RE: Application to the Angleton Independent School District from Brazoria Solar I, LLC

To the Local Government Assistance & Economic Analysis Division:

By copy of this letter transmitting the application for review to the Comptroller's Office, the Angleton Independent School District is notifying Brazoria Solar I, LLC of its intent to consider the application for appraised value limitation on qualified property should a positive certificate be issued by the Comptroller. Please prepare the Economic Impact Report.

The Applicant submitted the Application to the school district on April 19, 2022. The Board voted to accept the application on April 19, 2022. The application has been determined complete as of April 22, 2022.

A copy of the application will be submitted to the Brazoria County Appraisal District.

Sincerely,

Kevin O'Hanlon

School District Consultant

# Application for Appraised Value Limitation on Qualified Property

(Tax Code, Chapter 313, Subchapter B or C)

**INSTRUCTIONS:** This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.025 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Texas Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- · notify the Comptroller that the school board has elected to consider the application. This notice must include:
  - the date on which the school district received the application;
  - the date the school district determined that the application was complete;
  - the date the school board decided to consider the application; and
  - a request that the Comptroller prepare an economic impact analysis of the application;
- · provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the completed application to the Comptroller, separating each section of the documents. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, and has determined that all assertions of confidentiality are appropriate, the Comptroller will publish all submitted non-confidential application materials on its website. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller's rules. For more information, see guidelines on Comptroller's website.

The Comptroller will independently determine whether the application has been completed according to the Comptroller's rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. Pursuant to 9.1053(a)(1)(C), requested information shall be provided within 20 days of the date of the request. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project and issue a certificate for a limitation on appraised value to the school board regarding the application by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application not later than the 150th day after the application review start date (the date the application is finally determined to be complete by the Comptroller), unless an extension is granted. The Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to issue a certificate, complete the economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller's website to find out more about the program at comptroller.texas.gov/economy/local/ch313/. There are links to the Chapter 313 statute, rules, guidelines and forms. Information about minimum limitation values for particular districts and wage standards may also be found at that site.

# Response to Section 5 question 2a., documentation of combined group membership, received by CPA

#### Tab 4

#### Detailed Description of the Project

The Brazoria Solar I, LLC project will be an approximately 250 MWac photovoltaic solar power generation facility, that would be built on approximately 1,902 acres of privately owned land in Brazoria County, Texas. The entire site is located within the Angleton ISD jurisdiction. The site is east of Highway 523 and north of Highway 2004. Currently the site is in agricultural use. Power generated by the project would be sold and delivered into a 345kV line adjacent to the project site owned by CenterPoint.

The Brazoria Solar I, LLC solar project will consist of, but not be limited to, the following: solar photovoltaic modules, single axis tracking systems, driven-pile foundations, new or improved roads, meteorological equipment, DC wiring, DC/AC inverters, medium voltage step-up transformers, AC cabling and a central substation and switchyard with protective circuit breakers and switchgear including a high voltage step-up transformer, and other equipment necessary to safely operate, maintain and transmit power to the ERCOT electrical grid.

#### Documentation to assist in determining if limitation is a determining factor

Section 8, #2: Has the applicant entered into any agreements, contracts or letters of intent related to the proposed project?

Brazoria Solar I, LLC has begun typical due course, early-stage due diligence to explore the feasibility of constructing the solar facilities at this site. As such, certain contracts have been executed, including a portfolio of long-term lease and easement agreement with the landowners, and Interconnect Study Agreements with ERCOT and the transmission provider. Chapter 312 and subsequently Chapter 381tax abatement agreements have been discussed with the taxing jurisdictions. None of these contracts obligate Brazoria Solar I, LLC to construct the project.

Section 8, #7 & 10: Is the applicant evaluating other locations not in Texas for the proposed project?

Are you submitting information to assist in the determination as to whether the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in Texas?

Core Solar, LLC, the parent corporation of Brazoria Solar I, LLC maintains a large portfolio of solar developments across the country, including other locations in Texas and the states of Ohio, New Mexico, Kentucky, South Carolina, Missouri, Indiana and California, all with similar resources and competitive regulatory environments. While the project entity, Brazoria Solar I, LLC, is specific to this location in Texas, the economic return for the project is constantly compared to returns from other locations within and outside of Texas.

Core Solar, LLC has limited capital and human resources and must pick the best projects to advance as a company each year. The economic return is a primary input for this decision. Without the available tax incentives, the economics of the project become far less attractive and the likelihood of completing the project and selling the electricity at competitive prices becomes unlikely.

Property taxes can be the highest operating expense for a solar generation facility as solar plants do not have any associated fuel costs for the production of electricity. With electricity prices already below the national average in Texas, it is necessary to limit the property tax liabilities for the project in order to be able to offer electricity at prices that are marketable to Texas customers. Markets such as California that have statewide available subsidies for renewable energy and higher average electricity prices offer attractive incentives to develop in those markets. Solar developers would not be able to finance and build projects in this state without the economic development tax incentives offered here.

## **School District Information**

The entire project will be located within the jurisdiction of the Angleton Independent School District.

## **Request for Waiver of Jobs Creation Requirements**

See Letter, attached

April 8, 2022

Mr. Phil Edwards, Superintendent Angleton ISD 1900 North Downing Street Angleton, TX 77515

Re. Brazoria Solar I, LLC Job Requirement Waiver Request

Dear Superintendent Edwards,

Please consider this letter as Brazoria Solar I, LLC's formal request to waive the minimum new job creation requirement, as required under Texas Tax Code 313.025(f-I).

Solar energy projects create a large number of temporary full-time jobs during the construction phase but require only a small number of highly skilled employees to operate and maintain the facility once construction is complete and commercial operations begin. The permanent employees of a solar project maintain and service solar panels, mounting trackers, underground electrical connections, inverters, substations and related infrastructure. Additionally, there are asset managers who supervise, monitor and support solar operations from offsite locations. Due to the low number of moving parts in a solar plant, ongoing maintenance requirements are very low.

The solar industry standard is 1 job per 100MW. The the number of permanent qualifying jobs necessary for the operation and maintenance of a solar facility is less than the minimum new qualifying jobs requirement. For a typical facility, two (2) full-time jobs are created. Additional periodic work is generally performed by contractors. Therefore, Brazoria Solar I, LLC is committed to creating two (2) qualifying jobs for this facility.

Brazoria Solar I, LLC respectfully requests that the Angleton Board of Trustees waive the new jobs requirement for its application.

Sincerely,

Greg Nelson President

For All Columns: List amount invested each year, not cumulative totals.

Column A: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application.

Only tangible personal property that is specifically described in the application can become qualified property.

Column B: The total dollar amount of planned investment each year in buildings or nonremovable component of buildings.

Column C: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that will not become qualified property include investment meeting the definition of 313.021(1) but not creating a new improvement as defined by TAC 9.1051. This is proposed property that functionally replaces existing property; is used to maintain, refurbish, renovate, modify or upgrade existing property, or is affixed to existing property—described in SECTION 13, question #5 of the application.

Column D: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that may result in qualified property are land or professional services.

Total Investment: Add together each cell in a column and enter the sum in the blue total investment row. Enter the data from this row into the first row in Schedule A2.

Qualified Investment: For the green qualified investment cell, enter the sum of all the green-shaded cells.

<sup>\*</sup> All investments made through the qualifying time period are captured and totaled on Schedule A1 [blue box] and incorporated into this schedule in the first row.

<sup>\*\*</sup> Only investment made during deferrals of the start of the limitation (after the end of qualifying time period but before the start of the Value Limitation Period) should be included in the "year prior to start of value limitation period" row(s). If the limitation starts at the end of the qualifying time period or the qualifying time period or the qualifying time period or the qualifying time period overlaps the limitation, no investment should be included on this line.

<sup>\*\*\*</sup> If your qualifying time period will overlap your value limitation period, do not also include investment made during the qualifying time period in years 1 and/or 2 of the value limitation period, depending on the overlap. Only include investments/years that were not captured on Schedule A1.

For All Columns: List amount invested each year, not cumulative totals. Only include investments in the remaining rows of Schedule A2 that were not captured on Schedule A1.

Column A: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application.

Only tangible personal property that is specifically described in the application can become qualified property.

Column B: The total dollar amount of planned investment each year in buildings or nonremovable component of buildings.

Column C: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that will not become qualified property include investment meeting the definition of 313.021(1) but not creating a new improvement as defined by TAC 9.1051. This is proposed property that functionally replaces existing property; is used to maintain, refurbish, renovate, modify or upgrade existing property; or is affixed to existing property.

Column D: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that may result in qualified property are land or professional services.

Currently, it is anticipated that Angleton Independent School District will create the reinvestment zone prior to the execution of the agreement. Please find attached their letter of intent.

#### ANGLETON INDEPENDENT SCHOOL DISTRICT

#### RESOLUTION CREATING BRAZORIA SOLAR REINVESTMENT ZONE NO. 1

WHEREAS, Section 312.0025 of the Texas Tax Code permits a school district to designate a reinvestment zone if that designation is reasonably likely to contribute to the expansion of primary employment in the reinvestment zone, or attract major investment in the reinvestment zone that would be a benefit to property in the reinvestment zone and to the school district and contribute to the economic development of the region of this state in which the school district is located; and,

**WHEREAS**, the Angleton Independent School District (the "District") desires to encourage the development of primary employment and to attract major investment in the District and contribute to the economic development of the region in which the school district is located; and,

**WHEREAS**, a public hearing is required by Chapter 312 of the Texas Tax Code prior to approval of a reinvestment zone; and,

**WHEREAS**, the District published notice of a public hearing regarding the possible designation of the area described in the attached **Exhibit A** as a reinvestment zone for the purposes of Chapter 313 of the Texas Tax Code; and,

**WHEREAS**, the District wishes to create a reinvestment zone within the boundaries of the school district in Brazoria County, Texas as shown on the map attached as **Exhibit B**; and,

WHEREAS, the District has given written notice of the proposed action and the Public Hearing to all political subdivisions and taxing authorities having jurisdiction over the property proposed to be designated as the reinvestment zone, described in the attached Exhibits A & B; and,

**WHEREAS**, all interested members of the public were given an opportunity to make comments at the public hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE ANGLETON INDEPENDENT SCHOOL DISTRICT:

**SECTION 1.** That the facts and recitations contained in the preamble of this Resolution are hereby found and declared to be true and correct.

**SECTION 2.** That the Board of Trustees of the Angleton Independent School District, after conducting such hearing and having heard such evidence and testimony, has made the following findings and determinations based on the evidence and testimony presented to it:

- (a) That the public hearing on the adoption of BRAZORIA SOLAR REINVESTMENT ZONE NO. 1 has been called, held and conducted, and that notices of such hearing have been published and mailed to the respective presiding officers of the governing bodies of all taxing units overlapping the territory inside the proposed reinvestment zone; and,
- (b) That the boundaries of *BRAZORIA SOLAR REINVESTMENT ZONE NO. 1* be and, by the adoption of this Resolution, are declared and certified to be the area as described in the description attached hereto as "Exhibit A"; and,
- (c) That the map attached hereto as "Exhibit B" is declared to be and, by the adoption of this Resolution, is certified to accurately depict and show the boundaries of BRAZORIA SOLAR REINVESTMENT ZONE NO. 1 which is described in Exhibit A; and further certifies that the property described in Exhibit A is inside the boundaries shown on Exhibit B; and,
- (d) That creation of *BRAZORIA SOLAR REINVESTMENT ZONE NO. 1* with boundaries as described in **Exhibit A** and **Exhibit B** will result in benefits to the Brookesmith Independent School District and to land included in the zone, and that the improvements sought are feasible and practical; and,
- (e) That the BRAZORIA SOLAR REINVESTMENT ZONE NO. 1 described in Exhibit A and Exhibit B meets the criteria set forth in Texas Tax Code §312.0025 for the creation of a reinvestment zone as set forth in the Property Redevelopment and Tax Abatement Act, as amended, in that it is reasonably likely that the designation will contribute to the retention or expansion of primary employment, and/or will attract investment in the zone that will be a benefit to the property, and would contribute to economic development within the Brookesmith Independent School District.
- **SECTION 3**. That pursuant to the Property Redevelopment and Tax Abatement Act, as amended, the Angleton Independent School District hereby creates a reinvestment zone under the provisions of Texas Tax Code §312.0025, encompassing the area described by the descriptions in **Exhibit A** and **Exhibit B**, and such reinvestment zone is hereby designated and shall hereafter be referred to as *BRAZORIA SOLAR REINVESTMENT ZONE NO. 1*.
- **SECTION 4.** That the existence of the *BRAZORIA SOLAR REINVESTMENT ZONE NO. 1* shall first take effect upon, XXXX XX, 2022, the date of the adoption of this Resolution by the Board of Trustees and shall remain designated as a commercial-industrial reinvestment zone for a period of five (5) years from such date of such adoption.
- **SECTION 5**. That if any section, paragraph, clause or provision of this Resolution shall for any reason beheld to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause, or provision shall not affect any of the remaining provisions of this

Resolution.

**SECTION 6.** That it is hereby found, determined and declared that a sufficient notice of the date, hour, place and subject of the meeting of the Angleton Independent School District Board of Trustees, at which this Resolution was adopted, was posted at a place convenient and readily accessible at all times, as required by the Texas Open Government Act, Texas Government Code, Chapter 551, as amended; and that a public hearing was held prior to the designation of such reinvestment zone, and that proper notice of the hearing was published in newspapers of general circulation in Brazoria County of the State of Texas, and furthermore, such notice was, in fact, delivered to the presiding officer of any effected taxing entity as prescribed by the Property Redevelopment and Tax Abatement Act.

PASSED, APPROVED AND ADOPTED on this XX day of XXXX 202X.
