

GLENN HEGAR TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

P.O.Box 13528 • Austin, TX 78711-3528

November 5, 2019

Dr. Nobert Rodriguez
Superintendent
Pearsall Independent School District
318 Berry Ranch Rd.
Pearsall, Texas 78061

Re: Certificate for Limitation on Appraised Value of Property for School District Maintenance and Operations taxes by and between Pearsall Independent School District and Horizon Solar, LLC, Application 1388.

Dear Superintendent Rodriguez:

On August 13, 2019, the Comptroller issued written notice that Horizon Solar, LLC (applicant) submitted a completed application (Application 1388) for a limitation on appraised value under the provisions of Tax Code Chapter 313.¹ This application was originally submitted on June 19, 2019, to the Pearsall Independent School District (school district) by the applicant.

This presents the results of the Comptroller's review of the application and determinations required:

- 1) under Section 313.025(h) to determine if the property meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C; and
- 2) under Section 313.025(d), to issue a certificate for a limitation on appraised value of the property and provide the certificate to the governing body of the school district or provide the governing body a written explanation of the Comptroller's decision not to issue a certificate, using the criteria set out in Section 313.026.

Determination required by 313.025(h)

Sec. 313.024(a) Applicant is subject to tax imposed by Chapter 171.
Sec. 313.024(b) Applicant is proposing to use the property for an eligible project.

¹ All Statutory references are to the Texas Tax Code, unless otherwise noted.

Sec. 313.024(d) Applicant has requested a waiver to create the required number of new qualifying jobs and pay all jobs created that are not qualifying jobs a wage that exceeds the county average weekly wage for all jobs in the county where the jobs are located.

Sec. 313.024(d-2) Not applicable to Application 1388.

Based on the information provided by the applicant, the Comptroller has determined that the property meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C.

Certificate decision required by 313.025(d)

Determination required by 313.026(c)(1)

The Comptroller has determined that the project proposed by the applicant is reasonably likely to generate tax revenue in an amount sufficient to offset the school district's maintenance and operations *ad valorem tax* revenue lost as a result of the agreement before the 25th anniversary of the beginning of the limitation period, see Attachment B.

Determination required by 313.026(c)(2)

The Comptroller has determined that the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in this state, see Attachment C.

Based on these determinations, the Comptroller issues a certificate for a limitation on appraised value. This certificate is contingent on the school district's receipt and acceptance of the Texas Education Agency's determination per 313.025(b-1).

The Comptroller's review of the application assumes the accuracy and completeness of the statements in the application. If the application is approved by the school district, the applicant shall perform according to the provisions of the Texas Economic Development Act Agreement (Form 50-826) executed with the school district. The school district shall comply with and enforce the stipulations, provisions, terms, and conditions of the agreement, applicable Texas Administrative Code and Chapter 313, per TAC 9.1054(i)(3).

This certificate is no longer valid if the application is modified, the information presented in the application changes, or the limitation agreement does not conform to the application. Additionally, this certificate is contingent on the school district approving and executing the agreement within a year from the date of this letter.

Note that any building or improvement existing as of the application review start date of August 13, 2019, or any tangible personal property placed in service prior to that date may not become "Qualified Property" as defined by 313.021(2) and the Texas Administrative Code.

Should you have any questions, please contact Will Counihan, Director, Data Analysis & Transparency, by email at will.counihan@cpa.texas.gov or by phone toll-free at 1-800-531-5441, ext. 6-0758, or at 512-936-0758.

Sincerely,

Lisa Craven
Deputy Comptroller

Enclosure

cc: Will Counihan

Attachment A – Economic Impact Analysis

The following tables summarize the Comptroller’s economic impact analysis of Horizon Solar, LLC (project) applying to Pearsall Independent School District (district), as required by Tax Code, 313.026 and Texas Administrative Code 9.1055(d)(2).

Table 1 is a summary of investment, employment and tax impact of Horizon Solar, LLC.

Applicant	Horizon Solar, LLC
Tax Code, 313.024 Eligibility Category	Renewable Energy Electric Generation
School District	Pearsall ISD
2018-2019 Average Daily Attendance	2,057
County	Frio
Proposed Total Investment in District	\$215,613,380
Proposed Qualified Investment	\$213,913,000
Limitation Amount	\$30,000,000
Qualifying Time Period (Full Years)	2021-2022
Number of new qualifying jobs committed to by applicant	1*
Number of new non-qualifying jobs estimated by applicant	0
Average weekly wage of qualifying jobs committed to by applicant	\$1,003
Minimum weekly wage required for each qualifying job by Tax Code, 313.021(5)(B)	\$970
Minimum annual wage committed to by applicant for qualified jobs	\$52,171
Minimum weekly wage required for non-qualifying jobs	\$1,004
Minimum annual wage required for non-qualifying jobs	\$52,196
Investment per Qualifying Job	\$215,613,380
Estimated M&O levy without any limit (15 years)	\$12,444,806
Estimated M&O levy with Limitation (15 years)	\$5,774,165
Estimated gross M&O tax benefit (15 years)	\$6,670,641

* Applicant is requesting district to waive requirement to create minimum number of qualifying jobs pursuant to Tax Code, 313.025 (f-1).

Table 2 is the estimated statewide economic impact of Horizon Solar, LLC (modeled).

Year	Employment			Personal Income		
	Direct	Indirect + Induced	Total	Direct	Indirect + Induced	Total

Attachment B – Tax Revenue before 25th Anniversary of Limitation Start

This represents the Comptroller’s determination that Horizon Solar, LLC (project) is reasonably likely to generate, before the 25th anniversary of the beginning of the limitation period, tax revenue in an amount sufficient to offset the school district maintenance and operations ad valorem tax revenue lost as a result of the agreement. This evaluation is based on an analysis of the estimated M&O portion of the school district property tax levy directly related to this project, using estimated taxable values provided in the application.

	Tax Year	Estimated ISD M&O Tax Levy Generated (Annual)	Estimated ISD M&O Tax Levy Generated (Cumulative)	Estimated ISD M&O Tax Levy Loss as Result of Agreement (Annual)	Estimated ISD M&O Tax Levy Loss as Result of Agreement (Cumulative)

Disclaimer: This examination is based on information from the application submitted to the school district and forwarded to the comptroller. It is intended to meet the statutory requirement of Chapter 313 of the Tax Code and is not intended for any other purpose.

Attachment C – Limitation as a Determining Factor

Tax Code 313.026 states that the Comptroller may not issue a certificate for a limitation on appraised value under this chapter for property described in an application unless the comptroller determines that “the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in this state.” This represents the basis for the Comptroller’s determination.

Methodology

Texas Administrative Code 9.1055(d) states the Comptroller shall review any information available to the Comptroller including:

- the application, including the responses to the questions in Section 8 (Limitation as a Determining Factor);
- public documents or statements by the applicant concerning business operations or site location issues or in which the applicant is a subject;
- statements by officials of the applicant, public documents or statements by governmental or industry officials concerning business operations or site location issues;
- existing investment and operations at or near the site or in the state that may impact the proposed project;
- announced real estate transactions, utility records, permit requests, industry publications or other sources that may provide information helpful in making the determination; and
- market information, raw materials or other production inputs, availability, existing facility locations, committed incentives, infrastructure issues, utility issues, location of buyers, nature of market, supply chains, other known sites under consideration.

Determination

The Comptroller **has determined** that the limitation on appraised value is a determining factor in the Horizon Solar, LLC’s decision to invest capital and construct the project in this state. This is based on information available, including information provided by the applicant. Specifically, the comptroller notes the following:

- Per First Solar Development, LLC in Tab 5 of their Application for a Limitation on Appraised Value:
 - A. “First Solar Development, LLC (“First Solar”) the parent of Horizon Solar, LLC is a national solar developer with project opportunities across the United States, including California, Arizona, Georgia and elsewhere. The ability to enter into a value limitation agreement with Pearsall ISD is a determining factor for constructing the project in Frio County, Texas as opposed to building and investing in another county, state or region. First Solar is considering investing in Alabama, Arkansas, Georgia, Florida, North Carolina, Ohio, South Carolina, Tennessee, and Virginia.”
 - B. “First Solar is actively developing and constructing other projects throughout the US and internationally through its affiliates. The applicant requires the value limitation agreement in order to move forward with constructing this project in Texas. Specifically, without the available property tax incentives, the economics of the project become unappealing to investors and the likelihood of constructing the project becomes unlikely. The property tax liabilities of a project without tax incentives in Texas, including a value limitation agreement with Pearsall ISD, lower the return to investors and financiers to an unacceptable level at current contracted power rates under a power purchase agreement. As such, the applicant would not be able to finance and build its project without the property tax incentives. We want to avoid a situation where the applicant would be forced to have its development capital and prospective investment funds spent in other states where the rate of return is higher on a project basis.”

Supporting Information

- c) Additional information provided by the Applicant or located by the Comptroller

Disclaimer: This examination is based on information from the application submitted to the school district and forwarded to the comptroller. It is intended to meet the statutory requirement of Chapter 313 of the Tax Code and is not intended for any other purpose.

Supporting Information

**Section 8 of the Application for
a Limitation on Appraised Value**

SECTION 6: Eligibility Under Tax Code Chapter 313.024

1. Are you an entity subject to the tax under Tax Code, Chapter 171? Yes No
2. The property will be used for one of the following activities:
 - (1) manufacturing Yes No
 - (2) research and development Yes No
 - (3) a clean coal project, as defined by Section 5.001, Water Code Yes No
 - (4) an advanced clean energy project, as defined by Section 382.003, Health and Safety Code Yes No
 - (5) renewable energy electric generation Yes No
 - (6) electric power generation using integrated gasification combined cycle technology Yes No
 - (7) nuclear electric power generation Yes No
 - (8) a computer center that is used as an integral part or as a necessary auxiliary part for the activity conducted by applicant in one or more activities described by Subdivisions (1) through (7) Yes No
 - (9) a Texas Priority Project, as defined by 313.024(e)(7) and TAC 9.1051 Yes No
3. Are you requesting that any of the land be classified as qualified investment? Yes No
4. Will any of the proposed qualified investment be leased under a capitalized lease? Yes No
5. Will any of the proposed qualified investment be leased under an operating lease? Yes No
6. Are you including property that is owned by a person other than the applicant? Yes No
7. Will any property be pooled or proposed to be pooled with property owned by the applicant in determining the amount of your qualified investment? Yes No

SECTION 7: Project Description

1. In **Tab 4**, attach a detailed description of the scope of the proposed project, including, at a minimum, the type and planned use of real and tangible personal property, the nature of the business, a timeline for property construction or installation, and any other relevant information.
2. Check the project characteristics that apply to the proposed project:

<input type="checkbox"/> Land has no existing improvements	<input checked="" type="checkbox"/> Land has existing improvements (<i>complete Section 13</i>)
<input type="checkbox"/> Expansion of existing operation on the land (<i>complete Section 13</i>)	<input type="checkbox"/> Relocation within Texas

SECTION 8: Limitation as Determining Factor

1. Does the applicant currently own the land on which the proposed project will occur? Yes No
2. Has the applicant entered into any agreements, contracts or letters of intent related to the proposed project? Yes No
3. Does the applicant have current business activities at the location where the proposed project will occur? Yes No
4. Has the applicant made public statements in SEC filings or other documents regarding its intentions regarding the proposed project location? Yes No
5. Has the applicant received any local or state permits for activities on the proposed project site? Yes No
6. Has the applicant received commitments for state or local incentives for activities at the proposed project site? Yes No
7. Is the applicant evaluating other locations not in Texas for the proposed project? Yes No
8. Has the applicant provided capital investment or return on investment information for the proposed project in comparison with other alternative investment opportunities? Yes No
9. Has the applicant provided information related to the applicant's inputs, transportation and markets for the proposed project? Yes No
10. Are you submitting information to assist in the determination as to whether the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in Texas? Yes No

Chapter 313.026(e) states "the applicant may submit information to the Comptroller that would provide a basis for an affirmative determination under Subsection (c)(2)." If you answered "yes" to any of the questions in Section 8, attach supporting information in Tab 5.

TAB 5

Documentation to assist in determining if limitation is a determining factor.

First Solar Development, LLC (“First Solar”), the parent of Horizon Solar, LLC, is a national solar developer with project opportunities across the United States, including California, Arizona, Georgia and elsewhere. The ability to enter into a value limitation agreement with Pearsall ISD is a determining factor for constructing the project in Frio County, Texas, as opposed to building and investing in another county, state or region. First Solar is considering investing in Alabama, Arkansas, Georgia, Florida, North Carolina, Ohio, South Carolina, Tennessee, and Virginia.

First Solar is actively developing and constructing other projects throughout the US and internationally through its affiliates. The applicant requires this value limitation agreement in order to move forward with constructing this project in Texas. Specifically, without the available property tax incentives, the economics of the project become unappealing to investors and the likelihood of constructing the project becomes unlikely. The property tax liabilities of a project without tax incentives in Texas, including a value limitation agreement with Pearsall ISD, lower the return to investors and financiers to an unacceptable level at current contracted power rates under a power purchase agreement. As such, the applicant would not be able to finance and build its project without the property tax incentives. We want to avoid a situation where the applicant would be forced to have its development capital and prospective investment funds spent in other states where the rate of return is higher on a project basis.

However, the proposed site in Frio County is a desirable business location and can provide electricity at a price that is competitive with other potential projects in Frio County and elsewhere in Texas, assuming that the expected tax incentives, including a value limitation agreement, are obtained. Electric utilities and other wholesale electricity buyers are focused on providing low-cost energy to their customers, and contracting for the sale of solar electricity is highly competitive. Receiving a value limitation agreement from Pearsall ISD is vital to ensuring the economics justify building the project and placing it into commercial operation in Frio County.

About First Solar

Through its affiliates, First Solar is the leading global provider of comprehensive photovoltaic (PV) solar energy solutions. With vertically integrated capabilities improving every aspect of the solar value chain, the company delivers power plant solutions that maximize value and mitigate risk for customers worldwide.
