Application for Appraised Value Limitation on Qualified Property

(Tax Code, Chapter 313, Subchapter B or C)

INSTRUCTIONS: This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.025 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- notify the Comptroller that the school board has elected to consider the application. This notice must include:
 - the date on which the school district received the application;
 - the date the school district determined that the application was complete;
 - the date the school board decided to consider the application; and
 - a request that the Comptroller prepare an economic impact analysis of the application;
- provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the original hard copy of the completed application to the Comptroller, as indicated on page 9 of this application, separating each section of the documents in addition to an electronic copy. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, and has determined that all assertions of confidentiality are appropriate, the Comptroller will publish all submitted non-confidential application materials on its website. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller rules. For more information, see guidelines on Comptroller’s website.

The Comptroller will independently determine whether the application has been completed according to the Comptroller’s rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. Pursuant to 9.1053(a)(1)(C), requested information shall be provided within 20 days of the date of the request. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project, issue a certificate for a limitation on appraised value to the school board regarding the application and prepare an economic impact evaluation by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application not later than the 150th day after the application review start date (the date the application is finally determined to be complete), unless an extension is granted. The Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to issue a certificate, complete the economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller’s website to find out more about the program at comptroller.texas.gov/economy/local/ch313/. There are links to the Chapter 313 statute, rules, guidelines and forms. FGE Goodnight I, LLC (Goodnight I) is requesting an appraised value limitation from Claude Independent School District (ISD) for the Goodnight I Wind Project (the "Project"), a proposed wind powered electric generating facility in Armstrong County. The proposed Claude ISD Project (this application) will be constructed utilizing approximately 69 wind turbines within Armstrong County Reinvestment Zone 7 that was established by Armstrong County on September 11, 2017. A map showing the location of the project is included in TAB 11.

The proposed Project is anticipated to have a capacity of approximately 255 MW, located in Claude ISD. The exact number and location of wind turbines and size of each turbine will vary depending upon ongoing wind and siting analysis, turbine manufacturer's availability, prices, and the megawatt generating capacity of the Project when completed. The turbines and facilities will be installed all within the Reinvestment Zone and 100% in the project boundaries of Claude ISD.

The Applicant requests a value limitation for all facilities and equipment installed for the Project, including, wind turbines, towers, foundations, roadways, buildings and offices, meteorological towers, collection system, communication system, electric substation, electric switch-yard, electric transformers, transmission line and associated towers, and interconnection facilities.

**NOTE:* The map in TAB 11 shows the potential locations within which all facilities will be located within Claude ISD boundaries; however, the final number of turbines and the location of each of these facilities depend upon ongoing negotiations with power purchasers and other factors.

Whereas, the Commissioners Court of Armstrong County, Texas, desires to promote the development or redevelopment of a certain contiguous geographic area within its jurisdiction by the creation of a reinvestment zone as authorized by the Property Redevelopment and Tax Abatement Act, as amended (Texas Property Tax Code §312.001, *et seq.*), and the Guidelines and Criteria of the Commissioners Court of Armstrong County for Granting a Tax Abatement in Reinvestment Zone created in Armstrong County, Texas (the "Guidelines"); and

Whereas, on September 11, 2017, a hearing before the Commissioners Court of Armstrong County, Texas, was held, such date being at least seven (7) days after the date of publication of the notice of such public hearing in a newspaper of general circulation in Armstrong County and the delivery of written notice to the respective presiding officers of each taxing entity that includes within its boundaries real property that is to be included in the proposed reinvestment zone; and

Whereas, on August 24, 2020, a hearing before the Commissioners Court of Armstrong County, Texas, was held, such date being at least seven (7) days after the date of publication of the notice of such public hearing in a newspaper of general circulation in Armstrong County and the delivery of written notice to the respective presiding officers of each taxing entity that includes within its boundaries real property that is to be included in the proposed reinvestment zone being the same zone so designated on September 11, 2017; and

Whereas, the Commissioners Court of Armstrong County, Texas, at such public hearing invited any interested person to appear and speak for or against the creation of the reinvestment zone and whether all or part of the territory described should be included in the proposed reinvestment zone; and

Whereas, the proponents of the reinvestment zone offered evidence, both oral and documentary, in favor of all of the foregoing matters relating to the creation of the reinvestment zone and opponents, if any, of the reinvestment zone appeared to contest the creation of the reinvestment zone.

- d. The reinvestment zone meets the criteria set forth in Texas Property Tax Code Chapter 312 for the creation of a reinvestment zone as set forth in the Property Redevelopment and Tax Abatement Act, as amended, and the Guidelines, in that it is reasonably likely as a result of the designation to contribute to the retention of expansion of primary employment or to attract investment in the zone that would be a benefit to the property and that would contribute to the economic development of Armstrong County, Texas, and that the entire tract of land is located entirely within an unincorporated area of Armstrong County, Texas.

SECTION 3. That pursuant to the Property Redevelopment and Tax Abatement Act, as amended, and the Guidelines, Armstrong County Commissioners Court hereby creates Armstrong County Reinvestment Zone 7, a reinvestment zone for commercial-industrial tax abatement encompassing only the area described in Exhibit "A" and depicted in Exhibit "B", and such reinvestment zone is hereby designated and shall hereafter be referred to a Armstrong County Reinvestment Zone 7.

SECTION 6. That it is hereby found, determined and declared that a sufficient notice of the date, hour, place and subject of the meeting of the Armstrong County Commissioners Court at which this Resolution was adopted was posted at a place conveniently and readily accessible at all times as required by the Texas Open Government Act, Texas Government Code, Chapter 551, as amended, and that a public hearing was held prior to the designation of such reinvestment zone and that proper notice of the hearing was published in a newspaper of general circulation within the County, and furthermore, such notice was in fact delivered to the presiding officers of any affected taxing entity as prescribed by the Property Redevelopment and Tax Abatement Act.
