Chapter 313 Application to Muenster ISD

TAB #4

Detailed Description of Project

The Applicant, Wildcat Creek Wind Farm LLC, is requesting an appraised value limitation for all property constructed or placed upon real property located in Muenster ISD in Cooke County. 12,168 acres of the Project's reinvestment zone are located within Muenster ISD boundaries—of those, approximately 3,000 acres are leased. The property for which the Applicant is requesting an appraised value limitation will be a wind-powered electric generating facility. The Applicant estimates that between 55.8 and 70.2 megawatts of power will be generated from the portion of the Project located in Muenster ISD. The exact number of wind turbines and the size of each turbine will vary depending upon the final wind turbines selected and the megawatt generating capacity of the Project, but the current estimated turbine count for Muenster ISD is between fourteen (14) and seventeen (17). The Project will also include: reinforced concrete foundations supporting the weight of each turbine tower, conductor cables used to transport electricity from each turbine tower to an electrical substation, and access roads. The Project is entirely within a Cooke County Reinvestment Zone. The Applicant estimates that the Project will be constructed and become operational by the end of year 2021.

Column A: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application.

Only tangible personal property that is specifically described in the application can become qualified property.

Column B: The total dollar amount of planned investment each year in buildings or nonremovable component of buildings.

Column C: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that will not become qualified property include investment meeting the definition of 313.021(1) but not creating a new improvement as defined by TAC 9.1051. This is proposed property that functionally replaces existing property; is used to maintain, refurbish, renovate, modify or upgrade existing property; or is affixed to existing property—described in SECTION 13, question #5 of the application.

Column D: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that may result in qualified property are land or professional services.

Total Investment: Add together each cell in a column and enter the sum in the blue total investment row. Enter the data from this row into the first row in Schedule A2.

Qualified Investment: For the green qualified investment cell, enter the sum of all the green-shaded cells.

** Only investment made during deferrals of the start of the limitation (after the end of qualifying time period but before the start of the Value Limitation Period) should be included in the "year prior to start of value limitation period" row(s). If the limitation starts at the end of the qualifying time period or the qualifying time period overlaps the limitation, no investment should be included on this line.

*** If your qualifying time period will overlap your value limitation period, do not also include investment made during the qualifying time period in years 1 and/or 2 of the value limitation period, depending on the overlap. Only include investments/years that were **not** captured on Schedule A1.

For All Columns: List amount invested each year, not cumulative totals. Only include investments in the remaining rows of Schedule A2 that were not captured on Schedule A1.

Column A: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application.
