- Only projects with agreements executed after June 19, 2009 may have any qualified investment between the time of application approval and Jan. 1 of subsequent tax year.
 - Jobs meeting all of the requirements of Tax Code §313.021(3). Each qualifying job is a new job that meets the wage standard for that school district, and is covered by a group health benefits plan for which the employer offers to pay at least 80 percent of the employee-only premium. Do not include construction jobs in counts of qualifying jobs.
 - For new job definition see TAC §9.1051(14).
 - Total investment is all investment at original cost, including land acquired after filing of application. Investments made in one year should be reflected in the subsequent year's market value.
 - The investment made during the qualifying time period meeting the requirements of Tax Code §313.021(1). Fill in amounts for the time between the application approval and Jan. 1 of first tax year, Year 1 and Year 2 only. (See also Note #1)
