Re: Reinvestment Zone for Application for a Chapter 313 Value Limitation Agreement between the Snyder Independent School District and IP Lumina, LLC

The Snyder Independent School District Board of Trustees accepted an Application for Appraised Value Limitation on Qualified Property at a duly called meeting held on September 10, 2020. The District intends to create the "IP Lumina Reinvestment Zone" for the portion of the IP Lumina, LLC project that is located within the boundaries of Snyder ISD. The Reinvestment Zone will be created before the District approves the Agreement for Value Limitation between the District and IP Lumina, LLC. When the reinvestment zone is created, the final board resolution, reinvestment zone legal description and maps will be proved to your office.

Thank you for your attention to this matter.

Sincerely,
