RE: Application to the Taylor Independent School District from Samsung Austin Semiconductor, LLC

To the Local Government Assistance & Economic Analysis Division:

By copy of this letter transmitting the application for review to the Comptroller’s Office, the Taylor Independent School District is notifying Samsung Austin Semiconductor, LLC, of its intent to consider the application for appraised value limitation on qualified property should a positive certificate be issued by the Comptroller.

The Applicant submitted the Application to the school district on June 29, 2021. The Board voted to accept the application on June 29, 2021. The application has been determined complete as of July 6, 2021.

The Applicant has requested that a portion of Tab 11 and Tab 9, specifically the detailed layout of the manufacturing plant and the land description, be kept confidential until such time the Board votes to approve the application. In accordance with Texas Tax Code §313.028, the information that is the subject of this request is segregated from the materials submitted contemporaneously with this application, that is, the proprietary commercial information regarding the competitive siting decisions for the possible project and proprietary information regarding the proposed layout of the project. The confidential materials are being submitted separately to protect against unintended disclosure. The maps depicting the planned location of the project display proprietary commercial information regarding the specific location of the possible project and the nature of the business that will be conducted at the site. The materials are protected by the trade secret exception set forth in Texas Government Code §552.110. The confidential information is password protected. The password is XXXXXXXXXX.
A copy of the application will be submitted to the Williamson County Appraisal District.

Sincerely,

Kevin O’Hanlon
School District Consultant

*Application for Appraised Value Limitation on Qualified Property*

See attached Form 50-296-A Sections 1-16.
Application for Appraised Value Limitation on Qualified Property
(Tax Code, Chapter 313, Subchapter B or C)

INSTRUCTIONS: This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.025 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Texas Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- notify the Comptroller that the school board has elected to consider the application. This notice must include:
  - the date on which the school district received the application;
  - the date the school district determined that the application was complete;
  - the date the school board decided to consider the application; and
  - a request that the Comptroller prepare an economic impact analysis of the application;
- provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the completed application to the Comptroller, separating each section of the documents. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, and has determined that all assertions of confidentiality are appropriate, the Comptroller will publish all submitted non-confidential application materials on its website. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller’s rules. For more information, see guidelines on Comptroller’s website.

The Comptroller will independently determine whether the application has been completed according to the Comptroller’s rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. Pursuant to 9.1053(a)(1)(C), requested information shall be provided within 20 days of the date of the request. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project and issue a certificate for a limitation on appraised value to the school board regarding the application by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application not later than the 150th day after the application review start date (the date the application is determined by the Comptroller). Unless an extension is granted, the Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to issue a certificate, complete the economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller’s website to find out more about the program at comptroller.texas.gov/economy/local/ch313/. There are links to the Chapter 313 statute, rules, guidelines and forms. Information about minimum limitation values for particular districts and wage standards may also be found at that site.

6. Is the project located entirely within the ISD listed in Section 1? ................................. ✔ Yes ☐ No

   6a. If no, attach to Tab 6 maps of the entire project (depicting all other relevant school districts) and additional information on the project scope and size. Please note that only the qualified property within the ISD listed in Section 1 is eligible for the limitation from this application. Please verify that all information in Tabs 7 and 8, Section 11, 12 and 13, and map project boundaries pertain to only the property within the ISD listed in Section 1.

7. Did you receive a determination from the Texas Economic Development and Tourism Office that this proposed project and at least one other project seeking a limitation agreement constitute a single unified project (SUP), as allowed in §313.024(d-2)? ............. ☐ Yes ✔ No

7a. If yes, attach in Tab 6 supporting documentation from the Office of the Governor.

SECTION 11: Texas Tax Code 313.021(1) Qualified Investment

NOTE: The minimum amount of qualified investment required to qualify for an appraised value limitation and the minimum amount of appraised value limitation vary depending on whether the school district is classified as Subchapter B or Subchapter C, and the taxable value of the property within the school district. For assistance in determining estimates of these minimums, access the Comptroller’s website at comptroller.texas.gov/economy/local/ch313/.

1. At the time of application, what is the estimated minimum qualified investment required for this school district? ........ $ 80,000,000.00

2. What is the amount of appraised value limitation for which you are applying? .............................. $ 80,000,000.00

   Note: The property value limitation amount is based on property values available at the time of application and may change prior to the execution of any final agreement.

3. Does the qualified investment meet the requirements of Tax Code §313.021(1)? ................................. ✔ Yes ☐ No

4. Attach a description of the qualified investment [See §313.021(1).] The description must include:
   a. a specific and detailed description of the qualified investment you propose to make within the project boundary for which you are requesting an appraised value limitation as defined by Tax Code §313.021 (Tab 7);
   b. a description of any new buildings, proposed new improvements or personal property which you intend to include as part of your minimum qualified investment (Tab 7); and
   c. a detailed map of the qualified investment showing location of tangible personal property to be placed in service during the qualifying time period and buildings to be constructed during the qualifying time period, with vicinity map (Tab 11).

5. Do you intend to make at least the minimum qualified investment required by Tax Code §313.023 (or §313.053 for Subchapter C school districts) for the relevant school district category during the qualifying time period? ................................. ✔ Yes ☐ No

SECTION 12: Texas Tax Code 313.021(2) Qualified Property

1. Attach a detailed description of the qualified property. [See §313.021(2)] The description must include:
   a. a specific and detailed description of the qualified property for which you are requesting an appraised value limitation as defined by Tax Code §313.021 (Tab 8);
   b. a description of any new buildings, proposed new improvements or personal property which you intend to include as part of your qualified property (Tab 8);
   c. a map or site plan of the proposed qualified property showing location of the new buildings or new improvements inside the project area boundaries within a vicinity map that includes school district, county and reinvestment zone boundaries (Tab 11); and
   d. Will any of the proposed qualified property be used to renovate, refurbish, upgrade, maintain, modify, improve, or functionally replace existing buildings or existing improvements inside or outside the project area? ................................. ✔ Yes ☐ No

   Note: Property used to renovate, refurbish, upgrade, maintain, modify, improve, or functionally replace existing buildings or existing improvements inside or outside the project area cannot be considered qualified property and will not be eligible for a limitation. See TAC §9.1051(16).
SECTION 12: Texas Tax Code 313.021(2) Qualified Property (continued)

2. Is the land upon which the new buildings or new improvements will be built part of the qualified property described by §313.021(2)(A)?

   - Yes ☑
   - No ☐

   2a. If yes, attach complete documentation including:
   a. legal description of the land (Tab 9);
   b. each existing appraisal parcel number of the land on which the new improvements will be constructed, regardless of whether or not all of the land described in the current parcel will become qualified property (Tab 9);
   c. owner (Tab 9);
   d. the current taxable value of the land, attach estimate if land is part of larger parcel (Tab 9); and
   e. a detailed map showing the location of the land with vicinity map (Tab 11).

3. Is the land on which you propose new construction or new improvements currently located in an area designated as a reinvestment zone under Tax Code Chapter 311 or 312 or as an enterprise zone under Government Code Chapter 2303?

   - Yes ☐
   - No ☑

   3a. If yes, attach the applicable supporting documentation:
   a. evidence that the area qualifies as an enterprise zone as defined by the Governor's Office (Tab 16);
   b. legal description of reinvestment zone (Tab 16);
   c. order, resolution or ordinance establishing the reinvestment zone (Tab 16);
   d. guidelines and criteria for creating the zone (Tab 16); and
   e. a map of the reinvestment zone or enterprise zone boundaries with vicinity map (Tab 11)

3b. If no, submit detailed description of proposed reinvestment zone or enterprise zone with a map indicating the boundaries of the zone on which you propose new construction or new improvements to the Comptroller’s office within 30 days of the application date.

What is the anticipated date on which you will submit final proof of a reinvestment zone or enterprise zone? ____________________

December 2021

SECTION 13: Information on Property Not Eligible to Become Qualified Property

1. In Tab 10, attach a specific and detailed description of all existing property within the project boundary. This includes buildings and improvements existing as of the application review start date (the date the application is determined to be complete by the Comptroller). The description must provide sufficient detail to locate all existing property on the land that will be subject to the agreement and distinguish existing property from future proposed property.

2. In Tab 10, attach a specific and detailed description of all proposed new property within the project boundary that will not become new improvements as defined by TAC 9.1051. This includes proposed property that: functionally replaces existing or demolished/removed property; is used to maintain, refurbish, renovate, modify or upgrade existing property; or is affixed to existing property; or is otherwise ineligible to become qualified property. The description must provide sufficient detail to distinguish existing property (statement 1) and all proposed new property that cannot become qualified property from proposed qualified property that will be subject to the agreement (as described in Section 12 of this application).

3. For the property not eligible to become qualified property within the project boundary in response to statements 1 and 2 of this section, provide the following supporting information in Tab 10:
   a. maps and/or detailed site plan;
   b. surveys;
   c. appraisal district values and parcel numbers;
   d. inventory lists;
   e. existing and proposed property lists;
   f. model and serial numbers of existing property; or
   g. other information of sufficient detail and description.

4. Total estimated market value of existing property within the project boundary (that property described in response to statement 1): $ 0.00

5. In Tab 10, include an appraisal value by the CAD of all the buildings and improvements existing as of a date within 15 days of the date the application is received by the school district.

6. Total estimated market value of proposed property not eligible to become qualified property (that property described in response to statement 2): $ 0.00

Note: Investment for the property listed in statement 2 may count towards qualified investment in Column C of Schedules A-1 and A-2, if it meets the requirements of 313.021(1). Such property cannot become qualified property on Schedule B.
SECTION 14: Wage and Employment Information

1. What is the number of new qualifying jobs you are committing to create? ................................... 25

2. What is the number of new non-qualifying jobs you are estimating you will create? (See TAC 9.1051(14)) ......... 1,675

3. Do you intend to request that the governing body waive the minimum new qualifying job creation requirement, as provided under Tax Code §313.025(f-1)? ..............................................
   - Yes ☑
   - No ☐

   3a. If yes, attach evidence of industry standard in Tab 12 documenting that the new qualifying job creation requirement above exceeds the number of employees necessary for the operation, according to industry standards.

4. Attach in Tab 13 the four most recent quarters of data for each wage calculation below, including documentation from the Texas Workforce Commission website. The final actual statutory minimum annual wage requirement for the applicant for each qualifying job — which may differ slightly from this estimate — will be based on information available at the time of the application review start date (date of a completed application). See TAC §9.1051(21) and (22). Note: If a more recent quarter of information becomes available before the application is deemed complete, updated wage information will be required.

   a. Non-qualified job wages
   - average weekly wage for all jobs (all industries) in the county is ............................................ $ 1,275.00
   - average weekly wage for manufacturing jobs in the county is ............................................ $ 3,119.05
   - average weekly wage for manufacturing jobs in the region is ............................................ $ 1,292.31

5. Which Tax Code section are you using to estimate the qualifying job wage standard required for this project? ..............................................
   - §313.021(5)(A) ☑
   - §313.021(5)(B) ☐

6. What is the minimum required annual wage for each qualifying job based on the qualified property? .................. $ 162,190.60

7. What is the annual wage you are committing to pay for each of the new qualifying jobs you create on the qualified property? .............................................. $ 162,190.60

8. Will the qualifying jobs meet all minimum requirements set out in Tax Code §313.021(3)? ................................. ☑ Yes ☐ No

9. Do you intend to satisfy the minimum qualifying job requirement through a determination of cumulative economic benefits to the state as provided by §313.021(3)(F)? ..............................................
   - Yes ☑
   - No ☐

   9a. If yes, attach in Tab 13 supporting documentation from the TWC, pursuant to §313.021(3)(F).

10. Do you intend to rely on the project being part of a single unified project, as allowed in §313.024(d-2), in meeting the qualifying job requirements? ..............................................
    - Yes ☑
    - No ☐

   10a. If yes, attach in Tab 6 supporting documentation including a list of qualifying jobs in the other school district(s).

SECTION 15: Economic Impact

1. Complete and attach Schedules A1, A2, B, and C in Tab 14. Note: Excel spreadsheet versions of schedules are available for download and printing at URL listed below.

2. Attach an Economic Impact Analysis, if supplied by an entity other than the Comptroller’s office, in Tab 15. (not required)

3. If there are any other payments made in the state or economic information that you believe should be included in the economic analysis, attach a separate schedule showing the amount for each year affected, including an explanation, in Tab 15.

Texas Franchise Tax Extension Affiliate List received by the Comptroller of Public Accounts
Detailed Description of the Project

Provide a detailed description of the scope of the proposed project, including, at a minimum, the type and planned use of real and tangible personal property, the nature of the business, a timeline for property construction or installation, and any other relevant information.

Samsung Austin Semiconductor, LLC is considering Williamson County, Texas for a new manufacturing facility. If the new project were located in Williamson, it would involve building out approximately 6 million square feet of new space. The investment associated with the buildout would be in excess of $17 billion dollars, and the project would result in the creation of at least 1,800 quality, high paying net-new jobs.

The project would consist of a new manufacturing facility for semiconductors. This fabrication plant would produce advanced logic devices for Samsung’s Foundry business. The proposed investment would be used to build a new semiconductor wafer fabrication facility and purchase new production machinery & equipment used in connection with manufacturing, processing and fabricating semiconductors in a cleanroom environment.

Construction would involve building cleanroom facilities, utility additions, and support structures for the installation of the new production equipment and the new tool sets. Should Samsung make its investment, Samsung Austin Semiconductor would break ground by Q1 of 2022 with the expectation that production would be up and running by Q4 of 2024.
Tab 5

Documentation to assist in determining if limitation is a determining factor

2. Has the applicant entered into any agreements, contracts or letters of intent related to the proposed project?

Yes, the applicant has entered into agreements with consultants related to evaluating tax and incentive issues in AZ, NY, and TX as well as engineering firms to evaluate project specifications.

7. Is the applicant evaluating other locations not in Texas for the proposed project?

This project is highly competitive, and the company is looking at alternative sites in the US including Arizona and New York, as well as abroad in Korea where Samsung Austin Semiconductor’s parent company is headquartered. Samsung Austin Semiconductor is evaluating locations using four criteria to evaluate these sites: access to talent, existing semiconductor manufacturing ecosystem, speed to market, and strong public-private partnership. Because of its strong ties to the local community and the successful past 25 years of manufacturing in Texas, Samsung Austin Semiconductor would like to continue to invest in the region and state.

Additional locations under consideration include two locations in Arizona near the cities of Goodyear and Queens Creek. Applicant is also considering a site in Genesee County, New York. The company is engaged in active negotiations with all three locations; each has offered robust property tax abatement, as well as significant grants and/or refundable tax credits to fund the necessary infrastructure improvements.

All three alternative sites have the necessary land and are capable of scaling up the required infrastructure within the requisite period of time in order to meet the project’s accelerated timetable.

9. Has the applicant provided information related to the applicant’s inputs, transportation and markets for the proposed project?

Samsung sources raw materials for its manufacturing processes from numerous locations around the world and transports these materials by common carrier. Once manufactured, Samsung will sell its wafers to its parent company in Korea—again shipping them by common carrier – which in turn will cut, polish and package them into “chips” for resale to third parties through various international distribution channels. These third-party buyers will then install the chips in devices, etc., that are sold around the world. Samsung’s robust international acquisition and distribution network afford it significant flexibility regarding where it locates manufacturing facilities.
10. Are you submitting information to assist in the determination as to whether the limitation on appraised value is a determining factor in the applicant’s decision to invest capital and construct the project in Texas?

Samsung Austin Semiconductor is creating a new product line that has not been previously manufactured in the United States by Samsung. As a private partner, Samsung Austin Semiconductor will make a significant capital investment and pledge for job creation; it seeks a strong public partner to support the project through financial and other incentives (e.g., infrastructure and utility assistance). In connection with the project, the company is seeking rebates under Chapter 380 and 381 and assistance from the Texas Enterprise Fund. In addition, the company is also pursuing incentives relating to certain infrastructure and utility improvements, rate reductions, and other non-cash benefits to support construction and operations of the proposed project. This regional public support will lower the operational and financial costs for a given site and make it possible for Samsung Austin Semiconductor to meet its operational and financial targets for the new manufacturing facility.

This project is highly competitive, and the company is looking at alternative sites in the US including Arizona and New York, as well as abroad in Korea where Samsung Austin Semiconductor’s parent company is headquartered. Due to the higher tax cost of operating in Texas, the appraised value limitation is a determining factor. Without the appraised value limitation award, the company would likely locate the project in Arizona, New York, or Korea.

Description of Qualified Investment

Below is a description of each building indicated on the Site Master Plan map (attached in Tab 11) as qualified investment. Each of the buildings described below is an integral part, or a necessary auxiliary part, of the proposed manufacturing operations:

- **FAB**: Semiconductor manufacturing facility, including cleanroom
- **OFFICE**: Operation management facilities with cubicles, conference rooms, and other facilities for the health and safety of employees
- **CUB**: Central Utility Building
- **IWT**: Industrial Waste Treatment, where pretreatment of wastewater occurs prior to sending to City municipal treatment plant
- **BULK GAS**: Air separation plants and storage for inert gases like Helium
- **ELEC SS**: Austin Energy electric substation
- **GCS**: Central Chemical Supply Storage
- **PONDS**: Detention related to the project
- **PARK**: parking garage

Machinery, equipment, and tools used in the following processes involved in manufacturing semiconductor products would be placed within the buildings listed above:

- Photolithography
- Chemical mechanical polishing
- Thin film deposition
- Plasma etching
- Surface preparation and clean-up
- Ion implanting
- Metal deposition
- Rapid thermal processing
- Furnaces
- Testing and defect analysis
- Water processing
- Metrology and yield enhancing
- Designing, bonding, and packaging

In addition, the new investment/buildings will include the following systems:

- Process cooling water systems
- HVAC systems
- Industrial waste treatment systems
- Process vacuum systems
- Security control systems
- Fire protection systems
- Chemical and ultra-pure gas storage distribution systems
- Piping, cleanroom systems
- Failure analysis lab
- Other systems useful for manufacturing semiconductor products

100% of the project will be located in the reinvestment zone and project boundary within Taylor ISD and will be considered qualified property for this application.

For All Columns: List amount invested each year, not cumulative totals.

- **Column A**: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application. Only tangible personal property that is specifically described in the application can become qualified property.
- **Column B**: The total dollar amount of planned investment each year in buildings or nonremovable component of buildings.
- **Column C**: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that will not become qualified property include investment meeting the definition of 313.021(1) but not creating a new improvement or described in SECTION 13, question #5 of the application.
- **Column D**: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that may result in qualified property are land or professional services.
- **Total Investment**: Add together each cell in a column and enter the sum in the blue total investment row. Enter the data from this row into the first row in Schedule A2.
- **Qualified Investment**: For the green qualified investment cell, enter the sum of all the green-shaded cells.

* All investments made through the qualifying time period are captured and totaled on Schedule A1 (blue box) and incorporated into this schedule in the first row.

** Only investment made during deferrals of the start of the limitation (after the end of qualifying time period but before the start of the Value Limitation Period) should be included in the "year prior to start of value limitation period" row(s). If the limitation starts at the end of the qualifying time period or the qualifying time period overlaps the limitation, no investment should be included on this line.

*** If your qualifying time period will overlap your value limitation period, do not also include investment made during the qualifying time period in years 1 and/or 2 of the value limitation period, depending on the overlap. Only include investments/years that were not captured on Schedule A1.

For all columns: List amount invested each year, not cumulative totals. Only include investments in the remaining rows of Schedule A2 that were not captured on Schedule A1.

**Column A:** This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application.

Only tangible personal property that is specifically described in the application can become qualified property.

**Column B:** The total dollar amount of planned investment each year in buildings or nonremovable component of buildings.

**Column C:** Dollar value of other investment that may affect economic impact and total value. Examples of other investment that will not become qualified property include investment meeting the definition of 313.021(1) but not creating a new improvement as defined by TAC 9.1051. This is proposed property that functionally replaces existing property; is used to maintain, refurbish, renovate, modify or upgrade existing property; or is affixed to existing property—described in SECTION 13, question #5 of the application.

**Column D:** Dollar value of other investment that may affect economic impact and total value. Examples of other investment that may result in qualified property are land or professional services.

TAYLOR INDEPENDENT SCHOOL DISTRICT

RESOLUTION CREATING TAYLOR ISD REINVESTMENT ZONE NO. 2021-001

WHEREAS, Section 312.0025 of the Texas Tax Code permits a school district to designate a reinvestment zone if that designation is reasonably likely to contribute to the expansion of primary employment in the reinvestment zone, or attract major investment in the reinvestment zone that would be a benefit to property in the reinvestment zone and to the school district and contribute to the economic development of the region of this state in which the school district is located; and,

WHEREAS, the Taylor Independent School District (the “District”) desires to encourage the development of primary employment and to attract major investment in the District and contribute to the economic development of the region in which the school district is located; and,

WHEREAS, a public hearing is required by Chapter 312 of the Texas Tax Code prior to approval of a reinvestment zone; and,

WHEREAS, the District published notice of a public hearing regarding the possible designation of the area described in the attached Exhibit A as a reinvestment zone for the purposes of Chapter 313 of the Texas Tax Code; and,

WHEREAS, the District wishes to create a reinvestment zone within the boundaries of the school district in Williamson County, Texas as shown on the map attached as Exhibit B; and,

WHEREAS, the District has given written notice of the proposed action and the Public Hearing to all political subdivisions and taxing authorities having jurisdiction over the property proposed to be designated as the reinvestment zone, described in the attached Exhibits A & B; and,

WHEREAS, all interested members of the public were given an opportunity to make comments at the public hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TAYLOR INDEPENDENT SCHOOL DISTRICT:

SECTION 1. That the facts and recitations contained in the preamble of this Resolution are hereby found and declared to be true and correct.

SECTION 2. That the Board of Trustees of the Taylor Independent School District, after conducting such hearing and having heard such evidence and testimony, has made the following findings and determinations based on the evidence and testimony presented to it:

(a) That the public hearing on the adoption of TAYLOR ISD REINVESTMENT ZONE
NO. 2021-001 has been called, held and conducted, and that notices of such hearing have been published and mailed to the respective presiding officers of the governing bodies of all taxing units overlapping the territory inside the proposed reinvestment zone; and,

(b) That the boundaries of TAYLOR ISD REINVESTMENT ZONE NO. 2021-001 be and, by the adoption of this Resolution, are declared and certified to be the area as described in the description attached hereto as “Exhibit A”; and,

(c) That the map attached hereto as “Exhibit B” is declared to be and, by the adoption of this Resolution, is certified to accurately depict and show the boundaries of TAYLOR ISD REINVESTMENT ZONE NO. 2021-001 which is described in Exhibit A; and further certifies that the property described in Exhibit A is inside the boundaries shown on Exhibit B; and,

(d) That creation of TAYLOR ISD REINVESTMENT ZONE NO. 2021-001 with boundaries as described in Exhibit A and Exhibit B will result in benefits to the Taylor Independent School District and to land included in the zone, and that the improvements sought are feasible and practical; and,

(e) That the TAYLOR ISD REINVESTMENT ZONE NO. 2021-001 described in Exhibit A and Exhibit B meets the criteria set forth in Texas Tax Code §312.0025 for the creation of a reinvestment zone as set forth in the Property Redevelopment and Tax Abatement Act, as amended, in that it is reasonably likely that the designation will contribute to the retention or expansion of primary employment, and/or will attract investment in the zone that will be a benefit to the property, and would contribute to economic development within the Taylor Independent School District.

SECTION 3. That pursuant to the Property Redevelopment and Tax Abatement Act, as amended, the Taylor Independent School District hereby creates a reinvestment zone under the provisions of Texas Tax Code §312.0025, encompassing the area described by the descriptions in Exhibit A and Exhibit B, and such reinvestment zone is hereby designated and shall hereafter be referred to as TAYLOR ISD REINVESTMENT ZONE NO. 2021-001.

SECTION 4. That the existence of the TAYLOR ISD REINVESTMENT ZONE NO. 2021-001 shall first take effect upon, XXXX XXth, 2021, the date of the adoption of this Resolution by the Board of Trustees and shall remain designated as a commercial-industrial reinvestment zone for a period of five (5) years from such date of such adoption.

SECTION 5. That if any section, paragraph, clause or provision of this Resolution shall for any reason beheld to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause, or provision shall not affect any of the remaining provisions of this Resolution.
