Hi Tabita,

Thanks again for the feedback on some of the below amendment items a minute ago!

For item 1 (M&O & I&S documentation) below, is the attached tax budget policy pulled directly from the Ector County ISD website ([link](#)) sufficient proof? Page 13 outlines the adopted M&O & I&S rates.

Kind Regards,

Subject: [EXTERNAL] App 1789-Ector County ISD- 1 Pointfive P1, LLC (Build 1 of 6)- Information Required

Good afternoon,

In reviewing Application 1789, I have noted the following items that will require revision or further clarification. Please be advised I will not be able to issue a completeness letter until all the following items are resolved and App 1570 amendment after execution 1 is executed. I sent an email about the project boundary issue associated with 1570 earlier today.

1. Section 10. Provide documentation of M&O and I&S as it differs from ours

2. Section 14 Q4c. Will need to updated to $993.07 \times 46945 \times 1.1 = 993.067$ rounds to 993.07, therefore Q6 “minimum wage required” is 51639.5. Update Tab 13
3. Tab 6. Provide a map showing Build 1-6 and 1P5 DAC 1 (from App 1570) inside 1 Pointfive P1, LLC project area.
4. Tab 11 maps. Because the project boundary pertains to each individual application, rename “project boundary” to “1 Pointfive P1, LLC whole project area” and “project build 1” to “project boundary (build 1)”
 - a. In the close up map of the project boundary provide landmarks like roads or highways for precise location.

A new signature page is required for this amendment. Be advised that a copy or picture of the new signature page will suffice with the amendment. Include the submission date and amendment number on each corrected page.
