Application for Appraised Value Limitation on Qualified Property (Tax Code, Chapter 313, Subchapter B or C)

INSTRUCTIONS: This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.025 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- notify the Comptroller that the school board has elected to consider the application. This notice must include:
 - the date on which the school district received the application;
 - the date the school district determined that the application was complete;
 - the date the school board decided to consider the application; and
 - a request that the Comptroller prepare an economic impact analysis of the application;
- provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the original hard copy of the completed application to the Comptroller, as indicated on page 9 of this application, separating each section of the documents in addition to an electronic copy. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, and has determined that all assertions of confidentiality are appropriate, the Comptroller will publish all submitted non-confidential application materials on its website. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller rules. For more information, see guidelines on Comptroller's website.

The Comptroller will independently determine whether the application has been completed according to the Comptroller's rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. Pursuant to 9.1053(a)(1)(C), requested information shall be provided within 20 days of the date of the request. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project, issue a certificate for a limitation on appraised value to the school board regarding the application and prepare an economic impact evaluation by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application not later than the 150th day after the application review start date (the date the application is finally determined to be complete), unless an extension is granted. The Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to issue a certificate, complete the economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller's website to find out more about the program at comptroller.texas.gov/economy/local/ch313/. There are links to the Chapter 313 statute, rules, guidelines and forms. Information about minimum limitation values for particular districts and wage standards may also be found at that site.

Documentation of Combined Group Membership under Texas Tax Code 171.0001(7)

Documentation from Texas Comptroller's Franchise Tax Division to demonstrate combined group membership:

Sparta Solar, LLC was registered in 2020, therefore it will be filed as part of the affiliate group on Form 05-166 (Texas Franchise Tax Extension Affiliate List) for Orsted Holdings N.A. Inc. on the 2021 report.

Response to Section 5 question 2a., documentation of combined group membership, received by CPA

Detailed Description of the Project

Sparta Solar, LLC is requesting a Chapter 313 Appraised Value Limitation Agreement from Pawnee ISD for a proposed solar powered electric generating facility (the "Project") to be constructed entirely in Pawnee ISD on approximately 2,500 acres of privately owned land in Bee County, Texas. The installed capacity of the proposed project is expected to be approximately 250 megawatts (MW). Solar panel type and size have yet to be finalized.

Construction of the Project is expected to commence in the second quarter of 2021 and is anticipated to start commercial operations in the third quarter of 2022. Construction of the project will include the following: solar modules/panels, metal mounting system with tracking capabilities, underground conduit, communication cables, electric collection system wiring, combiner boxes, DC-to-AC converter stations, a project substation including breakers, a transformer, and meters, overhead transmission lines, inverter boxes on concrete pads, fencing for safety and security, telephone and internet communication system, access and service roads, and meteorological equipment to measure solar radiation and weather conditions.

Documentation to assist in determining if limitation is a determining factor:

Sparta Solar, LLC is being developed by Orsted Onshore North America, LLC ("Orsted"), a developer, owner, and operator of solar and wind projects.

Orsted has successfully developed projects involving over \$1 billion in capital investments in some of the largest electricity markets in the United States, including California, Nebraska, New Jersey, South Dakota, and Texas.

The Applicant for this Project has entered into several contracts related to the project, including service agreements and scopes with various environmental consultants to assess the suitability of the site, and a request for studies leading to an interconnection agreement with the transmission provider. None of these contracts obligate Applicant to construct the Project, and each of these contracts may be terminated by Applicant without incurring any significant liability.

The Applicant has purchased the land for this Project. The purchase of the property does not obligate Applicant to construct the Project, and Applicant can sell the property without incurring any significant liability.

The Project applied to ERCOT on May 7, 2020 and has been assigned GINR number 22INR0352.

The Applicant is a national wind and solar developer with the ability to locate projects of this type in other states within the United States and other regions within Texas with favorable solar characteristics. The Applicant is actively assessing and developing other projects outside of Texas that are competing for limited investment funds. In addition to its projects in Texas, the developer is assessing or developing projects in California, Nevada, Colorado, Texas, Nebraska, Illinois, Mississippi, Michigan, Missouri, Indiana, Florida, New York, Maryland, and Virginia. The appraised value limitation is critical to the ability of the Project to move forward in Pawnee ISD.

Without the use of the available tax incentives, the economics of the Project become far less attractive and the likelihood of selling the electricity at a competitive price will significantly decrease. The Applicant for this project is competing against other developers who have been offered or are in the process of applying for Value Limitation Agreements with other school districts. Obtaining the limitation is critical to the economic and competitive viability of this Project. Without the limitation approval, the Applicant would likely terminate the Project, including the aforementioned contracts, purchases, leases, and limited improvements, in order to reallocate resources in areas with more favorable economics.

Sparta Solar has a project website available to the public. Orsted has websites for several of its development projects, and none are intended to imply that further investment of resources into the projects are a foregone conclusion. Rather, the project websites are intended as resource for the communities to find information about potential developments in their community, communicate with Orsted, and learn more about the respective project technologies.

The entire proposed project will be located within the Pawnee Independent School District.

Description of Qualified Investment

Sparta Solar, LLC plans to construct a 250 MW solar farm (the "Project") in Bee County. This application covers all qualified property in the reinvestment zone and project boundary within Pawnee ISD. The Project area is expected to be approximately 2,500 acres.

The Applicant is requesting an appraised value limitation on all the property constructed or placed upon the real property within Pawnee ISD. Solar equipment selection is ongoing at this time and has not been finalized. The exact number of PV panels and their capacity will vary depending upon the panels and the inverters selected, manufacturer's availability and prices, ongoing engineering design optimization, and the final megawatt generating capacity of the Project when completed.

Construction of the project will include the following: solar modules/panels, metal mounting system with tracking capabilities, underground conduit, communication cables, electric collection system wiring, combiner boxes, DC-to-AC converter stations, a project substation including breakers, a transformer, and meters, overhead transmission lines, inverter boxes on concrete pads, fencing for safety and security, telephone and internet communication system, access and service roads, and meteorological equipment to measure solar irradiation and weather conditions.

Construction of the project is anticipated to begin in second quarter of 2021 with completion and commercial operation in the third quarter of 2022.

Request For Waiver of Job Creation Requirement

August 3, 2020

Superintendent Hartmann Pawnee ISD 6229 FM 798 PO Box 569 Pawnee, TX 78145

Re: Chapter 313 Job Waiver Request

Dear Superintendent Hartmann,

Please consider this letter to be Sparta Solar, LLC's formal request to waive the minimum new job creation requirement, as provided under Texas Tax Code 313.025(f-l).

The governing body of a school district may waive the new jobs creation requirement in Section 313.021(2)(A)(iv)(b) or 313.05l(b) and approve an application if the governing body makes a finding that the jobs creation requirement exceeds the industry standard for the number of employees reasonably necessary for the operation of the facility of the property that is described in this application. Solar energy projects create many full-time jobs during the construction phase, but these jobs are temporary by nature. Once the project is in operation, a small crew of full-time employees will maintain and operate the facility. The industry standard is approximately 1 job per 200 MW, and based upon our experience in the solar industry, we expect that two (2) employees would be needed to operate a 250 MW facility, and we can commit to creating two (2) full-time positions to fill those needs. All would be qualifying jobs as described in Section 313.021(3) of the Texas Tax Code.

The applicant requests that the Pawnee ISD's Board of Trustees make such a finding and waive the job creation requirement. This waiver request is in line with industry standards for the job requirements for a solar energy facility of this size, as evidenced by limitation agreement applications that have been filed by other solar energy developers, and by documentation related to the development and operation of solar energy generation facilities.

The project stands to provide significant benefits to the community with respect to increased tax base.

Kind Regards,

Drai Ster

Description of Reinvestment Zone

Helena Reinvestment Zone No. 1 was established by the Pawnee Independent School District on July 14, 2020. The Resolution (includes legal description and map) and Guidelines and Criteria for creating the zone are attached.

PAWNEE INDEPENDENT SCHOOL DISTRICT

RESOLUTION CREATING HELENA REINVESTMENT ZONE NO. 1

WHEREAS, Section 312.0025 of the Texas Tax Code permits a school district to designate a reinvestment zone if that designation is reasonably likely to contribute to the expansion of primary employment in the reinvestment zone, or attract major investment in the reinvestment zone that would be a benefit to property in the reinvestment zone and to the school district and contribute to the economic development of the region of this state in which the school district is located; and,

WHEREAS, the Pawnee Independent School District (the "District") desires to encourage the development of primary employment and to attract major investment in the District and contribute to the economic development of the region in which the school district is located; and,

WHEREAS, a public hearing is required by Chapter 312 of the Texas Tax Code prior to approval of a reinvestment zone; and,

WHEREAS, the District published notice of a public hearing regarding the possible designation of the area described in the attached Exhibit A as a reinvestment zone for the purposes of Chapter 313 of the Texas Tax Code; and,

WHEREAS, the District wishes to create a reinvestment zone within the boundaries of the school district in Bee County, Texas as shown on the map attached as Exhibit B; and,

WHEREAS, the District has given written notice of the proposed action and the Public Hearing to all political subdivisions and taxing authorities having jurisdiction over the property proposed to be designated as the reinvestment zone, described in the attached Exhibits A & B; and,

WHEREAS, all interested members of the public were given an opportunity to make comments at the public hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE PAWNEE INDEPENDENT SCHOOL DISTRICT:

SECTION 1. That the facts and recitations contained in the preamble of this Resolution are hereby found and declared to be true and correct.

SECTION 2. That the Board of Trustees of the Pawnee Independent School District, after conducting such hearing and having heard such evidence and testimony, has made the following findings and determinations based on the evidence and testimony presented to it:

PAWNEE INDEPENDENT SCHOOL DISTRICT RESOLUTION CREATING HELENA REINVESTMENT ZONE NO. 1 July 14, 2020 Page 1 Resolution.

SECTION 6. That it is hereby found, determined and declared that a sufficient notice of the date, hour, place and subject of the meeting of the Pawnee Independent School District Board of Trustees, at which this Resolution was adopted, was posted at a place convenient and readily accessible at all times, as required by the Texas Open Government Act, Texas Government Code, Chapter 551, as amended; and that a public hearing was held prior to the designation of such reinvestment zone, and that proper notice of the hearing was published in newspapers of general circulation in Bee County of the State of Texas, and furthermore, such notice was, in fact, delivered to the presiding officer of any effected taxing entity as prescribed by the Property Redevelopment and Tax Abatement Act.

PASSED, APPROVED AND ADOPTED on this 14th day of July, 2020.

GUIDELINES AND CRITERIA Tax Abatement or Phase-In Bee County, Texas

WHEREAS, Bee County recognizes that an active program of economic development is necessary to the economic welfare of the community and its citizens,

WHEREAS, Bee County recognizes that the attraction of long-term investment and the stablishment of new jobs in the area would enhance the economic base of area taxing entities;

WHEREAS, Bee County recognizes that abatement or phase-in of certain taxes can be an effective economic incentive to attract or retain businesses to the commonity,

WHEREAS, Bee County recognizes that abatement or phase-in of certain taxes will allow Bee County to be competitive in attracting economic growth and be of benefit to all the citizens of the community;

WHEREAS, Bee County acknowledges that both the retention of economic assets and existing jobs and the creation of new jobs and economic endeavors have an important place in striking a positive economic balance in Bee County. These Guidelines and Criteria for seeking tax abatement from Bee County are intended to be flexible and apecial circumstances may lead the Commissioners Court to tailor individual tax abatement agreements to specific circumstances;

WHEREAS, the Texas Property Redevelopment and Tax Abatement Act provides that a county may not enter into a tax abatement agreement or designate an area as a reinvestment zone unless Bee County has established guidelines and criteria governing tax abatement agreements by the county; and

WHEREAS, the Texas Property Redevelopment and Tax Abatement Act further provides that the guidelines and criteria adopted by a county are effective for two years from the date adopted;

NOW, THEREFORE Bee County sets forth these Guidelines and Criteria for tax abatement or tax phase-in within its respective jurisdictions as follows:

Section I Definitions

The following defined terms shall have the following definitions when capitalized herein:

- "Abatement" means the full or partial exemption from ad valorem taxes of certain rml property in a Reinvestment Zone designated by an Affected Jurisdiction for economic development purposes.
- "Affected Jurisdiction" means Bee County and any municipality or school district, the majority of which is located in Bao County that levies ad valorem taxes upon and

provides services to property located within the proposed or existing Reinvestment Zone designated by Bee County.

- "Agreement" means written contractual agreement between a property owner and/or lessee and an Affected Jurisdiction for the purposes of fax abatement.
- 4. "Base Year Value" means the assessed value of cligible property January 1 precoding the execution of the Agreement plus (if applicable) the agreed upon value of eligible property improvements made after January 1 but before the execution of the Agreement.
- "Deferred Maintenance" means improvements necessary for continued operations, which do not improve productivity or alter the process technology.
- 6. "Distribution Center Facility" means buildings and structures, including machinery and equipment, used or to be used primarily to receive, store, service or distribute goods or materials owned by the facility operator where a majority of the goods or services are distributed to points at least 25 miles from its location in Bee County.
- "Expansion" means the addition of buildings, structures, machinery or equipment for purposes of increasing production capacity.
- "Facility" means property improvements completed or in the process of construction which together comprise an integral whole.
- 9. "Manufacturing Facility" means buildings and structures, including fixed in place machinery and equipment, the primary purpose of which is or will be the manufacture of tangible goods or materials or the processing of such goods or materials by physical or chemical change.
- 10. "Modernization" means the replacement and upgrading of existing facilities which increases the productive input or output, updates the technology or substantially lowers the unit cost of the operation. Modernization may result from the construction, alteration or installation of buildings, structures, fixed in place machinery or equipment. It shall not be for the purpose of reconditioning, refurbishing or repairing.
- "New Facility" means a property previously undeveloped that is placed into service by means other than or in conjunction with expansion or modernization.
- "New Jobs" means employees associated with the authorized facility on a full-time permanent basis in Bee County within one year of production start-up. These jobs:

 Must be dependent upon the proposed project (i.e. the positions would not exist if the project is not completed); and

b. Must NOT simply relocate current employees within the company without the employee's previous position being filled (i.e. Company employment 1 year from startup must be equal to or greater than the current employment listed on the application plus

Sept/2017-Sept/2019

the number of new jobs.)

- 13. "Other Basic Industry" means buildings and structures including fixed machinery and equipment not elsewhere described, used or to be used for the production of products or services, including, but not limited to, electricity and power, which serve a market primarily outside of Bee County and result in the creation of new permanent jobs and create new tax base in Bee County.
- 14. "Phase-In" means the incremental increase of taxes over a period of four to eight years until full local taxation is reached, according to the schedule found in Section 2.8. It has been determined that this terminology more accurately reflects the practice of abatement for the County of Bee, Texas.
- "Productive Life" means the number of years a property improvement is expected to be in service.
- 16. "Regional Service Facility" means buildings and structures, including machinery and equipment, used or to be used to service goods where a majority of the goods being serviced are domiciled at least 25 miles from the facility's Bee County location.
- "Reinvestment Zone" is a specific parcel of property designated by the Bee County Commissioners Court within which tax abatement can be granted.
- 18. "Research Facility" means buildings and structures, including fixed in-place machinery and equipment, used or to be used primarily for research or experimentation to improve or develop new tangible goods or materials or to improve or develop the production processes therein.

Section 2 Requirements For Phase-In

- Authorized Facility. A facility may be eligible for phase-in if it is located in a designated Reinvestment Zone and is a Manufacturing Facility, Research Facility, Distribution Center or Regional Service Facility, or Other Basic Industry.
- Creation of New Value. Phase-in may only be granted for the additional value of eligible property improvements made subsequent to and specified in a phase-in Agreement between the Affected Jurisdiction and the property owner or lessec, subject to such limitations as Bee County may require.
- 3. Employee Origin. In order to be eligible for designation as a Reinvestment Zone and receive tax phase-in, the planned improvement must not be expected to solely or primarily have the effect of transferring employment from one part of Bee County to mother.
- Eligible Property. Phase-in may be extended to the value of buildings, structures, fixed machinery and equipment, site improvements plus that office space and related fixed

improvements necessary to the operation and administration of the facility.

- 5. Ineligible Property. The following types of property shall be fully taxable and ineligible for phase-in: land; inventories; supplies; tools; furnishings, and other forms of movable personal property; vehicles; vessels; aircraft; housing; hotel accommodation; retail facilities; Base Year Value investments; property to be rented or leased to third parties except as provided in Section 2.6; property owned or used by the State of Texas or its political subdivisions or by any organization owned, operated or directed by a political subdivision of the State of Texas; and property in a Reinvestment Zone that is owned or leased by a member of the Bee County Commissioners Court.
- 6. Lease Facilities. If a new facility is to be constructed by a third party owner for lease to an Applicant otherwise eligible for tax phase-in, then the building owner may also be eligible for phase-ins. To calculate the applicable category for Phase-In, the investment of both entities will be added and each shall be eligible to receive Phase-In at the same rate as would have been available if one owner was accomplishing the entire project.
- Economic Qualifications. In order to be eligible to receive tax phase-in, the planned new facility or planned expansion to modernization of an existing facility must meet the following qualifications;

 Be reasonably expected to increase the appraised value of the property in the amount of not less than One Hundred Thousand (\$100,000) Dollars after construction is completed.

b. For new construction projects expected to create less than ten (10) New Jobs, project must be of strategic importance to the community and align with the strategic economic plan of the County.

c. Companies seeking to qualify for tax phase-in on the basis of job retention shall document that without the creation of a reinvestment zone and/or tax phase-in; the company will either reduce or cease operations.

8. Maximum Available Abatements Per Year *

15.0 or more	-90	90	85	80	75	65	55	45

* Affected jurisdictions reserve the right to grant abatements less than the maximums stated

above.

* For Eligible Property investments in excess of \$100 million or 100 New Jobs, the Affected Jurisdictions reserve the right to grant Abatements up to the state maximum of 100% for 10 years.

- New and Existing Facilities. Tax phase-in may be granted for new facilities and improvements to existing facilities for purposes of modernization or expansion.
- 10. Transferability. A tax abatement Agreement may only be assigned to a new owner or lessee of a facility with the written consent of Bee County, which may be withheld at Bee County's discretion.
- 11. Partially Eligible. Partially eligible for phase-ins are modernization projects and manufacturing facilities, which are intended to replace existing equipment, or facilities when the existing equipment and facilities will be removed thus eliminating existing value from the tax rolls. In this event, the value of the existing facility and equipment shall be frozen at the time of the phase-in Agreement and shall remain frozen throughout the phase-in period. The eligible abatable value of the new project shall be the difference between the total new investment amount and the existing tax value of the equipment and/or facility to be removed.
- 12. Taxability. From the execution of the phase-in contract to the end of the Agreement period, taxes shall be payable as follows: (1) the value of ineligible property as provided in Section 2.5, shall be fully taxable; (2) the Base Year Value of existing eligible property as determined each year shall be fully taxable; and, (3) the additional value of new eligible and partially eligible property shall be taxable in the manner described in Section 2.8.
- Term of Phase-in. The term shall be no longer than as set out in the schedule shown in paragraph 2.8 for each stated range of investment.

Section 3 Application

- Written Request. Any present or potential owner of taxable property in an Affected Jurisdiction may request the creation of a Reinvestment Zone and tax phase-in by filing a written request with the Affected Jurisdictions and attaching a plat and metes and bounds description effectively describing said Reinvestment Zone.
- 2. Contents of Application. The application shall consist of a completed application form accompanied by: a general description of the proposed use and the general nature and extent of the modernization, expansion or new improvements to be undertaken; a descriptive list of the improvements which will be a part of the facility; a map and property description; and a time schedule for undertaking and completing the planned improvements. In the case of modernizing, a statement of the assessed value of the facility separately stated for real and personal property shall be given for the tax year immediately.

preceding the application. The application form shall also include such financial and other information necessary for Bee County to evaluate the financial capacity and other factors of the applicant.

- 3. Filing the Application. The initial application for the creation of a "Reinvestment Zone" and tax phase-in shall be made to the Bee County Judge. Upon receipt of a completed application, the County Judge shall notify in writing the presiding officer of the legislative body of each Affected Jurisdiction and provide each presiding officer with a copy of the application. The County Judge as applicable shall then set a public hearing before the Bee County Commissioners Court to afford the Applicant an opportunity to request that a Reinvestment Zone be designated and to describe the project and request the tax phase-in. All interested parties will have the opportunity to publicly state why the phase-in should or should not be granted at this hearing. Notice of the Public Hearing shall be clearly identified on a Bee County creates the Reinvestment Zone, the other Affected Jurisdictions may set their public meetings in the same manner as described above to grant or not grant the applied for abatement.
- 4. Feasibility Study. After receipt of an application for creation of a Reinvestment Zone and application for phase-in, Bee County shall make a determination that the improvements sought to be included in the Reinvestment Zone and the Tax Abatement Agreement are feasible and practical and would be a benefit to the land to be included in the Reinvestment Zone. The feasibility study shall include, but not be limited to, an estimate of the economic impact on each jurisdiction of the creation of the Reinvestment Zone and the abatement amount of taxes on the property to be included in the Reinvestment Zone.
- Timeliness. Bee County shall not establish a Reinvestment Zone for the purpose of abatement if it finds that the request for the phase-in was filed after the commencement of construction, alteration, or installation of improvements related to a proposed modernization, expansion or new facility.
- 6. Application Fee. An applicant is required to submit an application fee along with the submission of its application for tax abatement. The amount of the application fee is the sole discretion of the Bee County Commissioners Court, however, the application fee shall not exceed \$1,000. The application fee may be waived at the sole discretion of the Bee County Commissioners County.

Section 4 Public Hearing

1. No Obligation. The adoption of these guidelines and criteria by Bee County does not:

 a. limit the discretion of Bee County to decide whether to enter into a specific tax phase-in Agreement;

b. limit the discretion of Bee County to delegate to its employees the authority to

determine whether or not Bee County should consider a particular application or request for tax phase-in; or

 create any property, contract, or other legal right in any person or entity to have Bee County consider or grant a specific application or request for tax phase-in.

- 2. Adverse Effects. Should Bee County make findings during its public hearing that the granting of abatement will have a substantial adverse effect on its bonds, tax revenue, service capacity or the provision of service, that finding shall be a reason for Bee County to deny any designation of the Reinvestment Zone, the granting of abatement, or both Additionally, Bee County reserves the right to grant less than the abatement percentages shown in Section 2.8, or deny all phase-ins if Bee County, in its sole discretion, determines that Applicants' investment will not meet the community enhancement goals of said Bee County.
- 3. Additional Conditions to Approval. Neither a Reinvestment Zone nor phase-in Agreement shaft be authorized if it is determined that: (1) there would be a substantial adverse effect on the provision of government service or tax base; (2) the applicant has insufficient financial capacity; (3) planned or potential use of property would constitute a hazard to public safety, health or morals; or, (4) violation of other codes or law.

Section 5 Agreement

- Compliance with Guidelines and Criteria. Bee County may not enter into a Tax Phasein Agreement unless it finds that the terms of the Agreement and the property subject to the Agreement meet these Guidelines and Criteria.
- 2. Contents of Agreement. After approval, Bee County shall formally pass a resolution and execute an Agreement with the Applicant, and if applicable, the owner of the facility which shall include: (1) estimated value to be abated and the Base Year Value; (2) percent of value to be abated each year as provided in Section 2.7; (3) the commencement date and the termination date of phase-in; (4) the proposed use of the facility; nature of construction, time schedule, map, property description and improvement list as provided in, Section 3.2; (5) contractual obligations in the event of default, violation of terms or conditions, delinquent taxes, recapture, administration and assignment as provided in Sections 6 and 7, or other provisions that may be required for uniformity or State law. Such Agreement shall be executed within 60 days after the applicant has forwarded all necessary information and documentation to Bee County or at such later date as may be agreed between applicant and Bee County.

Section 6 Recapture

Discontinuation of Service. In the event that the facility is completed and begins
producing product or service, but subsequently discontinues producing product or service
for any reason excepting fire, explosion or other casualty or accident or natural disaster
for a period of one year during the phase-in period, then the Phase-In Agreement shall

terminate and so shall the abatement of the taxes for the current and any future calendar year during which the facility no longer produces. The taxes, which were to be abated for that calendar year, shall be paid to the Affected Jurisdictions within 50 days from the date of termination.

- 2. Default and Cure. Should Bee County determine that the company or individual is in default according to the terms and conditions of its Agreement. Bee County shall notify the company or individual in writing at the address stated in the Agreement, and if such is not cured within 60 days from the date of such notice ("Cure Period"), then the Agreement may be terminated.
- 3. Termination of Agreement. In the event that the company or individual (1) allows its unabated ad valorem taxes owed any of the Affected Jurisdictions to become definquent and fails to properly follow the legal procedures for their protest and/or contest in a timely manner, or (2) violates any of the terms and conditions of the Phase-In Agreement with any of the Affected Jurisdictions and fails to cure during the Cure Period, the Agreement then may be terminated by every Affected Jurisdiction and all taxes previously abated by virtue of every Agreement will be recaptured by each Affected furisdiction and shall be paid by Applicant to each Affected Jurisdiction within 60 days of the termination.

Section 7 Administration

- Informed Appraisal. The Chief Appraiser of the County shall annually determine an assessment of the real and personal property comprising the Reinvestment Zone. Each year, the company or individual receiving abatement shall furnish the appraiser with such information as may be necessary for abatement, including changes in appraised value of property and verification of full-time equivalent positions as required by the Agreement. Once value has been established, the Chief Appraiser shall notify the Affected Jurisdictions that levies taxes on the amount of the assessment.
- 2. Periodic Inspections. The Agreement shall stipulate that employees and/or designated representatives of the Affected Jurisdictions will have access to the Reinvestment Zone during the term of the phase-in to inspect the facility to determine if the terms and conditions of the Agreement are being met. All inspections will be made only after the giving of twenty-four (24) hours prior notice and will only be conducted in such manner as to not unreasonably interfere with the construction and/or operation of the facility. All inspections will be made with one or more representatives of the company or individual and in accordance with its safety standards.
- Annual Evaluation. Upon completion of construction, the Affected Jurisdictions shall annually evaluate each facility and report possible violations to the contract and Agreement to Bee County and its attorney.

Section 8 Sunset Provision

- Bianual Review. These Guidelines and Criteria are effective upon the date of their adoption and will remain in force for two years, at which time all Reinvestment Zones and tax phases in contracts created pursuant to its provisions will be reviewed by Bee County to determine whether the goals have been achieved. Based on that review, the Guidelines and Criteria will be mostified, renewed or eliminated providing that such actions shall not affect existing contracts.
- Industrial Districts. These Guidelines and Criteria do not apply to Industrial District Contracts entered into in accordance with Chapter 42 of the Texas Local Government Code.
