RE: Chapter 313 Application for Appraised Value Limitation on Qualified Property
Reinvestment Zone

Mr. Turville,

On November 15, 2018, the Port Arthur Independent School District received an Application for Appraised Value Limitation on Qualified Property from Motiva Enterprises LLC for the Aromatics Project. In this Application, Motiva Enterprises indicated that it would request the Port Arthur Independent School District create a reinvestment zone for the project site described in the application. This letter will confirm that, prior to the Board's approval of any agreement with Motiva, the District at a properly noticed Board meeting will take action to create a reinvestment zone for the area described in the application.

Sincerely,
