AMENDED FINDINGS OF THE RIVERCREST INDEPENDENT SCHOOL DISTRICT  
BOARD OF TRUSTEES UNDER THE TEXAS ECONOMIC DEVELOPMENT ACT ON THE  
AMENDED APPLICATION SUBMITTED BY DELILAH SOLAR ENERGY LLC

STATE OF TEXAS §  
COUNTY OF RED RIVER §

On the 28<sup>th</sup> day of September, 2020, a public meeting of the Board of Trustees of the Rivercrest Independent School District was held. The meeting was duly posted in accordance with the provisions of the Texas Open Meetings Act, Chapter 551, Texas Government Code. At the meeting, the Board of Trustees took up and considered the Amended Application of Delilah Solar Energy LLC (Application #1385) for Appraised Value Limitation on Qualified Property (the “Amended Application”), pursuant to Chapter 313 of the Texas Tax Code. The Board of Trustees solicited input into its deliberations on the Amended Application from interested parties within the District. After hearing presentations from the District’s administrative staff, and from attorneys and consultants retained by the District to advise the Board in this matter, the Board of Trustees of the Rivercrest Independent School District makes the following findings with respect to the Amended Application of Delilah Solar Energy LLC #1385, and the economic impact of that Amended Application:

On May 12, 2020, the Superintendent of Schools of the Rivercrest Independent School District, acting as agent of the Board of Trustees, and the Texas Comptroller of Public Accounts received an Amended Application from Delilah Solar Energy LLC #1385 for Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code. A copy of the Amended Application is posted on the Texas Comptroller’s website at:

<https://comptroller.texas.gov/economy/local/ch313/agreement-docs-details.php?id=1385>.

The Applicant, Delilah Solar Energy LLC (Taxpayer ID 32069740291) (“Applicant”), consists of entities subject to Chapter 171, Texas Tax Code, and is certified to be in good standing with the Texas Comptroller of Public Accounts. The Board of Trustees acknowledges receipt of the Amended Application, along with the application amendment fee, as established pursuant to Texas Tax Code § 313.025(a)(1) and Local District Policy.

The Amended Application was delivered to the Texas Comptroller’s Office for review pursuant to Texas Tax Code § 313.025(d). A copy of the Amended Application was delivered to the Red River County Appraisal District for review pursuant to 34 Texas Administrative Code § 9.1054. The Amended Application was reviewed by the Texas Comptroller’s Office pursuant to Texas Tax Code § 313.026, and a determination that the Amended Application was complete was issued on July 21, 2020.

After receipt of the Amended Application, the Texas Comptroller of Public Accounts caused to be conducted an economic impact evaluation on July 21, 2020 pursuant to Texas Tax Code § 313.026, and the Board of Trustees has carefully considered such evaluation. A copy of the economic impact evaluation is attached to these findings as **Exhibit A**.

Amended Board Findings of the Rivercrest Independent School District

The Board of Trustees also directed that a specific financial analysis be conducted of the impact of the proposed value limitation on the finances of the Rivercrest Independent School District. A copy of a report prepared by Education Service Center, Region 12 is attached to these findings as **Exhibit B**. The Texas Commissioner of Education has determined that the project will not impact school enrollment.

The Board of Trustees has confirmed that the taxable value of property in the Rivercrest Independent School District for the preceding tax year, as determined under Subchapter M, Chapter 403, Government Code, is as stated in the 2019 ISD Summary Worksheet posted on the Texas Comptroller's website at:

<https://comptroller.texas.gov/auto-data/PT2/PVS/2019P/1941949031D.php>.

After receipt of the Amended Application, the District submitted a proposed form of First Amended and Restated Agreement for Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes (the "Amended Agreement"), pursuant to Chapter 313 of the Texas Tax Code, in the form required by the Comptroller of Public Accounts. The proposed Amended Agreement and letter approving same are attached to these findings as **Exhibit C**.

After review of the Comptroller's recommendation, and in consideration of its own economic impact study the Board finds:

**Board Finding Number 1.** The Applicant qualifies for a limitation on appraised value of Qualified Property under Texas Tax Code § 313.024 in the eligibility category of Renewable Energy Electric Generation

**Board Finding Number 2.** The Applicant's entire proposed investment in the Rivercrest Independent School District is \$38,196,935—all of which is proposed to be Qualified Investment under Texas Tax Code § 313.021.

**Board Finding Number 3.** The average salary level of qualifying jobs is expected to be at least \$39,000 per year. The review of the Amended Application by the State Comptroller's Office indicates that this amount—based on Texas Workforce Commission data—complies with the requirement that qualifying jobs pay more than the minimum weekly wage required for Qualified Jobs under Texas Tax Code § 313.021.

**Board Finding Number 4.** The level of the Applicant's average investment per qualifying job over the term of the Amended Agreement is estimated to be \$38,196,935 based on 1 new qualifying position committed to by the Applicant for this project. The project's total investment is \$38,196,935, resulting in a relative level of investment per qualifying job of \$38,196,935.

**Board Finding Number 5.** The Applicant has requested a waiver of the job creation requirement under Texas Tax Code § 313.025(f-1), and the Board finds such waiver request should be granted. The Board notes that the number of jobs proposed for this project (1 Qualifying Job) is consistent with industry standards in the Renewable Energy Electric Generation industry.

Amended Board Findings of the Rivercrest Independent School District

**Board Finding Number 6.** Subsequent economic effects on the local and regional tax bases will be significant. In addition, the impact of the added infrastructure will be significant to the region. In support of Finding 6, the economic impact evaluation shows the following:

**Board Finding Number 7.** The revenue gains that will be realized by the school district if the Amended Application is approved will be significant in the long-term, with special reference to revenues used for supporting school district debt.

**Board Finding Number 8.** The effect of the Applicant’s proposal, if approved, on the number or size of needed school district instructional facilities is not expected to increase the District’s facility needs, with current trends suggesting little underlying enrollment growth based on the impact of the project.

**Board Finding Number 9.** The Applicant’s project is reasonably likely to generate, before the 25<sup>th</sup> anniversary of the beginning of the limitation period, tax revenue in an amount sufficient to offset the school district maintenance and operations ad valorem tax revenue lost as a result of the Amended Agreement. This evaluation is based on an analysis of the estimated M&O portion of the school district property tax levy directly related to this Project, using estimated taxable values provided in the Amended Application. Attachment B of the economic impact study contains a year-by-year analysis as depicted in the following table:

--	-----

**Board Finding Number 10.** The limitation on appraised value requested by the Applicant is a determining factor in the Applicant’s decision to invest capital and construct the project in this state.

**Board Finding Number 11.** The ability of the Applicant to locate the proposed facility in another state or another region of this state is substantial, as a result of the highly competitive marketplace for economic development.

**Board Finding Number 12.** The Board of Trustees of the Rivercrest Independent School District hired consultants to review and verify the information in Application #1385. Based upon the consultants’ review, the Board has determined that the information provided by the Applicant appears to be true and correct.

**Board Finding Number 13.** The Board of Trustees has determined that the Tax Limitation Amount requested by the Applicant is currently \$20 Million Dollars, which is consistent with the minimum values currently set out by Texas Tax Code § 313.054(a).

Amended Board Findings of the Rivercrest Independent School District

Re: Amended Certificate for Limitation on Appraised Value of Property for School District Maintenance and Operations taxes by and between Rivercrest Independent School District and Delilah Solar Energy, LLC, Application 1385

Dear Superintendent Jessee:

This application (Application 1385) was originally submitted on June 17, 2019, to the Rivercrest Independent School District (school district) by Delilah Solar Energy, LLC (applicant) for a limitation on appraised value under the provisions of Tax Code Chapter 313.<sup>1</sup> On September 6, 2019, the Comptroller issued written notice that the applicant submitted a completed application; and later issued a certificate for a limitation on appraised value on November 18, 2019. The applicant and school district executed an agreement for a limitation on appraised value (agreement) on May 12, 2020.

On June 9, 2020, Comptroller received an amendment to the agreement to modify the project boundary, decrease megawatt capacity and decrease investment. This presents the Comptroller's review of that amendment per Section 10.2 of the agreement and determinations required:

- 1) under Section 313.025(h) to determine if the property meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C; and
- 2) under Section 313.025(d), to issue a certificate for a limitation on appraised value of the property and provide the certificate to the governing body of the school district or provide the governing body a written explanation of the Comptroller's decision not to issue a certificate, using the criteria set out in Section 313.026.

**Determination required by 313.025(h)**

The information provided by the applicant related to eligibility has not changed and therefore, the Comptroller has determined that the property meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C.

---

<sup>1</sup> All statutory references are to the Texas Tax Code, unless otherwise noted.

**Certificate decision required by 313.025(d)**

Determination required by 313.026(c)(1)

Based on the amended information provided by the applicant, the Comptroller has determined that the project proposed by the applicant is reasonably likely to generate tax revenue in an amount sufficient to offset the school district's maintenance and operations *ad valorem tax* revenue lost as a result of the agreement before the 25th anniversary of the beginning of the limitation period, see Attachment B.

Determination required by 313.026(c)(2)

The Comptroller previously determined that the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in this state.

Based on these determinations, the Comptroller issues a certificate for a limitation on appraised value for the amendment.

The Comptroller's review of the application assumes the accuracy and completeness of the statements in the application. If the application is approved by the school district, the applicant shall perform according to the provisions of the Texas Economic Development Act Agreement (Form 50-826) executed with the school district. The school district shall comply with and enforce the stipulations, provisions, terms, and conditions of the agreement, applicable Texas Administrative Code and Chapter 313, per TAC 9.1054(i)(3).

This certificate is no longer valid if the application is modified, the information presented in the application changes, or the limitation agreement does not conform to the application. Additionally, this certificate is contingent on the school district approving and executing the amendment to the agreement by December 31, 2020.

## Introduction

Delilah Solar Energy, LLC (“Delilah” or “Company”) has submitted an application to the Rivercrest Independent School District (“RISD” or “District”) requesting a property value limitation on a proposed project, located within the school district boundaries, under Chapter 313 of the Texas Tax Code. The proposed project is a solar electric generation facility in Red River County, TX. The company estimates that the total investment in this project will be in excess of \$38 million.

Local government entities in Texas, including school districts, rely heavily on the ad valorem property tax to fund operations and building projects. Thus, the property tax burden that Texas imposes on individuals and business entities is higher compared to most other states. Seeking to encourage economic development and to attract large scale capital investment, the 77th Texas Legislature in 2001 enacted House Bill 1200 creating Tax Code Chapter 313, the Texas Economic Development Act. The act as amended by the legislature in 2007, 2009, and 2013 now grants eligibility to companies engaging in manufacturing, advanced clean energy projects, research and development, clean coal projects, renewable electric energy generation, electric power generation using integrated gasification combined cycle technology, nuclear electric power generation and a computer center used primarily in connection to one of the other categories, or a Texas Priority Project. Under the provisions of this law, the Rivercrest Independent School District may grant a value limitation for maintenance and operation taxes in the amount of \$20 million dollars for a period of ten years.

The application calls for the project to be fully taxable for both M&O (maintenance and operation) and I&S (interest and sinking) during the 2020-21, 2021-22, and 2022-23 school years. Beginning with the 2023-24 school year, the value of the project would be limited to \$20 million for M&O tax purposes and remain limited through the 2032-33 school year. The full value of the project will be taxable for debt service purposes using the I&S tax rate in all years of the agreement.

Revenue Protection Payment to Rivercrest ISD -	\$193,757
Supplemental Payments to Rivercrest ISD -	\$114,445
Total Revenue to Rivercrest ISD	\$308,202
Total Tax Savings to Company after all Payments -	\$309,425

## School Finance Mechanics

The Texas system of public-school funding is based on the ad valorem property tax. Schools levy a tax rate for maintenance and operation (M&O) and interest and sinking (I&S) against a current year tax roll. As a result of House Bill 3, as passed by the 86th Texas Legislature, signed into law, and effective in relevant part, on September 1, 2019, State funding is calculated using current year property value, which is a significant change from prior law which has relied on prior year values as certified by the Comptroller's Property Tax Division (CPTD), since 1993. However, for the purposes of districts with Tax Code Chapter 313 agreements and in accordance with Sec. 48.256 – LOCAL SHARE OF PROGRAM COST (TIER I), Subsection d - *A revenue protection payment required as part of an agreement for a limitation on appraised value shall be based on the district's taxable value of property for the preceding tax year.*

Texas school districts are funded by some combination of local ad valorem property taxes and state aid. Most of the money that a school district generates through the funding formulas is generated in Tier 1. Local M&O collections at the compressed tax rate generate Tier I funding. In 2019-20, a school district's Tier I revenue is the greater of the adjusted minimum target revenue amount or the state share of Tier 1 plus local M&O collections at the compressed rate. The Tier 1 formulas start with a Basic Allotment per student of \$6,160. Funding calculations use the number of students in average daily attendance, the number of students who participate in categorical/special programs, and adjustments for size, sparsity, and location determine a Total Cost of Tier 1. A Local Fund Assignment is determined by multiplying the district's compressed tax rate by the current year property value. This formula determines the local ad valorem property taxes the district must collect in order to satisfy the district's share of the Tier 1 cost. School districts that are relatively property wealthy per student fund most of the Total Cost of Tier 1 with local property taxes, while school districts that are relatively property poor per student receive most of the Total Cost of Tier 1 from state aid.

Rivercrest ISD is a relatively property low wealth district per student and so most of its M&O revenue is not generated from local ad valorem property taxes. In attempting to provide some degree of funding equity among school districts, the formulas provide guaranteed yields for both Tier I (formula funding) and for Tier II (enrichment). For those districts that generate local revenue in excess of entitlement amounts, the excess revenue is recaptured. Under prior law, recapture was a function of excess property wealth per weighted student. The system continues to rely on both golden (greater of 96th percentile of wealth up to 160% of basic allotment) and copper (equalized up to \$49.28/WADA) enrichment pennies (Tier II tax rate). Under HB 3, districts can access up to 8 golden pennies. Copper pennies will be compressed in manner that generates the same revenue for the compressed number of pennies as were taxed under old law.

RISD currently has property wealth per weighted ADA that is less than the second equalized wealth level at \$240,621 per weighted ADA. Under prior law, RISD was not considered a Chapter 41 district and would not have paid recapture. The implementation of HB 3, is not expected to alter Rivercrest's status in terms of being required to pay recapture. Delilah is requesting that the value of the solar electric generation facility be limited to \$20,000,000 in years one through ten of the agreement, corresponding to the 2023-24 school year through the 2032-33 school year. The full value of the project would be subject to interest and sinking (I&S) taxes levied by Rivercrest ISD in all years of the agreement.

### Underlying Assumptions

A forecast of the financial impact that the proposed value limitation will have on RISD's future revenue is critical information that will be very useful to the district when making the decision to grant the limitation and for the district's long range financial planning process. Analysis for this application covers the 2020-21 through the 2037-38 school years.

The Revenue Protection Clause of the proposed agreement calls for the school district to be held harmless against any potential state and local maintenance and operation revenue losses as a result of the value limitation agreement. Revenue protection calculations are to be made using whatever property tax laws and school funding formulas are in place at that time in years one through ten of the agreement. This stipulation is a statutory requirement under Section 313.027 of the Tax Code.

The approach used in this report was to predict 18 years of base data including average daily attendance, M&O and I&S tax rates, maintenance and operation (M&O) tax collections and current year (CAD) values and prior year (CPTD) values for each year of the agreement. For the purposes of this analysis, final 2018 CPTD values were used as well as 2019 CAD values from Franklin, Red River, and Titus CAD (Central Appraisal District). These values have been included in the base data illustrated in **Table 1**.

To isolate the impact of the value limitation on the District's finances over this 17 year agreement, average daily attendance and weighted average daily attendance were held constant at levels that existed at the end of the 2018-19 school year. An ADA of 669.125, a WADA of 1106.577 and a 2019 M&O tax rate of \$1.17, compressed to \$1.0683 under HB 3, were used for each year of the forecast. A tax collection rate of 100% is assumed in all of the calculations used in this analysis. The Franklin, Red River, and Titus CAD certified value for 2019 was used as the 2019 CAD value. This value was used as the basis for subsequent current year (CAD) values in this report. The final 2018 T1, T2, T3 and T4 Comptroller Property Tax Division (CPTD) values, certified to school districts in late July, 2019, were used as a basis for predicting prior year (CPTD) values for each of the agreement years.

The proposed agreement calls for Rivercrest ISD to be held harmless against potential state and local revenue losses that might occur as a result of the value limitation being in effect for any given year of the agreement. In order to predict when and if these revenue losses may occur, a state and local revenue projection for the 2019-2020 school year was completed to serve as base line data and is displayed in **Table 2**. In any year of the limitation period where total state and or local funding with the full project value exceeds the total state and local funding produced when the limited value is used, a Revenue Protection Payment is indicated for that year. The results of these calculations are illustrated in Table 3.

### Financial Impact on the School District

Utilizing the assumptions and methodology described above, total maintenance and operation revenue was estimated for each year of the agreement. **Table 3**, which summarizes the difference between the two models, indicates that there will be a total revenue loss of \$193,757 over the course of the agreement. The revenue loss by the district, due to the agreement, is estimated to be mostly in the first year of the value limitation period.

### **Financial Impact on the Taxpayer**

The terms of the proposed agreement call for the maintenance and operation (M&O) value of the project to be limited to \$20 million starting in school year 2023-24 and remaining limited through school year 2032-33. The potential gross and net tax savings to Delilah are shown in Table 3. As stated earlier, an M&O tax rate of \$1.0683 and a collection rate of 100% is used throughout the calculations in this report. Table 3 shows gross tax savings due to the limitation of \$617,627 over the length of the contract. Net tax savings are estimated to be \$423,870. To estimate supplemental payments to the school district of \$100 per ADA, a growth model was applied to the base ADA of 669.125, which was ADA for RISD for the 2018-19 school year. RISD's growth rate for the last 10 years has averaged less than 1% which is also reflected by demographic studies.

### **Facilities Funding Impact on the District**

Reports submitted by Delilah show the full value of the property being depreciated over time. Even so, the full value of the project will be available to the district for I&S taxes and will enhance the district's ability to service current and future debt obligations. While the project is expected to provide additional employment opportunities in the area, the impact on student enrollment is predicted to be minimal.

### **Conclusion**

The Delilah project proposed in this application will benefit the community, the district, RISD, and the taxpayer, Delilah. The community will receive economic development, the taxpayer will enjoy savings on property taxes and the district will be held harmless from revenue loss due to the provisions of the agreement. The district will also enjoy an increased value available for I&S tax collections dedicated to debt service that can be leveraged to provide first class facilities for faculty and students.

Remember that the Texas Legislature could take additional action that could potentially change the impact of this agreement on the finances of Rivercrest ISD and result in estimates that differ significantly from the estimates presented in this analysis. Some of the factors that could significantly change these estimates are legislative or administrative changes by the Texas Legislature, the Texas Education Agency or the Comptroller of Public Accounts. Those changes could contain changes to the school finance formulas, property value appraisals and tax exemptions. Other factors which could change, and will impact the estimates of this agreement, include changes to property values, district tax rates and student enrollment.

  - iii. If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue, as calculated under this Section 4.2 of this Agreement, results in a negative number, the negative number will be considered to be zero.

Immediately upon receipt of the valuation information by the District, the District shall submit the valuation information to the Third Party selected and appointed under Section 4.3. The certified tax roll data shall form the basis of the calculation of any and all amounts due under this Agreement. All other data utilized by the Third Party to make the calculations contemplated by this Agreement shall be based upon the best available current estimates. The data utilized by the Third Party shall be adjusted from time to time by the Third Party to reflect actual amounts, subsequent adjustments by the Appraisal District to the District's certified tax roll or any other changes in student counts, tax collections, or other data.

**Section 4.5. EFFECT OF PROPERTY VALUE APPEAL OR OTHER ADJUSTMENT.** If the Applicant has appealed any matter relating to the valuations placed by the Appraisal District on the Applicant's Qualified Property, and such appeal remains unresolved at the time the Third Party selected under Section 4.3 makes its calculations under this Agreement, the Third Party shall base its calculations upon the values placed upon the Applicant's Qualified Property by the Appraisal District. The calculations shall be readjusted, if necessary, based on the outcome of the appeal as set forth below. In the event that the Taxable Value of the Qualified Property is changed after an appeal of its valuation, or the Taxable Value is otherwise altered for any reason, the calculations required under Article IV of this agreement shall be recalculated by the Third Party at Applicant's sole expense using the revised property values.

If as a result of an appeal or for any other reason, the Taxable Value of the Applicant's Qualified Property is changed, once the determination of the new Taxable Value becomes final, the Parties shall immediately notify the Third Party who shall immediately issue new calculations for the applicable year or years using the new Taxable Value. In the event the new calculations result in a change in any amount paid or payable by the Applicant under this Agreement, the Party from whom the adjustment is payable shall remit such amount to the other Party within thirty (30) days of the receipt of the new calculations from the Third Party.

**Section 4.6. DELIVERY OF CALCULATIONS.** On or before November 1 of each year for which this Agreement is effective, the Third Party appointed pursuant to Section 4.3 of this Agreement shall forward to the Parties a certification containing the calculations required under this Article IV, Article V, Article VI, of this Agreement in sufficient detail to allow the Parties to understand the manner in which the calculations were made. The Third Party shall simultaneously submit his, her, or its invoice for fees for services rendered to the Parties, if any fees are being claimed, which fee shall be the sole responsibility of the District, but subject to the provisions of Section 4.8, below. Upon reasonable prior notice, the employees and agents of the Applicant shall have access, at all reasonable times, to the Third Party's calculations, records, and correspondence pertaining to the calculation and fee for the purpose of verification. The Third Party shall maintain supporting data consistent with generally accepted accounting practices, and the employees and agents of the Applicant shall have the right to reproduce and retain for purpose of audit, any of these documents. The Third Party shall preserve all documents pertaining to the calculation until

four (4) years after the Final Termination Date of this Agreement. The Applicant shall not be liable for any of the Third Party's costs resulting from an audit of the Third Party's books, records, correspondence, or work papers pertaining to the calculations contemplated by this Agreement.

Such calculation shall take into account any adjustments to the amount calculated for the current fiscal year that should be made in order to reflect the actual impact on the District. Such payment shall be made no later than thirty (30) days following notice from the District of such determination and calculation. The District shall use reasonable efforts to mitigate the economic effects of any such statutory change or administrative interpretation, and if the Applicant disagrees with any calculation or determination by the District of any adverse impact described in this Article IV, the Applicant shall have the right to appeal such calculation or determination in accordance with the procedures set forth in Section 4.9.

**Section 4.8. Any overage in payment as determined by the Third Party and/or Board of Trustees, if any, shall be reimbursed to the Applicant, within 30 days, upon resolution of the dispute. Any dispute by the Applicant of the final determination of calculations shall in no way limit the Applicant's other rights and remedies available hereunder, at law or in equity.

Each Supplemental Payment shall be due and payable on January 31<sup>st</sup> of the year following that in which such Supplemental Payment accrued.

**Section 6.2. SUPPLEMENTAL PAYMENT LIMITATION.** Notwithstanding the foregoing:

B. Supplemental Payments may only be made during the period starting the first year of the Qualifying Time Period and ending December 31 of the third year following the end of the Tax Limitation Period.

C. The limitation in Section 6.2.A does not apply to amounts described by Section 313.027(f)(1)–(2) of the TEXAS TAX CODE as implemented in Articles IV and V of this Agreement.

D. For purposes of this Agreement, the calculation of the limit of the annual Supplemental Payment shall be the greater of \$50,000 or \$100 multiplied by the District’s Average Daily Attendance as calculated pursuant to Section 42.005 of the TEXAS EDUCATION CODE, based upon the District’s Average Daily Attendance for the previous school year.

Failure to pay such Supplemental Payments shall constitute Material Breach of this Agreement, as set forth more fully herein at Article IX.

**Section 6.3. STIPULATED SUPPLEMENTAL PAYMENT AMOUNT** In addition to the Supplemental Payment Limitation set forth in Section 6.2, Supplemental Payment owed to the District by the Applicant for any given Tax Year during the term of this Agreement shall equal, and not exceed, twenty-seven (27%) of the Net Tax Benefit to the Applicant generated from the execution of this Agreement.

The Parties agree that pursuant to Texas Tax Code Section 313.027(i), Supplemental Payment, as stipulated above in Section 6.3, shall be due to the District from the Applicant by December 31 of any given Tax Year of this Agreement in which a Net Tax Benefit to the Applicant is generated from the execution of this Agreement. **Section 8.5. SITE VISITS AND RECORD REVIEW.** The Applicant shall allow authorized employees of the District, the Comptroller, the Appraisal District, and the State Auditor's Office to have reasonable access to the Applicant's Qualified Property and business records from the Application Review Start Date through the Final Termination Date, in order to inspect the project to determine compliance with the terms hereof or as necessary to properly appraise the Taxable

Value of the Applicant's Qualified Property.

A. All inspections will be made at a mutually agreeable time after the giving of not less than ninety-six (96) hours prior written notice, and will be conducted in such a manner so as not to unreasonably interfere with either the construction or operation of the Applicant's Qualified Property.

B. All inspections may be accompanied by one or more representatives of the Applicant and shall be conducted in accordance with the Applicant's safety, security, and operational standards. Notwithstanding the foregoing, nothing contained in this Agreement shall require the Applicant to provide the District, the Comptroller, or the Appraisal District with any technical or business information that is proprietary, a trade secret, or is subject to a confidentiality agreement with any third party.

**Section 8.6. RIGHT TO AUDIT; SUPPORTING DOCUMENTS; AUTHORITY OF STATE AUDITOR.** By executing this Agreement, implementing the authority of, and accepting the benefits provided by Chapter 313 of the TEXAS TAX CODE, the Parties agree that this Agreement and their performance pursuant to its terms are subject to review and audit by the State Auditor as if they are parties to a State contract and subject to the provisions of Section 2262.154 of the TEXAS GOVERNMENT CODE and Section 313.010(a) of the TEXAS TAX CODE. The Applicant and the District shall cooperate with auditors and other authorized Comptroller and State of Texas representatives and shall provide them with prompt access to all of such property as requested by the Comptroller or the State of Texas. By example and not as an exclusion to other breaches or failures, the Applicant's or the District's failure to comply with this Section shall constitute a Material Breach of this Agreement.

C. In addition to and without limitation on the other audit provisions of this Agreement, the acceptance of tax benefits or funds by the Applicant or the District or any other entity or person directly under this Agreement acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the Applicant or the District or

other entity that is the subject of an audit or investigation by the State Auditor must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit. The Parties agree that this Agreement shall for its duration be subject to all rules and procedures of the State Auditor acting under the direction of the legislative audit committee.

B. Agrees and acknowledges that the Application and all related attachments and schedules are included by reference in this Agreement as if fully set forth herein; and

## **Section 9.2. DETERMINATION OF BREACH AND TERMINATION OF AGREEMENT.**

A. Prior to making a determination that the Applicant has failed to comply in any material respect with the terms of this Agreement or to meet any material obligation under this Agreement, the District shall provide the Applicant with a written notice of the facts which it believes have caused the breach of this Agreement, and if cure is possible, the cure proposed by the District. After receipt of the notice, the Applicant shall be given ninety (90) days to present any facts or arguments to the Board of Trustees showing that it is not in breach of its obligations under this Agreement, or that it has cured or undertaken to cure any such breach.

B. If the Board of Trustees is not satisfied with such response or that such breach has been cured, then the Board of Trustees shall, after reasonable notice to the Applicant, conduct a hearing called and held for the purpose of determining whether such breach has occurred and, if so, whether

such breach has been cured. At any such hearing, the Applicant shall have the opportunity, together with their counsel, to be heard before the Board of Trustees. At the hearing, the Board of Trustees shall make findings as to:

- i. whether or not a breach of this Agreement has occurred;
- ii. whether or not such breach is a Material Breach;

### **Section 9.3. DISPUTE RESOLUTION.**

A. After receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 9.2, the Applicant shall have sixty (60) days in which either to tender payment or evidence of its efforts to cure, or to initiate mediation of the dispute by written notice to the District, in which case the District and the Applicant shall be required to make a good faith effort to resolve, without resort to litigation and within thirty (30) days after the Applicant initiates mediation, such dispute through mediation with a mutually agreeable mediator and at a mutually convenient time and place for the mediation. If the Parties are unable to agree on a mediator, a mediator shall be selected by the senior state district court judge then presiding in Red River County, Texas. The Parties agree to sign a document that provides the mediator and the mediation will be governed by the provisions of Chapter 154 of the TEXAS CIVIL PRACTICE AND REMEDIES CODE and such other rules as the mediator shall prescribe. With respect to such mediation, (i) the District shall bear one-half of such mediator's fees and expenses and the Applicant shall bear one-half of such mediator's fees and expenses, and (ii) otherwise each Party shall bear all of its costs and expenses (including attorneys' fees) incurred in connection with such mediation.

B. In the event that any mediation is not successful in resolving the dispute or that payment is not received within the time period described for mediation in Section 9.3.A, either the District or the Applicant may seek a judicial declaration of their respective rights and duties under this Agreement or otherwise, in a judicial proceeding in a state district court in Red River County, assert any rights or defenses, or seek any remedy in law or in equity, against the other Party with respect to any claim relating to any breach, default, or nonperformance of any contract, agreement or undertaking made by a Party pursuant to this Agreement.

C. If payments become due under this Agreement and are not received before the expiration of the sixty (60) days provided for such payment in Section 9.3.A, and if the Applicant has not contested such payment calculations under the procedures set forth herein, including

In the event that the District successfully prosecutes legal proceedings under this section, the Applicant shall also be responsible for the payment of attorney's fees to the attorneys representing the District pursuant to Section 6.30 of the TEXAS TAX CODE and a tax lien shall attach to the Applicant's Qualified Property and the Applicant's Qualified Investment pursuant to Section 33.07 of the TEXAS TAX CODE to secure payment of such fees.

#### **Section 9.4. CONSEQUENCES OF EARLY TERMINATION OR OTHER BREACH BY APPLICANT.**

A. In the event that the Applicant terminates this Agreement without the consent of the District, except as provided in Section 7.1 of this Agreement, the Applicant shall pay to the District liquidated damages for such failure within thirty (30) days after receipt of the notice of breach.

B. In the event that the District determines that the Applicant has failed to comply in any material respect with the terms of this Agreement or to meet any material obligation under this Agreement, the Applicant shall pay to the District liquidated damages, as calculated by Section 9.4.C, prior to, and the District may terminate the Agreement effective on the later of: (i) the expiration of the thirty (30) days provided for in Section 9.3.A, and (ii) thirty (30) days after any mediation and judicial proceedings initiated pursuant to Sections 9.3.A and 9.3.B are resolved in favor of the District.

C. The sum of liquidated damages due and payable shall be the sum total of the District ad valorem taxes for all of the Tax Years for which a tax limitation was granted pursuant to this Agreement prior to the year in which the default occurs that otherwise would have been due and payable by the Applicant to the District without the benefit of this Agreement, including penalty and interest, as calculated in accordance with Section 9.4.E. For purposes of this liquidated damages calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Articles IV, V, and VI. Upon payment of such liquidated damages, the Applicant's obligations under this Agreement shall be deemed fully satisfied, and such payment shall constitute the District's sole remedy.

D. In the event that the District determines that the Applicant has committed a Material Breach identified in Section 9.1, after the notice and mediation periods provided by Sections 9.2 and 9.3, then the District may, in addition to the payment of liquidated damages required pursuant to Section 9.4.C, terminate this Agreement.

E. In determining the amount of penalty or interest, or both, due in the event of a breach of this Agreement, the District shall first determine the base amount of recaptured taxes less all credits under Section 9.4.C owed for each Tax Year during the Tax Limitation Period. The District shall calculate penalty or interest for each Tax Year during the Tax Limitation Period in accordance with the methodology set forth in Chapter 33 of the TEXAS TAX CODE, as if the base amount calculated for such Tax Year less all credits under Section 9.4.C had become due and payable on February 1 of the calendar year following such Tax Year. Penalties on said amounts shall be calculated in accordance with the methodology set forth in Section 33.01(a) of the TEXAS TAX CODE, or its successor statute. Interest on said amounts shall be calculated in accordance with the methodology set forth in Section 33.01(c) of the TEXAS TAX CODE, or its successor statute.

**Section 9.5. LIMITATION OF OTHER DAMAGES.** Notwithstanding anything contained in this Agreement to the contrary, in the event of default or breach of this Agreement by the Applicant, the District's damages for such a default shall under no circumstances exceed the amounts calculated under Section 9.4. In addition, the District's sole right of equitable relief under this Agreement shall be its right to terminate this Agreement. The Parties further agree that the limitation of damages and remedies set forth in this Section 9.5 shall be the sole and exclusive remedies available to the District, whether at law or under principles of equity.

**Section 9.6. STATUTORY PENALTY FOR INADEQUATE QUALIFIED INVESTMENT.** Pursuant to Section 313.0275 of the TEXAS TAX CODE, in the event that the Applicant fails to make Ten Million Dollars (\$10,000,000.00) of Qualified Investment, in whole or in part, during the Qualifying Time Period, the Applicant is liable to the State for a penalty. The amount of the penalty is the amount determined by: (i) multiplying the maintenance and operations tax rate of the school district for that tax year that the penalty is due by (ii) the amount obtained after subtracting (a) the Tax Limitation Amount identified in Section 2.4.B from (b) the Market Value of the property identified on the Appraisal District's records for the Tax Year the penalty is due. This penalty shall be paid on or before February 1 of the year following the expiration of the Qualifying Time Period and is subject to the delinquent penalty provisions of Section 33.01 of the TEXAS TAX CODE. The Comptroller may grant a waiver of this penalty in the event of Force Majeure which prevents compliance with this provision.

**Section 9.7. REMEDY FOR FAILURE TO CREATE AND MAINTAIN REQUIRED NEW QUALIFYING JOBS.** Pursuant to Section 313.0276 of the TEXAS TAX CODE, for any full Tax Year that commences after the project has become operational, in the event that it has been determined that the Applicant has failed to meet the job creation or retention requirements defined in Sections 9.1.C, the Applicant shall not be deemed to be in Material Breach of this Agreement until such time as the Comptroller has made a determination to rescind this Agreement under Section 313.0276 of TEXAS TAX CODE, and that determination is final.

**Section 9.8. REMEDY FOR FAILURE TO CREATE AND MAINTAIN COMMITTED NEW QUALIFYING JOBS.**

A. In the event that the Applicant fails to create and maintain the number of New Qualifying Jobs specified in Schedule C of the Application, an event constituting a Material Breach as defined in Section 9.1.D, the Applicant and the District may elect to remedy the Material Breach through a penalty payment.

B. Following the notice and mediation periods provided by Sections 9.2 and 9.3, the District may request the Applicant to make a payment to the State in an amount equal to: (i) multiplying the maintenance and operations tax rate of the school district for that Tax Year that the Material Breach occurs by (ii) the amount obtained after subtracting (a) the Tax Limitation Amount identified in Section 2.4.B from (b) the market value of the property identified on the Appraisal District's records for each tax year the Material Breach occurs.

C. In the event that there is no tax limitation in place for the tax year that the Material Breach occurs, the payment to the State shall be in an amount equal to: (i) multiplying the maintenance and operations tax rate of the School District for each tax year that the Material Breach occurs by (ii) the amount obtained after subtracting (a) the tax limitation amount identified

in Section 2.4.B from (b) the Market Value of the property identified on the Appraisal District's records for the last Tax Year for which the Applicant received a tax limitation.

D. The penalty shall be paid no later than 30 days after the notice of breach and is subject to the delinquent penalty provisions of Section 33.01 of the TEXAS TAX CODE.

## **Section 10.2. AMENDMENTS TO APPLICATION AND AGREEMENT; WAIVERS.**

A. This Agreement may not be modified or amended except by an instrument or instruments in writing signed by all of the Parties and after completing the requirements of Section 10.2.B. Waiver of any term, condition, or provision of this Agreement by any Party shall only be effective if in writing and shall not be construed as a waiver of any subsequent breach of, or failure to comply with, the same term, condition, or provision, or a waiver of any other term, condition, or provision of this Agreement.

B. By official action of the District's Board of Trustees, the Application and this Agreement may only be amended according to the following:

i. The Applicant shall submit to the District and the Comptroller:

a. a written request to amend the Application and this Agreement, which shall specify the changes the Applicant requests;

C. Any amendment of the Application and this Agreement adding additional or replacement Qualified Property pursuant to this Section 10.2 of this Agreement shall:

i. require that all property added by amendment be eligible property as defined by Section 313.024 of the TEXAS TAX CODE;

ii. clearly identify the property, investment, and employment information added by amendment from the property, investment, and employment information in the original Agreement; and

D. The Application and this Agreement may not be amended to extend the value limitation time period beyond its ten-year statutory term.

The Comptroller determination made under Section 313.026(c)(2) of the TEXAS TAX CODE in the original certificate for a limitation satisfies the requirement of the Comptroller to make the same determination for any amendment of the Application and this Agreement, provided that the facts upon which the original determination was made have not changed.

## **Section 10.3. ASSIGNMENT.**

A. Any assignment of any rights, benefits, obligations, or interests of the Parties in this

Agreement, other than a collateral assignment purely for the benefit of creditors of the project, is considered an amendment to the Agreement and such Party may only assign such rights, benefits, obligations, or interests of this Agreement after complying with the provisions of Section 10.2 regarding amendments to the Agreement. Other than a collateral assignment to a creditor, this Agreement may only be assigned to an entity that is eligible to apply for and execute an agreement for limitation on appraised value pursuant to the provisions of Chapter 313 of the TEXAS TAX CODE and the Comptroller's Rules.

B. In the event of a merger or consolidation of the District with another school district or other governmental authority, this Agreement shall be binding on the successor school district or other governmental authority.

C. In the event of an assignment to a creditor, the Applicant must notify the District and the Comptroller in writing no later than 30 days after the assignment. This Agreement shall be binding on the assignee.

**Section 10.4. MERGER.** This Agreement contains all of the terms and conditions of the understanding of the Parties relating to the subject matter hereof. All prior negotiations, discussions, correspondence, and preliminary understandings between the Parties and others relating hereto are superseded by this Agreement.

Venue in any legal proceeding shall be in a state district court in Red River County.

**Section 10.6. AUTHORITY TO EXECUTE AGREEMENT.** Each of the Parties represents and warrants that its undersigned representative has been expressly authorized to execute this Agreement for and on behalf of such Party.

**Section 10.7. SEVERABILITY.** If any term, provision or condition of this Agreement, or any application thereof, is held invalid, illegal, or unenforceable in any respect under any Law (as hereinafter defined), this Agreement shall be reformed to the extent necessary to conform, in each case consistent with the intention of the Parties, to such Law, and to the extent such term, provision, or condition cannot be so reformed, then such term, provision, or condition (or such invalid, illegal or unenforceable application thereof) shall be deemed deleted from (or prohibited under) this Agreement, as the case may be, and the validity, legality, and enforceability of the remaining terms, provisions, and conditions contained herein (and any other application such term, provision, or condition) shall not in any way be affected or impaired thereby. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement in an acceptable manner so as to effect the original intent of the Parties as closely as possible so that the transactions contemplated hereby are fulfilled to the extent possible. As used in this Section 10.7, the term "Law" shall mean any applicable statute, law (including common law), ordinance, regulation, rule, ruling, order, writ, injunction, decree, or other official act of or by any federal, state or local government, governmental department, commission, board, bureau, agency, regulatory authority, instrumentality, or judicial or administrative body having jurisdiction over the matter or matters in

The proposed qualified investment consists of solar photovoltaic modules, a single axis tracking system, driven-pile foundations, DC wiring, DC/AC inverters, medium voltage step-up transformers, AC cabling and a central substation with a high voltage step-up transformer. Upon completion the site will include 36-52 inverters and 360,000 – 800,000 panels depending on the final size of the project built and the associated generating capacity of each panel.

Other improvements include an electrical substation or switchyard, collection cable, foundations and raking, modules, trackers, inverters, transformers, DC & AC collections (above grade and buried), transmission facilities, and roads associated with the solar facility.

The capital investment for this project is estimated to be \$52 million. Delilah Solar Energy LLC anticipates the commencement of commercial operations for this project by the second quarter of 2022.

A map showing the approximate location of the Qualified Investment is attached to this Exhibit 3.
