PROTECTION AGAINST LOSS OF FUTURE DISTRICT REVENUES

Section 4.1. INTENT OF THE PARTIES. Subject to the limitations contained in this Agreement (including Section 6.5 and 7.1), it is the intent of the Parties that the District shall, in accordance with the provisions of TEXAS TAX CODE § 313.027(f)(1), be compensated by the Applicant for any loss that the District incurs in its Maintenance and Operations Revenue as a result of, or on account of, the Parties' entering into this Agreement. Such compensation shall be independent of, and in addition to, all such other payments as are set forth in Article V and Article VI. Subject only to the limitations contained in this Agreement (including Section 7.1), it is the intent of the Parties that the risk of any negative financial consequence to the District as a result of Applicant's location of Applicant's Qualified Investment and Applicant's Qualified Property in the District and the Parties' entering into this Agreement will be borne by the Applicant and not by the District and be paid by the Applicant to the District in addition to any and all payments due under Article V and Article VI.

The Parties expressly understand and agree that, for all Tax Years to which this Agreement may apply, the calculation of negative financial consequences will be defined for each applicable Tax Year in accordance with Applicable School Finance Law, as defined in Section 1.2 above, and that such definition specifically contemplates that calculations made under this Agreement may periodically change in accordance with changes in Applicable School Finance Law. The Parties further agree that printouts and projections produced during the negotiations and approval of this Agreement are: (i) for illustrative purposes only, are not intended to be relied upon, and have not been relied upon by the Parties as a prediction of future consequences to either Party; (ii) based upon current Applicable School Finance Law which is subject to change by statute, by administrative regulation (or interpretation thereof), or by judicial decision at any time; and (iii) may change in future years to reflect changes in Applicable School Finance Law.

Section 4.2. CALCULATING THE AMOUNT OF LOSS OF MAINTENANCE AND OPERATIONS REVENUES BY THE DISTRICT. Subject to the provisions of Section 6.5, the amount to be paid by the Applicant to compensate the District for loss of Maintenance and Operations Revenue resulting from, or on account of, this Agreement for each year during the term of this Agreement (the "Revenue Protection Amount") shall be determined in compliance with the Applicable School Finance Law in effect for such year and according to the following formula:

A. The Revenue Protection Amount owed by the Applicant to the District means the Original M&O Revenue minus the New M&O Revenue;

Where:

(i) "Original M&O Revenue" means the total State and local Maintenance & Operations Revenue that the District would have received for the school year under the Applicable School Finance Law had this Agreement not been entered into by the Parties and the Applicant's Qualified Property and/or the Applicant's Qualified Investment been subject to the District's adopted ad valorem Maintenance and Operations tax rate actually levied for the applicable year, calculated in accordance with TEXAS EDUCATION CODE Section 48.256(d).

(ii) “New M&O Revenue” means the total State and local Maintenance and Operations Revenue that District would have received for such school year, calculated in accordance with TEXAS EDUCATION CODE Section 48.256(d), with the Limitation Amount specified in Section 2.4 applied to Applicant’s Qualified Property and/or the Applicant’s Qualified Investment been subject to the District’s adopted ad valorem Maintenance and Operations tax rate actually levied for the applicable year, and the tax collection rate for all tax accounts in the District presumed to be one hundred percent (100%).

B. In making the calculations required by this Section 4.2:

(i) The Taxable Value of property for each school year will be determined under the Applicable School Finance Law.

(ii) For purposes of this calculation, the tax collection rate on the Applicant’s Qualified Property and/or the Applicant’s Qualified Investment will be presumed to be one hundred percent (100%).

(iii) If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue as calculated under this Section 4.2 results in a negative number, the negative number will be considered to be zero.

(iv) For all calculations made for any year during the tax Limitation Period under this Section 4.2, the New M&O Revenue will reflect the Tax Limitation Amount stated in Section 2.4 for such year.

(v) All calculations made under this Section 4.2 shall be made by a methodology which isolates the full M&O Revenue impact caused by this Agreement. The Applicant shall not be responsible to reimburse the District for other revenue losses created by other agreements, or any other factors not contained in this Agreement.

C. M&O REVENUE PROTECTION PAYMENT The parties agree that the Revenue Protection Amount calculated by the Consultant for the first year of the Tax Limitation Period will be paid to District in 4 equal installments. Each installment payment is due on or before the January 31 next following the tax levy, with the first installment due January 31, 2025, and the final installment due January 31, 2028. All payments made by the Applicant to the District under this Section 4.2.C will be independent of, and in addition to any payments due in the future from the Applicant to the District under the Tax Limitation Agreement.

Section 4.3. COMPENSATION FOR OTHER DISTRICT FEES. Applicant shall reimburse District for any other costs to the District (including costs under Section 8.6(C) below), subject to the

limitation set forth in Section 4.4 below, which are directly and solely attributable to compliance with State-imposed requirements relating to this Agreement.

Applicant shall be solely responsible for payment of the Consultant’s fees and other District fees and expenses up to a total of (i) TWELVE THOUSAND DOLLARS (\$12,000.00) for any Tax Year during the Tax Limitation Period and (ii) SIX THOUSAND DOLLARS (\$6,000) for any Tax Year not included in the Tax Limitation Period and for which Comptroller Biennial reports are not required. This fee may be increased each year of this Agreement by not more than FIVE PERCENT (5%).

Section 4.5. DATA USED FOR CALCULATIONS. The calculations for payments under this Agreement shall be initially based upon the valuations placed upon the Applicant’s Qualified Investment and/or the Applicant’s Qualified Property by the Appraisal District in its annual certified tax rolls submitted to the District pursuant to TEXAS TAX CODE § 26.01 on or about July 25 of each year of this Agreement. Immediately upon receipt of the valuation information by the District, the District shall submit the valuation information to the Consultant selected under Section 4.4. The certified tax roll data shall form the basis of the calculation of any and all amounts due under this Agreement. All other data utilized by the Consultant to make the calculations contemplated by this Agreement shall be based upon the best available current estimates. The data utilized by the Consultant shall be adjusted from time to time by the Consultant to reflect actual amounts, subsequent adjustments by the Appraisal District to the District’s certified tax rolls or any other changes in student counts, tax collections, or other data.

Section 4.6. DELIVERY OF CALCULATIONS. On or before December 1 of each year for which this Agreement is effective, the Consultant appointed pursuant to Section 4.4 of this Agreement shall forward to the Parties a certification containing the calculations required under Section 4.2, Section 4.3, and Article V, VI and 7.1 of this Agreement in sufficient detail to allow the Parties to understand the manner in which the calculations were made. The Consultant shall simultaneously submit his, her or its invoice for fees for services rendered to the Parties, if any fees are being claimed. Upon reasonable prior notice, the employees and agents of the Applicant shall have access, at all reasonable times, to the Consultant’s offices, personnel, books, records, and correspondence pertaining to the calculation and fee for the purpose of verification. The Consultant shall maintain supporting data consistent with generally accepted accounting practices, and the employees and agents of the Applicant shall have the right to reproduce and retain for purpose of audit, any of these documents. The Consultant shall preserve all documents pertaining to the calculation and fee for a period of five (5) years after final payment hereunder. The Applicant shall not be liable for any of the Consultant's costs resulting from an audit of the Consultant's books, records, correspondence, or work papers pertaining to the calculations contemplated by this Agreement.

Section 4.7. PAYMENT BY APPLICANT. The Applicant shall pay, any amount determined to be due and owing to the District under this Agreement on or before the January 31 next following the tax levy for each year for which this Agreement is effective. By such date, the Applicant shall

also pay any amount billed by the Consultant for all calculations under this Agreement under Section 4.6, above, plus reimbursement for any other District fees due under Section 4.3.

A. Based on the amount of Qualified Property and the construction schedule of Applicant's Project as set forth in the Application, the Parties anticipate that the Applicant will have a significant Revenue Protection payment in the first year of the Value Limitation Period. Therefore, the Parties agree that the Revenue Protection Payment calculated per the terms in Section 4.2 of this Agreement will be paid in accordance with Section 4.2.C.

Section 4.8. RESOLUTION OF DISPUTES. Should the Applicant disagree with the certification prepared pursuant to Sections 4.2, 4.3, or Articles V and VI, the Applicant may appeal the findings, in writing, to the Consultant within thirty (30) days of receipt of the certification. Within thirty (30) days of receipt of the Applicant's appeal, the Consultant will issue, in writing, a final determination of the certification containing the calculations. Thereafter, the Applicant may appeal the final determination of certification containing the calculations to the District's Board of Trustees, in writing, within thirty (30) days of the final determination of certification containing the calculations. This section does not limit any other recourse available to the Applicant.

Section 4.9. EFFECT OF PROPERTY VALUE APPEAL OR OTHER ADJUSTMENT. If at the time the Consultant selected under Section 4.4 makes its calculations under this Agreement, the Applicant has appealed any matter relating to the valuations placed by the Appraisal District on the Applicant's Qualified Property, and such appeal remains unresolved, the Consultant shall base its calculations upon the values placed upon the Applicant's Qualified Property by the Appraisal District. The calculations shall be readjusted, if necessary, based on the outcome of the appeal as set forth below.

If as a result of an appraisal appeal or for any other reason, the Taxable Value of the Applicant's Qualified Investment and/or the Applicant's Qualified Property is changed, once the determination of the new Taxable Value becomes final, the Parties shall immediately notify the Consultant who shall immediately issue new calculations for the applicable year or years using the new Taxable Value. In the event the new calculations result in a change in any amount paid or payable by the Applicant under this Agreement, the Party from whom the adjustment is payable shall remit such amounts to the other Party within thirty (30) days of the receipt of the new calculations from the Consultant.

Section 4.10. EFFECT OF STATUTORY CHANGES. Notwithstanding any other provision in this Agreement, but subject to the limitations contained in Section 7.1, in the event that, by virtue of statutory changes to the Applicable School Finance Law, administrative interpretations by the Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other reason attributable to statutory change, the District will receive less Maintenance and Operations Revenue, or, if applicable, will be required to increase its payment of funds to the State or another school district, because of its participation in this Agreement, the Applicant shall make payments to the District, up to the Revenue Protection Amount limit set forth in Section 7.1, that are necessary to offset any negative impact on the District's Maintenance and Operations Revenue as a result of its participation in this Agreement. Such calculation shall take into account any

adjustments to the Revenue Protection Amount calculated for the current fiscal year that should be made in order to reflect the actual impact on the District.

ARTICLE V

In addition to the amounts determined pursuant to Section 4.2 above, the Applicant, on an annual basis, shall also indemnify and reimburse the District for all non-reimbursable costs, certified by the District’s external auditor to have been incurred by the District for extraordinary education-related expenses related to the project that are not directly funded in state aid formulas, including expenses for the purchase of portable classrooms and the hiring of additional personnel to accommodate a temporary increase in student enrollment attributable to the project. The Applicant shall allow authorized employees of the District, the Comptroller, the Appraisal District, and the State Auditor’s Office to have reasonable access to the Applicant’s Qualified Property and business records from the Application Review Start Date through the Final Termination Date, in order to inspect the project to determine compliance with the terms hereof or as necessary to properly appraise the Taxable Value of the Applicant’s Qualified Property.

A. All inspections will be made at a mutually agreeable time after the giving of not less than forty-eight (48) hours prior written notice, and will be conducted in such a manner so as not to unreasonably interfere with either the construction or operation of the Applicant’s Qualified Property.

B. All inspections may be accompanied by one or more representatives of the Applicant, and shall be conducted in accordance with the Applicant’s safety, security, and operational standards. Notwithstanding the foregoing, nothing contained in this Agreement shall require the Applicant to provide the District, the Comptroller, or the Appraisal District with any technical or business information that is proprietary, a trade secret, or is subject to a confidentiality agreement with any third party.

Section 8.6. RIGHT TO AUDIT; SUPPORTING DOCUMENTS; AUTHORITY OF STATE AUDITOR. By executing this Agreement, implementing the authority of, and accepting the benefits provided by Chapter 313 of the TEXAS TAX CODE, the Parties agree that this Agreement and their performance pursuant to its terms are subject to review and audit by the State Auditor as if they are parties to a State contract and subject to the provisions of Section 2262.154 of the TEXAS GOVERNMENT CODE and Section 313.010(a) of the TEXAS TAX CODE. The Parties further agree to comply with the following requirements:

A. The District and the Applicant shall maintain and retain supporting documents adequate to ensure that claims for the Tax Limitation Amount are in accordance with applicable Comptroller and State of Texas requirements. The Applicant and the District shall maintain all such documents and other records relating to this Agreement and the State’s property for a period of four (4) years after the latest occurring date of:

The Applicant and the District shall cooperate with auditors and other authorized Comptroller and State of Texas representatives and shall provide them with prompt access to all of such property as requested by the Comptroller or the State of Texas. By example and not as an exclusion to other breaches or failures, the Applicant's or the District's failure to comply with this Section shall constitute a Material Breach of this Agreement.

C. In addition to and without limitation on the other audit provisions of this Agreement, the acceptance of tax benefits or funds by the Applicant or the District or any other entity or person directly under this Agreement acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the Applicant or the District or other entity that is the subject of an audit or investigation by the State Auditor must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit. The Parties agree that this Agreement shall for its duration be subject to all rules and procedures of the State Auditor acting under the direction of the legislative audit committee.

B. agrees and acknowledges that the Application and all related attachments and schedules are included by reference in this Agreement as if fully set forth herein; and

C. acknowledges that if the Applicant submitted its Application with a false statement, signs this Agreement with a false statement, or submits a report with a false statement, or it is subsequently determined that the Applicant has violated any of the representations, warranties,

guarantees, certifications, or affirmations included in the Application or this Agreement, the Applicant shall have materially breached this Agreement and the Agreement shall be invalid and void except for the enforcement of the provisions required by Section 9.2 of this Agreement.

O. The Applicant failed to comply with the conditions included in the certificate for limitation issued by the Comptroller.

Section 9.2. DETERMINATION OF BREACH AND TERMINATION OF AGREEMENT.

A. Prior to making a determination that the Applicant has failed to comply in any material respect with the terms of this Agreement or to meet any material obligation under this Agreement, the District shall provide the Applicant with a written notice of the facts which it believes have caused the breach of this Agreement, and if cure is possible, the cure proposed by the District. After receipt of the notice, the Applicant shall be given ninety (90) days to present any facts or arguments to the Board of Trustees showing that it is not in breach of its obligations under this Agreement, or that it has cured or undertaken to cure any such breach.

B. If the Board of Trustees is not satisfied with such response or that such breach has been cured, then the Board of Trustees shall, after reasonable notice to the Applicant, conduct a hearing called and held for the purpose of determining whether such breach has occurred and, if so, whether such breach has been cured. At any such hearing, the Applicant shall have the opportunity, together with their counsel, to be heard before the Board of Trustees. At the hearing, the Board of Trustees shall make findings as to:

- i. whether or not a breach of this Agreement has occurred;
- ii. whether or not such breach is a Material Breach;

Section 9.3. DISPUTE RESOLUTION.

A. After receipt of notice of the Board of Trustee’s Determination of Breach and Notice of Contract Termination under Section 9.2, the Applicant shall have ninety (90) days in which either to tender payment or evidence of its efforts to cure, or to initiate mediation of the dispute by written notice to the District, in which case the District and the Applicant shall be required to make a good faith effort to resolve, without resort to litigation and within ninety (90) days after the Applicant initiates mediation, such dispute through mediation with a mutually agreeable mediator and at a mutually convenient time and place for the mediation. If the Parties are unable to agree on a mediator, a mediator shall be selected by the senior state district court judge then presiding in Matagorda County, Texas. The Parties agree to sign a document that provides the mediator and the mediation will be governed by the provisions of Chapter 154 of the TEXAS CIVIL PRACTICE AND REMEDIES CODE and such other rules as the mediator shall prescribe. With respect to such mediation, (i) the District shall bear one-half of such mediator’s fees and expenses and the Applicant shall bear one-half of such mediator’s fees and expenses, and (ii) otherwise each Party shall bear all of its costs and expenses (including attorneys’ fees) incurred in connection with such mediation.

B. In the event that any mediation is not successful in resolving the dispute or that payment is not received within the time period described for mediation in Section 9.3.A, either the District or the Applicant may seek a judicial declaration of their respective rights and duties under this Agreement or otherwise, in a judicial proceeding in a state district court in Matagorda County, assert any rights or defenses, or seek any remedy in law or in equity, against the other Party with respect to any claim relating to any breach, default, or nonperformance of any contract, agreement or undertaking made by a Party pursuant to this Agreement.

CODE and a tax lien shall attach to the Applicant's Qualified Property and the Applicant's Qualified Investment pursuant to Section 33.07 of the TEXAS TAX CODE to secure payment of such fees.

Section 9.4. CONSEQUENCES OF EARLY TERMINATION OR OTHER BREACH BY APPLICANT.

A. In the event that the Applicant terminates this Agreement without the consent of the District, except as provided in Section 7 of this Agreement, the Applicant shall pay to the District liquidated damages for such failure within ninety (90) days after receipt of the notice of breach.

B. C. The sum of liquidated damages due and payable shall be the sum total of the District ad valorem taxes for all of the Tax Years for which a tax limitation was granted pursuant to this Agreement prior to the year in which the default occurs that otherwise would have been due and payable by the Applicant to the District without the benefit of this Agreement, including penalty and interest, as calculated in accordance with Section 9.4.E. For purposes of this liquidated damages calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Articles IV, V, and VI. Upon payment of such liquidated damages, the Applicant's obligations under this Agreement shall be deemed fully satisfied, and such payment shall constitute the District's sole remedy.

D. In the event that the District determines that the Applicant has committed a Material Breach identified in Section 9.1, after the notice and mediation periods provided by Sections 9.2 and 9.3, then the District may, in addition to the payment of liquidated damages required pursuant to Section 9.4.C, terminate this Agreement.

E. In determining the amount of penalty or interest, or both, due in the event of a breach of this Agreement, the District shall first determine the base amount of recaptured taxes less all credits under Section 9.4.C owed for each Tax Year during the Tax Limitation Period. The District shall calculate penalty or interest for each Tax Year during the Tax Limitation Period in accordance with the methodology set forth in Chapter 33 of the TEXAS TAX CODE, as if the base amount calculated for such Tax Year less all credits under Section 9.4.C had become due and payable on February 1 of the calendar year following such Tax Year. Penalties on said amounts shall be calculated in accordance with the methodology set forth in Section 33.01(a) of the TEXAS TAX CODE, or its successor statute. Interest on said amounts shall be calculated in accordance with the methodology set forth in Section 33.01(c) of the TEXAS TAX CODE, or its successor statute.

Section 9.5. LIMITATION OF OTHER DAMAGES. Notwithstanding anything contained in this Agreement to the contrary, in the event of default or breach of this Agreement by the Applicant,

the District's damages for such a default shall under no circumstances exceed the amounts calculated under Section 9.4. In addition, the District's sole right of equitable relief under this Agreement shall be its right to terminate this Agreement. The Parties further agree that the limitation of damages and remedies set forth in this Section 9.5 shall be the sole and exclusive remedies available to the District, whether at law or under principles of equity.

Section 9.6. STATUTORY PENALTY FOR INADEQUATE QUALIFIED INVESTMENT. Pursuant to Section 313.0275 of the TEXAS TAX CODE, in the event that the Applicant fails to make THIRTY MILLION DOLLARS (\$30,000,000) of Qualified Investment, in whole or in part, during the Qualifying Time Period, the Applicant is liable to the State for a penalty. The amount of the penalty is the amount determined by: (i) multiplying the maintenance and operations tax rate of the school district for that tax year that the penalty is due by (ii) the amount obtained after subtracting (a) the Tax Limitation Amount identified in Section 2.4.B from (b) the Market Value of the property identified on the Appraisal District's records for the Tax Year the penalty is due. This penalty shall be paid on or before February 1 of the year following the expiration of the Qualifying Time Period and is subject to the delinquent penalty provisions of Section 33.01 of the TEXAS TAX CODE. The Comptroller may grant a waiver of this penalty in the event of Force Majeure which prevents compliance with this provision.

Section 9.7. REMEDY FOR FAILURE TO CREATE AND MAINTAIN REQUIRED NEW QUALIFYING JOBS. Pursuant to Section 313.0276 of the TEXAS TAX CODE, for any full Tax Year that commences after the project has become operational, in the event that it has been determined that the Applicant has failed to meet the job creation or retention requirements defined in Sections 9.1.C, the Applicant shall not be deemed to be in Material Breach of this Agreement until such time as the Comptroller has made a determination to rescind this Agreement under Section 313.0276 of TEXAS TAX CODE, and that determination is final.

Section 9.8. REMEDY FOR FAILURE TO CREATE AND MAINTAIN COMMITTED NEW QUALIFYING JOBS.

A. In the event that the Applicant fails to create and maintain the number of New Qualifying Jobs specified in Schedule C of the Application, an event constituting a Material Breach as defined in Section 9.1.D, the Applicant and the District may elect to remedy the Material Breach through a penalty payment.

B. Following the notice and mediation periods provided by Sections 9.2 and 9.3, the District may request the Applicant to make a payment to the State in an amount equal to: (i) multiplying the maintenance and operations tax rate of the school district for that Tax Year that the Material Breach occurs by (ii) the amount obtained after subtracting (a) the Tax Limitation Amount identified in Section 2.4.B from (b) the market value of the property identified on the Appraisal District's records for each tax year the Material Breach occurs.

C. In the event that there is no tax limitation in place for the tax year that the Material Breach occurs, the payment to the State shall be in an amount equal to: (i) multiplying the maintenance and operations tax rate of the School District for each tax year that the Material Breach occurs by (ii) the amount obtained after subtracting (a) the tax limitation amount identified in Section 2.4.B from (b) the Market Value of the property identified on the Appraisal District's records for the last Tax Year for which the Applicant received a tax limitation.

D. The penalty shall be paid no later than 30 days after the notice of breach and is subject to the delinquent penalty provisions of Section 33.01 of the TEXAS TAX CODE.

Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement in an acceptable manner so as to effect the original intent of the Parties as closely as possible so that the transactions contemplated hereby are fulfilled to the extent possible. As used in this Section 10.7, the term “Law” shall mean any applicable statute, law (including common law), ordinance, regulation, rule, ruling, order, writ, injunction, decree, or other official act of or by any federal, state or local government, governmental department, commission, board, bureau, agency, regulatory authority, instrumentality, or judicial or administrative body having jurisdiction over the matter or matters in question.
