Amendment 2 we have changed the name of the Applicant from BTA Gas Processing LLC to TECO Gas Processing LLC wherever this appears in the Application. No assignment or other transfer instrument is involved, as there are no current assets involved for this proposed project. All assets and costs will be allocated to TECO Gas Processing LLC as acquired or incurred, assuming the project goes forward.

Second, after an internal review by the client, it was determined that a job waiver would need to be submitted to the Carthage ISD Board of Trustees, pursuant to Section 313.021(f-1) of the TEXAS TAX CODE. A copy of the waiver request is included in the Amendment No. 2 under TAB 12. All references to employment numbers in the Application and Schedules have been updated in Amendment 2 per the waiver request. Additionally, new wage data information was available, so we have updated TAB 13 and the page 7 of the Application to reflect the new data.

Electronic copies of the amended pages are transmitted with this letter along with a new signature page for the application. Hard copies will be hand-delivered to you as well. Please contact me if you need further information.

Sincerely,

Timothy E. Young
