Section 4.1. INTENT OF PARTIES.

Subject to the limitations contained in this Agreement, it is the intent of the Parties in accordance with the provisions of Section 313.027(f)(1) of the TEXAS TAX CODE that the District shall be compensated by the Applicant as provided in this Article IV for any Lost M&O Revenue as a result of, or on account of, entering into this Agreement, after taking into account any payments to be made under this Agreement. Such payments shall be independent of, and in addition to such other payments as set forth in Article V and Article VI of this Agreement. Subject to the limitations contained in this Agreement, **it is the intent of the Parties that the risk of any and all Lost M&O Revenue as a result of, or on account of, entering into this Agreement, will be borne by the Applicant and not by the District.**

Subject to the limitations contained in this Agreement, the calculation of any Lost M&O Revenue required to be paid by the Applicant under this Article IV shall be made for the first time in the first year of the Tax Limitation Period, and every year thereafter during the term of this Agreement.

The Parties further agree that the printouts and projections produced during the negotiations and approval of this Agreement are:

- i. For illustrative purposes only, are not intended to be relied upon, and have not been relied upon by the Parties as a prediction of future consequences to either Party to the Agreement;
- ii. Are based upon current Applicable School Finance Law, which is subject to change by statute, by administrative regulation, or by judicial decision at any time; and,
- iii. May change in future years to reflect changes in the Applicable School Finance Law.

Section 4.2 CALCULATING LOST M&O REVENUE.

Subject to the limitations contained in this Agreement, the amount to be paid by the Applicant to compensate the District for loss of M&O Revenue resulting from, or on account of, this Agreement for each year starting in the first year of the Tax Limitation Period and ending on December 31st of the last year of the Tax Limitation Period (the "Lost M&O Revenue") shall be determined in compliance with the Applicable School Finance Law in effect for such year and according to the following formula:

The Lost M&O Revenue owed by the Applicant to District means the Original M&O Revenue *minus* the New M&O Revenue.

In making the calculations required by this Section 4.2:

- i. The Taxable Value of property for each school year will be determined under the

Applicable School Finance Law.

- ii. For purposes of this calculation, the tax collection rate on the Applicant's Qualified Property will be presumed to be one hundred percent (100%).
- iii. If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue, as calculated under this Section 4.2 of this Agreement, results in a negative number, the negative number will be considered to be zero.
- iv. For all calculations made for years during the Tax Limitation Period under this Section 4.2 of this Agreement, Subsection ii of this subsection will reflect the Tax Limitation Amount for such year.
- v. All calculations made under this Section 4.2 shall be made by a methodology which isolates only the full Maintenance and Operation Revenue impact caused by this Agreement. The Applicant shall not be responsible to reimburse the District for other revenue losses created by other agreements, or on account of or otherwise arising out of any other factors not contained in this Agreement.

Section 4.3. CALCULATIONS TO BE MADE BY THIRD PARTY.

All calculations under this Agreement shall be made annually by an independent third party (the "Third Party") selected and appointed each year by the District, subject to approval by Applicant in writing, which approval shall not unreasonably be withheld.

Section 4.4. DATA USED FOR CALCULATIONS.

The calculations for payments under this Agreement shall be initially based upon the valuations that are placed upon all taxable property in the District, including the Applicant's Qualified Property, by the Appraisal District in its annual certified tax roll submitted to the District for each Tax Year pursuant to TEXAS TAX CODE § 26.01 on or about July 25 of each year of this Agreement. Immediately upon receipt of the valuation information by the District, the District shall submit the valuation information to the Third Party selected and appointed under Section 4.3. The certified tax roll data shall form the basis of the calculation of any and all amounts due under this Agreement. All other data utilized by the Third Party to make the calculations contemplated by this Agreement shall be based upon the best available current estimates. The data utilized by the Third Party shall be adjusted from time to time by the Third Party to reflect actual amounts, subsequent adjustments by the Appraisal District to the District's certified tax roll or any other changes in student counts, tax collections, or other data.

Section 4.5. EFFECT OF PROPERTY VALUE APPEAL OR OTHER ADJUSTMENT.

If the Applicant has appealed any matter relating to the valuations placed by the Appraisal District on the Applicant's Qualified Property, and such appeal remains unresolved at the time the Third Party selected under Section 4.3 makes its calculations under this Agreement, the Third Party shall base its calculations upon the values placed upon the Applicant's Qualified Property by the Appraisal District. The calculations shall be readjusted, if necessary, based on the outcome of the

appeal as set forth below.

If as a result of an appeal or for any other reason, the Taxable Value of the Applicant's Qualified Investment is changed, once the determination of the new Taxable Value becomes final, the Parties shall immediately notify the Third Party who shall immediately issue new calculations for the applicable year or years using the new Taxable Value. In the event the new calculations result in a change in any amount paid or payable by the Applicant under this Agreement, the Party from whom the adjustment is payable shall remit such amount to the other Party within thirty (30) days of the receipt of the new calculations from the Third Party.

Section 4.6. DELIVERY OF CALCULATIONS.

On or before November 1 of each year for which this Agreement is effective, the Third Party appointed pursuant to Section 4.3 of this Agreement shall forward to the Parties a certification containing the calculations required under this Article IV, Article V, Article VI, and/or Section 7.1 of this Agreement in sufficient detail to allow the Parties to understand the manner in which the calculations were made. The Third Party shall simultaneously submit his, her or its invoice for fees for services rendered to the Parties, if any fees are being claimed, which fee shall be the sole responsibility of the District, but subject to the provisions of Section 4.8, below. Upon reasonable prior notice, the employees and agents of the Applicant shall have access, at all reasonable times, to the Third Party's calculations, records, and correspondence pertaining to the calculation and fee for the purpose of verification. The Third Party shall maintain supporting data consistent with generally accepted accounting practices, and the employees and agents of the Applicant shall have the right to reproduce and retain for purpose of audit, any of these documents. The Third Party shall preserve all documents pertaining to the calculation until four (4) years after the Final Termination Date of this Agreement. The Applicant shall not be liable for any of the Third Party's costs resulting from an audit of the Third Party's books, records, correspondence, or work papers pertaining to the calculations contemplated by this Agreement.

Section 4.7. STATUTORY CHANGES AFFECTING MAINTENANCE & OPERATION REVENUE.

Notwithstanding any other provision in this Agreement, but subject to the limitations contained in Section 7.1 of this Agreement, in the event that, by virtue of statutory changes to the Applicable School Finance Law, administrative interpretations by the Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other reason attributable to statutory change, the District will receive less Maintenance and Operations Revenue, or, if applicable, will be required to increase its payment of funds to the State, because of its participation in this Agreement, the Applicant shall make payments to the District that are necessary to fully reimburse and hold the District harmless from any actual negative impact on the District's Maintenance and Operation Revenue as a result of its participation in this Agreement. Such calculation shall take into account any adjustments to the amount calculated for the current fiscal year that should be made in order to reflect the actual impact on the District. Such payment shall be made no later than thirty (30) days following notice from the District of such determination and calculation. The District shall use reasonable efforts to mitigate the economic effects of any such statutory change or administrative interpretation, and if the Applicant disagrees with any calculation or determination by the District of any adverse impact described in this Article IV, the Applicant shall have the right to appeal such calculation or determination in accordance with the procedures set forth in Section 4.9.

Section 4.8. PAYMENT BY APPLICANT.

The Applicant shall pay any amount determined by the Third Party to be due and owing to the District under this Agreement on or before the January 31 of the year next following the tax levy for each year for which this Agreement is effective. Subject to the limitation set forth in this Section 4.8, by such date, the Applicant shall also pay any amount billed by the Third Party for all calculations under this Agreement under Section 4.4, above, plus any reasonable and necessary legal expenses paid by the District to its attorneys, auditors, or financial consultants for the preparation and filing of any financial reports, disclosures, or other reimbursement applications filed with or sent to the State of Texas, for any audits conducted by the State Auditor's Office, or for other legal expenses which are, or may be required under the terms of, or because of, the execution of this Agreement. The Applicant shall only be responsible for the payment of an aggregate amount of fees and expenses under this Section 4.8 not to exceed Fifteen Thousand Dollars (\$15,000.00).

Section 4.9. RESOLUTION OF DISPUTES.

Should the Applicant disagree with the Third Party calculations made pursuant to this Article IV of this Agreement, the Applicant may appeal the findings, in writing, to the Third Party within thirty (30) days following the later of (i) receipt of the certification, or (ii) the date the Applicant is granted access to the books, records, and other information in accordance with Section 4.4 for purposes of auditing or reviewing the information in connection with the certification. Within thirty (30) days of receipt of the Applicant's appeal, the Third Party will issue, in writing, a final determination of the calculations. Thereafter, the Applicant may appeal the final determination of the certification containing the calculations to the District's Board of Trustees within thirty (30) days after receipt of the final determination of the calculations. Any appeal by the Applicant of the final determination of calculations shall in no way limit Applicant's other rights and remedies available hereunder, at law or in equity.

Section 4.10. PAYMENT LIMITATION.

Notwithstanding any other provision in this Agreement, in no event shall the Payments calculated under this Article IV beginning with the date on which the Qualifying Time Period commences under this Agreement as provided in Section 2.3.C.i, and ending with the first Tax Year following the end of the Tax Limitation Period, exceed an amount equal to One Hundred Percent (100%) of the amount of maintenance and operations ad valorem taxes that the Applicant would have paid to the District for such Tax Year (determined by using the District's actual maintenance and operations tax rate for such Tax Year) if the Parties had not entered into this Agreement. This penalty shall be paid on or before February 1 of the year following the expiration of the Qualifying Time Period and is subject to the delinquent penalty provisions of Section 33.01 of the TEXAS TAX CODE. The Comptroller may grant a waiver of this penalty in the event of Force Majeure which prevents compliance with this provision.

Section 9.7. REMEDY FOR FAILURE TO CREATE AND MAINTAIN REQUIRED NEW QUALIFYING JOBS.

Pursuant to Section 313.0276 of the TEXAS TAX CODE, for any full Tax Year that commences after the project has become operational, in the event that it has been determined that the Applicant has failed to meet the job creation or retention requirements defined in Sections 9.1.C, the Applicant shall not be deemed to be in Material Breach of this Agreement until such time as the Comptroller has made a determination to rescind this Agreement under Section 313.0276 of TEXAS TAX CODE, and that determination is final.

- C. In the event that there is no tax limitation in place for the tax year that the Material Breach occurs, the payment to the State shall be in an amount equal to: (i) multiplying the maintenance and operations tax rate of the School District for each tax year that the Material Breach occurs by (ii) the amount obtained after subtracting (a) the tax limitation amount

Waiver of any term, condition, or provision of this Agreement by any Party shall only be effective if in writing and shall not be construed as a waiver of any subsequent breach of, or failure to comply with, the same term, condition, or provision, or a waiver of any other term, condition, or provision of this Agreement.

Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement in an acceptable manner so as to effect the original intent of the Parties as closely as possible so that the transactions contemplated hereby are fulfilled to the extent possible.
