Kevin O'Hanlon
School District Consultant

Cc: Brazoria CAD
Cottonwood Bayou Solar II, LLC

Tab 7: Description of Qualified Investment

In its entirety, Cottonwood Bayou Solar II, LLC will be a 500MW/AC solar energy generation facility that will be partially located in Danbury ISD and partially located in Angleton ISD. There will be 175MW/AC located in Danbury ISD with approximately 562,294 photovoltaic panels and 59 central inverters.

Cottonwood Bayou Solar II, LLC requests that the limitation covers all qualified investment and qualified property located within Danbury ISD. It is our request that the limitation includes all eligible and ancillary equipment including the following:

- Transmission Line*
- Inverter
- Foundations
- Roadways, Paving, & Fencing
- Posts & Racking Equipment
- Mounting & Tracker Equipment
- Solar Modules & Panels
- Power Conditioning Equipment
- Combiner Boxes
- DC and AC collection wires, cables, and equipment
- Energy Storage Systems**

Please Note: This application covers all qualified property in the reinvestment zone and project boundary within Danbury ISD.

*The transmission line is the interconnection between qualified property of App#1591 and App#1595.

**The potential energy storage system associated with this application will be used to store energy solely generated from the qualified property related to this application.
