Re: App 1297-Carrizo Springs CISD –Shakes Solar, LLC  
Amendment No. 01 to Application

Dear Ms. Flowers,

Enclosed please find amended application pages provided by the Applicant for the Chapter 313 Application submitted by Maverick Creek Wind, LLC to Eden CISD (the "Application"), along with a signature page to acknowledge this change and the schedules in Excel format. This Amendment makes the following changes to the Application:

- Tab 1, Section 9 – Applicant updated its projected construction schedule and timeline after submission of the Application; therefore, all dates have been updated to reflect the new timeline, while staying within the same QTP; Q3 – full date inserted
- Tabs 7 and 8 – “spare parts” removed from descriptions
- Tab 11 – updated maps with more detail and highway references included
- Tab 14 – Schedules A-1, A-2, B and C have been modified to reflect the modified construction schedule; Schedule C, Year 2 duplication error was corrected

A CD containing these documents also enclosed. This Amendment, dated November 2, 2018 and numbered 01, is the first amendment to the Application. Please let me know if you require any additional information.

Sincerely,

Fred A. Stormer

 6a. If yes, attach in **Tab 6** supporting documentation from the Office of the Governor.

SECTION 11: Investment

**NOTE:** The minimum amount of qualified investment required to qualify for an appraised value limitation and the minimum amount of appraised value limitation vary depending on whether the school district is classified as Subchapter B or Subchapter C, and the taxable value of the property within the school district. For assistance in determining estimates of these minimums, access the Comptroller's website at [comptroller.texas.gov/economy/local/ch313/](http://comptroller.texas.gov/economy/local/ch313/).

- 1. At the time of application, what is the estimated minimum qualified investment required for this school district? ..... 30,000,000
- 2. What is the amount of appraised value limitation for which you are applying? ..... 30,000,000  
**Note:** The property value limitation amount is based on property values available at the time of application and may change prior to the execution of any final agreement.
- 3. Does the qualified investment meet the requirements of Tax Code §313.021(1)? .....  Yes  No
- 4. Attach a description of the qualified investment [See §313.021(1).] The description must include:
  - a. a specific and detailed description of the qualified investment you propose to make on the property for which you are requesting an appraised value limitation as defined by Tax Code §313.021 (**Tab 7**);
  - b. a description of any new buildings, proposed new improvements or personal property which you intend to include as part of your minimum qualified investment (**Tab 7**); and
  - c. a detailed map of the qualified investment showing location of tangible personal property to be placed in service during the qualifying time period and buildings to be constructed during the qualifying time period, with vicinity map (**Tab 11**).
- 5. Do you intend to make at least the minimum qualified investment required by Tax Code §313.023 (or §313.053 for Subchapter C school districts) for the relevant school district category during the qualifying time period? .....  Yes  No

**Tab 7**

***Description of Qualified Investment***

***a. A specific and detailed description of the qualified investment you propose to make on the property for which you are requesting an appraised value limitation as defined by Tax Code 313.021(7) (Tab 7).***

The Applicant is requesting an appraised value limitation on all of the property constructed or placed upon the real property described and shown in Map Exhibit within Carrizo Springs CISD, which is located in Dimmit County, Texas.

The property for which the Applicant is requesting an appraised value limitation shall include, but is NOT limited to, the following:

- PV modules;
- DC-to-AC inverters;
- Tracker racking system (mounting structures);
- Medium- and high-voltage electric cabling;
- Project substation, consisting of a high voltage transformer, switchgear, transmission equipment, telecommunications and SCADA equipment;
- High-voltage transmission line connecting the project to the grid (gen tie);
- Operations and maintenance (O&M) building including telecommunications and computing equipment; and
- Associated equipment to safely operate, maintain, and deliver electricity to the grid.

Additionally, the map provided does not present the location of the improvements; however, all of the improvements that make up the amount of Qualified Investment will be made within the Project Investment Area as shown on Map Exhibit.

None of the above mentioned property is covered under an existing County Appraisal District account number.

***b. A description of any new buildings, proposed new improvements or personal property which you intend to include as part of your minimum qualified investment (Tab 7).***

The Applicant intends to construct a building to house Maintenance and Operations, supplies, and replacement parts. The Applicant will also be constructing an electrical substation facility for integration and transmission of power into the electrical grid.

## Tab 8

### *Description of Qualified Property*

Shakes Solar, LLC plans to construct an estimated 200 MW photovoltaic solar energy facility in Dimmit County, located entirely within Carrizo Springs CISD. The additional improvements of Qualified Property includes:

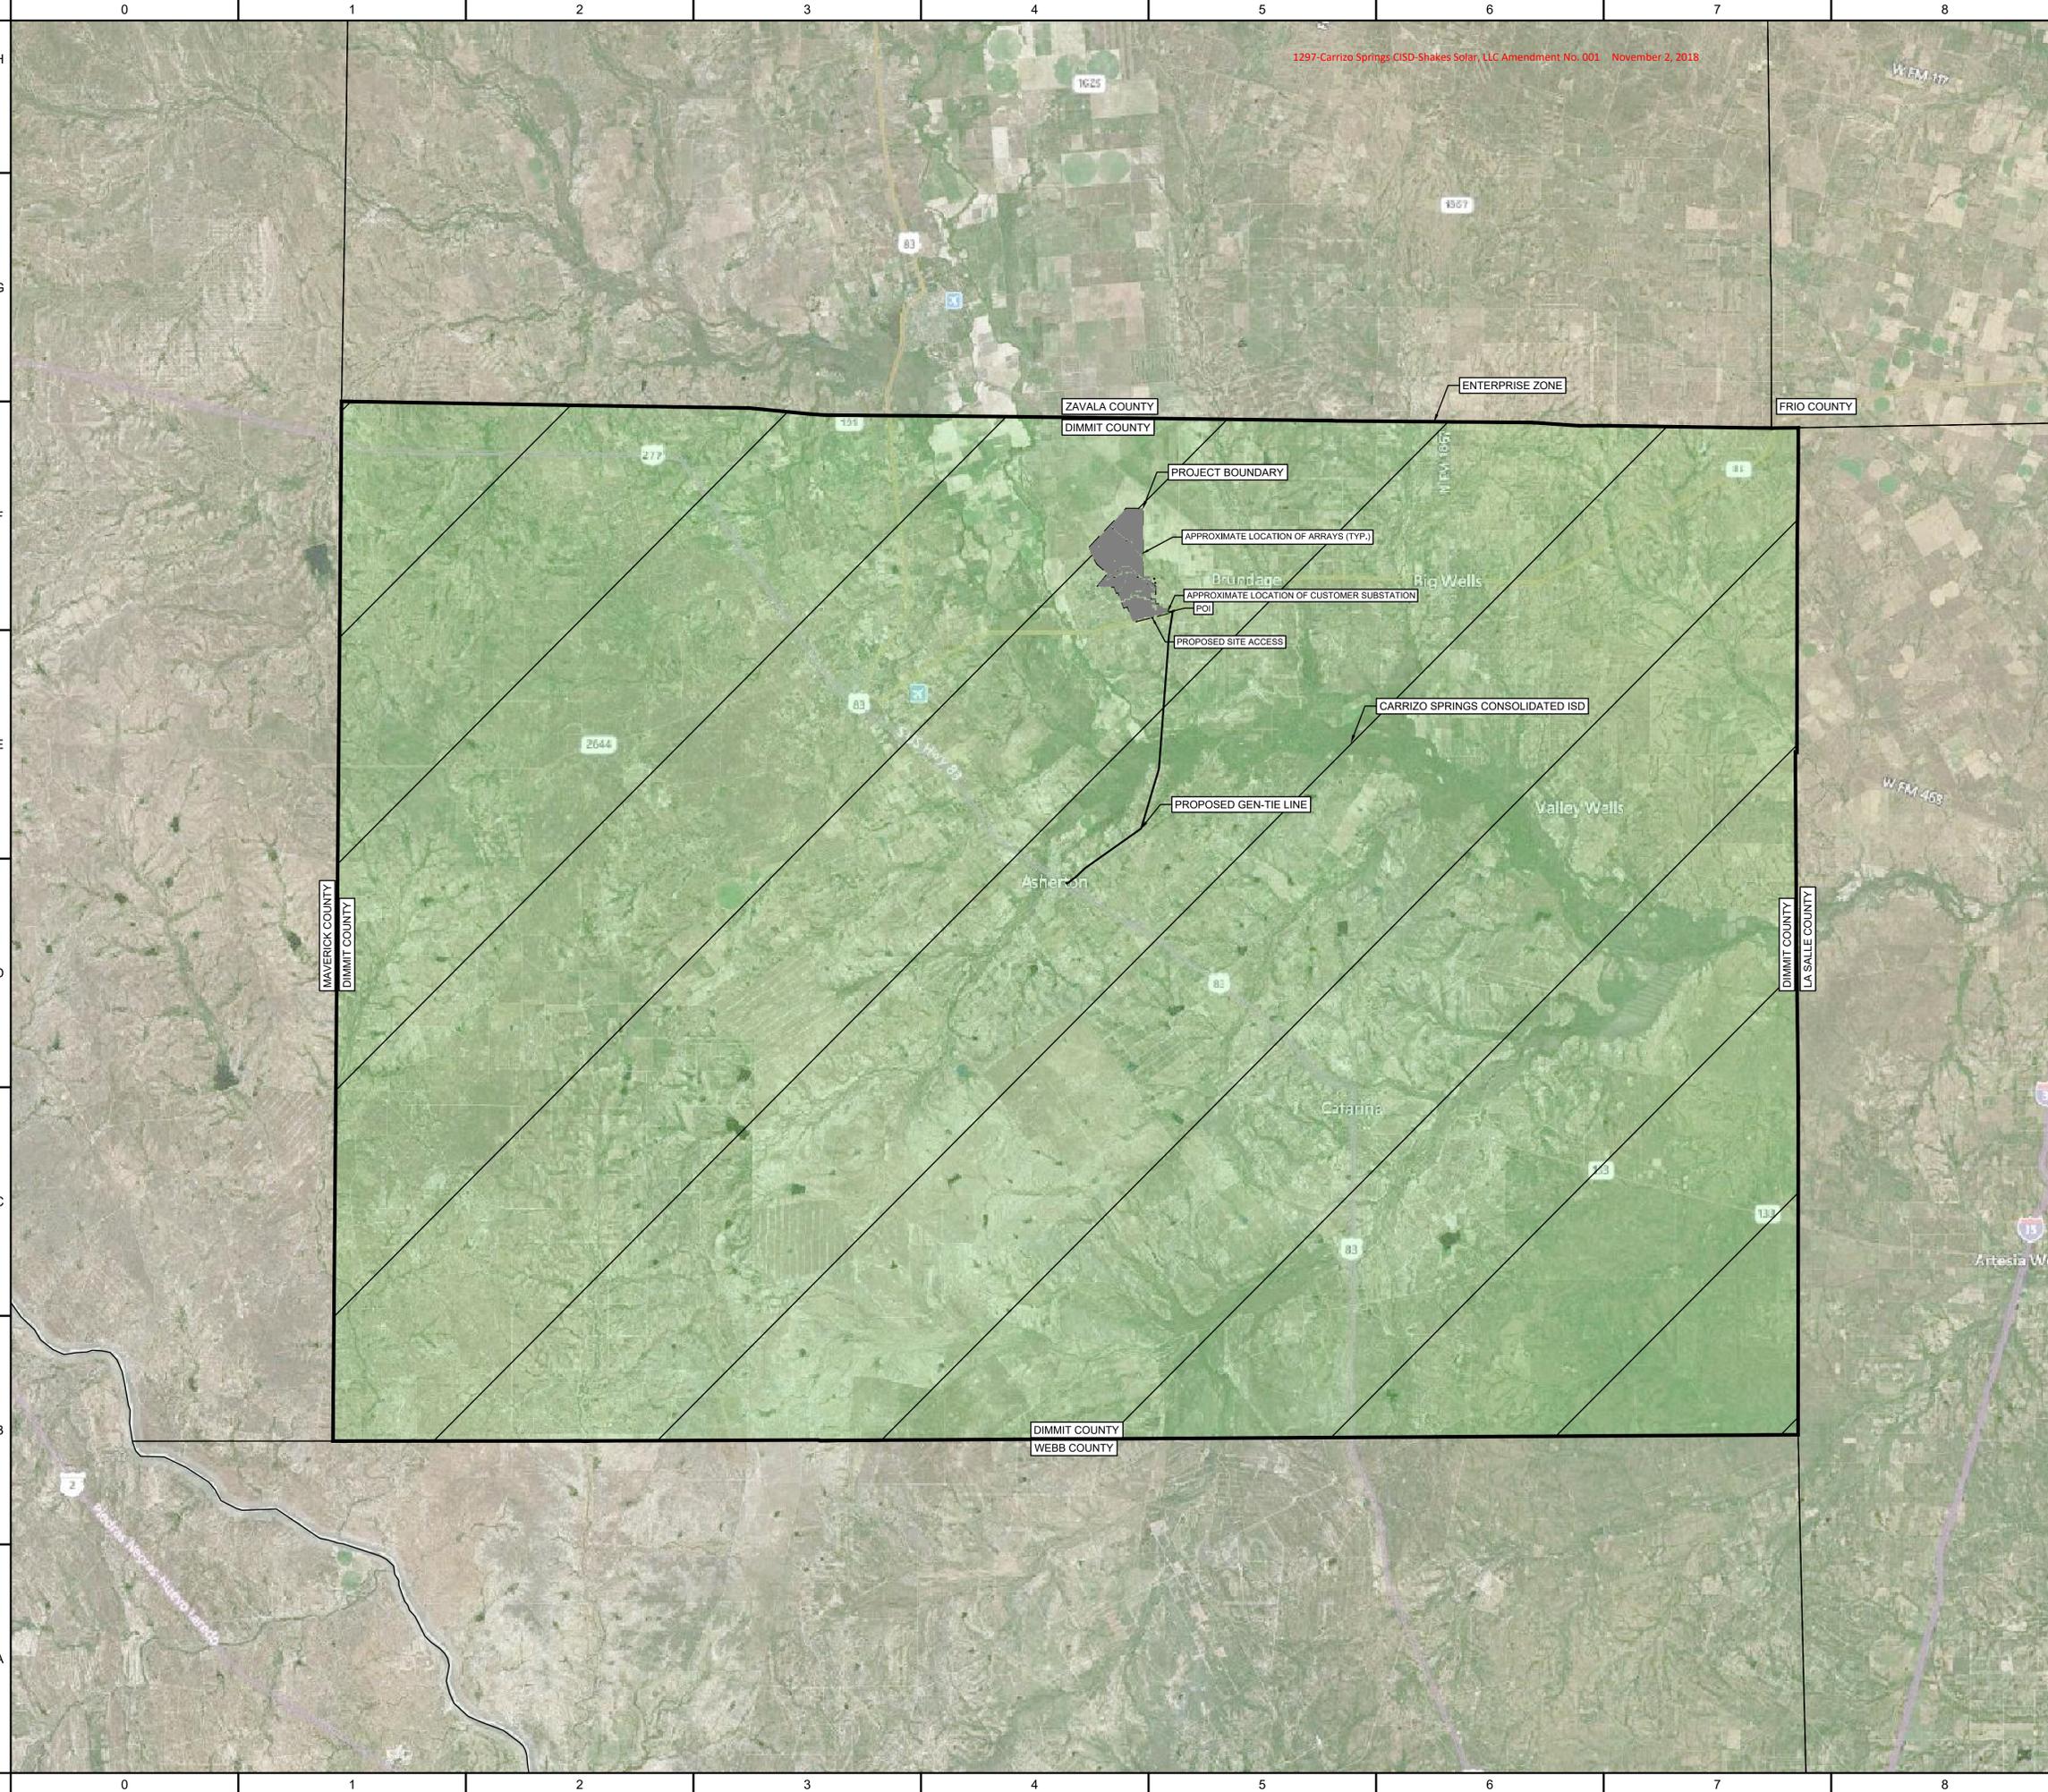

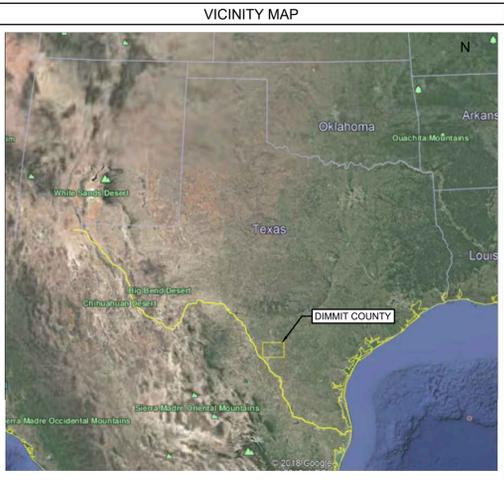

- Solar PV modules;
- DC-to-AC inverters;
- Tracker racking system (mounting structures);
- Medium- and high-voltage electric cabling;
- Project substation, consisting of a high voltage transformer, switchgear, transmission equipment, telecommunications and SCADA equipment;
- High-voltage transmission line connecting the project to the grid (gen tie);
- Operations and maintenance (O&M) building including telecommunications and computing equipment; and
- Associated equipment to safely operate, maintain, and deliver electricity to the grid.

The exact placement of units is subject to ongoing planning, solar energy resource evaluation, engineering, and land leasing. All equipment outlined above is expected to be located within Carrizo Springs CISD. The final number and location of units and supporting structures will be determined before construction begins. Current plans are to install all equipment in one phase. Shakes intends to connect to 138 kV AEP TX Line aka as Asherton to West Batesville 138 kv. All of the infrastructure will remain within the project boundary and within the Enterprise Zone. The map in Attachment 11b shows the proposed project area with the anticipated improvement locations.

**Tab 11**

***Maps that clearly show:***

- a. Project vicinity***
- b. Qualified investment including location of tangible personal property to be placed in service during the qualifying time period and buildings to be constructed during the qualifying time period***
- c. Qualified property including location of new buildings or new improvements***
- d. Existing property***
- e. Land location within vicinity map***
- f. Reinvestment or Enterprise Zone within vicinity map, showing the actual or proposed boundaries and size***

Column A: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application. Only tangible personal property that is specifically described in the application can become qualified property.

Column B: The total dollar amount of planned investment each year in buildings or nonremovable component of buildings.

Column C: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that will not become qualified property include investment meeting the definition of 313.021(1) but not creating a new improvement as defined by TAC 9.1051. This is proposed property that functionally replaces existing property; is used to maintain, refurbish, renovate, modify or upgrade existing property; or is affixed to existing property—described in SECTION 13, question #5 of the application.

Column D: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that may result in qualified property are land or professional services.

Total Investment: Add together each cell in a column and enter the sum in the blue total investment row. Enter the data from this row into the first row in Schedule A2.

Qualified Investment: For the green qualified investment cell, enter the sum of all the green-shaded cells.
