Qualifying Time Period usually begins with the final board approval of the application and extends generally for the following two complete tax years.

**Column A:** This represents the total dollar amount of planned investment in tangible personal property the applicant considers qualified investment- as defined in Tax Code §313.021(1)(A)-(D). For the purposes of investment, please list amount invested each year, not cumulative totals. [For the years outside the qualifying time period, this number should simply represent the planned investment in tangible personal property]. Include estimates of investment for "replacement" property-property that is part of original agreement but scheduled for probable replacement during limitation period.

**Column B:** The total dollar amount of planned investment each year in buildings or nonremovable component of buildings that the applicant considers qualified investment under Tax Code §313.021(1)(E). For the years outside the qualifying time period, this number should simply represent the planned investment in new buildings or nonremovable components of buildings.

**Column D:** Dollar value of other investment that may not be qualified investment but that may affect economic impact and total value -- for planning, construction and operation of the facility. The most significant example for many projects would be land. Other examples may be items such as professional services, etc. Note: Land can be listed as part of investment during the "pre-year 1" time period. It cannot be part of qualifying investment.

**Notes:** For advanced clean energy projects, nuclear projects, projects with deferred qualifying time periods, and projects with lengthy application review periods, insert additional rows as needed.

This schedule must be submitted with the original application and any application for tax credit. When using this schedule for any purpose other than the original application, replace original estimates with actual appraisal district data for past years and update estimates for current and future years. If original estimates have not changed, enter those amounts for future years.

## DETERMINING ELIGIBILITY FOR TAX CREDIT PURSUANT TO TEXAS TAX CODE §313.104

*STATE OF TEXAS* §

*COUNTY OF SCHLEICHER* §

*WHEREAS*, on August 25, 2008, the Superintendent of Schools of the Schleicher County Independent School District (the "Superintendent"), acting as agent of the Board of Trustees of the District (the "Board of Trustees"), received from Langford Wind Power, LLC (the "Applicant") an Application for Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code; and,

*WHEREAS*, the Board of Trustees has acknowledged receipt of the Application along with the requisite application fee as established pursuant to Texas Tax Code §313.025(a)(1) and Local District Policy CCG (Local); and,

*WHEREAS*, the Application was delivered to the Texas Comptroller's Office for review pursuant to Texas Tax Code §313.025(d); and,

*WHEREAS*, the Application was reviewed by the Texas Comptroller's Office pursuant to Texas Tax Code §313.025(d); and,

*WHEREAS*, the Board of Trustees caused to be conducted an economic impact evaluation pursuant to Chapter 313 of the Texas Tax Code; and,

*WHEREAS*, the Board of Trustees reviewed the economic impact evaluation pursuant to Texas Tax Code §313.026 and has carefully considered such evaluation; and,

*WHEREAS*, the Application was reviewed by the Schleicher County Appraisal District, established in Schleicher County, Texas (the "Schleicher County Appraisal District") pursuant to Texas Property Tax Code §6.01; and,

*WHEREAS*, the District received a recommendation from the Texas Comptroller's Office pursuant to Texas Tax Code §313.026, and,

*WHEREAS*, on December 15, 2008, the Board of Trustees conducted a public hearing on the Application at which it solicited input into its deliberations on the Application from all interested parties within the District; and,

**WHEREAS**, on December 15, 2008, the Board of Trustees made factual findings pursuant to Texas Tax Code § 313.025(f), including, but not limited to findings that: (i) the information in the Application is true and correct; (ii) this Agreement is in the best interest of the District and the State of Texas; (iii) the Applicant is eligible for the Limitation on Appraised Value of the Applicant's Qualified Property; (iv) the project will be First Placed in Service on or after January 1, 2009; (v) each criterion listed in Texas Tax Code § 313.025(e) has been met; and, (vi) if the job creation requirement set forth in Texas Tax Code § 313.051(b) (*i.e.*, 10 jobs) was applied, for the size and scope of the project described in the Application, the required number of jobs would exceed the industry standard for the number of employees reasonably necessary for the operation of the facility; and,

**WHEREAS**, on December 15, 2008, the Board of Trustees determined that the Tax Limitation Amount requested by Applicant, and as defined in Sections 1.2 and 1.3, below, is consistent with the minimum values set out by Tax Code, §§ 313.022(b), and 313.052, as such Tax Limitation Amount was computed for the effective date of this Agreement; and,

**WHEREAS**, on December 15, 2008, pursuant to the provisions of Texas Tax Code § 313.025(f-1), the Board of Trustees waived the job creation requirement set forth in Texas Tax Code § 313.051(b); and,

**WHEREAS**, on December 15, 2008, the Board of Trustees approved the form of this Agreement for a Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes, and authorized the Board President and Secretary to execute and deliver such Agreement to the Applicant on or after the receipt of a letter of recommendation from the Texas Comptroller of Public Accounts in accordance with Chapter 313 of the Texas Tax Code; and,

**WHEREAS**, after examining the tax rolls of the Schleicher County Appraisal District; the most recent Annual Eligibility Report (Comptroller's Form #50-772); and the most recent Biennial Progress Report (Comptroller's Form #50-773) filed by Langford Wind Power, LLC, the Board has determined that during the Qualifying Time Period, running from January 1, 2009 through December 31, 2010, Langford Wind Power, LLC made a Qualifying Investment as defined by Texas Tax Code §313.021 in the amount of at least Ten Million Dollars for the purposes of renewable energy in accordance with the provisions of Texas Tax Code §313.024(b)(1); and,

**WHEREAS**, after examining Comptroller's State Franchise Tax records, the Board has determined that, at the time of the adoption of this Resolution, Langford Wind Power, LLC, is in good standing with respect to its franchise tax obligations; and,

**WHEREAS**, the total amount of maintenance and operations ad valorem taxes that were imposed on the portion of the appraised value of the Qualified Property that exceeded the amount of the limitation agreed to by the governing body of the school district under Texas Tax Code Section 313.027(a)(2) in the applicable Qualifying Time Period that Langford Wind Power, LLC has paid to the District has been TWO HUNDRED THIRTY-SIX THOUSAND NINE HUNDRED TWENTY-TWO DOLLARS AND THIRTY-ONE CENTS (\$236,922.31); and,

**WHEREAS**, as of the date of the approval of this Resolution, Langford Wind Power, LLC has not relocated its business outside of the District; and,

**WHEREAS**, the application for tax credit filed by Langford Wind Power, LLC was: (1) made on the form prescribed for that purpose by the Texas Comptroller of Public Accounts; (2) was verified by Langford Wind Power, LLC; (3) was accompanied by tax receipts from the collector of taxes for the District showing full payment of all District ad valorem taxes on the Qualified Property for the applicable Qualifying Time Period.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Trustees of the Schleicher County Independent School District as follows:

1. The application made by Langford Wind Power, LLC, for a tax credit pursuant to Texas Tax Code §313.103 in the total amount of TWO HUNDRED THIRTY-SIX THOUSAND NINE HUNDRED TWENTY-TWO DOLLARS AND THIRTY-ONE CENTS (\$236,922.31) is approved by the adoption of this Resolution.
2. Beginning with the Tax Year 2012, and in each of the subsequent six (6) tax years (ending in Tax Year 2018), the Superintendent is directed to issue a refund as a credit against the *ad valorem* school taxes imposed on the Qualified Property by the District the lesser amount of either: 1.) THIRTY-THREE THOUSAND EIGHT HUNDRED FORTY-SIX DOLLARS AND FOUR CENTS (\$33,846.04) (An amount equal to one-seventh of the total amount of tax credit to which Langford Wind Power, LLC is entitled under Section 313.102); or, 2.) Fifty Percent (50%) of the total amount of *ad valorem* school taxes imposed on the Qualified Property by the school district in that tax year.
3. In addition to the foregoing, in the Tax Years 2019 through 2021, (The first three tax years after Langford Wind Power, LLC's eligibility for an Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code, expires), the District's collector of taxes is directed to credit against the *ad valorem* school taxes imposed on the Qualified Property by the District the lesser of either: 1.) any remainder of the TWO HUNDRED THIRTY-SIX THOUSAND NINE HUNDRED TWENTY-TWO DOLLARS AND THIRTY-ONE CENTS (\$236,922.31) tax credit balance which was not paid under

paragraph 2, above; or, 2.) the total amount of *ad valorem* school taxes imposed on the Qualified Property by the school district in that tax year.

4. Prior to making any tax credit payments under Sections (2) or (3), above, the District's Superintendent is directed to determine whether Langford Wind Power, LLC has relocated outside the District, and has otherwise met its obligations under the Agreement; under State law; and under applicable regulations promulgated either by the Texas Comptroller's Office, or by the Texas Commissioner of Education. In the event that Langford Wind Power, LLC has not met its obligation or has relocated outside the District, no tax credit will be paid for such tax year or the tax years thereafter.
5. If the Texas Comptroller of Public Accounts or the District's tax collector, after providing notice and the opportunity for a response, determine that Langford Wind Power, LLC was either not eligible for the credit or received more credit than it was entitled, then the District shall impose an additional tax on the Qualified Property that is equal to the amount of tax credit that was erroneously taken, plus interest at an annual rate of 7.0% calculated from the date on which the credit was issued. A tax lien attaches to the Qualified Property in favor of the school district to secure payment by the person of the additional tax and interest that are imposed and any penalties incurred. A taxpayer which is delinquent in the payment of an additional tax may not submit a subsequent application or receive a tax credit under this subsection in a subsequent year.
