Pursuant to your request for additional information in your January 15, 2020 email correspondence, please find attached Amendment #001 to Application #1456. Additionally, the Applicant has also made further changes to the Application. The following changes were made to the amended application pages:

1. **Application Section 5.4.** *Are all applicant members of the combined group current on all tax payments due to the State of Texas?*
 - a. "Not Applicable" was selected because the Applicant is not a combined group nor comprised of members of a combined group, as defined by Tax Code §171.0001(7).
2. **Application Section 9.1.** *Application approval by school board.*
 - a. The date has been changed to October 1, 2020.
3. **Application Section 10.1.** *Identify county or counties in which the proposed project will be located.*

4. **Application Section 10.4.** *List all taxing entities that have jurisdiction for the property, the portion of project within each entity and tax rates for each entity.*
 - a. South Limestone Hospital District has been removed because properties within the jurisdiction of this taxing entity are not within the school district boundaries.
5. **Application Section 10.5.** *Is the project located entirely within the ISD listed in Section 1?*
 - a. Answer has been changed to "Yes." The Comptroller analyst has stated that each application is its own entity, even though it is part of a larger project, therefore the Project Boundary is entirely within the school district.

Detailed Description of the Project

Attach a detailed description of the scope of the proposed project, including, at a minimum, the type and planned use of real and tangible personal property, the nature of the business, a timeline for property construction or installation, and any other relevant information.

Hubbard Wind, LLC is a 302.7 MW/AC electric generating wind facility. In its entirety, the project will consist of 108 wind turbines (GE model 2.82 and 2.3 safe harbor).

For the purpose of this application, we are requesting an appraised value limitation on the portion of the project located within Hubbard ISD. Across Hubbard ISD, there will be approximately 19 wind turbines or approximately 53 MW/AC production capacity.

In addition to turbines, other components of this project we request be included under the value limitation agreement include the following:

- Operation & Maintenance Building
- Substation
- Transmission Line
- Ancillary & Eligible Equipment
- Underground Electrical Collection Cables
- Meteorological Towers
- Access Roads to Turbines

The project, Hubbard Wind, LLC, is not entirely located within Hubbard ISD. Please refer to Tab 6 of this application for a more detailed description of the project allocation across school districts and counties.

Wind generation facilities operate through capturing wind energy with two or three propeller-like blades mounted on a rotor to generate electricity. As wind blow, pockets of low-pressure air form on the downwind side of the blade. This low-pressure air then pulls the blade towards it, creating a lift and turning the rotor. The force of the lift is stronger than the drag and the wind's force against the front side of the blade. The combination of the lift and drag causes the rotor to spin thus turning a shaft that spins a generator to create electricity.

Re: Application for Appraised Value Limitation on Qualified Property from Hubbard Wind, LLC to Hubbard Independent School District, Application #1456

Intent of the Hubbard Independent School District to Establish the Hubbard Wind Reinvestment Zone #3

Dear Local Government Assistance and Economic Analysis Division:

The Board of Trustees of the Hubbard Independent School District (the "District") intends to conduct a public hearing to consider and act upon a Resolution designating a certain area as a Reinvestment Zone, under Texas Tax Code § 321.0025, in portions of Hill County and Limestone County, Texas; establishing the boundaries thereof; and providing for an effective date. The Hubbard Wind, LLC project is to be located within the proposed *Hubbard Wind Reinvestment Zone #3*.

To determine whether to designate the proposed *Hubbard Wind Reinvestment Zone #3*, the Board of Trustees will consider, in accordance to Board Policy CCGB (LEGAL), whether the Reinvestment Zone: (i) meets the criteria set forth in Texas Tax Code § 312.0025 for the creation of a reinvestment zone, as set forth in the Property Redevelopment and Tax Abatement Act, as amended; and (ii) is reasonably likely to contribute to the expansion of primary employment in the Reinvestment Zone, or attract major investment in the Reinvestment Zone that would be a benefit to property in the Reinvestment Zone and to the District and contribute to the economic development of the region of this State in which the District is located. (See **Exhibit A**).

The adoption of this measure will be complete when the District considers the final approval of the Agreement for Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes by and between the District and Applicant.

Thank you for your attention to the foregoing. Should you have any questions, please do not hesitate to contact the District's Authorized Representative Mr. Rick Lambert via email at rlambert@pyt-law.com (with copy to sleung@pyt-law.com) or via telephone at (512) 494-1177.

Sincerely,

**Tax Increment
Financing Act**

Board of Directors

Except as provided at Large Municipality below, each district that levies taxes on real property in a reinvestment zone designated by a county or municipality in accordance with the Tax Increment Financing Act, Tax Code Chapter 311, may appoint one member of the reinvestment zone board of directors if the district has approved the payment of all or part of the tax increment produced by the district into the tax increment fund for the zone. A district may waive its right to appoint a director. *Tax Code 311.009(a), (b)*

*Large
Municipality*

In a reinvestment zone designated by a municipality which is wholly or partially located in a county with a population of less than 1.8 million in which the principal municipality has a population of 1.1 million or more, each taxing unit that approves the payment of all or part of its tax increment into the tax increment fund is entitled to appoint a number of members to the board in proportion to the taxing unit's pro rata share of the total anticipated tax increment to be deposited into the tax increment fund during the term of the zone. *Tax Code 311.0091(a)–(c)*

Tax Increments
Amount

The amount of a district's tax increment for a year is the amount of property taxes levied and assessed by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone or the amount of property taxes levied and collected by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone. The board of the district shall determine which of the methods is used to calculate the amount of the district's tax increment.

"Captured
Appraised
Value"

The captured appraised value of real property taxable by a district for a year is the total taxable value of all real property taxable by the district and located in a reinvestment zone for that year less the tax increment base of the district.

"Tax Increment
Base"

The tax increment base of a district is the total taxable value of all real property taxable by the district and located in a reinvestment zone for the year in which the zone was designated under Tax Code Chapter 311.

Tax Code 311.012

*Collection and
Deposit*

Each district that taxes real property located in a reinvestment zone shall provide for the collection of its taxes in the zone as for any other property taxed by the district. Each district shall pay into the tax increment fund for the zone an amount equal to the tax increment produced by the district, less the sum of:

1. Property taxes produced from the tax increments that are, by contract executed before the designation of the area as a reinvestment zone, required to be paid by the district to another political subdivision; and
2. A portion, not to exceed 15 percent, of the tax increment produced by the district as provided by the reinvestment zone financing plan or a larger portion as provided at Agreement Required below.

Tax Code 311.013(a)–(b)

Notwithstanding any termination of the reinvestment zone and unless otherwise specified by an agreement between the district and the municipality or county that created the zone, a district shall make the required payment not later than the 90th day after the later of the delinquency date for district property taxes or the date the municipality or county that created the zone submits to the district an invoice specifying the tax increment produced by the district and the amount the district is required to pay into the tax increment fund for the zone. A district is not required to pay into a tax increment fund the applicable portion of a tax increment attributable to delinquent taxes until those taxes are collected. *Tax Code 311.013(c), (i)*

A district whose taxable value is reduced under Government Code 403.302(d)(4) (determination of district property values by the comptroller) shall pay into the tax increment fund, in addition to the amount otherwise required to be paid, an amount equal to the amount by which the amount of taxes the district would have been required to pay into the fund in the current year if the district levied taxes at the rate the district levied in 2005 exceeds the amount the district is otherwise required to pay into the fund in the year of the reduction. This additional amount may not exceed the amount the district receives in state aid for the current tax year under Education Code 48.253 (additional state aid for tax increment financing payments). The district shall pay the additional amount after the district receives the state aid to which the district is entitled for the current tax year under Education Code 48.253. *Tax Code 311.013(n)*

*Agreement
Required*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in a reinvestment zone designated under Tax Code 311.005(a) or in an area added to a reinvestment zone under Tax Code 311.007 unless the district enters into an agreement to do so with the governing body of the municipality or county that designated the zone. *Tax Code 311.013(f)*

A district that participates in a zone is not required to increase the percentage or amount of the tax increment to be contributed by the district because of an amendment to the project plan or reinvestment zone financing plan for the zone unless the board by official action approves the amendment. *Tax Code 311.011(g)*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in an area added to the reinvestment zone under Tax Code 311.007(a) or (b) unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.013(k)*

If the governing body of the municipality or county that designated a reinvestment zone extends the term of all or a portion of the zone, a district is not required to participate in the zone or portion of the zone for the extended term unless the district enters into a written agreement to do so. *Tax Code 311.007(c)*

Notwithstanding the designation of a later termination date under Tax Code 311.017(a), a district that taxes real property located in the reinvestment zone is not required to pay any of its tax increment into the tax increment fund for the zone after the termination date designated in the ordinance or order creating the zone unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.017(a-1)*

**Property
Redevelopment and
Tax Abatement Act**

On or after September 1, 2001, a school district may not enter into a tax abatement agreement under Tax Code Chapter 312. *Tax Code 312.002(f)*

**Reinvestment Zone
for Chapter 313**

Notwithstanding any other provision of Tax Code Chapter 312 to the contrary, the board, in the manner required for official action and for purposes of Tax Code Chapter 313, Subchapter B or C [see Texas Economic Development Act below], may designate an area entirely within the territory of the district as a reinvestment zone if the board finds that, as a result of the designation and the granting of a limitation on appraised value, for property located in the reinvestment zone, the designation is reasonably likely to:

1. Contribute to the expansion of primary employment in the reinvestment zone; or
2. Attract major investment in the reinvestment zone that would:
 - a. Be a benefit to property in the reinvestment zone and to the district; and

- b. Contribute to the economic development of the region of this state in which the district is located.

The board may seek the recommendation of the commissioners court of each county and the governing body of each municipality that has territory in the district before designating an area as a reinvestment zone.

Tax Code 312.0025

**Texas Economic
Development Act**

In implementing the Texas Economic Development Act, Tax Code Chapter 313, districts should strictly interpret the criteria and selection guidelines provided by Chapter 313 and approve only those applications for an ad valorem tax benefit that:

1. Enhance the local community;
2. Improve the local public education system;
3. Create high-paying jobs; and
4. Advance the economic development goals of Texas.
