ARTICLE IV

PROTECTION AGAINST LOSS OF FUTURE DISTRICT REVENUES

Section 4.1. INTENT OF THE PARTIES. Subject to the limitations contained in this Agreement (including Section 7.1), it is the intent of the Parties that the District shall, in accordance with the provisions of Section 313.027(f)(1) of the TEXAS TAX CODE and Section 48.256(d) of the TEXAS EDUCATION CODE, be compensated by Applicant for any loss that District incurs in its Maintenance and Operations Revenue resulting, at least in part, because or on account of entering into this Agreement, after taking into account any payments to be made under this Agreement. Such payments shall be independent of, and in addition to such other payments as set forth in Articles V and VI in this Agreement. Subject to the limitations contained in this Agreement, IT IS THE INTENT OF THE PARTIES THAT THE RISK OF ANY NEGATIVE FINANCIAL CONSEQUENCE TO DISTRICT IN MAKING THE DECISION TO ENTER INTO THIS AGREEMENT WILL BE BORNE SOLELY BY APPLICANT AND NOT BY DISTRICT. Applicant recognizes and acknowledges the calculations relating to the District's loss of

Maintenance and Operations Revenue under this Agreement will be affected by changes to the timing of construction of the Project and any change to the Qualified Investment/Qualified Property. As such, Applicant acknowledges that it will bear any and all losses of Maintenance and Operations Revenue suffered by the District as a result of the Agreement, including without limitation any increase in the M&O Amount calculated under Section 4.2 to be paid to the District for losses in Maintenance and Operations Revenue resulting from any change in the timing of construction and/or any change to the Qualified Investment/Qualified Property.

The Parties expressly understand and agree that, for all Tax Years to which this Agreement may apply, the calculation of negative financial consequences will be defined for each applicable Tax Year in accordance with the Applicable School Finance Law, as defined in Section 1.2 above, and that such definition specifically contemplates that calculations made under this Agreement may well periodically change in accordance with changes in the Applicable School Finance Law. The Parties further agree that the printouts and projections produced during the negotiations and approval of this Agreement are: (i) for illustrative purposes only, and are not intended to be relied upon, and have not been relied upon by the Parties as a prediction of future consequences to either Party; (ii) based upon current Applicable School Finance Law which is subject to change by statute, by administrative regulation (or interpretation thereof), or by judicial decision at any time; and (iii) may change in future years to reflect changes in the Applicable School Finance Law.

Section 4.2. CALCULATING THE AMOUNT OF LOSS OF REVENUES BY THE DISTRICT. Subject to the provisions of Section 7.1, the amount to be paid by Applicant to compensate District for loss of Maintenance and Operations Revenue resulting from, or on account of, this Agreement for each year starting in the year of the Application Approval Date and ending on the Final Termination Date (as set out in **EXHIBIT 5**), the “M&O Amount” shall be determined in compliance with the Applicable School Finance Law in effect for such year and according to the following formula:

A. The M&O Amount owed by Applicant to District (also known as the revenue protection payment as set out in TEXAS EDUCATION CODE Section 48.256(d)) means the Original M&O Revenue *minus* the New M&O Revenue; based on the following definitions:

- i. “Original M&O Revenue” means the total State and local Maintenance and Operations Revenue that the District would have received for such school year calculated in accordance with TEXAS EDUCATION CODE Section 48.256(d), had this Agreement not been entered into by the Parties and the Applicant’s Qualified Property had been subject to the District’s ad valorem maintenance and operations tax without any limitation on value at the rate applicable for such Tax Year. For purposes of this calculation, the Third Party Consultant (as defined in Section 4.5) will base its calculations upon (1) the total Taxable Values for each applicable Tax Year as certified by the Appraisal District for all taxable accounts in the District for the District's maintenance and operations ad valorem tax purposes, save and except for the Applicant's Qualified Property subject to this Agreement, plus (2) the total Taxable Values for such applicable Tax Year as certified by the Appraisal District for the Applicant's Qualified Property subject to this Agreement for the District's

debt service (interest and sinking fund) ad valorem tax purposes (which total Taxable Values for the Applicant's Qualified Property subject to this Agreement shall be used in lieu of the total Taxable Values for such applicable Tax Year as certified by the Appraisal District for the Applicant's Qualified Property subject to this Agreement for the District's maintenance and operations ad valorem tax purposes).

- ii. "New M&O Revenue" means the total State and local Maintenance and Operations Revenue that the District would have received for such school year, calculated in accordance with TEXAS EDUCATION CODE Section 48.256(d), with the Limitation Amount specified in Section 2.4 applied to Applicant's Qualified Property.

B. In making the calculations for the M&O Amount required by this Section 4.2 of this Agreement:

- i. The Taxable Value of property for each school year will be determined under the Applicable School Finance Law.
- ii. For purposes of this calculation, the tax collection rate on the Applicant's Qualified Property and/or Applicant's Qualified Investment will be presumed to be one hundred percent (100%).
- iii. If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue as calculated under this Section 4.2 results in a negative number, the negative number will be considered to be zero.
- iv. For all calculations made for any year during the Tax Limitation Period under this Section 4.2, the New M&O Revenue will reflect the Tax Limitation Amount stated in Section 2.4 for such year.
- v. As applicable, the methodology for the calculations made under this Section 4.2 shall include the limited values as set forth in other existing limitation agreements, if any.

Section 4.3. STATUTORY CHANGES AFFECTING M&O REVENUE. Notwithstanding any other provision in this Agreement, but subject to the limitations contained in Section 7.1 of this Agreement, in the event that, by virtue of statutory changes to the Applicable School Finance Law, administrative interpretations by Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other reason attributable to statutory change, District will receive less Maintenance and Operations Revenue, or, if applicable, will be required to increase its payment of funds to the State or another school district, pursuant to Chapter 49 of the Texas Education Code or any other statutory provision as well as any amendment or successor statute to these provisions, as applicable, because of its participation in this Agreement, Applicant shall make payments to District, up to the M&O Amount limit (also known as the revenue protection payment as set out in TEXAS EDUCATION CODE Section 48.256(d)) set forth in this Agreement that are necessary to offset any negative impact on District as a result of its participation in this Agreement.

Section 4.4. COMPENSATION FOR LOSS OF OTHER REVENUES. To the extent not included in the

amounts calculated pursuant to Section 4.2 above, Applicant shall also pay to the District on an annual basis all M&O Revenue losses, and non-reimbursed costs as they are incurred by the District that arise from entering this Agreement, including but not limited to: (a) any loss incurred by the District resulting from successful judicial challenge to this Agreement; (b) any reasonable attorneys' fees or other costs incurred by the District due to any amendment, audit, legal defense, enforcement or interpretation of this Agreement brought by or against any party, irrespective of whether or not this Agreement or any interpretation thereof by the District is ultimately determined to be valid (notwithstanding any provision of attorney's fees as set out in Section 9.3 herein); and (c) any non-reimbursed reasonable costs incurred by the District and related to this Agreement, either directly or indirectly, including without limitation, any costs or fees paid to the Appraisal District based on the values of the Qualified Property used for District's debt service (interest and sinking fund) ad valorem tax purposes that exceeds the Tax Limitation Amount provided in Section 2.4 herein.

Section 4.5. CALCULATIONS TO BE MADE BY THIRD PARTY CONSULTANT. All calculations under this Agreement shall be made annually by an independent third party consultant (the "Third Party Consultant") selected and appointed each year by the District.

Section 4.6. DATA FOR CALCULATIONS. The calculations for payments under this Agreement shall be initially based upon the valuations placed upon all taxable property in the District, including the Applicant's Qualified Investment and/or the Applicant's Qualified Property by the Collin County Appraisal District in its annual certified tax roll submitted to the District pursuant to TEXAS TAX CODE § 26.01 on or about July 25 of each year of this Agreement. Immediately upon receipt of the valuation information by the District, the District shall submit the valuation information to the Third Party Consultant selected under Section 4.5. The certified tax roll data shall form the basis of the calculation of any and all amounts due under this Agreement. All other data utilized by the Third Party Consultant to make the calculations contemplated by this Agreement shall be based upon the best available current estimates. The data utilized by the Third Party Consultant shall be adjusted from time-to-time by the Third Party Consultant to reflect actual amounts, subsequent adjustments by the Collin County Appraisal District to the District's certified tax roll, or any other changes in student counts, tax collections, or other applicable data.

Section 4.7. DELIVERY OF CALCULATIONS. On or before November 1 of each year for which this Agreement is effective, the Third Party Consultant appointed pursuant to Section 4.5 shall forward to the Parties a certification containing the calculations required under Articles IV, V and VI of this Agreement in sufficient detail to allow the Parties to understand the manner in which the calculations were made. Notwithstanding any other provision herein, and for the avoidance of doubt, Applicant shall have the unilateral option to cancel this Agreement in its entirety at any point prior to the start of the Tax Limitation Period, in which case Applicant shall have no obligation to make Supplemental Payments under this Article VI. If Applicant elects to exercise its right to terminate pursuant to Section 7.2, Applicant shall not be obligated to continue to make Supplemental Payments as provided in this Section 6.1 for Tax Years following termination of this Agreement.

ARTICLE VII
ANNUAL LIMITATION OF PAYMENTS BY APPLICANT

Section 7.1 ANNUAL LIMITATION. Notwithstanding anything contained in this Agreement to the contrary, and with respect to each Tax Year of the Tax Limitation Period beginning after the first Tax Year of the Tax Limitation Period, in no event shall (i) the sum of the maintenance and operations ad valorem taxes paid by the Applicant to the District for such Tax Year, plus the sum of all payments otherwise due from the Applicant to the District under Articles IV, V, and VI of this Agreement with respect to such Tax Year, exceed (ii) the amount of the maintenance and operations ad valorem taxes that the Applicant would have paid to the District for such Tax Year (determined by using the District's actual maintenance and operations tax rate for such Tax Year) if the Parties had not entered into this Agreement. The calculation and comparison of the amounts described in clauses (i) and (ii) of the preceding sentence shall be included in all calculations made pursuant to Article IV of this Agreement, and in the event the sum of the amounts described in said clause (i) exceeds the amount described in said clause (ii), then the payments otherwise due

Section 7.2. OPTION TO TERMINATE AGREEMENT. In the event that any payment otherwise due from the Applicant to the District under Article IV, Article V, or Article VI of this Agreement with respect to a Tax Year is subject to reduction in accordance with the provisions of Section 7.1, then the Applicant shall have the option to terminate this Agreement. The Applicant may exercise such option to terminate this Agreement by notifying the District of its election in writing not later than the July 31 of the year following the Tax Year with respect to which a reduction under Section 7.1 is applicable. Any termination of this Agreement under the foregoing provisions of this Section 7.2 shall be effective immediately prior to the second Tax Year next following the Tax Year in which the reduction giving rise to the option occurred.

Section 7.3. EFFECT OF OPTIONAL TERMINATION. Upon the exercise of the option to terminate pursuant to Section 7.2, this Agreement shall terminate and be of no further force or effect; provided, however, that:

The Applicant shall allow authorized employees of the District, the Comptroller, the Appraisal District, and the State Auditor’s Office to have reasonable access to the Applicant’s Qualified Property and business records from the Application Review Start Date through the Final Termination Date, in order to inspect the project to determine compliance with the terms hereof or as necessary to properly appraise the Taxable Value of the Applicant’s Qualified Property.

A. All inspections will be made at a mutually agreeable time after the giving of not less than forty-eight (48) hours prior written notice, and will be conducted in such a manner so as not to unreasonably interfere with either the construction or operation of the Applicant’s Qualified Property.

B. All inspections may be accompanied by one or more representatives of the Applicant, and shall be conducted in accordance with the Applicant’s safety, security, and operational standards. Notwithstanding the foregoing, nothing contained in this Agreement shall require the Applicant to provide the District, the Comptroller, or the Appraisal District with any technical or business information that is proprietary, a trade secret, or is subject to a confidentiality agreement with any third party.

Section 8.6. RIGHT TO AUDIT; SUPPORTING DOCUMENTS; AUTHORITY OF STATE AUDITOR. By executing this Agreement, implementing the authority of, and accepting the benefits provided by Chapter 313 of the TEXAS TAX CODE, the Parties agree that this Agreement and their performance pursuant to its terms are subject to review and audit by the State Auditor as if they are parties to a State contract and subject to the provisions of Section 2262.154 of the TEXAS GOVERNMENT CODE and Section 313.010(a) of the TEXAS TAX CODE. The Parties further agree to comply with the following requirements:

A. The District and the Applicant shall maintain and retain supporting documents adequate to ensure that claims for the Tax Limitation Amount are in accordance with applicable Comptroller and State of Texas requirements. The Applicant and the District shall maintain all such documents and other records relating to this Agreement and the State’s property for a period of four (4) years

after the latest occurring date of:

The Applicant and the District shall cooperate with auditors and other authorized Comptroller and State of Texas representatives and shall provide them with prompt access to all of such property as requested by the Comptroller or the State of Texas. By example and not as an exclusion to other breaches or failures, the Applicant's or the District's failure to comply with this Section shall constitute a Material Breach of this Agreement.

C. In addition to and without limitation on the other audit provisions of this Agreement, the acceptance of tax benefits or funds by the Applicant or the District or any other entity or person directly under this Agreement acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the Applicant or the District or other entity that is the subject of an audit or investigation by the State Auditor must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit. The Parties agree that this Agreement shall for its duration be subject to all rules and procedures of the State Auditor acting under the direction of the legislative audit committee.

D. The Applicant shall include the requirements of this Section 8.6 in its subcontract with any entity whose employees or subcontractors are subject to wage requirements under the Act, the Comptroller's Rules, or this Agreement, or any entity whose employees or subcontractors are included in the Applicant's compliance with job creation or wage standard requirement of the Act, the Comptroller's Rules, or this Agreement.

Section 8.7. FALSE STATEMENTS; BREACH OF REPRESENTATIONS. A. represents and warrants that all information, facts, and representations contained in the Application are true and correct to the best of its knowledge;

B. agrees and acknowledges that the Application and all related attachments and schedules are included by reference in this Agreement as if fully set forth herein; and

C. acknowledges that if the Applicant submitted its Application with a false statement, signs this Agreement with a false statement, or submits a report with a false statement, or it is subsequently determined that the Applicant has violated any of the representations, warranties, guarantees, certifications, or affirmations included in the Application or this Agreement, the Applicant shall have materially breached this Agreement and the Agreement shall be invalid and void except for the enforcement of the provisions required by Section 9.2 of this Agreement.

O. The Applicant failed to comply with the conditions included in the certificate for limitation issued by the Comptroller.

Section 9.2. DETERMINATION OF BREACH AND TERMINATION OF AGREEMENT.

A. Prior to making a determination that the Applicant has failed to comply in any material respect with the terms of this Agreement or to meet any material obligation under this Agreement, the District shall provide the Applicant with a written notice of the facts which it believes have caused the breach of this Agreement, and if cure is possible, the cure proposed by the District. After receipt of the notice, the Applicant shall be given ninety (90) days to present any facts or arguments to the Board of Trustees showing that it is not in breach of its obligations under this Agreement, or that it has cured or undertaken to cure any such breach.

B. If the Board of Trustees is not satisfied with such response or that such breach has been cured, then the Board of Trustees shall, after reasonable notice to the Applicant, conduct a hearing

called and held for the purpose of determining whether such breach has occurred and, if so, whether such breach has been cured. At any such hearing, the Applicant shall have the opportunity, together with their counsel, to be heard before the Board of Trustees. At the hearing, the Board of Trustees shall make findings as to:

- i. whether or not a breach of this Agreement has occurred;
- ii. whether or not such breach is a Material Breach;
- iii. the date such breach occurred, if any;
- iv. whether or not any such breach has been cured; and,

Section 9.3. DISPUTE RESOLUTION.

A. After receipt of notice of the Board of Trustee’s Determination of Breach and Notice of Contract Termination under Section 9.2, the Applicant shall have ninety (90) days in which either to tender payment or evidence of its efforts to cure, or to initiate mediation of the dispute by written notice to the District, in which case the District and the Applicant shall be required to make a good faith effort to resolve, without resort to litigation and within ninety (90) days after the Applicant initiates mediation, such dispute through mediation with a mutually agreeable mediator and at a mutually convenient time and place for the mediation. If the Parties are unable to agree on a mediator, a mediator shall be selected by the senior state district court judge then presiding in Collin County, Texas. The Parties agree to sign a document that provides the mediator and the mediation will be governed by the provisions of Chapter 154 of the TEXAS CIVIL PRACTICE AND REMEDIES CODE and such other rules as the mediator shall prescribe. With respect to such mediation, (i) the District shall bear one-half of such mediator’s fees and expenses and the Applicant shall bear one-half of such mediator’s fees and expenses, and (ii) otherwise each Party shall bear all of its costs and expenses (including attorneys’ fees) incurred in connection with such mediation.

B. In the event that any mediation is not successful in resolving the dispute or that payment is not received within the time period described for mediation in Section 9.3.A, either the District

or the Applicant may seek a judicial declaration of their respective rights and duties under this Agreement or otherwise, in a judicial proceeding in a state district court in Collin County, assert any rights or defenses, or seek any remedy in law or in equity, against the other Party with respect to any claim relating to any breach, default, or nonperformance of any contract, agreement or undertaking made by a Party pursuant to this Agreement.

C. Section 9.4. CONSEQUENCES OF EARLY TERMINATION OR OTHER BREACH BY APPLICANT.

A. In the event that the Applicant terminates this Agreement without the consent of the District, except as provided in Section 7.2 of this Agreement, the Applicant shall pay to the District liquidated damages for such failure within thirty (30) days after receipt of the notice of breach.

B. In the event that the District determines that the Applicant has failed to comply in any material respect with the terms of this Agreement or to meet any material obligation under this Agreement, the Applicant shall pay to the District liquidated damages, as calculated by Section 9.4.C, prior to, and the District may terminate the Agreement effective on the later of: (i) the expiration of the ninety (90) days provided for in Section 9.3.A, and (ii) thirty (30) days after any mediation and judicial proceedings initiated pursuant to Sections 9.3.A and 9.3.B are resolved in favor of the District.

C. The sum of liquidated damages due and payable shall be the sum total of the District ad valorem taxes for all of the Tax Years for which a tax limitation was granted pursuant to this Agreement prior to the year in which the default occurs that otherwise would have been due and payable by the Applicant to the District without the benefit of this Agreement, including penalty and interest, as calculated in accordance with Section 9.4.E. For purposes of this liquidated damages calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Articles IV, V, and VI. Upon payment of such liquidated damages, the Applicant's obligations under this Agreement shall be deemed fully satisfied, and such payment shall constitute the District's sole remedy.

D. In the event that the District determines that the Applicant has committed a Material Breach identified in Section 9.1, after the notice and mediation periods provided by Sections 9.2

and 9.3, then the District may, in addition to the payment of liquidated damages required pursuant to Section 9.4.C, terminate this Agreement.

E. In determining the amount of penalty or interest, or both, due in the event of a breach of this Agreement, the District shall first determine the base amount of recaptured taxes less all credits under Section 9.4.C owed for each Tax Year during the Tax Limitation Period. The District shall calculate penalty or interest for each Tax Year during the Tax Limitation Period in accordance with the methodology set forth in Chapter 33 of the TEXAS TAX CODE, as if the base amount calculated for such Tax Year less all credits under Section 9.4.C had become due and payable on February 1 of the calendar year following such Tax Year. Penalties on said amounts shall be calculated in accordance with the methodology set forth in Section 33.01(a) of the TEXAS TAX CODE, or its successor statute. Interest on said amounts shall be calculated in accordance with the methodology set forth in Section 33.01(c) of the TEXAS TAX CODE, or its successor statute.

Section 9.5. LIMITATION OF OTHER DAMAGES. Notwithstanding anything contained in this Agreement to the contrary, in the event of default or breach of this Agreement by the Applicant, the District's damages for such a default shall under no circumstances exceed the amounts calculated under Section 9.4. In addition, the District's sole right of equitable relief under this Agreement shall be its right to terminate this Agreement. The Parties further agree that the limitation of damages and remedies set forth in this Section 9.5 shall be the sole and exclusive remedies available to the District, whether at law or under principles of equity.

Section 9.6. STATUTORY PENALTY FOR INADEQUATE QUALIFIED INVESTMENT. Pursuant to Section 313.0275 of the TEXAS TAX CODE, in the event that the Applicant fails to make \$100,000,000 of Qualified Investment, in whole or in part, during the Qualifying Time Period, the Applicant is liable to the State for a penalty. The amount of the penalty is the amount determined by: (i) multiplying the maintenance and operations tax rate of the District for that tax year that the penalty is due by (ii) the amount obtained after subtracting (a) the Tax Limitation Amount identified in Section 2.4.B from (b) the Market Value of the property identified on the Appraisal District's records for the Tax Year the penalty is due. This penalty shall be paid on or before February 1 of the year following the expiration of the Qualifying Time Period and is subject to the delinquent penalty provisions of Section 33.01 of the TEXAS TAX CODE. The Comptroller may grant a waiver of this penalty in the event of Force Majeure which prevents compliance with this provision.

Section 9.7. REMEDY FOR FAILURE TO CREATE AND MAINTAIN REQUIRED NEW QUALIFYING JOBS

A. Pursuant to Section 313.0276 of the TEXAS TAX CODE, for any full Tax Year that commences after the project has become operational, in the event that it has been determined that the Applicant has failed to meet the job creation or retention requirements defined in Sections 9.1.C, the Applicant shall not be deemed to be in Material Breach of this Agreement until such time as the Comptroller has made a determination to rescind this Agreement under Section 313.0276 of TEXAS TAX CODE, and that determination is final.

Section 9.8. REMEDY FOR FAILURE TO CREATE AND MAINTAIN COMMITTED NEW QUALIFYING JOBS

A. In the event that the Applicant fails to create and maintain the number of New Qualifying Jobs specified in Schedule C of the Application, an event constituting a Material Breach as defined in Section 9.1.D, the Applicant and the District may elect to remedy the Material Breach through a penalty payment.

B. Following the notice and mediation periods provided by Sections 9.2 and 9.3, the District may request the Applicant to make a payment to the State in an amount equal to: (i) multiplying the maintenance and operations tax rate of the school district for that Tax Year that the Material Breach occurs by (ii) the amount obtained after subtracting (a) the Tax Limitation Amount identified in Section 2.4.B from (b) the Market Value of the property identified on the Appraisal District's records for each tax year the Material Breach occurs.

C. In the event that there is no tax limitation in place for the tax year that the Material Breach occurs, the payment to the State shall be in an amount equal to: (i) multiplying the maintenance and operations tax rate of the School District for each tax year that the Material Breach occurs by (ii) the amount obtained after subtracting (a) the Tax Limitation Amount identified in Section 2.4.B from (b) the Market Value of the property identified on the Appraisal District's records for the last Tax Year for which the Applicant received a tax limitation.

D. The penalty shall be paid no later than 30 days after the notice of breach and is subject to the delinquent penalty provisions of Section 33.01 of the TEXAS TAX CODE.

A. Any assignment of any rights, benefits, obligations, or interests of the Parties in this Agreement, other than a collateral assignment purely for the benefit of creditors of the project, is considered an amendment to the Agreement and such Party may only assign such rights, benefits, obligations, or interests of this Agreement after complying with the provisions of Section 10.2

EXHIBIT 3

APPLICANT'S QUALIFIED INVESTMENT

The site under consideration is located at 300 W. Renner Road, Richardson, TX 75080. The building and adjacent facilities would support the operation of a semiconductor wafer fabrication facility (the "Facility").

The Facility would include a two-story concrete structure to support manufacturing operations. The size is estimated to be 870,000 square feet of space, of which 317,000 net square feet would be cleanroom (fab) space. As an investment, the Facility would be very capital intensive and operate with advanced manufacturing equipment.

A multi-story parking garage is also planned to accommodate approximately 800 automobiles, and which would be made available to all TI employees at this location. This parking garage is necessary because the Facility would be built over the existing facility's parking lot. If TI does not construct the new Facility, this parking garage will not be built.

Several detached buildings/structures would be constructed to house miscellaneous infrastructure-support equipment including bulk gases, waste treatment, bulk chemicals, and electrical substations.

The Facility's major components would include:

- Air compressors and dryers
- Boilers
- Bulk specialty gas and bulk chemical systems
- Bulk gas: Oxygen, argon, helium, and hydrogen supply systems
- Chillers
- Clean rooms
- Chemical supply systems
- Cooling towers
- DI Water production equipment
- Electrical infrastructure and distribution
- Exhaust scrubbers
- Fresh air fans
- Gas supply systems
- General exhaust fans
- Industrial control systems
- Nitrogen generation plant
- Process cooling water systems
- Thermal oxidizers
- Vacuum pumps
- Waste treatment and collection system

The Facility will require numerous types of machinery and equipment, including:

- Polishers
- Furnaces
- Sinters
- Implanters
- Testers
- Ashers
- Laser markers
- Reticle stackers
- Water sorters
- Resist coaters
- Wet cleanup hoods
- Metal sputters
- Automated material handling systems

The Facility will also require miscellaneous equipment and machinery required for various manufacturing processes, including:

- Chemical mechanical planarization process
- Anneal process
- Density process
- Deposition process
- Rapid Thermal process
- Epitaxial deposition process
- Photolithography process
- Metrology process
