SCHOOL DISTRICT BOARD OF TRUSTEES
UNDER THE
TEXAS ECONOMIC DEVELOPMENT ACT
ON THE APPLICATION SUBMITTED BY
DCP MIDSTREAM, LP

AUGUST 13, 2012

Board Findings of the Glasscock County Independent School District

FINDINGS OF THE GLASSCOCK COUNTY
INDEPENDENT SCHOOL DISTRICT BOARD OF
TRUSTEES UNDER THE
TEXAS ECONOMIC DEVELOPMENT ACT
ON THE APPLICATION SUBMITTED BY
DCP MIDSTREAM, LP

STATE OF TEXAS §

COUNTY OF GLASSCOCK §

On the 13th day of August, 2012, a public meeting of the Board of Trustees of the Glasscock County Independent School District was held. The meeting was duly posted in accordance with the provisions of the Texas Open Meetings Act, Chapter 551, Texas Government Code. At the meeting, the Board of Trustees took up and considered the application of the DCP Midstream, LP (DCP) for an Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code. The Board of Trustees solicited input into its deliberations on the Application from interested parties within the District. After hearing presentations from the District's administrative staff, and from consultants retained by the District to advise the Board in this matter, the Board of Trustees of the Glasscock County Independent School District makes the following findings with respect to the application of DCP, and the economic impact of that application:

On January 9, 2012, the Superintendent of Schools of the Glasscock County Independent School District, acting as agent of the Board of Trustees, and the Texas Comptroller of Public Accounts received an Application from DCP for an Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code. A copy of the Application is attached as **Attachment A**.

The Applicant, DCP (Texas Taxpayer Id. 18410411666), is an entity subject to Chapter 171, Texas Tax Code, and is certified to be in good standing with the Texas Comptroller of Public Accounts. See **Attachment B**.

The Board of Trustees has acknowledged receipt of the Application, along with the requisite application fee, as established pursuant to Texas Tax Code § 313.025(a)(1) and Local District Policy.

Board Findings of the Glasscock County Independent School District

The Application was delivered to the Texas Comptroller's Office for review pursuant to Texas Tax Code § 313.025(d). A copy of the Application was delivered to the Glasscock County Appraisal District for review pursuant to 34 Tex. Admin. Code § 9.1054.

The Application was reviewed by the Texas Comptroller's Office pursuant to Texas Tax Code § 313.026, and a favorable recommendation was issued on May 31, 2012. A copy of the Comptroller's letter is attached to the findings as **Attachment C**.

After receipt of the Application, the Texas Comptroller of Public Accounts caused to be conducted an economic impact evaluation pursuant to Texas Tax Code § 313.026 and the Board of Trustees has carefully considered such evaluation. A copy of the economic impact evaluation is attached to these findings as **Attachment D**.

The Board of Trustees also directed that a specific financial analysis be conducted of the impact of the proposed value limitation on the finances of the Glasscock County Independent School District. A copy of a report prepared by Moak, Casey & Associates, Inc. is attached to these findings as **Attachment E**.

The Board of Trustees has confirmed that the taxable value of property in the Glasscock County Independent School District for the preceding tax year, as determined under Subchapter M, Chapter 403, Government Code, is as stated in **Attachment F**.

After receipt of the Application, the District entered into negotiations with DCP, over the specific language to be included in the Agreement for an Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code, including appropriate revenue protection provisions for the District. The proposed Agreement is attached to these findings as **Attachment G**.

Board Findings of the Glasscock County Independent School District

After review of the Comptroller's recommendation, and in consideration of its own economic impact study the Board finds:

Board Finding Number 1.

There is a strong relationship between the Applicant's industry and the types of qualifying jobs to be created by the Applicant and the long-term economic growth plan of this State as described in the strategic plan for economic development (ED Plan) submitted by the Texas Strategic Economic Development Planning Commission under Section 481.033, Texas Government Code.

The Texas Economic Development Plan focuses on attracting and developing industries using technology. It also identifies opportunities for existing Texas industries. The plan centers on promoting economic prosperity throughout Texas and the skilled workers that the DCP Midstream project requires appear to be in line with the focus and themes of the plan. Texas identified manufacturing as one of six target clusters in the Texas Cluster Initiative. The plan stresses the importance of technology in all sectors of the manufacturing industry.

Board Finding Number 2.

The economic condition of Glasscock County, Texas is in need of long-term improvement.

Based on information provided by the Comptroller's Office, Glasscock County is the 245th largest in the state in terms of population. Population growth in Glasscock County is positive and was the state's 158th fastest growing county from 2009 to 2010. The state population grew by 1.8 percent between 2009 and 2010, while the population of Glasscock County increased by 0.4 percent over the same period.

September 2011 employment for Glasscock County was unchanged from September 2010, below the state's 0.9 percent increase in total employment during the same period. The unemployment rate in Glasscock County was 5.7 percent in September 2011, lower than the state average of 8.5 percent. It is noteworthy that the Glasscock County unemployment rate increased from 5.4 percent a year ago to the 5.7 percent level in September 2011.

Board Findings of the Glasscock County Independent School District

Glasscock County continues to have a slightly lower per capita personal income than the state as a whole. In terms of per capita income, Glasscock County County's \$38,371 in 2009 ranked 45th among the 254 counties in Texas, while the Texas average was \$38,609 for the same period.

While a number of these indicators are positive, the local economy in Glasscock County is susceptible to adverse changes because of its relatively small population base. Glasscock County will benefit from economic activity like that associated with the DCP project. Major capital investments like this project are beneficial to the community on a number of fronts, including direct and indirect employment, expanded opportunities for existing businesses and increased local tax bases.

Board Finding Number 3.

The average salary level of qualifying jobs is expected to be at least \$53,000 per year. The review of the application by the State Comptroller's Office indicated that this amount—based on Texas Workforce Commission data—complies with the requirement that qualifying jobs must pay 110 percent of the regional average manufacturing wage. DCP indicates that total employment will be approximately ten (10) new jobs, all of which will be qualifying jobs.

In support of Finding 3, the economic impact evaluation states:

After construction, the project will create ten new jobs when fully operational. All ten jobs will meet the criteria for qualifying jobs as specified in Tax Code Section 313.021(3). According to the Texas Workforce Commission (TWC), the regional manufacturing wage for the Permian Basin Regional Planning Commission Region, where Glasscock County is located was \$41,398 in 2010. The annual average manufacturing wage for 2010-2011 for Glasscock County is not available. That same year, the county annual average wage for all industries was \$31,759. In addition to a salary of \$53,000, each qualifying position will receive benefits such as medical, dental and vision plans. DCP also offers 401(k) and retirement plans, life insurance, short and long term disability insurance, education assistance, scholarship program, holidays and vacation, a wellness program, matching gifts, and a short term incentive plan.

Board Finding Number 4.

The level of the applicant's average investment per qualifying job over the term of the Agreement is estimated to be approximately \$8 million on the basis of the goal of ten (10) new qualifying positions for the entire DCP project.

In support of Finding 4, the economic impact evaluation states:

The project's total investment is \$80 million, resulting in a relative level of investment per qualifying job of \$8 million.

Board Finding Number 5.

Subsequent economic effects on the local and regional tax bases will be significant. In addition, the impact of the added infrastructure will be significant to the region.

Table 1 depicts DCP Midstream's estimated economic impact to Texas. It depicts the direct, indirect and induced effects to employment and personal income within the state. The Comptroller's office calculated the economic impact based on 16 years of annual investment and employment levels using software from Regional Economic Models, Inc. (REMI). The impact includes the construction period and the operating period of the project.

Board Findings of the Glasscock County Independent School District

Table 1: Estimated Statewide Economic Impact of Investment and Employment in DCP Midstream

Source: CPA, REMI, DCP Midstream

The statewide average ad valorem tax base for school districts in Texas was \$1.6 billion in 2010. Glasscock ISD's ad valorem tax base in 2010 was \$1.12 billion. The statewide average wealth per WADA was estimated at \$345,067 for fiscal 2010-2011. During that same year, Glasscock ISD's estimated wealth per WADA was \$2,230,997. The impact on the facilities and finances of the district are presented in Attachment 2.

Table 2 examines the estimated direct impact on ad valorem taxes to the school district and Glasscock County, with all property tax incentives sought being granted using estimated market value from DCP Midstream's application. DCP Midstream has applied for both a value limitation under Chapter 313, Tax Code and tax abatement with the county. Table 3 illustrates the estimated tax impact of the DCP Midstream project on the region if all taxes are assessed.

¹Tax Rate per \$100 Valuation

Board Finding Number 6.

The revenue gains that will be realized by the school district if the Application is approved will be significant in the long-term, with special reference to revenues used for supporting school district debt.

In support of this finding, the analysis prepared by Moak, Casey & Associates projects that the project would initially add \$56 million to the tax base for debt service purposes at the peak investment level for the 2014-15 school year. The DCP project remains fully taxable for debt services taxes, with Glasscock County ISD currently levying a \$0.0748 per \$100 I&S rate. The value of the DCP project is expected to depreciate over the life of the agreement and beyond, but full access to the additional value will add to the District's tax base.

Board Finding Number 7.

The effect of the applicant's proposal, if approved, on the number or size of needed school district instructional facilities is not expected to increase the District's facility needs, with current trends suggest little underlying enrollment growth based on the impact of the DCP project.

The summary of financial impact prepared by Moak, Casey & Associates, Inc., indicates that there will be little to no impact on school facilities created by the new manufacturing project. This finding is confirmed by the TEA evaluation of this project's impact on the number and size of school facilities in Glasscock County ISD as stated in **Attachment D**.

Board Finding Number 8.

The ability of the applicant to locate the proposed facility in another state or another region of this state is substantial, as a result of the highly competitive marketplace for economic development.

In support of Finding 8, the economic impact evaluation states:

According to DCP's application, "DCP Midstream is the largest producer of natural gas liquids in North America and has significant pipeline infrastructure throughout Texas. This infrastructure provides DCP Midstream with the flexibility and opportunity to invest in a variety of regions in Texas and its neighboring states. Currently, DCP Midstream owns and operates 61 gas processing plants in 18 states. Capital investment is granted to projects that generate the best economic return for DCP Midstream. Currently, several projects in

Board Findings of the Glasscock County Independent School District

Louisiana, New Mexico and Colorado are competing with Texas projects for company investment.”

Board Finding Number 9.

During the past two years, seven projects in the Permian Basin Regional Planning Commission Region applied for value limitation agreements under Tax Code, Chapter 313.

Board Finding Number 10.

The Board of Trustees hired consultants to review and verify the information in the Application from DCP. Based upon the consultants’ review, the Board has determined that the information provided by the Applicant is true and correct.

Board Finding Number 11.

The Board of Trustees has determined that the Tax Limitation Amount requested by Applicant is currently Thirty Million Dollars, which is consistent with the minimum values currently set out by Tax Code, §§ 313.054(a).

According to the Texas Comptroller of Public Accounts’ School and Appraisal Districts’ Property Value Study 2010 Final Findings made under Subchapter M, Chapter 403, Government Code for the preceding tax year, Attachment F, the total 2011 industrial value for Glasscock County ISD is \$341.8 million. Glasscock County ISD is categorized as Subchapter C, which applies only to a school district that has territory in a strategic investment area, as defined under Subchapter O, Chapter 171, Tax Code or in a county: (1) that has a population of less than 50,000 and (2) in which, from 1990 to 2000, according to the federal decennial census, the population: (A) remained the same; (B) decreased; or (C) increased, but at a rate of not more than three percent per annum. Glasscock County ISD is classified as a “rural” district based on its population characteristics. Given that the value of industrial property in Glasscock County ISD is more than \$200 million, it is classified as a Category I district which can offer a minimum value limitation of \$30 million.

Board Finding Number 12.

The Applicant (Taxpayer Id. 18410411666) is eligible for the limitation on appraised value of qualified property as specified in the Agreement based on its “good standing” certification as a franchise-tax paying entity.

Board Finding Number 13.

The Agreement for an Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code, attached hereto as Attachment G, includes adequate and appropriate revenue protection provisions for the District.

In support of this finding, the report of Moak, Casey & Associates, Inc. shows that the District will incur a revenue loss in the first and subsequent years that the value limitation is in effect without the proposed Agreement. However, with this Agreement, the negative consequences of granting the value limitation are offset through the revenue protection provisions agreed to by the Applicant and the District. Revenue protection measures are in place for the duration of the Agreement.

Board Finding Number 14.

Considering the purpose and effect of the law and the terms of the Agreement, that it is in the best interest of the District and the State to enter into the attached Agreement for Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes.

It is therefore ORDERED that the Agreement attached hereto as **Attachment G** is approved and hereby authorized to be executed and delivered by and on behalf of the Glasscock County Independent School District. It is further ORDERED that these findings and the Attachments referred to herein be attached to the Official Minutes of this meeting, and maintained in the permanent records of the Board of Trustees of the Glasscock County Independent School District.

Re: Recommendations and Findings of the firm Concerning Application of DCP Midstream, LP for Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes

Dear President Wheeler and Members of the Board of Trustees:

Please accept this letter as formal notification of the completion of due diligence research on behalf of the Ector County Independent School District, with respect to the pending Application of DCP Midstream, LP for Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes. Since our engagement on behalf of the District, we have been actively engaged in reviewing the pending Application and verifying its contents. Based upon our review we have drawn the following conclusions:

1. All statements of current fact contained in the Application are true and correct.
2. The project proposed in the Application meets all applicable eligibility criteria of Chapter 313 of the Texas Tax Code.
3. The Applicant has the current means and ability to complete the proposed project.
4. All applicable school finance implications arising from the contemplated Agreement have been explored.
5. The proposed Agreement contains adequate revenue protection provisions to protect the interests of the District.

As a result of the foregoing it is our recommendation that the Board of Trustees approve the Application of DCP Midstream, LP for Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes.

Sincerely,

Daniel T. Casey

*Re: Recommendations and Findings of the Firm Concerning Application of DCP
Midstream, LP for Limitation on Appraised Value of Property for School District
Maintenance and Operations Taxes, first qualifying year 2013*

Dear President Wheeler and Members of the Board of Trustees:

Please accept this letter as formal notification of the completion of due diligence research on behalf of the Glasscock County Independent School District, with respect to the pending Application of DCP Midstream, LP for a Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes, to be effected by an agreement with a first qualifying time year of 2013. Since our engagement on behalf of the District, we have been actively engaged in reviewing the pending Application and verifying its contents. We have also negotiated an Agreement between the District and DCP Midstream, LP. Based upon our review we have drawn the following conclusions:

1. All statements of current fact contained in the Application are true and correct.
2. The project proposed in the Application meets all applicable eligibility criteria of Chapter 313 of the Texas Tax Code.
3. The Applicant has the current means and ability to complete the proposed project.

Letter to Glasscock County ISD
August 2, 2012
Page 2 of 2

4. All applicable school finance implications arising from the contemplated Agreement have been explored.
5. The proposed Agreement contains adequate legal provisions so as to protect the interests of the District.

As a result of the foregoing conclusions it is our recommendation that the Board of Trustees approve the Application of DCP Midstream, LP for Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin O'Hanlon", written in a cursive style.

Kevin O'Hanlon

Application

Application for Appraised Value Limitation on Qualified Property (Tax Code, Chapter 313, Subchapter B or C)

Form 50-296
(Revised May 2010)

INSTRUCTIONS: This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.026 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- notify the Comptroller that the school board has elected to consider the application.

This notice must include:

- the date on which the school district received the application;
- the date the school district determined that the application was complete;
- the date the school board decided to consider the application; and
- a request that the comptroller prepare an economic impact analysis of the application;
- provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the original completed application to the Comptroller in a three-ring binder with tabs separating each section of the documents, in addition to an electronic copy on CD. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, the Comptroller will publish all submitted application materials on its Web site. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller rules as explained in the Confidentiality Notice below.

The Comptroller will independently determine whether the application has been completed according to the Comptroller's rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project, make a recommendation to the school board regarding the application and prepare an economic impact evaluation by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application before the 151st day after the application review start date (the date the application is finally determined to be complete), unless an extension is granted. The Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to complete the recommendation, economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller's Web site to find out more about the program at <http://www.window.state.tx.us/taxinfo/proptax/hb1200/index.html>. There are links on this Web page to the Chapter 313 statute, rules and forms. Information about minimum limitation values for particular districts and wage standards may also be found at that site.

My commission expires 1-18-2016

If you make a false statement on this application, you could be found guilty of a Class A misdemeanor or a state jail felony under Texas Penal Code § 37.10.

FEES AND PAYMENTS

Enclosed is proof of application fee paid to the school district.

For the purpose of this question, "payments to the school district" include any and all payments or transfers of things of value made to the school district or to any person or persons in any form if such payment or transfer of thing of value being provided is in recognition of, anticipation of, or consideration for the agreement for limitation on appraised value.

Please answer only either A OR B:

A. Will any "payments to the school district" that you may make in order to receive a property tax value limitation agreement result in payments that are not in compliance with Tax Code, 313.027(i)? Yes No

B. If "payments to the school district" will only be determined by a formula or methodology without a specific amount being specified, could such method result in "payments to the school district" that are not in compliance with Tax Code §313.027(i)? Yes No

BUSINESS APPLICANT INFORMATION

Legal Name under which application is made

DCP Midstream, LP

Texas Taxpayer I.D. Number of entity subject to Tax Code, Chapter 171 (11 digits)

18410411666

NAICS code

325110

Is the applicant a party to any other Chapter 313 agreements? Yes No

If yes, please list name of school district and year of agreement.

Edna ISD, 2013* (pending agreement). Goliad ISD, 2013* (pending application).

APPLICANT BUSINESS STRUCTURE

Registered to do business in Texas with the Texas Secretary of State? Yes No

Identify business organization of applicant (corporation, limited liability corporation, etc.)

Limited Partnership

1. Is the applicant a combined group, or comprised of members of a combined group, as defined by Texas Tax Code Chapter 171.0001(7)? Yes No
If so, please attach documentation of the combined group membership and contact information.

2. Is the applicant current on all tax payments due to the State of Texas? Yes No

3. Are all applicant members of the combined group current on all tax payments due to the State of Texas? NA Yes No

If the answer to either question is no, please explain and/or disclose any history of default, delinquencies and/or any material litigation, including litigation involving the State of Texas. (Use attachment if necessary.)

ELIGIBILITY UNDER TAX CODE CHAPTER 313.024

- Are you an entity to which Tax Code, Chapter 171 applies? Yes No
- The property will be used as an integral part, or as a necessary auxiliary part, in one of the following activities:
- (1) manufacturing Yes No
 - (2) research and development Yes No
 - (3) a clean coal project, as defined by Section 5.001, Water Code Yes No
 - (4) an advanced clean energy project, as defined by Section 382.003, Health and Safety Code Yes No
 - (5) renewable energy electric generation Yes No
 - (6) electric power generation using integrated gasification combined cycle technology Yes No
 - (7) nuclear electric power generation Yes No
 - (8) a computer center that is used as an integral part or as a necessary auxiliary part for the activity conducted by applicant in one or more activities described by Subdivisions (1) through (7) Yes No
- Are you requesting that any of the land be classified as qualified investment? Yes No
- Will any of the proposed qualified investment be leased under a capitalized lease? Yes No
- Will any of the proposed qualified investment be leased under an operating lease? Yes No
- Are you including property that is owned by a person other than the applicant? Yes No
- Will any property be pooled or proposed to be pooled with property owned by the applicant in determining the amount of your qualified investment? Yes No

PROJECT DESCRIPTION

Provide a detailed description of the scope of the proposed project, including, at a minimum, the type and planned use of real and tangible personal property, the nature of the business, a timeline for property construction or installation, and any other relevant information. (Use attachments as necessary)

Please see attachment #4

Describe the ability of your company to locate or relocate in another state or another region of the state.

Please see attachment #4

PROJECT CHARACTERISTICS (CHECK ALL THAT APPLY)

- New Jobs
- Construct New Facility
- New Business / Start-up
- Expand Existing Facility
- Relocation from Out-of-State
- Expansion
- Purchase Machinery & Equipment
- Consolidation
- Relocation within Texas

PROJECTED TIMELINE

Begin Construction May 1, 2012 Begin Hiring New Employees May 1, 2012

Construction Complete July 1, 2013 Fully Operational July 1, 2013

Purchase Machinery & Equipment July 1, 2013

Do you propose to construct a new building or to erect or affix a new improvement after your application review start date (date your application is finally determined to be complete)? Yes No

Note: Improvements made before that time may not be considered qualified property.

When do you anticipate the new buildings or improvements will be placed in service? July 1, 2013

ECONOMIC INCENTIVES

Identify state programs the project will apply for:

State Source	Amount
_____	_____
_____	_____
_____	_____
Total	_____

Will other incentives be offered by local units of government? Yes No

Please use the following box for additional details regarding incentives. (Use attachments if necessary.)

***Pending Tax Abatements: Glasscock County

THE PROPERTY

Identify county or counties in which the proposed project will be located Glasscock County

Central Appraisal District (CAD) that will be responsible for appraising the property Glasscock County Appraisal District

Will this CAD be acting on behalf of another CAD to appraise this property? Yes No

List all taxing entities that have jurisdiction for the property and the portion of project within each entity

County: Glasscock County (100%) City: N/A
(Name and percent of project) (Name and percent of project)

Hospital District: N/A Water District: N/A
(Name and percent of project) (Name and percent of project)

Other (describe): N/A Other (describe): N/A
(Name and percent of project) (Name and percent of project)

Is the project located entirely within this ISD? Yes No

If not, please provide additional information on the project scope and size to assist in the economic analysis.

INVESTMENT

NOTE: The minimum amount of qualified investment required to qualify for an appraised value limitation and the minimum amount of appraised value limitation vary depending on whether the school district is classified as rural, and the taxable value of the property within the school district. For assistance in determining estimates of these minimums, access the Comptroller's Web site at www.window.state.tx.us/taxinfo/proptax/hb1200/values.html.

At the time of application, what is the estimated minimum qualified investment required for this school district? \$30 Million

What is the amount of appraised value limitation for which you are applying? \$30 Million

What is your total estimated qualified investment? \$70 Million

NOTE: See 313.021(1) for full definition. Generally, Qualified Investment is the sum of the investment in tangible personal property and buildings and new improvements made between beginning of the qualifying time period (date of application final approval by the school district) and the end of the second complete tax year.

What is the anticipated date of application approval? Aug 2012

What is the anticipated date of the beginning of the qualifying time period? Aug. 2012

What is the total estimated investment for this project for the period from the time of application submission to the end of the limitation period? \$80 Million

Describe the qualified investment. [See 313.021(1).]

Attach the following items to this application:

- (1) a specific and detailed description of the qualified investment you propose to make on the property for which you are requesting an appraised value limitation as defined by Tax Code §313.021,
(2) a description of any new buildings, proposed improvements or personal property which you intend to include as part of your minimum qualified investment and
(3) a map of the qualified investment showing location of new buildings or new improvements with vicinity map.

Do you intend to make at least the minimum qualified investment required by Tax Code §313.023 (or 313.053 for rural school districts) for the relevant school district category during the qualifying time period? [X] Yes [] No

Except for new equipment described in Tax Code §151.318(q) or (q-1), is the proposed tangible personal property to be placed in service for the first time:

- (1) in or on the new building or other new improvement for which you are applying? [X] Yes [] No
(2) If not in or on the new building or other new improvement for which you are applying for an appraised value limitation, is the personal property necessary and ancillary to the business conducted in the new building or other new improvement? [X] Yes [] No
(3) on the same parcel of land as the building for which you are applying for an appraised value limitation? [X] Yes [] No

("First placed in service" means the first use of the property by the taxpayer.)

Will the investment in real or personal property you propose be counted toward the minimum qualified investment required by Tax Code §313.023, (or 313.053 for rural school districts) be first placed in service in this state during the applicable qualifying time period? [X] Yes [] No

Does the investment in tangible personal property meet the requirements of Tax Code §313.021(1)? [X] Yes [] No

If the proposed investment includes a building or a permanent, non-removable component of a building, does it house tangible personal property? [X] Yes [] No

QUALIFIED PROPERTY

Describe the qualified property. [See 313.021(2)] (If qualified investment describes qualified property exactly you may skip items (1), (2) and (3) below.)

Attach the following items to this application:

- (1) a specific and detailed description of the qualified property for which you are requesting an appraised value limitation as defined by Tax Code §313.021,
(2) a description of any new buildings, proposed improvements or personal property which you intend to include as part of your qualified property and
(3) a map of the qualified property showing location of new buildings or new improvements - with vicinity map.

Land

Is the land on which you propose new construction or improvements currently located in an area designated as a reinvestment zone under Tax Code Chapter 311 or 312 or as an enterprise zone under Government Code Chapter 2303? [] Yes [X] No

If you answered "no" to the question above, what is the anticipated date on which you will submit proof of a reinvestment zone with boundaries encompassing the land on which you propose new construction or improvements? May 2012

Will the applicant own the land by the date of agreement execution? [X] Yes [] No

Will the project be on leased land? [] Yes [X] No

QUALIFIED PROPERTY (CONTINUED)

If the land upon which the new building or new improvement is to be built is part of the qualified property described by §313.021(2)(A), please attach complete documentation, including:

- 1. Legal description of the land
2. Each existing appraisal parcel number of the land on which the improvements will be constructed, regardless of whether or not all of the land described in the current parcel will become qualified property
3. Owner
4. The current taxable value of the land. Attach estimate if land is part of larger parcel.
5. A detailed map (with a vicinity map) showing the location of the land

Attach a map of the reinvestment zone boundaries, certified to be accurate by either the governmental entity creating the zone, the local appraisal district, or a licensed surveyor. (With vicinity map)

Attach the order, resolution or ordinance establishing the zone, and the guidelines and criteria for creating the zone, if applicable.

Miscellaneous

Is the proposed project a building or new improvement to an existing facility? [] Yes [x] No

Attach a description of any existing improvements and include existing appraisal district account numbers.

List current market value of existing property at site as of most recent tax year. \$0 (Market Value) 2011 (Tax Year)

Is any of the existing property subject to a value limitation agreement under Tax Code 313? [] Yes [x] No

Will all of the property for which you are requesting an appraised value limitation be free of a tax abatement agreement entered into by a school district for the duration of the limitation? [x] Yes [] No

WAGE AND EMPLOYMENT INFORMATION

What is the estimated number of permanent jobs (more than 1,600 hours a year), with the applicant or a contractor of the applicant, on the proposed qualified property during the last complete quarter before the application review start date (date your application is finally determined to be complete)? 0

The last complete calendar quarter before application review start date is the:

[] First Quarter [] Second Quarter [] Third Quarter [x] Fourth Quarter of 2011 (year)

What were the number of permanent jobs (more than 1,600 hours a year) this applicant had in Texas during the most recent quarter reported to the TWCC? 1,296

Note: For job definitions see TAC §9.1051(14) and Tax Code 313.021(3). If the applicant intends to apply a definition for "new job" other than TAC §9.1051(14)(C), then please provide the definition of "new job" as used in this application. N/A

Total number of new jobs that will have been created when fully operational 10

Do you plan to create at least 25 new jobs (at least 10 new jobs for rural school districts) on the land and in connection with the new building or other improvement? [x] Yes [] No

Do you intend to request that the governing body waive the minimum new job creation requirement, as provided under Tax Code §313.025(f-1)? [] Yes [x] No

If you answered "yes" to the question above, attach evidence documenting that the new job creation requirement above exceeds the number of employees necessary for the operation, according to industry standards. Note: Even if a minimum new job waiver is provided, 80% of all new jobs must be qualifying jobs pursuant to Texas Tax Code, §313.024(d).

What is the maximum number of qualifying jobs meeting all criteria of §313.021(3) you are committing to create? 10

If this project creates more than 1,000 new jobs, the minimum required wage for this project is 110% of the average county weekly wage for all jobs as described by 313.021(3)(E)(ii).

If this project creates less than 1,000 new jobs, does this district have territory in a county that meets the demographic characteristics of 313.051(2)? (see table of information showing this district characteristic at http://www.windov.state.tx.us/taxinfo/proptax/hb1200/values.html)

If yes, the applicant must meet wage standard described in 313.051(b) (110% of the regional average weekly wage for manufacturing)

If no, the applicant shall designate one of the wage standards set out in §§313.021(5)(A) or 313.021(5)(B).

WAGE AND EMPLOYMENT INFORMATION (CONTINUED)

For the following three wage calculations please include on an attachment the four most recent quarters of data for each wage calculation. Show the average and the 110% calculation. Include documentation from TWC Web site. The final actual statutory minimum annual wage requirement for the applicant for each qualifying job — which may differ slightly from this estimate — will be based on information from the four quarterly periods for which data were available at the time of the application review start date (date of a completed application). See TAC §9.1051(7).

110% of the county average weekly wage for all jobs (all industries) in the county is \$671.83
 110% of the county average weekly wage for manufacturing jobs in the county is N/A (manufacturing wage unavailable)
 110% of the county average weekly wage for manufacturing jobs in the region is \$ 875.73

Please identify which Tax Code section you are using to estimate the wage standard required for this project:

§313.021(5)(A) or §313.021(5)(B) or §313.021(3)(E)(II), or §313.051(b)?

What is the estimated minimum required annual wage for each qualifying job based on the qualified property? \$ 45,537.80

What is the estimated minimum required annual wage you are committing to pay for each of the qualifying jobs you create on the qualified property? \$ 53,000

- Will 80% of all new jobs created by the owner be qualifying jobs as defined by 313.021(3)? Yes No
 - Will each qualifying job require at least 1,600 of work a year? Yes No
 - Will any of the qualifying jobs be jobs transferred from one area of the state to another? Yes No
 - Will any of the qualifying jobs be retained jobs? Yes No
 - Will any of the qualifying jobs be created to replace a previous employee? Yes No
 - Will any required qualifying jobs be filled by employees of contractors? Yes No
- If yes, what percent? _____

Does the applicant or contractor of the applicant offer to pay at least 80% of the employee's health insurance premium for each qualifying job? Yes No

Describe each type of benefits to be offered to qualifying jobholders. (Use attachments as necessary.)

Please See Attachment

ECONOMIC IMPACT

- Is an Economic Impact Analysis attached (If supplied by other than the Comptroller's office)? Yes No
- Is Schedule A completed and signed for all years and attached? Yes No
- Is Schedule B completed and signed for all years and attached? Yes No
- Is Schedule C (Application) completed and signed for all years and attached? Yes No
- Is Schedule D completed and signed for all years and attached? Yes No

Note: Excel spreadsheet versions of schedules are available for download and printing at URL listed below.

If there are any other payments made in the state or economic information that you believe should be included in the economic analysis, please attach a separate schedule showing the amount for each year affected, including an explanation.

CONFIDENTIALITY NOTICE

**Property Tax Limitation Agreement Applications
Texas Government Code Chapter 313
Confidential Information Submitted to the Comptroller**

Generally, an application for property tax value limitation, the information provided therein, and documents submitted in support thereof, are considered public information subject to release under the Texas Public Information Act.

There is an exception, outlined below, by which information will be withheld from disclosure.

The Comptroller's office will withhold information from public release if:

- 1) It describes the specific processes or business activities to be conducted or the specific tangible personal property to be located on real property covered by the application;
- 2) the information has been segregated in the application from other information in the application; and
- 3) the party requesting confidentiality provides the Comptroller's office a list of the documents for which confidentiality is sought and for each document lists the specific reasons, including any relevant legal authority, stating why the material is believed to be confidential.

All applications and parts of applications which are not segregated and marked as confidential as outlined above will be considered public information and will be posted on the internet.

Such information properly identified as confidential will be withheld from public release unless and until the governing body of the school district acts on the application, or we are directed to do so by a ruling from the Attorney General.

Other information in the custody of a school district or the comptroller submitted in connection with the application, including information related to the economic impact of a project or the essential elements of eligibility under Texas Tax Code, Chapter 313, such as

the nature and amount of the projected investment, employment, wages, and benefits, will not be considered confidential business information and will be posted on the internet.

All documents submitted to the Comptroller, as well as all information in the application once the school district acts thereon, are subject to public release unless specific parts of the application or documents submitted with the application are identified as confidential. Any person seeking to limit disclosure of such submitted records is advised to consult with their legal counsel regarding disclosure issues and also to take the appropriate precautions to safeguard copyrighted material, trade secrets, or any other proprietary information. The Comptroller assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by respondents. A person seeking to limit disclosure of information must submit in writing specific detailed reasons, including any relevant legal authority, stating why that person believes the material to be confidential.

The following outlines how the Comptroller's office will handle requests for information submitted under the Texas Public Information Act for application portions and submitted records appropriately identified as confidential.

- This office shall forward the request for records and a copy of the documents at issue to the Texas Attorney General's office for an opinion on whether such information may be withheld from disclosure under the Texas Public Information Act.
- The Comptroller will notify the person who submitted the application/documents when the information is forwarded to the Attorney General's office.
- Please be aware that this Office is obligated to comply with an Attorney General's decision, including release of information ruled public even if it was marked confidential.

EXHIBIT A

General Description of New Project and List of Improvements:

DCP Midstream will construct a Natural Gas Processing Plant near Garden City in Glasscock County, Texas

Rawhide Plant:

The Rawhide Gas Plant will consist of a 75 million standard cubic feet per day (MMSCFD)(nominal) cryogenic gas processing plant designed to treat and process produced natural gas from DCP gathering systems located throughout West Texas. The Rawhide Gas Plant process consists of four main stages listed and detailed below:

1. Inlet separation and Compression
2. Gas Treating and Water Removal
3. Natural Gas Processing
4. Residue Gas Compression

The Rawhide Processing Plant will contain the following main processing units and utility systems:

Inlet Facilities
Dehydration
Regeneration
NGL Recovery Train
NGL Product Delivery Facilities
Residue Recompression & Cooling
Water Heat Recovery
Heat Medium
Fuel Gas
Methanol Injection
Drains & Flare
Instrument & Utility Air
Potable and Utility Water
Emergency Generator

DCP Midstream is the largest producer of natural gas liquids in North America and has significant pipeline infrastructure throughout Texas. This infrastructure provides DCP Midstream with flexibility and opportunity to invest in a variety of regions in Texas and its neighboring states. Currently, DCP Midstream owns and operates 61 gas processing plants in 18 states. Capital investment is granted to projects that generate the best economic return for DCP Midstream. Currently, several projects in Louisiana, New Mexico and Colorado are competing with Texas projects for company investment.

ATTACHMENT 5

THIS PROJECT WILL BE LOCATED EXCLUSIVELY WITHIN THE BOUNDARIES
OF THE GLASSCOCK INDEPENDENT SCHOOL DISTRICT

ATTACHMENT 6

THE QUALIFIED INVESTMENT FOR THE RAWHIDE GAS PROCESSING PLANT WILL CONTAIN THE FOLLOWING MAIN PROCESSING UNITS AND UTILITY SYSTEMS:

Inlet Facilities
Dehydration
Regeneration
NGL Recovery Train
NGL Product Delivery Facilities
Residue Recompression & Cooling
Water Heat Recovery
Heat Medium
Fuel Gas
Methanol Injection
Drains & Flare
Instrument & Utility Air
Potable and Utility Water
Emergency Generator
OPERATIONS AND MAINTENANCE BUILDING

NATURE OF WORK Access Road Easement DATE 3/31/11 LINE NO. _____
 DISTRICT Permian Basin PLANT OR STATION Rancho JOB OR AFB NO. 121130E01
 SEC. 22B TWP. _____ BK. OR RANGE 20 SURVEY W & NW RR CO. GLASSCOCK STATE TX
 STUDY NO. No Study Currently

BEING a 0.041 acre tract of land for an Access Road Easement out of Section 225, Block 20, Waco & Northwestern Rail Road Company Survey (W&NM RR), Glasscock County, Texas, same being out of a tract conveyed to McDonald 7V Ranch L.L.C., a Texas Limited Liability Company, recorded in the Glasscock County Official Public Records at the following volumes and pages: 88/212, 87/213, 87/220, 84/600, 84/605, 84/610, 84/615, and 84/621, and said 0.041 acre tract being more particularly described as follows:

Basis of Bearings is Grid North, Texas Central Zone Based on GPS observations

BEGINNING at a 102d nail found at or near the Northwest corner of said Section 225 and near the centerline of North McDonald Road, an existing colloquial road of approximately 80 foot total right-of-way width, for the Northwest corner of this tract;

THENCE S 87°02'26" E, along the North line of said Section 225, a distance of 59.1 feet to a 1/2-inch iron bar with red plastic cap marked "West Co. Abilene" set for the Northwest corner of a 40.00 acre surface site, for the Northeast corner of this tract;

THENCE S 03°15'56" W, along the West Line of said 40.00 acre surface site, a distance of 30.0 feet to a point calculated for the Southeast corner of this tract;

THENCE N 87°02'26" W, departing said West Line of the 40.00 acre surface site, in all a distance of 68.9 feet to a point in the West line of said Section 225 and at a point near the centerline of said North McDonald Road, for the Southwest corner of this tract;

THENCE N 02°52'12" E, along the West line of said Section 225 and generally along the centerline of said North McDonald Road, a distance of 30.0 feet to the POINT OF BEGINNING and containing 0.041 acres of land.

Survey Date: 5/17/2011

1. Coordinates and Bearings and Distances are grid and are based on Lambert Conformal Projection of the State Plane Coordinate System 1403, Texas Central Zone. To obtain surface values multiply distances by 1.00000077.
2. This survey was performed without the benefit of a title report. There may be easements and/or encumbrances affecting this property not shown hereon. Location of improvements and/or easements was beyond commissioned scope of this project and have been specifically omitted.
3. See documents and electronic data in the office of West Co. of Midland for complete reconstruction of these sections and blocks in drawing Jennifer's Drawings/Mocon/2011-0919.

NATURE OF WORK PROPOSED FEE TRACT DATE 6/20/11 LINE NO. _____
 DISTRICT Permian Basin PLANT OR STATION Ronhilda JOB OR AFE NO. 121130E01
 SEC. 226 TWP. _____ BIK OR RANGE 29 SURVEY W & NW RR CO. GLASSCOCK STATE, TX.
 STUDY NO: No Study Currently

BEING a 40.00 acre tract out of Section No. 225, Block 29, Waco & Northwestern Rail Road Company Survey (W&NW RR), Glasscock County, Texas, same being out of a tract conveyed to McDonald 7V Ranch L.L.C., a Texas Limited Liability Company, recorded in the Glasscock County Official Public Records at the following volumes and pages: 88/212, 87/213, 87/220, 84/600, 84/605, 84/610, 84/615, and 84/621, said 40.00 acre tract being more particularly described as follows:

Basis of Bearings is Grid North, Texas North Central Zone based on GPS observations

BEGINNING at a set 1/2 inch iron rod with plastic cap marked "West Co. Abilene" at the northwest corner of this tract, same being in the north line of said Section No. 225, where a found 120d nail in North McDonald Road bears 59.1 feet North 87 degrees 02 minutes 26 seconds West;

THENCE South 87 degrees 02 minutes 26 seconds East, along the north line of said Section No. 225, a distance of 1320.00' to a set 1/2 inch iron rod with plastic cap marked "West Co. Abilene" for the northeast corner of this tract, where a found wooden fence corner post at the northeast corner of said Section No. 225 bears 5286.3 feet South 87 degrees 02 minutes 26 seconds East, and a found 1/2 inch iron rod with plastic cap marked "Morris 2426" at the northeast corner of Section No. 226 bears 9,206.5 feet South 87 degrees 00 minutes 20 seconds East;

THENCE South 03 degrees 15 minutes 56 seconds West a distance of 1320.00' to a set 1/2 inch iron rod with plastic cap marked "West Co. Abilene" for the southeast corner of this tract;

THENCE North 87 degrees 02 minutes 26 seconds West, parallel to the north line of said Section No. 225, a distance of 1320.00' to a set 1/2 inch iron rod with plastic cap marked "West Co. Abilene" for the southwest corner of this tract, where a found planted stone in a stone mound bears for the southwest corner of said Section No. 225 bears 9252.1' South 03 degrees 15 minutes 31 seconds East;

THENCE North 03 degrees 15 minutes 56 seconds East a distance of 1320.00' to the Point of Beginning containing 40.00 acres. Surveyed on May 17th, 2011. See attached Plot.

Survey Date: 5/17/2011

1. Coordinates and Bearings and Distances are grid and are based on Lambert Conformal Projection of the State Plane Coordinate System NAD 83, Texas Central Zone. To obtain surface values multiply distances by 1.00000077.

2. This survey was performed without the benefit of a title report. There may be easements and/or encumbrances affecting this property not shown hereon. Location of improvements and/or easements were beyond commissioned scope of this project and have been specifically omitted.

3. See documents and electronic data in the office of West Co. of Midland for complete reconstruction of these sections and blocks in drawing X:\Data\Drawings\2011-0919.

Schedule A (Rev. May 2010): Investment

Form 50-295

ATTACHMENT 17
 Applicant Name DCP Midstream LP
 ISD Name GLASSCOCK INDEPENDENT SCHOOL DISTRICT

PROPERTY INVESTMENT AMOUNTS

		(Estimated investment in each year. Do not put cumulative totals.)									
	Year	School Year (YYYY-YYYY)	Tax Year (fill in actual tax year below) YYYY	Column A: Tangible Personal Property The amount of new investment (original cost) placed in service during the year	Column B: Building or permanent nonremovable component of building (annual amount only)	Column C: Sum of A and B Qualifying investment (during the qualifying time period)	Column D: Other investment that is not qualified investment but investment affecting economic impact and total value	Column E: Total Investment (A+B+D)			
The year preceding the first complete tax year of the qualifying time period (assuming no deferrals)	Investment made before filing complete application with district (neither qualified property nor eligible to become qualified investment)	2011-2012	2011								
	Investment made after filing complete application with district, but before final board approval of application (eligible to become qualified property)	2012-2013	2012	\$ 10,000,000				\$ 10,000,000			
	Investment made after final board approval of application and before Jan. 1 of first complete tax year of qualifying time period (qualified investment and eligible to become qualified property)	2012-2013	2012	\$ 30,000,000				\$ 30,000,000			
	Complete tax years of qualifying time period	1	2013-2014	2013	\$ 40,000,000				\$ 40,000,000		
		2	2014-2015	2014							
		3	2015-2016	2015							
		4	2016-2017	2016							
		5	2017-2018	2017							
	Value Limitation Period	6	2018-2019	2018							
		7	2019-2020	2019							
		8	2020-2021	2020							
		9	2021-2022	2021							
		10	2022-2023	2022							
	Credits Settle-Up Period	11	2023-2024	2023							
		12	2024-2025	2024							
13		2025-2026	2025								
14		2026-2027	2026								
15		2027-2028	2027								
Qualifying Time Period usually begins with the final board approval of the application and extends generally for the following two complete tax years.	Post-Settle-Up Period										
	Post-Settle-Up Period										

Column A: This represents the total dollar amount of planned investment in tangible personal property the applicant considers qualified investment - as defined in Tax Code §§13.021(1)(A)-(D). For the purposes of investment, please list amount invested each year, not cumulative totals.

Column B: Includes estimates of investment for "replacement" property-property that is part of original agreement but scheduled for probable replacement during limitation period. The total dollar amount of planned investment each year in buildings or nonremovable component of buildings that the applicant considers qualified investment under Tax Code §§13.021(1)(E).

Column D: For the years outside the qualifying time period, this number should simply represent the planned investment in new buildings or nonremovable components of buildings. Dollar value of other investment that may not be qualified investment but that may affect economic impact and total value-for planning, construction and operation of the facility. The most significant example for many projects would be land. Other examples may be items such as professional services, etc.

Column E: Note: Land can be listed as part of investment during the "pre-year 1" time period. It cannot be part of qualifying investment.

Notes: For advanced clean energy projects, nuclear projects, projects with deferred qualifying time periods, and projects with lengthy application review periods, insert additional rows as needed. This schedule must be submitted with the original application and any application for tax credit. When using this schedule for any purpose other than the original application, replace original estimates with actual appraisal district data for past years and update estimates for current and future years. If original estimates have not changed, enter those amounts for future years.

State of Texas**

Tax Abatement Guidelines and Criteria

The purpose of this document is to establish guidelines, and a uniform policy of tax abatement for owners or lessees of eligible facilities willing to execute tax abatement contracts designed to provide long term significant positive economic impact to the community by utilizing the area contractors and work force to the maximum extent feasible, and by developing, redeveloping, and improving property.

In order to be eligible for designation as a reinvestment zone and receive tax abatement, the planned improvement:

1. Must be reasonably expected to have an increase in positive net economic benefit to Glasscock County of at least \$1,000,000.00 over the life of the abatement, computed to include (but not limited to) new sustaining payroll and/or capital improvement. The creation of (number and type) new jobs will also factor into the decision to grant an abatement; and
2. Must not be expected to solely or primarily have the effect of transferring employment from one part of Glasscock County to another.

In addition to the criteria set forth above, the Glasscock County Commissioners Court reserves the right to negotiate a tax abatement agreement in order to compete favorably with other communities.

Only that increase in the fair market value of the property directly resultant from the development, redevelopment, and improvement specified in the contract will be eligible for abatement and then only to the extent that such increase exceeds any reduction in the fair market value of the other property of the Applicant located within the jurisdiction creating the reinvestment zone.

All abatement contracts will be for a term no longer than allowed by law.

It is the goal of Glasscock County to grant tax abatements on the same terms and conditions as the other taxing units having jurisdiction of the property. However, nothing herein shall limit the discretion of the Glasscock County Commissioners Court to consider, adopt, modify or decline any tax abatement request.

This policy is effective as of May 19, 2011 and shall at all times be kept current with regard to the needs of Glasscock County and reflective of the official views of the County Commissioners Court and shall be reviewed every two years.

The adoption of these guidelines and criteria by the Glasscock County Commissioners Court does not:

1. Limit the discretion of the governing body to decide whether or not to enter into a specific tax abatement agreement;
2. Limit the discretion of the governing body to delegate to its employees the authority to determine whether or not the governing body should consider a particular application or request for tax abatement;
3. Create any property, contract, or other legal right in any person to have the governing body consider or grant a specific application or request for tax abatement;

Section 1 Definitions

- A. "Abatement" means the full or partial exemption from ad valorem taxes of certain property in a reinvestment zone designated by Glasscock County or the City of Garden City for economic development purposes.
- B. "Agreement" means a contractual agreement between a property owner and/or Lessee and Glasscock County.
- C. "Base year value" means the assessed value on the eligible property as of January 1 preceding the execution of the agreement.
- D. "Deferred maintenance" means improvements necessary for continued operation which do not improve productivity or alter the process technology.
- E. "Eligible facilities" means new, expanded, or modernized buildings and structures, including fixed machinery and equipment, which is reasonably likely as a result of granting abatement to contribute to the retention or expansion of primary employment or to attract major investment in the reinvestment zone that would be a benefit to the property and that would contribute to the economic development of Glasscock County, but does not include facilities which are intended to be primarily to provide goods or services to residents for existing businesses located in Glasscock County, such as, but not limited to, restaurants and retail sales establishments, eligible facilities may include, but shall not be limited to hotels and office buildings.
- F. "Expansion" means the addition of building structures, machinery, equipment, or payroll for purposes of increasing production capacity.
- G. "Facility" means property improvement completed or in process of construction which together comprise an interregional whole.
- H. "Modernization" means a complete or partial demolition of facilities and the complete or partial reconstruction or installation of a facility of similar or expanded production capacity. Modernization may result from the construction, alteration, or installation of buildings, structures, machinery, or equipment, or both.

- I. "New facility" means property previously undeveloped which is placed into service by means other than or in conjunction with expansion or modernization.
- J. "Productive life" means the number of years a property improvement is expected to be in service in a facility.

Section 2
Abatement Authorized

- A. Eligible facilities. Upon application, eligible facilities shall be considered for tax abatement as hereinafter provided.
- B. Creation of New Values. Abatement may only be granted for the additional value of eligible property improvements made subsequent to and specified in an abatement agreement between Glasscock County and the property owner of Lessee, subject to such limitations as Glasscock County may require.
- C. New and existing facilities. Abatement may be granted for the additional value of eligible property improvements made subsequent to and specified in an abatement agreement between Glasscock County and the property owner of Lessee, subject to such limitations as Glasscock County may require.
- D. Eligible property. Abatement may be extended to the value of buildings, structures, fixed machinery and equipment, site improvements and related fixed improvements necessary to the operation and administration of the facility.
- E. Ineligible Property. The following types of property shall be fully taxable and ineligible for tax abatement: land, supplies, tools, furnishings, and other forms of movable personal property, housing, deferred maintenance, property to be rented or leased except as provided in Section 2 F, property which has a productive life of less than ten years.
- F. Owned/leased facilities. If a leased facility is granted abatement, the agreement shall be executed with the Lessor and the Lessee.
- G. Economic Qualifications. In order to be eligible for designation as a reinvestment zone and receive tax abatement, the planned improvement:
 - 1. Must be reasonably expected to have an increase in positive net benefit to Glasscock County of at least \$1,000,000.00 over the life of the abatement, computed to include (but not limited to) new sustaining payroll and/or capital improvement. The creation of (number and type) new jobs will also factor into the decision to grant an abatement; and
 - 2. Must not be expected to solely or primarily have the effect of transferring employment from Glasscock County to another.

H. Standards for Tax Abatement. The following factors, among other, shall be considered in determining whether to grant tax abatement:

1. Value of existing improvements, if any;
2. Type and value of proposed improvements;
3. Productive life of proposed improvements;
4. Number of existing jobs to be retained by proposed improvements;
5. Number and type of new jobs to be created by proposed improvements;
6. Amount of local payroll to be created;
7. Whether the new jobs to be created will be filled by persons residing or projected to reside within affected taxing jurisdiction;
8. Amount which property tax base valuation will be increased during term of abatement and after abatement, which shall include a definitive commitment that such valuation shall not, in any case, be less than \$1,000,000.00;
9. The costs to be incurred by Glasscock County to provide facilities directly resulting from the new improvements;
10. The amount of ad valorem taxes to be paid to Glasscock County during the abatement period considering:
 - a. the existing values;
 - b. the percentage of new value abated;
 - c. the abatement period; and
 - d. the value after expiration of the abatement period.
11. The population growth of Glasscock County that occurs directly as a result of new improvements;
12. The types and values of public improvements, if any, to be made by Applicant seeking abatement;
13. Whether the proposed improvements compete with existing businesses to the detriment of the local economy;
14. The impact on the business opportunities of existing businesses;
15. The attraction of other new businesses to the area;
16. The overall compatibility with the zoning ordinances and comprehensive plan for the area;
17. Whether the project obtains all necessary permits from the applicable environmental agencies.

Each eligible facility shall be reviewed on its merits utilizing the factors provided above. After such review, abatement may be denied entirely or may be granted to the extent deemed appropriate after full evaluation.

I. Denial of Abatement. Neither a reinvestment zone nor abatement agreement shall be authorized if it is determined that:

1. There would be substantial adverse affect on the provision of government services or tax base;
2. The applicant has insufficient financial capacity;

3. Planned or potential use of the property would constitute a hazard to public health, safety or morals;
4. Violation of other codes or laws; or
5. Any other reason deemed appropriate by Glasscock County.

J. Taxability. From the execution of the abatement to the end of the agreement period, taxes shall be payable as follows:

1. The value of ineligible property as provided in Section 2 E shall be fully taxable; and
2. The base year value of existing eligible property as determined each year shall be fully taxable.

The additional value of new eligible property shall be fully taxable at the end of the abatement period.

Section 3 Application

- A. Any present or potential owner of taxable property in Glasscock County may request the creation of a reinvestment zone and tax abatement by filing a written application with the County Judge.
- B. The Application shall consist of a general description of the new improvements to be undertaken, a descriptive list of the improvements for which an abatement is requested, a list of the kind, number and location of all proposed improvements of the property, a map and property description, a time schedule for undertaking and completing the proposed improvements. In the case of modernization, a statement of the assessed value of the facility, separately stated for real and personal property, shall be given for the tax year immediately preceding the Application. The County may require such financial and other information as deemed appropriate for evaluating the financial capacity and other factors pertaining to the Applicant, to be attached to the Application. The completed Application must be accompanied by the payment of a non-refundable application fee for administrative costs associated with the processing of the tax abatement request. All checks in payment of the administrative fee shall be made payable to Glasscock County. For abatement requests for improvements with a planned value equal to or in excess of \$1,000,000.00 the fee shall be one thousand and no/100 dollars (\$1,000.00), accompanied by the agreement that the Applicant shall pay reasonable attorney and consulting fees as may be incurred by Glasscock County in the examination of the application as well as the preparation and negotiation of any tax abatement agreement.
- C. Glasscock County shall give notice as provided by the Property Tax Code, i.e. written notice, to the presiding officer of the governing body of each taxing unit in which the property to be subject of the agreement is located not later than the seventh day before the public hearing and publication in a newspaper of general circulation within such taxing jurisdiction not later than the seventh day before the public hearing. Before acting upon

Application, Glasscock County shall, through public hearing, afford the Applicant and the designated representative of any governing body referenced hereinabove opportunity to show cause why the abatement should or should not be granted.

- D. If a city within Glasscock County designates a reinvestment zone within its corporate limits and enters into or proposes to enter into an abatement agreement with a present or potential owner of taxable property, such present or potential owner of taxable property may request tax abatement by Glasscock County by following the same application process described in Section 3 A hereof. No other notice or hearing shall be required except compliance with the Open Meetings Act, unless the Commissioners Court deems them necessary in a particular case.

Section 4 Agreement

- A. After approval, the Commissioners Court of Glasscock County shall formally pass a Resolution and execute an agreement with the owner of the facility and Lessee as required which shall:
1. Include a list of the kind, number, location of all proposed improvements to the property;
 2. Provide access to and authorize inspection of the property by the taxing unit to ensure compliance with the agreement;
 3. Limit the use of the property consistent with the taxing unit's developmental goals;
 4. Provide for recapturing property tax revenues that are lost if the owner fails to make improvements as provided by the agreement;
 5. Include each term that was agreed upon with the property owner and require the owner to annually certify compliance with the terms of the agreement to each taxing unit; and
 6. Allow the taxing unit to cancel or modify the agreement at any time if the property owner fails to comply with the terms of the agreement
- B The owner of the facility and Lessee shall also agree to the following:
1. A specified number of permanent full time jobs at facility shall be created, and the owner and Lessee shall make reasonably efforts to employ persons who are residents of Glasscock County in such jobs, provided, however, that there shall be no obligation to employ residents who are not:
 - a. equally or more qualified than nonresident applicants;
 - b. available for employment on terms and/or salaries comparable to those required by nonresident applicants; or
 - c. able to become qualified with 72 hours training provided by Owner.
 2. Each person employed in such job shall perform a portion, if not all, of their work in Glasscock County.

3. Owner shall agree that it and its contractors, if any, will use reasonably commercial efforts to maximize its use of goods and services available through Glasscock County businesses in the construction, operation, and maintenance of the improvements and the project; provided, however, that there shall be no requirement to use goods and services provided by Glasscock County residents that are not:
 - a. of similar quality to those provided by nonresidents; or
 - b. made available on terms and conditions (including pricing) comparable to those offered by nonresidents. Comparable price shall be defined as less than or equal to 105% of the nonresident price for equivalent quality, conditions and terms.
4. Owner or its construction contractor, if any, shall designate a coordinator of local services who will act as liaison between any individuals, businesses, and contractors residing or doing business in Glasscock County who are interested in obtaining information about providing goods or services related to the construction of the project. Additionally, Owner or its construction contractor, if any, shall advertise in local newspapers in Glasscock County for local contractors to perform work on the construction of the project.
5. Owner shall agree to maintain a viable presence (as below defined) within the Reinvestment Zone for a period of time, as set by the Glasscock County Commissioners Court, not to exceed twenty (20) years from the date that the abatement agreement first takes effect. For purposes hereof, "Maintain a Viable Presence" means (i) the operation of the Eligible Facilities, as the same may from time to time be expanded, upgraded, improved, modified, changed, remodeled, repaired, restored, reconstructed, reconfigured and/or reengineered, and (ii) the retention of not fewer than three (3) Qualifying Jobs as defined by Texas Tax Code Section 313.021(3)(E) to be located and performed within the County.
5. On May 1st of each year that the agreement shall be in effect, Owner shall certify to the County Judge of Glasscock County, and to the governing body of each taxing unity, that Owner is in compliance with each applicable term set forth above.

Such agreement shall normally be executed within sixty (60) days after the Applicant has forwarded all necessary information and documentation to the Commissioners Court.

Section 5 Recapture

- A. In the event that the company or individual:
1. Allows its ad valorem taxes owed Glasscock County to become delinquent and fails to timely and properly follow the legal procedures for their protest and/or contest; or
 2. Violates any of the terms and conditions of the abatement agreement and fails to cure during the cure period, the agreement then may be terminated and all taxes

previously abated by virtue of the agreement will be recaptured and paid within thirty (30) days of the termination.

- B. Should Glasscock County determine that the company or individual is in default according to the terms and conditions of its agreement, Glasscock County shall notify the company or individual in writing at the address stated in the agreement, and if such is not cured within thirty (30) days from the date of such notice (cure period) then the agreement may be terminated.

Section 6 Administration

- A. The Chief Appraiser of the Glasscock County Appraisal District will annually determine an assessment of the real and personal property comprising the reinvestment zone. Each year, the company or individual receiving abatement shall furnish the Appraiser with such information as may be necessary for the abatement. Once value has been established, the Chief Appraiser will notify the Commissioners Court of Glasscock County of the amount of the assessment.
- B. Glasscock County may execute a contract with any other jurisdictions to inspect the facility to determine if the terms and conditions of the abatement agreement are being met. The abatement agreement shall stipulate that employees and/or designated representatives of Glasscock County will have access to the reinvestment zone during the term of the abatement to inspect the facility to determine if the terms and conditions of the agreement are being met. All inspections will be made only after the giving of twenty-four (24) hours prior notice and will only be conducted in such a manner as to not unreasonably interfere with the construction and/or operation of the facility. All inspections will be made with one or more representatives of the company or individual and in accordance with its safety standards.
- C. Upon completion of construction, the designated representative of Glasscock County shall annually evaluate each facility receiving abatement to insure compliance with the agreement. A formal report shall be made to the Commissioners Court.

Section 7 Assignment

Abatement may be transferred and assigned by the holder to a new owner or lessee of the same facility upon the approval by resolution of the Commissioners Court of Glasscock County subject to the financial capacity of the assignee and provided that all conditions and obligations in the abatement agreement are guaranteed by the execution of a new contractual agreement with Glasscock County. No assignment or transfer shall be approved if the parties to the existing agreement, the new owner or new lessee are liable to any jurisdiction for outstanding taxes or other obligations. Approval shall not be unreasonably withheld.

Section 8 Sunset Provision

These guidelines and criteria are effective upon the date of their adoption and will remain in force for two years unless amended by three quarters vote of the Commissioners Court of Glasscock County, at which time all reinvestment zones and tax abatement agreements created pursuant to these provisions will be reviewed to determine whether the goals have been achieved. Based on the review, the guidelines and criteria will be modified, renewed, or eliminated.

State Comptroller's Recommendation

S U S A N

C O M B S

TEXAS COMPTROLLER *of* PUBLIC ACCOUNTS

P.O. Box 13528 • AUSTIN, TX 78711-3528

May 31, 2012

Steve Long
Superintendent
Glasscock Independent School District
P.O. Box 9
Garden City, Texas 79739

Dear Superintendent Long:

On May 15, 2012, the Comptroller received the completed application for a limitation on appraised value under the provisions of Tax Code Chapter 313¹. This application was originally submitted in January, 2012 to the Glasscock Independent School District (Glasscock ISD) by DCP Midstream, LP (DCP). This letter presents the results of the comptroller's review of the application:

- 1) under Section 313.025(h) to determine if the property meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C; and
- 2) under Section 313.025(d), to make a recommendation to the governing body of the school district as to whether the application should be approved or disapproved using the criteria set out by Section 313.026.

Glasscock ISD is currently classified as a rural school district in Category 1 according to the provisions of Chapter 313. Therefore, the applicant properly applied under the provisions of Subchapter C, applicable to rural school districts. The amount of proposed qualified investment (\$70,000,000) is consistent with the proposed appraised value limitation sought (\$30 million). The property value limitation amount noted in this recommendation is based on property values available at the time of application and may change prior to the execution of any final agreement. DCP is proposing the construction of a manufacturing facility in Glasscock County. DCP is an active franchise taxpayer in good standing, as required by Tax Code Section 313.024(a).

As required by Section 313.024(h), the Comptroller has determined that the property, as described by the application, meets the requirements of Section 313.024 for eligibility for a limitation on appraised value under Chapter 313, Subchapter C.

After reviewing the application using the criteria listed in Section 313.026, and the information provided by DCP, the Comptroller's recommendation is that DCP's application under Tax Code Chapter 313 be approved.

Our review of the application assumes the truth and accuracy of the statements in the application and that, if the application is approved, the applicant would perform according to the provisions of the agreement reached with the school district. Our recommendation does not address whether the applicant has complied with all Chapter 313 requirements. The school district is responsible for verifying that all requirements of the statute have been fulfilled. Additionally, Section 313.025 requires the school district to determine if the evidence supports making specific findings that the information in the application is

¹ All statutory references are to the Texas TaxCode, unless otherwise noted.

true and correct, the applicant is eligible for a limitation and that granting the application is in the best interest of the school district and state. As stated above, we prepared the recommendation by generally reviewing the application and supporting documentation in light of the Section 313.026 criteria.

The Comptroller's recommendation is based on the application that has been submitted and reviewed by the Comptroller. The recommendation may not be used by the ISD to support its approval of the property value limitation agreement if the application is modified, the information presented in the application changes, or the limitation agreement does not conform to the application. Additionally, this recommendation is contingent on future compliance with the Chapter 313 and the Texas Administrative Code, with particular reference to the following requirements related to the execution of the agreement:

1. The applicant must provide the Comptroller a copy of the proposed limitation on appraised value agreement no later than 10 days prior to the meeting scheduled by the district to consider approving the agreement, so that the Comptroller may review it for compliance with the statutes and the Comptroller's rules as well as consistency with the application;
2. The Comptroller providing written confirmation that it received and reviewed the draft agreement and affirming the recommendation made in this letter;
3. The district must approve and execute a limitation agreement that has been reviewed by this office within a year from the date of this letter; and
4. Section 313.025 requires the district to provide to the Comptroller a copy of the signed limitation agreement within 7 days after execution.

Should you have any questions, please contact Robert Wood, director of Economic Development & Analysis Division, by email at robert.wood@cpa.state.tx.us or by phone at 1-800-531-5441, ext. 3-3973, or direct in Austin at 512-463-3973.

Sincerely,

Martin A. Hubert
Deputy Comptroller

Enclosure

Attachment D

Economic Analysis

Economic Impact for Chapter 313 Project

Applicant	DCP Midstream, LP
Tax Code, 313.024 Eligibility Category	Manufacturing
School District	Glasscock ISD
2009-10 Enrollment in School District	283
County	Glasscock
Total Investment in District	\$80,000,000
Qualified Investment	\$70,000,000
Limitation Amount	\$30,000,000
Number of total jobs committed to by applicant	10
Number of qualifying jobs committed to by applicant	10
Average Weekly Wage of Qualifying Jobs committed to by applicant	\$1,019
Minimum Weekly Wage Required Tax Code, 313.051(b)	\$876
Minimum Annual Wage committed to by applicant for qualified jobs	\$53,000
Investment per Qualifying Job	\$8,000,000
Estimated 15 year M&O levy without any limit or credit:	\$6,995,980
Estimated gross 15 year M&O tax benefit	\$1,886,741
Estimated 15 year M&O tax benefit (<i>after</i> deductions for estimated school district revenue protection--but not including any deduction for supplemental payments or extraordinary educational expenses):	\$1,843,799
Tax Credits (estimated - part of total tax benefit in the two lines above - appropriated through Foundation School Program)	\$370,276
Net M&O Tax (15 years) After Limitation, Credits and Revenue Protection:	\$5,152,181
Tax benefit as a percentage of what applicant would have paid without value limitation agreement (percentage exempted)	26.4%
Percentage of tax benefit due to the limitation	80.4%
Percentage of tax benefit due to the credit.	19.6%

This presents the Comptroller's economic impact evaluation of DCP Midstream (the project) applying to Glasscock Independent School District (the district), as required by Tax Code, 313.026. This evaluation is based on information provided by the applicant and examines the following criteria:

- (1) the recommendations of the comptroller;
- (2) the name of the school district;
- (3) the name of the applicant;
- (4) the general nature of the applicant's investment;
- (5) the relationship between the applicant's industry and the types of qualifying jobs to be created by the applicant to the long-term economic growth plans of this state as described in the strategic plan for economic development submitted by the Texas Strategic Economic Development Planning Commission under Section 481.033, Government Code, as that section existed before February 1, 1999;
- (6) the relative level of the applicant's investment per qualifying job to be created by the applicant;
- (7) the number of qualifying jobs to be created by the applicant;
- (8) the wages, salaries, and benefits to be offered by the applicant to qualifying job holders;
- (9) the ability of the applicant to locate or relocate in another state or another region of this state;
- (10) the impact the project will have on this state and individual local units of government, including:
 - (A) tax and other revenue gains, direct or indirect, that would be realized during the qualifying time period, the limitation period, and a period of time after the limitation period considered appropriate by the comptroller; and
 - (B) economic effects of the project, including the impact on jobs and income, during the qualifying time period, the limitation period, and a period of time after the limitation period considered appropriate by the comptroller;
- (11) the economic condition of the region of the state at the time the person's application is being considered;
- (12) the number of new facilities built or expanded in the region during the two years preceding the date of the application that were eligible to apply for a limitation on appraised value under this subchapter;
- (13) the effect of the applicant's proposal, if approved, on the number or size of the school district's instructional facilities, as defined by Section 46.001, Education Code;
- (14) the projected market value of the qualified property of the applicant as determined by the comptroller;
- (15) the proposed limitation on appraised value for the qualified property of the applicant;
- (16) the projected dollar amount of the taxes that would be imposed on the qualified property, for each year of the agreement, if the property does not receive a limitation on appraised value with assumptions of the projected appreciation or depreciation of the investment and projected tax rates clearly stated;
- (17) the projected dollar amount of the taxes that would be imposed on the qualified property, for each tax year of the agreement, if the property receives a limitation on appraised value with assumptions of the projected appreciation or depreciation of the investment clearly stated;
- (18) the projected effect on the Foundation School Program of payments to the district for each year of the agreement;
- (19) the projected future tax credits if the applicant also applies for school tax credits under Section 313.103; and
- (20) the total amount of taxes projected to be lost or gained by the district over the life of the agreement computed by subtracting the projected taxes stated in Subdivision (17) from the projected taxes stated in Subdivision (16).

Wages, salaries and benefits [313.026(6-8)]

After construction, the project will create ten new jobs when fully operational. All ten jobs will meet the criteria for qualifying jobs as specified in Tax Code Section 313.021(3). According to the Texas Workforce Commission (TWC), the regional manufacturing wage for the Permian Basin Regional Planning Commission Region, where Glasscock County is located was \$41,398 in 2010. The annual average manufacturing wage for 2010-2011 for Glasscock County is not available. That same year, the county annual average wage for all industries was \$31,759. In addition to a salary of \$53,000, each qualifying position will receive benefits such as medical, dental and vision plans. DCP also offers 401(k) and retirement plans, life insurance, short and long term disability insurance, education assistance, scholarship program, holidays and vacation, a wellness program, matching gifts, and a short term incentive plan. The project's total investment is \$80 million, resulting in a relative level of investment per qualifying job of \$8 million.

Ability of applicant to locate to another state and [313.026(9)]

According to DCP Midstream's application, "DCP Midstream is the largest producer of natural gas liquids in North America and has significant pipeline infrastructure throughout Texas. This infrastructure provides DCP Midstream with the flexibility and opportunity to invest in a variety of regions in Texas and its neighboring states. Currently, DCP Midstream owns and operates 61 gas processing plants in 18 states. Capital investment is granted to projects that generate the best economic return for DCP Midstream. Currently, several projects in Louisiana, New Mexico and Colorado are competing with Texas projects for company investment."

Number of new facilities in region [313.026(12)]

During the past two years, seven projects in the Permian Basin Regional Planning Commission Region applied for value limitation agreements under Tax Code, Chapter 313.

Relationship of applicant's industry and jobs and Texas's economic growth plans [313.026(5)]

The Texas Economic Development Plan focuses on attracting and developing industries using technology. It also identifies opportunities for existing Texas industries. The plan centers on promoting economic prosperity throughout Texas and the skilled workers that the DCP Midstream project requires appear to be in line with the focus and themes of the plan. Texas identified manufacturing as one of six target clusters in the Texas Cluster Initiative. The plan stresses the importance of technology in all sectors of the manufacturing industry.

Economic Impact [313.026(10)(A), (10)(B), (11), (13-20)]

Table 1 depicts DCP Midstream's estimated economic impact to Texas. It depicts the direct, indirect and induced effects to employment and personal income within the state. The Comptroller's office calculated the economic impact based on 16 years of annual investment and employment levels using software from Regional Economic Models, Inc. (REMI). The impact includes the construction period and the operating period of the project.

Table 1: Estimated Statewide Economic Impact of Investment and Employment in DCP Midstream

Year	Employment			Personal Income		
	Direct	Indirect + Induced	Total	Direct	Indirect + Induced	Total
2012	54	62	116	\$2,810,000	\$4,190,000	\$7,000,000

The statewide average ad valorem tax base for school districts in Texas was \$1.6 billion in 2010. Glasscock ISD's ad valorem tax base in 2010 was \$1.12 billion. The statewide average wealth per WADA was estimated at \$345,067 for fiscal 2010-2011. During that same year, Glasscock ISD's estimated wealth per WADA was \$2,230,997. The impact on the facilities and finances of the district are presented in Attachment 2.

Table 2 examines the estimated direct impact on ad valorem taxes to the school district and Glasscock County, with all property tax incentives sought being granted using estimated market value from DCP Midstream's application. DCP Midstream has applied for both a value limitation under Chapter 313, Tax Code and tax abatement with the county. Table 3 illustrates the estimated tax impact of the DCP Midstream project on the region if all taxes are assessed.

¹Tax Rate per \$100 Valuation

Attachment 1 includes schedules A, B, C, and D provided by the applicant in the application. Schedule A shows proposed investment. Schedule B is the projected market value of the qualified property. Schedule C contains employment information, and Schedule D contains tax expenditures and other tax abatement information.

Attachment 2, provided by the district and reviewed by the Texas Education Agency, contains information relating to the financial impact of the proposed project on the finances of the district as well as the tax benefit of the value limitation. "Table 5" in this attachment shows the estimated 15 year M&O tax levy without the value limitation agreement would be \$6,995,980. The estimated gross 15 year M&O tax benefit, or levy loss, is \$1,886,741.

Attachment 3 is an economic overview of Glasscock County.

Disclaimer: This examination is based on information from the application submitted to the school district and forwarded to the comptroller. It is intended to meet the statutory requirement of Chapter 313 of the Tax Code and is not intended for any other purpose.

Mr. Robert Wood
Director, Economic Development and Analysis
Texas Comptroller of Public Accounts
Lyndon B. Johnson State Office Building
111 East 17th Street
Austin, Texas 78774

Dear Mr. Wood:

The Texas Education Agency has analyzed the revenue gains that would be realized by the proposed DCP Midstream project for the Glasscock County Independent School District (GCISD). Projections prepared by our Office of School Finance confirm the analysis that was prepared by Moak, Casey and Associates and provided to us by your division. We believe their assumptions regarding the potential revenue gain are valid, and their estimates of the impact of the DCP Midstream project on GCISD are correct.

Please feel free to contact Al McKenzie, manager of forecasting, facilities, and transportation, by phone at (512) 463-9186 or by email at al.mckenzie@tea.state.tx.us if you need further information regarding this issue.

Sincerely,

A handwritten signature in black ink that reads 'Belinda Dyer'.

Dear Mr. Wood:

As required by the Tax Code, §313.025 (b-1), the Texas Education Agency (TEA) has evaluated the impact of the proposed DCP Midstream project on the number and size of school facilities in Glasscock County Independent School District (GCISD). Based on the analysis prepared by Moak, Casey and Associates for the school district and a conversation with the GCISD superintendent, Steve Long, the TEA has found that the DCP Midstream project would not have a significant impact on the number or size of school facilities in GCISD.

Please feel free to contact Al McKenzie, manager of forecasting, facilities, and transportation, by phone at (512) 463-9186 or by email at al.mckenzie@tea.state.tx.us if you need further information regarding this issue.

Sincerely,

A handwritten signature in cursive script that reads "Belinda Dyer".

Glasscock County

Population

- Total county population in 2010 for Glasscock County: 1,236 , up 0.4 percent from 2009. State population increased 1.8 percent in the same time period.
- Glasscock County was the state's 245th largest county in population in 2010 and the 158 th fastest growing county from 2009 to 2010.
- Glasscock County's population in 2009 was 64.9 percent Anglo (above the state average of 46.7 percent), 0.7 percent African-American (below the state average of 11.3 percent) and 34.1 percent Hispanic (below the state average of 36.9 percent).
- 2009 population of the largest cities and places in Glasscock County:

Economy and Income

Employment

- September 2011 total employment in Glasscock County: 601 , unchanged 0.0 percent from September 2010. State total employment increased 0.9 percent during the same period.
(October 2011 employment data will be available November 18, 2011).
- September 2011 Glasscock County unemployment rate: 5.7 percent, up from 5.4 percent in September 2010. The statewide unemployment rate for September 2011 was 8.5 percent, up from 8.2 percent in September 2010.
- September 2011 unemployment rate in the city of:

(Note: County and state unemployment rates are adjusted for seasonal fluctuations, but the Texas Workforce Commission city unemployment rates are not. Seasonally-adjusted unemployment rates are not comparable with unadjusted rates).

Income

- Glasscock County's ranking in per capita personal income in 2009: 45th with an average per capita income of \$38,371, up 1.3 percent from 2008. Statewide average per capita personal income was \$38,609 in 2009, down 3.1 percent from 2008.

Industry

- Agricultural cash values in Glasscock County averaged \$39.39 million annually from 2007 to 2010. County total agricultural values in 2010 were up 62.0 percent from 2009. Major agriculture related commodities in Glasscock County during 2010 included:
 - Pecans
 - Other Beef
 - Hunting
 - Cottonseed
 - Colton
- 2011 oil and gas production in Glasscock County: 3.7 million barrels of oil and 12.1 million Mcf of gas. In September 2011, there were 1338 producing oil wells and 113 producing gas wells.

Taxes

Sales Tax - Taxable Sales

(County and city taxable sales data for 1st quarter 2011 is currently targeted for release in mid-September 2011).

Quarterly (September 2010 through December 2010)

- Taxable sales in Glasscock County during the fourth quarter 2010: \$1.26 million, up 107.5 percent from the same quarter in 2009.
- Taxable sales during the fourth quarter 2010 in the city of:

Taxable Sales through the end of 4th quarter 2010 (January 2010 through December 30, 2010)

- Taxable sales in Glasscock County through the fourth quarter of 2010: \$3.03 million, up 49.0 percent from the same period in 2009.
- Taxable sales through the fourth quarter of 2010 in the city of:

Annual (2010)

- Taxable sales in Glasscock County during 2010: \$3.03 million, up 49.0 percent from 2009.
- Glasscock County sent an estimated \$189,309.13 (or 0.00 percent of Texas' taxable sales) in state sales taxes to the state treasury in 2010.
- Taxable sales during 2010 in the city of:

Sales Tax – Local Sales Tax Allocations

(The release date for sales tax allocations to cities for the sales activity month of September 2011 is currently scheduled for November 9, 2011.)

Monthly

- Statewide payments based on the sales activity month of August 2011: \$505.22 million, up 13.9 percent from August 2010.
- Payments to all cities in Glasscock County based on the sales activity month of August 2011:
- Payment based on the sales activity month of August 2011 to the city of:

Fiscal Year

- Statewide payments based on sales activity months from September 2010 through August 2011: \$6.08 billion, up 8.0 percent from the same period in 2010.
- Payments to all cities in Glasscock County based on sales activity months from September 2010 through August 2011:
- Payments based on sales activity months from September 2010 through August 2011 to the city of:

January 2011 through August 2011 (Sales Activity Year-To-Date)

- Statewide payments based on sales activity months through August 2011: \$3.99 billion, up 8.3 percent from the same period in 2010.
- Payments to all cities in Glasscock County based on sales activity months through August 2011:
- Payments based on sales activity months through August 2011 to the city of:

12 months ending in August 2011

- Statewide payments based on sales activity in the 12 months ending in August 2011: \$6.08 billion, up 8.0 percent from the previous 12-month period.
- Payments to all cities in Glasscock County based on sales activity in the 12 months ending in August 2011:
- Payments based on sales activity in the 12 months ending in August 2011 to the city of:

City Calendar Year-To-Date (RJ 2011)

- Payment to the cities from January 2011 through October 2011:

Annual (2010)

- Statewide payments based on sales activity months in 2010: \$5.77 billion, up 3.3 percent from 2009.
- Payments to all cities in Glasscock County based on sales activity months in 2010:
- Payment based on sales activity months in 2010 to the city of:

Property Tax

- As of January 2009, property values in Glasscock County: \$1.23 billion, down 2.0 percent from January 2008 values. The property tax base per person in Glasscock County is \$1,009,745, above the statewide average of \$85,809. About 75.2 percent of the property tax base is derived from oil, gas and minerals.

State Expenditures

- Glasscock County's ranking in state expenditures by county in fiscal year 2010: 262nd. State expenditures in the county for FY2010: \$1.53 million, down 0.5 percent from FY2009.
- In Glasscock County, 5 state agencies provide a total of 12 jobs and \$98,486.00 in annualized wages (as of 1st quarter 2011).
- Major state agencies in the county (as of first quarter 2011):

- | | |
|---------------------------------------|--------------------------------|
| • AgriLife Extension Service | • Department of Transportation |
| • Department of State Health Services | • Texas A & M University |

Higher Education

■ Community colleges in Glasscock County fall 2010 enrollment:

- None.

■ Glasscock County is in the service area of the following:

- Howard County Junior College with a fall 2010 enrollment of 4,685 . Counties in the service area include:

Coke County
Concho County
Dawson County
Glasscock County
Howard County
Irion County
Kimble County
Martin County
Menard County
Schleicher County
Sterling County
Sutton County
Tom Green County

■ Institutions of higher education in Glasscock County fall 2010 enrollment:

- None.

School Districts

■ Glasscock County had 1 school districts with 2 schools and 274 students in the 2009-10 school year.

(Statewide, the average teacher salary in school year 2009-10 was \$48,263. The percentage of students, statewide, meeting the 2010 TAKS passing standard for all 2009-10 TAKS tests was 77 percent.)

- Glasscock County ISD had 274 students in the 2009-10 school year. The average teacher salary was \$47,905. The percentage of students meeting the 2010 TAKS passing standard for all tests was 87 percent.

Attachment E

Summary of Financial Impact

**SUMMARY OF FINANCIAL IMPACT OF THE PROPOSED DCP
MIDSTREAM PROJECT ON THE FINANCES OF THE GLASSCOCK
COUNTY INDEPENDENT SCHOOL DISTRICT UNDER A
REQUESTED CHAPTER 313 PROPERTY VALUE LIMITATION**

April 19, 2012

Final Report

PREPARED BY

Estimated Impact of the Proposed DCP Midstream Project on the Finances of the Glasscock County Independent School District under a Requested Chapter 313 Property Value Limitation

Introduction

DCP Midstream (DCP) has requested that the Glasscock County Independent School District (GCISD) consider granting a property value limitation under Chapter 313 of the Tax Code, also known as the Texas Economic Development Act. In an application initially submitted to GCISD on January 9, 2012 and later amended, DCP proposes to invest \$80 million to construct a new natural gas processing plant project in GCISD.

The DCP project is consistent with the state's goal to "encourage large scale capital investments in this state." When enacted as House Bill 1200 in 2001, Chapter 313 of the Tax Code granted eligibility to companies engaged in manufacturing, research and development, and renewable electric energy production to apply to school districts for property value limitations. Subsequent legislative changes expanded eligibility to clean coal projects, nuclear power generation and data centers, among others.

Under the provisions of Chapter 313, GCISD may offer a minimum value limitation of \$30 million. The provisions of Chapter 313 call for the project to be fully taxable in the 2013-14 and 2014-15 school years, unless the District and the Company agree to an extension of the start of the two-year qualifying time period. For the purpose of this analysis, it is assumed that the qualifying time period will be the 2013-14 and 2014-15 school years. Beginning in 2015-16, the project would go on the local tax roll at \$30 million and remain at that level of taxable value for eight years for maintenance and operations (M&O) taxes.

The full taxable value of the project could be assessed for debt service taxes on voter-approved bond issues throughout the limitation period, with GCISD currently levying a \$0.0748 I&S tax rate. The full taxable value of the investment is expected to reach \$56 million in 2014-15, with depreciation expected to reduce the taxable value of the project over the course of the value limitation agreement.

In the case of the DCP Midstream project, the agreement calls for a calculation of the revenue impact of the value limitation in years 3-10 of the agreement, under whatever school finance and property tax laws are in effect in each of those years. GCISD would experience a revenue loss as a result of the implementation of the value limitation in the 2015-16 school year (-\$14,230). Over the eight-year limitation period, the hold-harmless amounts are estimated to total approximately \$43,000.

Under the assumptions outlined below, the potential tax benefits under a Chapter 313 agreement could reach an estimated \$1.8 million over the course of the agreement. This amount is net of any anticipated revenue losses for the District.

School Finance Mechanics

Under the current school finance system, the property values established by the Comptroller's Office that are used to calculate state aid and recapture lag by one year, a practical consequence of the fact that the Comptroller's Office needs this time to conduct its property value study and now the planned audits of appraisal district operations in alternating years. A taxpayer receiving a value limitation pays M&O taxes on the reduced value for the project in years 3-10 and receives a tax bill for I&S taxes based on the full project value throughout the qualifying and value limitation period (and thereafter). The school funding formulas use the Comptroller's property values that reflect a reduction due to the property value limitation in years 4-11 as a result of the one-year lag in property values.

The third year is often problematical for a school district that approves a Chapter 313 value limitation. The implementation of the value limitation often results in a revenue loss to the school district in the third year of the agreement that would not be reimbursed by the state, but require some type of compensation from the applicant under the revenue protection provisions of the agreement. In years 4-10, smaller revenue losses would be anticipated when the state property values are aligned at the minimum value established by the Board on both the local tax roll and the corresponding state property value study, assuming a similar deduction is made in the state property values.

Under the HB 1 system adopted in 2006, most school districts received additional state aid for tax reduction (ASATR) that was used to maintain their target revenue amounts established at the revenue levels under old law for the 2005-06 or 2006-07 school years, whichever was highest. In terms of new Chapter 313 property value limitation agreements, adjustments to ASATR funding often moderated the impact of the reduced M&O collections as a result of the limitation, in contrast with the earlier formula-driven finance system.

House Bill 3646 as enacted in 2009 created more "formula" school districts that were less dependent on ASATR state aid than had been the case previously. The formula reductions enacted under Senate Bill 1 (SB 1) as approved in the First Called Session in 2011 are designed to make \$4 billion in reductions to the existing school funding formulas for the 2011-12 and 2012-13 school years. For the 2011-12 school year, across-the-board reductions were made that reduced each district's WADA count and resulted in an estimated 778 school districts still receiving ASATR to maintain their target revenue funding levels, while an estimated 249 districts operating directly on the state formulas.

For the 2012-13 school year, the SB 1 changes called for smaller across-the-board reductions and funding ASATR-receiving target revenue districts at 92.35 percent of the level provided for under the existing funding formula. The number of formula districts is expected to reach 624 in the 2012-13 school year, with 403 districts expected to receive ASATR funding.

For the 2013-14 school year and beyond, the ASATR reduction percentage will be set in the appropriations bill. The recent legislative session also saw the adoption of a statement of legislative intent to no longer fund target revenue (through ASATR) by the 2017-18 school year. It is likely that ASATR state funding will be reduced in future years and eliminated by the 2017-18 school year, based on current state policy.

One key element in any analysis of the school finance implications is the provision for revenue protection in the agreement between the school district and the applicant. In the case of the DCP

project, the agreement calls for a calculation of the revenue impact of the value limitation in years 3-10 of the agreement, under whatever school finance and property tax laws are in effect in each of those years. This meets the statutory requirement under Section 313.027(f)(1) of the Tax Code to provide school district revenue protection language in the agreement.

Underlying Assumptions

There are several approaches that can be used to analyze the future revenue stream of a school district under a value limitation. Whatever method is used, a reasonable analysis requires the use of a multi-year forecasting model that covers the years in which the agreement is in effect. The Chapter 313 application now requires 15 years of data and analysis on the project being considered for a property value limitation.

The general approach used here is to maintain static enrollment and property values in order to isolate the effects of the value limitation under the school finance system. The current SB 1 reductions are reflected in the underlying models. With regard to ASATR funding, the 92.35 percent reduction enacted for the 2012-13 school year is maintained until the 2017-18 school year. There is a statement of legislative intent adopted in 2011 to no longer fund target revenue by the 2017-18 school year, so that change is reflected in the estimates presented below. The projected taxable values of the DCP Midstream project are factored into the base model used here. The impact of the limitation value for the proposed DCP project is isolated separately and the focus of this analysis.

Student enrollment counts are held constant at 266 students in average daily attendance (ADA) in analyzing the effects of the DCP project on the finances of GCISD. The District's local tax base reached \$1.57 billion for the 2011 tax year and is maintained for the forecast period in order to isolate the effects of the property value limitation. An M&O tax rate of \$1.04 is used throughout this analysis. GCISD has estimated state property wealth per weighted ADA or WADA of approximately \$3.1 million for the 2011-12 school year. The enrollment and property value assumptions for the 15 years that are the subject of this analysis are summarized in Table 1.

School Finance Impact

School finance models were prepared for GCISD under the assumptions outlined above through the 2027-28 school year. Beyond the 2012-13 school year, no attempt was made to forecast the 88th percentile or Austin yield that influence future state funding beyond the projected level for that school year. In the analyses for other districts and applicants on earlier projects, these changes appeared to have little impact on the revenue associated with the implementation of the property value limitation, since the baseline and other models incorporate the same underlying assumptions.

Under the proposed agreement, a model is established to make a calculation of the "Baseline Revenue" by adding the value of the proposed DCP Midstream facility to the model, but without assuming that a value limitation is approved. The results of the model are shown in Table 2.

A second model is developed which adds the DCP Midstream value but imposes the proposed property value limitation effective in the third year, which in this case is the 2015-16 school year. The results of this model are identified as "Value Limitation Revenue Model" under the revenue protection provisions of the proposed agreement (see Table 3).

A summary of the differences between these models is shown in Table 4. The model results show approximately \$4.0 million a year in annual net General Fund revenue, after recapture and other adjustments have been made.

Under these assumptions, GCISD would experience a revenue loss as a result of the implementation of the value limitation in the 2015-16 school year (-\$14,230). The revenue reduction results from the mechanics of the up to six cents beyond the compressed M&O tax rate equalized to the Austin yield or not subject to recapture, which reflect the one-year lag in value associated with the property value study. Over the course of the agreement, total formula losses are expected to reach \$43,000.

As noted previously, no attempt was made to forecast further reductions in ASATR funding beyond the 92.35 percent adjustment adopted for the 2012-13 school year. It is assumed that ASATR will be eliminated beginning in the 2017-18 school year, based on the 2011 statement of legislative intent.

One risk factor under the estimates presented here relates to the implementation of the value limitation in the 2015-16 school year. The formula loss of \$14,230 cited above between the base and the limitation models for the 2015-16 school year is based on an assumption of about \$250,000 in M&O tax savings for DCP when the \$30 million limitation is implemented. Under the estimates presented here and as highlighted in Table 4, an increase in ASATR funding of about \$38,000 may offset some or all of the reduction in M&O taxes in the first year the value limitation is in effect, along with \$192,000 in reduced recapture costs.

In general, the ASATR offset poses little financial risk to the school district as a result of the adoption of the value limitation agreement. Based on these estimates, reduced recapture will offset most of the reduction in M&O taxes as a result of the adoption of the value limitation.

The Comptroller's state property value study influences these calculations, as noted previously. At the school-district level, a taxpayer benefiting from a property value limitation has two property values assigned by the local appraisal district for their property covered by the limitation: (1) a reduced value for M&O taxes, and (2) the full taxable value for I&S taxes. This situation exists for the eight years that the value limitation is in effect. Beginning with the 2011 tax year, the Comptroller's Property Tax Assistance Division will make two value determinations for school districts granting Chapter 313 agreements, consistent with local practice. A consolidated single state property value had been provided previously.

Impact on the Taxpayer

Table 5 summarizes the impact of the proposed property value limitation in terms of the potential tax savings under the property value limitation agreement. The focus of this table is on the M&O tax rate only. As noted previously, the property is fully taxable in the first two years under the agreement. A \$1.04 per \$100 of taxable value M&O rate is assumed in 2012-13 and thereafter.

Under the assumptions used here, the potential tax savings from the value limitation total \$1.5 million over the life of the agreement. In addition, DCP would be eligible for a tax credit for M&O taxes paid on value in excess of the value limitation in each of the first two qualifying years. The credit amount is paid out slowly through years 4-10 due to statutory limits on the scale of these payments over these seven years, with catch-up payments permitted in years 11-13. The tax credits are expected to total approximately \$370,000 over the life of the agreement, with no

unpaid tax credits anticipated. The District is to be reimbursed by the Texas Education Agency for the cost of these credits.

The key GCISD revenue losses are expected to total approximately -\$42,942 over the course of the agreement. The potential total net tax benefits (inclusive of tax credits but after hold-harmless payments are made) are estimated to total \$1.8 million over the life of the agreement. While legislative changes to ASATR funding could increase the hold-harmless amount owed in the first two years of the agreement, these amounts are modest and there would still be a substantial tax benefit to DCP under the value limitation agreement for the remaining years that the limitation is in effect. Reductions in recapture costs offset most of the reduction in M&O tax collections for the eight years that the value limitation is in effect.

Facilities Funding Impact

The DCP project remains fully taxable for debt services taxes, with GCISD currently levying a \$0.0748 I&S rate. The value of the DCP project is expected to depreciate over the life of the agreement and beyond, but full access to the additional value is expected to increase the District's tax base. At its peak taxable value, however, there will be minimal impact on the District's current I&S tax rate.

The DCP project is not expected to affect GCISD in terms of enrollment. Continued expansion of the project and related natural gas development could result in additional employment in the area and an increase in the school-age population, but this project is unlikely to have much impact on a stand-alone basis.

Conclusion

The proposed DCP Midstream natural gas processing plant project enhances the tax base of GCISD. It reflects continued capital investment in keeping with the goals of Chapter 313 of the Tax Code.

Under the assumptions outlined above, the potential tax savings for the applicant under a Chapter 313 agreement could reach an estimated \$1.8 million. (This amount is net of any anticipated revenue losses for the District.) The additional taxable value also enhances the tax base of GCISD in meeting its future debt service obligations.

***Note:** School District Revenue-Loss estimates are subject to change based on numerous factors, including legislative and Texas Education Agency administrative changes to school finance formulas, year-to-year appraisals of project values, and changes in school district tax rates. One of the most substantial changes to the school finance formulas related to Chapter 313 revenue-loss projections could be the treatment of Additional State Aid for Tax Reduction (ASATR). Legislative intent is to end ASATR in 2017-18 school year. Additional information on the assumptions used in preparing these estimates is provided in the narrative of this Report.

August 13, 2012

**AGREEMENT FOR LIMITATION ON APPRAISED VALUE OF PROPERTY FOR
SCHOOL DISTRICT MAINTENANCE AND OPERATIONS TAXES**

STATE OF TEXAS §

COUNTY OF GLASSCOCK §

THIS AGREEMENT FOR LIMITATION ON APPRAISED VALUE OF PROPERTY FOR SCHOOL DISTRICT MAINTENANCE AND OPERATIONS TAXES, hereinafter referred to as this "Agreement," is executed and delivered by and between the GLASSCOCK COUNTY INDEPENDENT SCHOOL DISTRICT, hereinafter referred to as the "District," a lawfully created independent school district within the State of Texas operating under and subject to the Texas Education Code, and DCP MIDSTREAM, LP, (*Texas Taxpayer ID #18410411666*), hereinafter referred to as the "Applicant." The Applicant and the District are hereinafter sometimes referred to individually as a "Party" and collectively as the "Parties." Certain capitalized and other terms used in this Agreement shall have the meanings ascribed to them in Section 1.3.

RECITALS

WHEREAS, on January 9, 2012, the Superintendent of Schools (hereinafter referred to as "Superintendent") of the Glasscock County Independent School District, acting as agent of the Board of Trustees of the District (the "Board of Trustees"), received from the Applicant an Application for Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code; and,

WHEREAS, on January 9, 2012, the Board of Trustees authorized the Superintendent to accept, on behalf of the District, the Application from DCP Midstream, LP, and on January 9, 2012, the Superintendent acknowledged receipt of the Application and the requisite application fee as established pursuant to Texas Tax Code §313.025(a)(1) and Local District Policy CCG (Local); and,

WHEREAS, the Application were delivered to the office of the Comptroller for review pursuant to Texas Tax Code §313.025(d); and,

WHEREAS, the Comptroller, via letter, has established May 15, 2012 as the completed Application date; and,

WHEREAS, pursuant to 34 Texas Administrative Code §9.1054, the Application was delivered for review to the Glasscock County Appraisal District established in Glasscock County, Texas (the "Appraisal District"), pursuant to Texas Tax Code §6.01; and,

WHEREAS, the Comptroller reviewed the Application pursuant to Texas Tax Code §313.025(d), and on June 4, 2012 the Comptroller, via letter, recommended that the Application be approved; and,

WHEREAS, the Comptroller conducted an economic impact evaluation pursuant to Chapter 313 of the Texas Tax Code which was presented to the Board of Trustees at a public hearing held in connection with the Board of Trustees' consideration of the Application; and,

WHEREAS, the Board of Trustees has carefully reviewed the economic impact evaluation prepared pursuant to Texas Tax Code §313.026 and has carefully considered the Comptroller's positive recommendation for the project; and,

WHEREAS, on August 10, 2012, the District received written notification, pursuant to 34 Texas Administrative Code §9.1055(e)(2)(A), that the Comptroller reviewed this Agreement, and reaffirmed the recommendation previously made on June 4, 2012 that the Application be approved; and,

WHEREAS, on August 13, 2012, the Board of Trustees conducted a public hearing on the Application at which it solicited input into its deliberations on the Application from all interested parties within the District; and,

WHEREAS, on August 13, 2012, the Board of Trustees made factual findings pursuant to Texas Tax Code §313.025(f), including, but not limited to findings that: (i) the information in the Application is true and correct; (ii) this Agreement is in the best interest of the District and the State of Texas; (iii) the Applicant is eligible for the limitation on appraised value of the Applicant's Qualified Property; and, (iv) each criterion referenced in Texas Tax Code §313.025(e) has been met; and,

WHEREAS, pursuant to Texas Tax Code to §313.051(b), in Schedule C of the Application, the Applicant has committed to create and maintain ten (10) New Jobs when the project becomes fully operational, eighty percent (80%) of which will be Qualifying Jobs, until the Final Termination Date; and,

WHEREAS, on August 13, 2012, the Board of Trustees determined that the Tax Limitation Amount requested by the Applicant, and as defined in Sections 1.2 and 1.3, below, is consistent with the minimum values set out by Tax Code, §§313.022(b) and 313.052, as such Tax Limitation Amount was computed for the effective date of this Agreement; and,

WHEREAS, on August 13, 2012, the Board of Trustees approved the form of this Agreement for a Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes, and authorized the President and Secretary of the Board of Trustees to execute and deliver such Agreement to the Applicant;

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants and agreements herein contained, the Parties agree as follows:

ARTICLE I

AUTHORITY, TERM, DEFINITIONS, AND GENERAL PROVISIONS

Section 1.1. AUTHORITY

This Agreement is executed by the District as its written agreement with the Applicant pursuant to the provisions and authority granted to the District in Texas Tax Code §313.027.

Section 1.2. TERM OF THE AGREEMENT

This Agreement shall commence and first become effective on the Commencement Date, as defined in Section 1.3, below. In the event that the Applicant makes a Qualified Investment in the amount defined in Section 2.6 below, between the Commencement Date and the end of the Qualifying Time Period, Applicant will be entitled to the Tax Limitation Amount defined in Section 1.3 below, for the following Tax Years: 2015, 2016, 2017, 2018, 2019, 2020, 2021, and 2022. The limitation on the local ad valorem property values for Maintenance and Operations purposes shall commence with the property valuations made as of January 1, 2015, the appraisal date for the third full Tax Year following the Commencement Date.

The period beginning with the Commencement Date of August 13, 2012 and ending on December 31, 2014 will be referred to herein as the "Qualifying Time Period," as that term is defined in Texas Tax Code §313.021(4). Applicant shall not be entitled to a tax limitation during the Qualifying Time Period.

Unless sooner terminated as provided herein, the limitation on the local ad valorem property values shall terminate on December 31, 2022. Except as otherwise provided herein, this Agreement will terminate in full on the Final Termination Date. The termination of this Agreement shall not (i) release any obligations, liabilities, rights and remedies arising out of any breach of, or failure to comply with, this Agreement occurring prior to such termination, or (ii) affect the right of a Party to enforce the payment of any amount to which such Party was entitled before such termination or to which such Party became entitled as a result of an event that occurred before such termination, so long as the right to such payment survives said termination.

Except as otherwise provided herein, the Tax Years for which this Agreement is effective are as set forth below and set forth opposite each such Tax Year are the corresponding year in the term of this Agreement, the date of the Appraised Value determination for such Tax Year, and a summary description of certain provisions of this Agreement corresponding to such Tax Year (it being understood and agreed that such summary descriptions are for reference purposes only, and shall not affect in any way the meaning or interpretation of this Agreement):

Section 1.3. DEFINITIONS

Wherever used herein, the following terms shall have the following meanings, unless the context in which used clearly indicates another meaning, to-wit:

"Act" means the Texas Economic Development Act set forth in Chapter 313 of the Texas Tax Code, as amended.

"Affiliate" of any specified person or entity means any other person or entity which, directly or indirectly, through one or more intermediaries, controls, or is controlled by, or is under direct or indirect common control with such specified person or entity. For purposes of this definition "control" when used with respect to any person or entity means (i) the ownership, directly or indirectly, or fifty percent (50%) or more of the voting securities of such person or entity, or (ii) the right to direct the management or operations of such person or entity, directly or indirectly, whether through the ownership (directly or indirectly) of securities, by contract or otherwise.

"Affiliated Group" means a group of one or more entities in which a controlling interest is owned by a common owner or owners, either corporate or non-corporate, or by one or more of the member entities.

"Aggregate Limit" means, for any Tax Year during the term of this Agreement, the cumulative total of the Annual Limit amount for such Tax Year and for all previous Tax Years

during the course of this Agreement, less all amounts paid by the Applicant to or on behalf of the District under Article IV.

"Agreement" means this Agreement, as the same may be modified, amended, restated, amended and restated, or supplemented from time to time in accordance with Section 8.3.

"Annual Limit" means the maximum annual benefit which can be paid directly to the District as a Supplemental Payment under the provisions of Texas Tax Code §313.027(i). For purposes of this Agreement, the amount of the Annual Limit shall be calculated, pursuant to Texas Education Code §42.005, by multiplying the District's 2010-11 average daily attendance of no less than 265.77, times \$100, or any larger amount allowed by Texas Tax Code §313.027(i), if such limit amount is increased for any future year of this Agreement. The Annual Limit shall first be computed for Tax Year 2012, which, by virtue of the Commencement Date is the first year of the Qualifying Time Period under this Agreement.

"Applicant" means DCP Midstream, LP, *Texas Taxpayer Identification Number 18410411666*, the company listed in the Preamble of this Agreement who, on January 9, 2012, filed the Original Application with the District for an Appraised Value Limitation on Qualified Property, pursuant to Chapter 313 of the Texas Tax Code. The term "Applicant" shall also include the Applicant's assigns and successors-in-interest.

"Applicable School Finance Law" means Chapters 41 and 42 of the Texas Education Code, the Texas Economic Development Act (Chapter 313 of the Texas Tax Code), Chapter 403, Subchapter M, of the Texas Government Code applicable to the District, and the Constitution and general laws of the State applicable to the independent school districts of the State, including specifically, the applicable rules and regulations of the agencies of the State having jurisdiction over any matters relating to the public school systems and school districts of the State, and judicial decisions construing or interpreting any of the above. The term also includes any amendments or successor statutes that may be adopted in the future that could impact or alter the calculation of the Applicant's ad valorem tax obligation to the District, either with or without the limitation of property values made pursuant to this Agreement.

"Application" means the Application for Appraised Value Limitation on Qualified Property (Chapter 313, Subchapter B or C, of the Texas Tax Code) filed with the District by the Applicant on January 9, 2012 which has been certified by the Comptroller's office to constitute a complete final Application as of the date of May 15, 2012. The term includes all forms required by the Comptroller, the schedules attached thereto, and all other documentation submitted by the Applicant for the purpose of obtaining this Agreement with the District. The term also includes all amendments and supplements thereto submitted by the Applicant.

"Appraised Value" shall have the meaning assigned to such term in Section 1.04(8) of the Texas Tax Code.

"Appraisal District" means the Glasscock County Appraisal District.

"Board of Trustees" means the Board of Trustees of the Glasscock County Independent School District.

"Commencement Date" means August 13, 2012, the date upon which this Agreement was approved by the District's Board of Trustees.

"Completed Application Date" means May 15, 2012, the date upon which the Comptroller determined to be the date of its receipt of a completed Application for Appraised Value Limitation on Qualified Property (Texas Tax Code, Chapter 313, Subchapter B or C), Comptroller Form 50-296, from the Applicant.

"Comptroller" means the Texas Comptroller of Public Accounts, or the designated representative of the Texas Comptroller of Public Accounts acting on behalf of the Comptroller.

"Comptroller's Rules" means the applicable rules and regulations of the Comptroller set forth at Title 34 of the Texas Administrative Code, Chapter 9, Subchapter D, together with any court or administrative decisions interpreting same.

"County" means Glasscock County, Texas.

"Determination of Breach and Notice of Contract Termination" shall have the meaning assigned to such term in Section 7.8 of the Agreement.

"District" or "School District" means the Glasscock County Independent School District, being a duly authorized and operating independent school district in the State, having the power to levy, assess, and collect ad valorem taxes within its boundaries and to which Subchapter C of the Act applies. The term also includes any successor independent school district or other successor governmental authority having the power to levy and collect ad valorem taxes for school purposes on the Applicant's Qualified Property or the Applicant's Qualified Investment.

"Final Termination Date" means December 31, 2025. However, any payment obligations of any Party arising under this Agreement prior to the Final Termination Date will survive until paid by the Party owing same.

"Force Majeure" means a failure caused by (a) provisions of law, or the operation or effect of rules, regulations or orders promulgated by any governmental authority having jurisdiction over the Applicant, the Applicant's Qualified Property or the Applicant's Qualified Investment or any upstream, intermediate or downstream equipment or support facilities as are necessary to the operation of the Applicant's Qualified Property or the Applicant's Qualified Investment; (b) any demand or requisition, arrest, order, request, directive, restraint or requirement of any government or governmental agency whether federal, state, military, local or otherwise; (c) the action, judgment or decree of any court; (d) floods, storms, hurricanes, evacuation due to threats of hurricanes, lightning, earthquakes, washouts, high water, fires, acts of God or public enemies, wars (declared or undeclared), blockades, epidemics, riots or civil disturbances, insurrections, strikes, labor disputes (it being understood that nothing contained in

this Agreement shall require the Applicant to settle any such strike or labor dispute), explosions, breakdown or failure of plant, machinery, equipment, lines of pipe or electric power lines (or unplanned or forced outages or shutdowns of the foregoing for inspections, repairs or maintenance), inability to obtain, renew or extend franchises, licenses or permits, loss, interruption, curtailment or failure to obtain electricity, gas, steam, water, wastewater disposal, waste disposal or other utilities or utility services, inability to obtain or failure of suppliers to deliver equipment, parts or material, or inability of the Applicant to ship or failure of carriers to transport electricity from the Applicant's facilities; or (e) any other cause (except financial), whether similar or dissimilar, over which the Applicant has no reasonable control and which forbids or prevents performance.

"Land" shall have the meaning assigned to such term in Section 2.2.

"Maintain Viable Presence" means, after the development and construction of the project described in the Application and in the description of the Applicant's Qualified Investment and Qualified Property as set forth in Section 2.3 below, (i) the operation over the term of this Agreement of the facility or facilities for which the tax limitation is granted, as the same may from time to time be expanded, upgraded, improved, modified, changed, remodeled, repaired, restored, reconstructed, reconfigured, and/or reengineered; (ii) the maintenance of at least ten (10) New Jobs, from the time they are created until the Final Termination Date and (iii) the maintenance of at least eight (8) New Jobs as set forth in the Application from the time they are created until the Final Termination Date.

"M&O Amount" shall have the meaning assigned to such term in Section 3.2 of this Agreement.

"Maintenance and Operations Revenue" or "M&O Revenue" means (i) those revenues which the District receives from the levy of its annual ad valorem maintenance and operations tax pursuant to Texas Education Code §45.002 and Article VII §3 of the Texas Constitution, plus (ii) all State revenues to which the District is or may be entitled under Chapter 42 of the Texas Education Code or any other statutory provision as well as any amendment or successor statute to these provisions, plus (iii) any indemnity payments received by the District under other agreements similar to this Agreement to the extent that such payments are designed to replace District M&O Revenue lost as a result of such similar agreements, less (iv) any amounts necessary to reimburse the State of Texas or another school district for the education of additional students pursuant to Chapter 41 of the Texas Education Code.

"Market Value" shall have the meaning assigned to such term in Section 1.04(7) of the Texas Tax Code.

"Net Tax Benefit" means an amount equal to (but not less than zero): (i) the sum of (A) the amount of maintenance and operations ad valorem taxes which the Applicant would have paid to the District for all Tax Years during the term of this Agreement if this Agreement had not been entered into by the Parties; plus (B) any Tax Credits received by Applicant under this Agreement; minus, (ii) an amount equal to the sum of (A) all maintenance and operations ad valorem school taxes actually due to the District or any other governmental entity, including the

State of Texas, for all Tax Years during the term of this Agreement, plus (B) any and all payments due to the District under Article III of this Agreement.

"New Jobs" means 10 (ten) "new jobs," defined by 34 Texas Administrative Code §9.1051(14)(C), which the Applicant will create in connection with the project described in the Application and in the description of the Applicant's Qualified Investment and Qualified Property as set forth in Section 2.3 below. In accordance with the requirements of Texas Tax Code §313.024(d), eighty percent (80%), of all New Jobs shall also be Qualifying Jobs, as defined below.

"Qualified Investment" has the meaning set forth in Chapter 313 of the Texas Tax Code, as interpreted by the Comptroller's Rules, as these provisions existed on the date of this Agreement, and applying any specific requirements for rural school districts imposed by Subchapter C of Chapter 313 of the Texas Tax Code and by the Comptroller's Rules.

"Qualifying Jobs" means the eight (8) New Jobs which meet the requirements of Texas Tax Code 313.021(3). At least eighty percent (80%) of all New Jobs must be Qualifying Jobs.

"Qualified Property" has the meaning set forth in Chapter 313 of the Texas Tax Code, as interpreted by the Comptroller's Rules and the Texas Attorney General, as these provisions existed on the date of this Agreement, applying any specific requirements for rural school districts imposed by Subchapter C of Chapter 313 of the Texas Tax Code and by the Comptroller's Rules.

"Qualifying Time Period" means, after a deferral period as permitted by Texas Tax Code §313.027(h), the period that begins on the Commencement Date of August 13, 2012 and ends on December 31, 2014.

"State" means the State of Texas.

"Substantive Document" means a document or other information or data in electronic media determined by the Comptroller to substantially involve or include information or data significant to an application, the evaluation or consideration of an application, or the agreement or implementation of an agreement for limitation of appraised value pursuant to Texas Tax Code, Chapter 313. The term includes, but is not limited to, any application requesting a limitation on appraised value and any amendments or supplements, any economic impact evaluation made in connection with an application, any agreement between the Applicant and the school district and any subsequent amendments or assignments, any school district written finding or report filed with the comptroller as required under this subchapter, and any application requesting school Tax Credits under Texas Tax Code, §313.103.

"Tax Credit" means the Tax Credit, either to be paid by the District to the Applicant, or to be applied against any taxes that the District imposes on the Applicant's Qualified Property, as computed under the provisions of Subchapter D of the Act and rules adopted by the Comptroller and/or the Texas Education Agency, provided that the Applicant complies with the requirements imposed on the Applicant under such provisions, including the timely filing of a completed

application under Texas Tax Code §313.103 and the duly adopted administrative rules relating thereto.

"Tax Limitation Amount" means the maximum amount which may be placed as the Appraised Value on Qualified Property/Qualified Investment for years three (3) through ten (10) of this Agreement pursuant to Texas Tax Code §313.054. That is, for each of the eight (8) Tax Years 2015, 2016, 2017, 2018, 2019, 2020, 2021, and 2022, the Appraised Value of the Applicant's Qualified Investment for the District's maintenance and operations ad valorem tax purposes shall not exceed, and the Tax Limitation Amount shall be, the lesser of:

- (a) the Market Value of the Applicant's Qualified Investment; or
- (b) Thirty Million Dollars (\$30,000,000.00).

The Tax Limitation Amount is based on the limitation amount for the category that applies to the District on the effective date of this Agreement, as set out by Texas Tax Code, §313.022(b) or §313.052, as applicable.

"Tax Year" shall have the meaning assigned to such term in Section 1.04(13) of the Texas Tax Code (*i.e.*, the calendar year).

"Taxable Value" shall have the meaning assigned to such term in Section 1.04(10) of the Texas Tax Code.

"Texas Education Agency Rules" means the applicable rules and regulations adopted by the Texas Commissioner of Education in relation to the administration of Chapter 313, Texas Tax Code, which are set forth at Title 19 – Part 2, Texas Administrative Code (including, but not limited to, §61.1019), together with any court or administrative decisions interpreting same.

ARTICLE II

PROPERTY DESCRIPTION

Section 2.1. LOCATION WITHIN A QUALIFIED REINVESTMENT OR ENTERPRISE ZONE

The Applicant's Qualified Property upon which the Applicant's Qualified Investment will be located is within an area designated as a reinvestment zone under Chapter 311 or 312 of the Texas Tax Code. The legal description of the reinvestment zone in which the Applicant's Qualified Property is located is attached to this Agreement as EXHIBIT 1 and is incorporated herein by reference for all purposes.

Section 2.2. LOCATION OF QUALIFIED PROPERTY

The location of the Qualified Property upon which the Applicant's Qualified Investment will be located (the "Applicant's Qualified Property") is described in the legal description which is attached to this Agreement as EXHIBIT 2 and is incorporated herein by reference for all

purposes ("Land"). The Parties expressly agree that the boundaries of the Land may not be materially changed from its configuration described in EXHIBIT 2 without the express authorization of each of the Parties.

Section 2.3. DESCRIPTION OF QUALIFIED INVESTMENT AND QUALIFIED PROPERTY

The Qualified Investment and/or Qualified Property that is subject to the Tax Limitation Amount is described in EXHIBIT 3, which is attached hereto and incorporated herein by reference for all purposes (the "Applicant's Qualified Investment"). The Applicant's Qualified Investment shall be that property, described in EXHIBIT 3 which is placed in service under the terms of the Application, during the Qualifying Time Period described in Section 1.2, above. The Applicant's Qualified Property shall be all property, described in EXHIBIT 3, including, but not limited to the Applicant's Qualified Investment, which (1) is owned by the Applicant; (2) is first placed in service after March 7, 2012, the Completed Application Date established by the Comptroller; and (3) is used in connection with the activities described in the Application. Property which is not specifically described in EXHIBIT 3 shall not be considered by the District or the Appraisal District to be part of the Applicant's Qualified Investment or the Applicant's Qualified Property for purposes of this Agreement, unless pursuant to Texas Tax Code §313.027(e) and Section 8.3 of this Agreement, the Board of Trustees, by official action, provides that such other property is a part of the Applicant's Qualified Investment for purposes of this Agreement.

Property owned by the Applicant which is not described on EXHIBIT 3 may not be considered to be Qualified Property unless the Applicant:

- (a) submits to the District and the Comptroller a written request to add such property to this Agreement, which request shall include a specific description of the additional property to which the Applicant requests that the Tax Limitation Amount apply;
- (b) notifies the District and the Comptroller of any other changes to the information that was provided in the Application approved by the District; and,
- (c) provides any additional information reasonably requested by the District or the Comptroller that is necessary to re-evaluate the economic impact analysis for the new or changed conditions.

Notwithstanding the foregoing, any replacement property shall not be subject to the foregoing restrictions and shall be considered Qualified Property hereunder.

Section 2.4. APPLICANT'S OBLIGATIONS TO PROVIDE CURRENT INVENTORY OF QUALIFIED PROPERTY

At the end of the Qualifying Time Period; at any other time when there is a material change in the Applicant's Qualified Property located on the Land described in EXHIBIT 2; or

upon a reasonable request by the District, the Comptroller, or the Appraisal District, the Applicant shall provide to the District, the Comptroller, and the Appraisal District a reasonably specific and detailed description of the material tangible personal property, buildings, or permanent, nonremovable building components (including any affixed to or incorporated into real property) on the Applicant's Qualified Property to which the Tax Limitation Amount applies, including maps or surveys of sufficient detail and description to locate all such described property within the boundaries of the real property which is subject to this Agreement.

Section 2.5. QUALIFYING USE

The Parties agree that the Applicant's Qualified Investment described above in Section 2.3 qualifies for a Tax Limitation Agreement under Texas Tax Code §313.024(b)(5) as a manufacturing facility.

Section 2.6. LIMITATION ON APPRAISED VALUE

So long as the Applicant makes a Qualified Investment in the amount of Thirty Million Dollars (\$30,000,000.00), or greater, during the Qualifying Time Period; and unless this Agreement has been terminated as provided herein before such Tax Year, for each of the eight (8) Tax Years 2015, 2016, 2017, 2018, 2019, 2020, 2021, and 2022, the Appraised Value of the Applicant's Qualified Investment for the District's maintenance and operations ad valorem tax purposes shall not exceed the lesser of:

- (a) the Market Value of the Applicant's Qualified Investment; or
- (b) Thirty Million Dollars (\$30,000,000.00).

This Tax Limitation Amount is based on the limitation amount for the category that applies to the District on the effective date of this Agreement, as set out by Texas Tax Code, §313.022(b) or §313.052.

ARTICLE III

PROTECTION AGAINST LOSS OF FUTURE DISTRICT REVENUES

Section 3.1. INTENT OF THE PARTIES

Subject to the limitations contained in this Agreement (including Section 5.1), it is the intent of the Parties that the District shall, in accordance with the provisions of Texas Tax Code, §§313.027(f)(1), be compensated by the Applicant for any loss that the District incurs in its Maintenance and Operations Revenue solely as a result of, or on account of, entering into this Agreement, after taking into account any payments to be made under this Agreement. Such payments shall be independent of, and in addition to such other payments as set forth in Article IV. Subject to the limitations contained in this Agreement (including Section 5.1), it is the intent of the Parties that the risk of any negative financial consequence to the District in making the decision to enter into this Agreement will be borne by the Applicant and not by the District.

Section 3.2. CALCULATING THE AMOUNT OF LOSS OF REVENUES BY THE DISTRICT

Subject to the provisions of Sections 5.1 and 5.2, the amount to be paid by the Applicant to compensate the District for loss of Maintenance and Operations Revenue resulting from, or on account of, this Agreement for each year during the term of this Agreement (the "M&O Amount") shall be determined in compliance with the Applicable School Finance Law in effect for such year and according to the following formula:

The M&O Amount owed by the Applicant to the District means the Original M&O Revenue *minus* the New M&O Revenue;

Where:

- i. "Original M&O Revenue" means the total State and local Maintenance & Operations Revenue that the District would have received for the school year under the Applicable School Finance Law had this Agreement not been entered into by the Parties and the Applicant's Qualified Property and/or Applicant's Qualified Investment been subject to the ad valorem maintenance and operations tax.
- ii. "New M&O Revenue" means the total State and local Maintenance & Operations Revenue that the District actually received for such school year, after all adjustments have been made to such Maintenance and Operations Revenue because of any portion of this Agreement.

In making the calculations required by this Section 3.2:

- i. The Taxable Value of property for each school year will be determined under the Applicable School Finance Law.
- ii. For purposes of this calculation, the tax collection rate on the Applicant's Qualified Property and/or the Applicant's Qualified Investment will be presumed to be one hundred percent (100%)
- iii. If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue as calculated under this Section 3.2 results in a negative number, the negative number will be considered to be zero.
- iv. All calculations made for years three (3) through ten (10) of this Agreement under Section 3.2, Subsection ii, of this Agreement relating to the definition of "New M&O Revenue" will reflect the Tax Limitation Amount for such year.

- v. All calculations made under this Section 3.2 shall be made by a methodology which isolates only the revenue impact caused by this Agreement. The Applicant shall not be responsible to reimburse the District for other revenue losses created by other agreements or any other factors not contained in this Agreement.

Section 3.3. COMPENSATION FOR LOSS OF OTHER REVENUES

In addition to the amounts determined pursuant to Section 3.2 above, and to the extent provided in Section 6.3, the Applicant, on an annual basis, shall also indemnify and reimburse the District for the following:

- (a) all non-reimbursed costs incurred by the District in paying or otherwise crediting to the account of the Applicant, any applicable Tax Credit to which the Applicant may be entitled pursuant to Chapter 313, Subchapter D of the Texas Tax Code, and for which the District does not receive reimbursement from the State pursuant to Texas Education Code §42.2515, or other similar or successor statute.
- (b) all non-reimbursed costs, certified by the District's external auditor to have been incurred by the District for extraordinary education-related expenses related to the Applicant's Qualified Investment that are not directly funded in state aid formulas, including expenses for the purchase of portable classrooms and the hiring of additional personnel to accommodate a temporary increase in student enrollment attributable to the Applicant's Qualified Investment.
- (c) any other loss of the District's revenues which directly result from, or are reasonably attributable to any payment made by the Applicant to or on behalf of any third party beneficiary of this Agreement.

Section 3.4. CALCULATIONS TO BE MADE BY THIRD PARTY

All calculations under this Agreement shall be made annually by an independent third party (the "Third Party") jointly approved each year by the District and the Applicant. If the Parties cannot agree on the Third Party, then the Third Party shall be selected by the mediator provided in Section 7.9 of this Agreement.

Section 3.5. DATA USED FOR CALCULATIONS

The calculations for payments under this Agreement shall be initially based upon the valuations placed upon the Applicant's Qualified Investment and/or the Applicant's Qualified Property by the Appraisal District in its annual certified tax roll submitted to the District pursuant to Texas Tax Code §26.01 on or about July 25 of each year of this Agreement. Immediately upon receipt of the valuation information by the District, the District shall submit the valuation information to the Third Party selected under Section 3.4. The certified tax roll data shall form the basis of the calculation of any and all amounts due under this Agreement. All other data utilized by the Third Party to make the calculations contemplated by this Agreement

shall be based upon the best available current estimates. The data utilized by the Third Party shall be adjusted from time to time by the Third Party to reflect actual amounts, subsequent adjustments by the Appraisal District to the District's certified tax roll or any other changes in student counts, tax collections, or other data.

Section 3.6. DELIVERY OF CALCULATIONS

On or before November 1 of each year for which this Agreement is effective, the Third Party appointed pursuant to Section 3.4 of this Agreement shall forward to the Parties a certification containing the calculations required under Sections 3.2 and/or 3.3, Article IV, and/or Section 5.1 of this Agreement in sufficient detail to allow the Parties to understand the manner in which the calculations were made. The Third Party shall simultaneously submit his, her or its invoice for fees for services rendered to the Parties, if any fees are being claimed, which fee shall be the sole responsibility of the District, subject to the limit of Section 3.7. Upon reasonable prior notice, the employees and agents of the Applicant shall have access, at all reasonable times, to the Third Party's offices, personnel, books, records, and correspondence pertaining to the calculation and fee for the purpose of verification. The Third Party shall maintain supporting data consistent with generally accepted accounting practices, and the employees and agents of the Applicant shall have the right to reproduce and retain for purpose of audit, any of these documents. The Third Party shall preserve all documents pertaining to the calculation and fee for a period of three (3) years after payment. The Applicant shall not be liable for any of the Third Party's costs resulting from an audit of the Third Party's books, records, correspondence, or work papers pertaining to the calculations contemplated by this Agreement or the fee paid by the Applicant to the Third Party pursuant to Section 3.7, if such fee is timely paid.

Section 3.7. PAYMENT BY APPLICANT

The Applicant shall pay any amount determined to be due and owing to the District under this Agreement on or before the January 31 next following the tax levy for each year for which this Agreement is effective. By such date, the Applicant shall also pay any amount billed by the Third Party plus any reasonable and necessary legal expenses paid by the District to its attorneys, auditors, or financial consultants for the preparation and filing of any financial reports, disclosures, or Tax Credit or other reimbursement applications filed with or sent to the State of Texas which are, or may be required under the terms or because of the execution of this Agreement. For no Tax Year during the term of this Agreement shall the Applicant be responsible for the payment of an aggregate amount of fees and expenses under this Section 3.7 and Section 3.6 which exceeds Ten Thousand Dollars (\$10,000.00).

Section 3.8. RESOLUTION OF DISPUTES

Pursuant to Section 3.4 and Section 3.6, should the Applicant disagree with the certification containing the calculations, the Applicant may appeal the findings, in writing, to the Third Party within thirty (30) days following the later of (i) receipt of the certification, or (ii) the date the Applicant is granted access to the books, records and other information in accordance with Section 3.6 for purposes of auditing or reviewing the information in connection with the certification. Within fifteen (15) days of receipt of the Applicant's appeal, the Third Party will

issue, in writing, a final determination of the certification containing the calculations. Thereafter, the Applicant may appeal the final determination of certification containing the calculations to the District. Any appeal by the Applicant of the final determination of the Third Party may be made, in writing, to the District's Board of Trustees within thirty (30) days of the final determination of certification containing the calculations, without limitation of Applicant's other rights and remedies available hereunder, at law or in equity.

Section 3.9. EFFECT OF PROPERTY VALUE APPEAL OR OTHER ADJUSTMENT

If at the time the Third Party selected under Section 3.4 makes its calculations under this Agreement, the Applicant has appealed any matter relating to the valuations placed by the Appraisal District on the Applicant's Qualified Property, and/or the Applicant's Qualified Property and such appeal remains unresolved, the Third Party shall base its calculations upon the values placed upon the Applicant's Qualified Property and/or the Applicant's Qualified Property by the Appraisal District.

If as a result of an appeal or for any other reason, the Taxable Value of the Applicant's Qualified Investment and/or the Applicant's Qualified Property is changed, once the determination of the new Taxable Value becomes final, the Parties shall immediately notify the Third Party who shall immediately issue new calculations for the applicable year or years using the new Taxable Value. In the event the new calculations result in a change in any amount paid or payable by the Applicant under this Agreement, the Party from whom the adjustment is payable shall remit such amounts to the other Party within thirty (30) days of the receipt of the new calculations from the Third Party.

Section 3.10. EFFECT OF STATUTORY CHANGES

Notwithstanding any other provision in this Agreement, but subject to the limitations contained in Section 5.1, in the event that, by virtue of statutory changes to the Applicable School Finance Law, administrative interpretations by the Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other reason attributable to statutory change, the District reasonably determines that it will receive less Maintenance and Operations Revenue, or, if applicable, will be required to increase its payment of funds to the State, because of its participation in this Agreement, the Applicant shall make payments to the District, up to the revenue protection amount limit set forth in Section 5.1, that are necessary to offset any actual negative impact on the District as a result of its participation in this Agreement. Such calculation shall take into account any adjustments to the amount calculated for the current fiscal year that should be made in order to reflect the actual impact on the District. Such payment shall be made no later than thirty (30) days following notice from the District of such determination.

ARTICLE IV

SUPPLEMENTAL PAYMENTS

Section 4.1. INTENT OF PARTIES WITH RESPECT TO SUPPLEMENTAL PAYMENTS

(a) Amounts Exclusive of Indemnity Amounts

In addition to undertaking the responsibility for the payment of all of the amounts set forth under Article III, and as further consideration for the execution of this Agreement by the District, the Applicant shall also be responsible for the supplemental payments set forth in this Article IV, (the "Supplemental Payments"). The Applicant shall not be responsible to the District or to any other person or persons in any form for the payment or transfer of money or any other thing of value in recognition of, anticipation of, or consideration for this Agreement for limitation on appraised value made pursuant to Chapter 313, Texas Tax Code, unless it is explicitly set forth in this Agreement. It is the express intent of the Parties that the Applicant's obligation to make Supplemental Payments under this Article IV is separate and independent of the obligation of the Applicant to pay the amounts described in Article III; provided, however, that all payments under Articles III and IV are subject to the limitations contained in Section 5.1, and that all payments under this Article IV are subject to the separate limitations contained in Section 4.4.

(b) Adherence to Statutory Limits on Supplemental Payments

It is the express intent of the Parties that any Supplemental Payments made to or on behalf of the District by the Applicant under this Article IV shall not exceed the limit imposed by the provisions of Texas Tax Code §313.027(i), as such limit is allowed to be increased by the Legislature for any future year of this Agreement.

Section 4.2. STIPULATED SUPPLEMENTAL PAYMENT AMOUNT - SUBJECT TO AGGREGATE LIMIT

During the term of this Agreement, the District shall not be entitled to receive Supplemental Payments that exceed the lesser of:

- (a) the "Applicant's Stipulated Supplemental Payment Amount," which is hereby defined as forty percent (40%) of the Applicant's Net Tax Benefit, as the term is defined in Section 1.3, above, as a result of this Agreement; or,
- (b) the Aggregate Limit, as the term is defined in Section 1.3, above.

Section 4.3. ANNUAL CALCULATION OF STIPULATED SUPPLEMENTAL PAYMENT AMOUNT

The Parties agree that for each Tax Year during the term of this Agreement, beginning with the third full Tax Year (Tax Year 2015) the Applicant's Stipulated Supplemental Payment Amount, described in Section 4.2 will annually be calculated based upon the then most current estimate of tax savings to the Applicant, which will be made, based upon assumptions of student counts, tax collections, and other applicable data, in accordance with the following formula:

Taxable Value of the Applicant's Qualified Property for such Tax Year had this Agreement not been entered into by the Parties (i.e., the Taxable Value of the Applicant's Qualified Property used for the District's interest and sinking fund tax purposes for such Tax Year, or school taxes due to any other governmental entity, including the State of Texas, for such Tax Year);

Minus,

The Taxable Value of the Applicant's Qualified Property for such Tax Year after giving effect to this Agreement (i.e., the Taxable Value of the Applicant's Qualified Property used for the District's maintenance and operations tax purposes for such Tax Year, or school taxes due to any other governmental entity, including the State of Texas, for such Tax Year);

Multiplied by,

The District's maintenance and operations tax rate for such Tax Year, or the school tax rate of any other governmental entity, including the State of Texas, for such Tax Year;

Plus,

Any Tax Credit received by the Applicant with respect to such Tax Year;

Minus,

Any amounts previously paid to the District under Article III;

Multiplied by,

The number 0.4;

Minus,

Any amounts previously paid to the District under Sections 4.2 and 4.3 with respect to such Tax Year.

In the event that there are changes in the data upon which the calculations set forth herein are made, the Third Party described in Section 3.4, above, shall adjust the Applicant's Stipulated Supplemental Payment Amount calculation to reflect such changes in the data.

Section 4.4. CALCULATION OF ANNUAL SUPPLEMENTAL PAYMENTS TO THE DISTRICT AND APPLICATION OF AGGREGATE LIMIT

For each Tax Year during the term of this Agreement, beginning with Tax Year three (Tax Year 2015) and continuing thereafter through Tax Year thirteen (Tax Year 2025), the District, or its successor beneficiary should one be designated under Section 4.6, below, shall not be entitled to receive Supplemental Payments, computed under Sections 4.2 and 4.3, above, that exceed the Aggregate Limit.

If, for any Tax Year during the term of this Agreement the amount of the Applicant's Stipulated Supplemental Payment Amount, calculated under sections 4.2 and 4.3 above for such Tax Year, exceeds the Aggregate Limit for such Tax Year, the difference between the Applicant's Stipulated Supplemental Payment Amount so calculated and the Aggregate Limit for such Tax Year, shall be carried forward from year-to-year into subsequent Tax Years during the term of this Agreement, and to the extent not limited by the Aggregate Limit in any subsequent Tax Year during the term of this Agreement, shall be paid to the District. If there are changes in Chapter 313 Tax Laws, higher or lower payments that first became due prior to the effective date of any statutory change will not be adjusted.

Any of the Applicant's Stipulated Supplemental Payment Amounts which cannot be paid to the District prior to the end of year thirteen (Tax Year 2025) because such payment would exceed the Aggregate Limit, will be deemed to have been cancelled by operation of law, and the Applicant shall have no further obligation with respect thereto.

Section 4.5. PROCEDURES FOR SUPPLEMENTAL PAYMENT CALCULATIONS

- (a) All calculations required by this Article IV, including but not limited to: the calculation of the Applicant's Stipulated Supplemental Payment Amount; the determination of both the Annual Limit and the Aggregate Limit; the effect, if any, of the Aggregate Limit upon the actual amount of Supplemental Payments eligible to be paid to the District by the Applicant; and the carry forward and accumulation of any of the Applicant's Stipulated Supplemental Payment Amounts unpaid by the Applicant due to the Aggregate Limit in previous years, shall be calculated by the Third Party selected pursuant to Section 3.4.
- (b) The calculations made by the Third Party shall be made at the same time and on the same schedule as the calculations made pursuant to Section 3.6.
- (c) The payment of all amounts due under this Article IV shall be made at the time set forth in Section 3.7.

Section 4.6. DISTRICT'S OPTION TO DESIGNATE SUCCESSOR BENEFICIARY

At any time during this Agreement, the Board of Trustees may, in its sole discretion, direct that the Applicant's payment under this Article IV be made to the District's educational foundation or to a similar entity. Such foundation or entity may only use such funds received

under this Article IV to support the educational mission of the District and its students. Any designation of such foundation or entity must be made by recorded vote of the Board of Trustees at a properly posted public meeting of the Board of Trustees. Any such designation will become effective after such public vote and the delivery of notice of said vote in conformance with the provisions of Section 8.1, below. Such designation may be rescinded by the Board of Trustees, by Board action, at any time, and any such rescission will become effective after delivery of notice of such action to the Applicant in conformance with the provisions of Section 8.1.

Any designation of a successor beneficiary under this Section shall not alter the Aggregate Limitation on Supplemental payments described in Section 4.4, above.

Notwithstanding the foregoing, any payments made by Applicant shall be made in the manner and to the party designated in this Agreement unless Applicant receives unambiguous written notice from the District that such payments are to be made to a different party.

ARTICLE V

ANNUAL LIMITATION OF PAYMENTS BY APPLICANT

SECTION 5.1. ANNUAL LIMITATION AFTER FIRST THREE YEARS

Notwithstanding anything contained in this Agreement to the contrary, and with respect to each Tax Year during the term of this Agreement after the 2015 Tax Year, in no event shall (i) the sum of the maintenance and operations ad valorem taxes paid by the Applicant to the District for such Tax Year, plus the sum of all payments otherwise due from the Applicant to the District under Articles III and IV with respect to such Tax Year, exceed (ii) the amount of the maintenance and operations ad valorem taxes that the Applicant would have paid to the District for such Tax Year (determined by using the District's actual maintenance and operations tax rate for such Tax Year) if the Parties had not entered into this Agreement. The calculation and comparison of the amounts described in clauses (i) and (ii) of the preceding sentence shall be included in all calculations made pursuant to Sections 3.4 and 3.6, and in the event the sum of the amounts described in said clause (i) exceeds the amount described in said clause (ii), then the payments otherwise due from the Applicant to the District under Articles III and IV shall be reduced until such excess is eliminated.

Section 5.2. OPTION TO CANCEL AGREEMENT

In the event that any payment otherwise due from the Applicant to the District under Article III and/or Article IV with respect to a Tax Year is subject to reduction in accordance with the provisions of Section 5.1 above, then the Applicant shall have the option to terminate this Agreement. The Applicant may exercise such option to cancel this Agreement by notifying the District of its election in writing not later than the July 31 of the year next following the Tax Year with respect to which a reduction under Section 5.1 is applicable. Any cancellation of this Agreement under the foregoing provisions of this Section 5.2 shall be effective immediately

prior to the second Tax Year next following the Tax Year in which the reduction giving rise to the option occurred. In addition to the foregoing, in the event the Applicant determines that it will not commence or complete construction of the Applicant's Qualified Investment, the Applicant shall have the option, during the Qualifying Time Period, to terminate this Agreement by notifying the District in writing of its exercise of such option. Any termination of this Agreement under the immediately preceding sentence shall be effective immediately prior to the beginning of the Tax Year immediately following the Tax Year during which such notification is delivered to the District. Upon any termination this Agreement under this Section 5.2, this Agreement shall terminate and be of no further force or effect; provided, however, that the Parties' respective rights and obligations under this Agreement with respect to the Tax Year or Tax Years (as the case may be) through and including the Tax Year during which such notification is delivered to the District, shall not be impaired or modified as a result of such termination and shall survive such termination unless and until satisfied and discharged.

ARTICLE VI

TAX CREDITS

Section 6.1. APPLICANT'S ENTITLEMENT TO TAX CREDITS

The Applicant shall be entitled to Tax Credits from the District under and in accordance with the provisions of Subchapter D of the Act and the Comptroller's Rules, provided that the Applicant complies with the requirements under such provisions, including the filing of a completed application under Section 313.103 of the Texas Tax Code and the Comptroller's Rules.

Section 6.2. DISTRICT'S OBLIGATIONS WITH RESPECT TO TAX CREDITS

The District shall timely comply and shall cause the District's collector of taxes to timely comply with its obligations under Subchapter D of the Act and the Comptroller's Rules, including, but not limited to, such obligations set forth in Section 313.104 of the Texas Tax Code and either the Comptroller's Rules and/or Texas Education Agency rules.

Section 6.3. COMPENSATION FOR LOSS OF TAX CREDIT PROTECTION REVENUES

If after the Applicant has actually received the benefit of a Tax Credit under Section 6.1, the District does not receive aid from the State pursuant to Texas Education Code §42.2515 or other similar or successor statute with respect to all or any portion of such Tax Credit for reasons other than the District's failure to comply with the requirements for obtaining such aid, then the District shall notify the Applicant in writing thereof and the circumstances surrounding the State's failure to provide such aid to the District. The Applicant shall pay to the District the amount of such Tax Credit for which the District did not receive such aid within thirty (30) calendar days after receipt of such notice. If the District receives aid from the State for all or any portion of a Tax Credit with respect to which the Applicant has made a payment to the District under this Section 6.3, then the District shall pay to the Applicant the amount of such aid within thirty (30) calendar days after the District's receipt thereof.

ARTICLE VII

ADDITIONAL OBLIGATIONS OF APPLICANT

Section 7.1. DATA REQUESTS

During the term of this Agreement, and upon the written request of one Party or by the Comptroller (the "Requesting Party"), the other Party shall provide the Requesting Party with all information reasonably necessary for the Requesting Party to determine whether the other Party is in compliance with its obligations, including any employment obligations which may arise under this Agreement. The Applicant shall allow authorized employees of the District, the Comptroller, and/or the Appraisal District to have access to the Applicant's Qualified Property and/or business records, in accordance with Texas Tax Code Section 22.07, during the term of this Agreement, in order to inspect the project to determine compliance with the terms hereof or as necessary to properly appraise the Taxable Value of the Applicant's Qualified Property. All inspections will be made at a mutually agreeable time after the giving of not less than forty-eight (48) hours prior written notice, and will be conducted in such a manner so as not to unreasonably interfere with either the construction or operation of the Applicant's Qualified Property. All inspections may be accompanied by one or more representatives of the Applicant, and shall be conducted in accordance with the Applicant's safety, security, and operational standards. Notwithstanding the foregoing, nothing contained in this Agreement shall require the Applicant to provide the District, the Comptroller, or the Appraisal District with any technical or business information that is private personnel data, proprietary, a trade secret or confidential in nature or is subject to a confidentiality agreement with any third party or any other information that is not necessary for the District to determine the Applicant's compliance with this Agreement.

Section 7.2. REPORTS TO OTHER GOVERNMENTAL AGENCIES

The Applicant shall timely make any and all reports that are or may be required under the provisions of law or administrative regulation as a result of this Agreement, including but not limited to the annual report or certifications that may be required to be submitted by the Applicant to the Comptroller under the provisions of Texas Tax Code §313.032 and the provisions of Title 34, Part 1, Chapter 9, Subchapter F of the Texas Administrative Code. The Applicant shall forward a copy of all such required reports or certifications to the District contemporaneously with the filing thereof. Currently, the Comptroller requires an Annual Eligibility Report and the Biennial Progress Reports, Form 50-772 and 50-773 respectively, and an Application for Tax Credit, Form 50-300. The obligation to make all such required filings shall be a material obligation under this Agreement. The Applicant shall not be in default of any reporting obligation hereunder, unless the Applicant has received thirty (30) days prior notice of its reporting obligation from the District.

Section 7.3. APPLICANT'S OBLIGATION TO MAINTAIN VIABLE PRESENCE

By entering into this Agreement, the Applicant warrants that:

- (a) it will abide by all of the terms of this Agreement;
- (b) if it does not cancel the Agreement prior to the end of the Qualifying Time Period under Section 5.2 of this Agreement, it will Maintain Viable Presence in the District through the Final Termination Date of this Agreement; provided, however, that notwithstanding anything contained in this Agreement to the contrary, the Applicant shall not be in breach of this Agreement, and shall not be subject to any liability for failure to Maintain Viable Presence to the extent such failure is caused by Force Majeure, provided the Applicant makes commercially reasonable efforts to remedy the cause of such Force Majeure; and,
- (c) it will meet the applicable minimum eligibility requirements under Texas Tax Code, Chapter 313, throughout the period from and including the Tax Year 2015 through and including the last Tax Year during the term of this Agreement with respect to which the Applicant receives the benefit of a Tax Credit.

Section 7.4. CONSEQUENCES OF EARLY TERMINATION OR OTHER BREACH BY APPLICANT

(a) In the event of a Material Breach (hereinafter defined), except as provided in Section 5.2, after the notice and cure period provided by Section 7.8, then the District shall be entitled, as its sole and exclusive remedy, to the recapture of all ad valorem tax revenue lost as a result of this Agreement together with the payment of penalty and interest, as calculated in accordance with Section 7.5, on that recaptured ad valorem tax revenue. For purposes of this recapture calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Article III. The Applicant shall also be entitled to a credit for any amounts paid to the District pursuant to Article IV.

(b) Notwithstanding Section 7.4(a), in the event that the District determines that the Applicant has failed to Maintain Viable Presence and provides written notice of termination of this Agreement, then the Applicant shall pay to the District liquidated damages for such failure within thirty (30) days after receipt of such termination notice. The sum of liquidated damages due and payable shall be the sum total of the District ad valorem maintenance and operations taxes for all of the Tax Years for which the Tax Limitation Amount was allowed pursuant to this Agreement that are prior to the Tax Year in which the default occurs that otherwise would have been due and payable by the Applicant to the District without the benefit of this Agreement, including penalty and interest, as calculated in accordance with Section 7.5. For purposes of this liquidated damages calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Article III. The Applicant shall also be entitled to a credit for any amounts paid to the District pursuant to Article IV. Upon payment of such liquidated damages, the Applicant's obligations under this Agreement shall be deemed fully satisfied, and such payment shall constitute the District's sole remedy. Notwithstanding the foregoing, penalties shall only be due to the extent it is determined that the breach of this Agreement by the Applicant was willful and without a good faith, reasonable belief by the Applicant that its action or omission constituting such breach was in compliance with this Agreement.

Section 7.5. CALCULATION OF PENALTY AND INTEREST

In determining the amount of penalty or interest, or both, due in the event of a breach of this Agreement, the District shall first determine the base amount of recaptured taxes owed less all credits under Section 7.4 for each Tax Year during the term of this Agreement since the Commencement Date. The District shall calculate penalty or interest for each Tax Year during the term of this Agreement since the Commencement Date in accordance with the methodology set forth in Chapter 33 of the Texas Tax Code, as if the base amount calculated for such Tax Year less all credits under Section 7.4 had become due and payable on February 1 of the calendar year following such Tax Year. Penalties on said amounts shall be calculated in accordance with the methodology set forth in Texas Tax Code §33.01(a), or its successor statute. Interest on said amounts shall be calculated in accordance with the methodology set forth in Texas Tax Code §33.01(c), or its successor statute.

Section 7.6. MATERIAL BREACH OF AGREEMENT

The Applicant shall be in Material Breach of this Agreement (herein so called) if it commits one or more of the following acts or omissions:

- (a.) Applicant is determined to have failed to meet its obligations to have made accurate material representations of fact in the submission of its Application as is required by Section 8.13, below.
- (b.) Subject to Section 5.2, Applicant fails to Maintain Viable Presence in the District, as required by Section 7.3 of this Agreement, through the Final Termination Date of this Agreement.
- (c.) Applicant fails to make any payment required under Articles III or IV of this Agreement on or before its due date.
- (d.) Subject to Section 5.2, Applicant fails to create and maintain at least ten (10) New Jobs.
- (e.) Subject to Section 5.2, Applicant fails to create and maintain at least Eighty Percent (80%) of all such New Jobs on the project as Qualifying Jobs.
- (f.) Applicant makes any payments to the District or to any other person or persons in any form for the payment or transfer of money or any other thing of value in recognition of, anticipation of, or consideration for this Agreement, in excess of the amounts set forth in Articles III and IV, above. Voluntary donations made by the Applicant to the District after the date of execution of this Agreement, and not mandated by this Agreement or made in recognition of or in consideration for this Agreement are not barred by this provision.

- (g.) Applicant fails to materially comply in any material respect with any other term of this Agreement, or the Applicant fails to meet its obligations under the applicable Comptroller's Rules, and under the Act.

Section 7.7. LIMITED STATUTORY CURE OF MATERIAL BREACH

In accordance with the provisions of Texas Tax Code §313.0275, for any full Tax Year which commences after the project has become operational, the Applicant may cure any Material Breaches of this Agreement described in Sections 7.6(d) and 7.6(e) or 7.6(f), above, without the termination of the remaining term of this Agreement. In order to cure any such non-compliance with Sections 7.6(d) and 7.6(e) or 7.6(f) for any such Tax Year, the Applicant may make the liquidated damages payment required by Texas Tax Code §313.0275(b), in accordance with the provisions of Texas Tax Code §313.0275(c).

Section 7.8. DETERMINATION OF MATERIAL BREACH AND TERMINATION OF AGREEMENT

Prior to making a determination under Section 7.4 or Section 7.6 that the Applicant is in Material Breach of this Agreement, the District shall provide the Applicant with a written notice of the facts which it believes have caused the Material Breach, and if cure is possible, the cure proposed by the District. After receipt of the notice, the Applicant shall be given ninety (90) days to present any facts or arguments to the Board of Trustees showing that a Material Breach has not occurred and/or that it has cured or undertaken to cure any such Material Breach.

If the Board of Trustees is not reasonably satisfied with such response and/or that such Material Breach has been cured, then the Board of Trustees shall, after reasonable notice to the Applicant, conduct a hearing called and held for the purpose of determining whether such Material Breach has occurred and, if so, whether such Material Breach has been cured. At any such hearing, the Applicant shall have the opportunity, together with their counsel, to be heard before the Board of Trustees. At the hearing, the Board of Trustees shall make findings as to whether or not a Material Breach has occurred, the date such Material Breach occurred, if any, and whether or not any such Material Breach has been cured. Except as otherwise provided in Section 7.7, in the event that the Board of Trustees determines that such a Material Breach has occurred and has not been cured, it shall also terminate this Agreement and determine the amount of recaptured taxes under Section 7.4 (net of all credits under Section 7.4), and the amount of any penalty and/or interest under Section 7.5 that are owed to the District.

After making its determination regarding any alleged Material Breach, the Board of Trustees shall cause the Applicant to be notified in writing of its determination (a "Determination of Breach and Notice of Contract Termination").

Section 7.9. DISPUTE RESOLUTION

After receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 7.8, the Applicant shall have ninety (90) days in which

either to tender payment or evidence of its efforts to cure, or to initiate mediation of the dispute by written notice to the District, in which case the District and the Applicant shall be required to make a good faith effort to resolve, without resort to litigation and within ninety (90) days after the Applicant's receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 7.8, such dispute through mediation with a mutually agreeable mediator and at a mutually convenient time and place for the mediation. If the Parties are unable to agree on a mediator, a mediator shall be selected by the senior state district court judge then presiding in Glasscock County, Texas. The Parties agree to sign a document that provides the mediator and the mediation will be governed by the provisions of Chapter 154 of the Texas Civil Practice and Remedies Code and such other rules as the mediator shall prescribe. With respect to such mediation, (i) the District shall bear one-half of such mediator's fees and expenses and the Applicant shall bear one-half of such mediator's fees and expenses, and (ii) otherwise each Party shall bear all of its costs and expenses (including attorneys' fees) incurred in connection with such mediation.

In the event that any mediation is not successful in resolving the dispute or that payment is not received before the expiration of such ninety (90) days, the District shall have the remedies for the collection of the amounts determined under Section 7.8 as are set forth in Texas Tax Code Chapter 33, Subchapters B and C, for the collection of delinquent taxes. In the event that the District successfully prosecutes legal proceedings under this section, the Applicant shall also be responsible for the payment of reasonable attorney's fees and a tax lien on the Applicant's Qualified Property and the Applicant's Qualified Investment pursuant to Texas Tax Code §33.07 to the attorneys representing the District pursuant to Texas Tax Code §6.30. In the event that the Applicant is a prevailing party in any such legal proceedings under this section, the District shall be responsible for the payment of the Applicant's reasonable attorney's fees.

In any event where a dispute between the District and the Applicant under this Agreement cannot be resolved by the Parties, after completing the procedures required above in this Section 7.9, either the District or the Applicant may seek a judicial declaration of their respective rights and duties under this Agreement or otherwise, in any judicial proceeding, assert any rights or defenses, or seek any remedy in law or in equity, against the other Party with respect to any claim relating to any breach, default, or nonperformance of any covenant, agreement or undertaking made by a Party pursuant to this Agreement.

Section 7.10. LIMITATION OF OTHER DAMAGES

Notwithstanding anything contained in this Agreement to the contrary, the District's damages for any default shall under no circumstances exceed the greater of either any amounts calculated under Sections 7.4 and 7.5 above, or the monetary sum of the difference between the payments and credits due and owing to the Applicant at the time of such default and the District taxes that would have been lawfully payable to the District had this Agreement not been executed. In addition, the District's sole right of equitable relief under this Agreement shall be its right to terminate this Agreement.

The Parties further agree that the limitation of damages and remedies set forth in this Section 7.10 shall be the sole and exclusive remedies available to the District, whether at law or under principles of equity.

Section 7.11. BINDING ON SUCCESSORS

In the event of a merger or consolidation of the District with another school district or other governmental authority, this Agreement shall be binding on the successor school district or other governmental authority.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 8.1. INFORMATION AND NOTICES

Unless otherwise expressly provided in this Agreement, all notices required or permitted hereunder shall be in writing and deemed sufficiently given for all purposes hereof if (i) delivered in person, by courier (e.g., by Federal Express) or by registered or certified United States Mail to the Party to be notified, with receipt obtained, or (ii) sent by facsimile transmission, with "answer back" or other "advice of receipt" obtained, in each case to the appropriate address or number as set forth below. Each notice shall be deemed effective on receipt by the addressee as aforesaid; provided that, notice received by facsimile transmission after 5:00 p.m. at the location of the addressee of such notice shall be deemed received on the first business day following the date of such electronic receipt.

Notices to the District shall be addressed as follows:

Steve Long, Superintendent
GLASSCOCK COUNTY INDEPENDENT SCHOOL DISTRICT
P.O. Box 9
Garden City, TX 79739-0009
Fax: (432) 354-2503
E-mail: slong@gckats.net

or at such other address or to such other facsimile transmission number and to the attention of such other person as the District may designate by written notice to the Applicant.

Notices to the Applicant shall be addressed as follows:

R. Gregg West
DCP Midstream, LLC
5718 Westheimer Road, Suite 1900
Houston, TX 77057-5774
Fax: (713) 944-0295
Email: rwest@dcpmidstream.com

or at such other address or to such other facsimile transmission number and to the attention of such other person as the Applicant may designate by written notice to the District.

Section 8.2. EFFECTIVE DATE, TERMINATION OF AGREEMENT

- (a) This Agreement shall be and become effective on the date of final approval of this Agreement by the Board of Trustees,
- (b) Subject to Section 5.2, the obligation to Maintain Viable Presence under this Agreement shall remain in full force and effect through the Final Termination Date.
- (c) In the event that the Applicant fails to make a Qualified Investment in the amount of Thirty Million Dollars (\$30,000,000.00), or greater, during the Qualifying Time Period, this Agreement shall become null and void on December 31, 2014.

Section 8.3. AMENDMENTS TO AGREEMENT; WAIVERS

This Agreement may not be modified or amended except by an instrument or instruments in writing signed by all of the Parties. Waiver of any term, condition or provision of this Agreement by any Party shall only be effective if in writing and shall not be construed as a waiver of any subsequent breach of, or failure to comply with, the same term, condition or provision, or a waiver of any other term, condition or provision of this Agreement. By official action of the Board of Trustees, this Agreement may be amended to include, in the Applicant's Qualified Investment, additional or replacement Qualified Property or Qualified Investment not specified in EXHIBIT 3, provided that the Applicant reports to the District, the Comptroller, and the Appraisal District, in the same format, style, and presentation as the Application, all relevant investment, value, and employment information that is related to the additional or replacement property. Any amendment of this Agreement adding additional or replacement Qualified Property or Qualified Investment pursuant to this Section 8.3 shall, (1) require that all property added by amendment be eligible property as defined by Texas Tax Code, §313.024; (2) clearly identify the property, investment, and employment information added by amendment from the property, investment, and employment information in the original Agreement; and (3) define minimum eligibility requirements for the recipient of limited value. This Agreement may not be amended to extend the value limitation time period beyond its eight-year statutory term.

Section 8.4. ASSIGNMENT

The Applicant may assign this Agreement, or a portion of this Agreement, to an Affiliate or a new owner or lessee of all or a portion of the Applicant's Qualified Property and/or the Applicant's Qualified Investment, provided that the Applicant shall provide written notice of such assignment to the District. Upon such assignment, the Applicant's assignee will be liable to the District for outstanding taxes or other obligations arising under this Agreement. A recipient of limited value under Texas Tax Code, Chapter 313 shall notify immediately the District, the Comptroller, and the Appraisal District in writing of any change in address or other contact

information for the owner of the property subject to the limitation agreement for the purposes of Texas Tax Code §313.032. The assignee's or its reporting entity's Texas Taxpayer Identification Number shall be included in the notification.

Section 8.5. MERGER

This Agreement contains all of the terms and conditions of the understanding of the Parties relating to the subject matter hereof. All prior negotiations, discussions, correspondence, and preliminary understandings between the Parties and others relating hereto are superseded by this Agreement.

Section 8.6. MAINTENANCE OF COUNTY APPRAISAL DISTRICT RECORDS

When appraising the Applicant's Qualified Property and the Applicant's Qualified Investment subject to a limitation on Appraised Value under this Agreement, the Chief Appraiser of the Appraisal District shall determine the Market Value thereof and include both such Market Value and the appropriate value thereof under this Agreement in its appraisal records.

Section 8.7. GOVERNING LAW

This Agreement and the transactions contemplated hereby shall be governed by and interpreted in accordance with the laws of the State of Texas without giving effect to principles thereof relating to conflicts of law or rules that would direct the application of the laws of another jurisdiction. Venue in any legal proceeding shall be in Glasscock County, Texas.

Section 8.8. AUTHORITY TO EXECUTE AGREEMENT

Each of the Parties represents and warrants that its undersigned representative has been expressly authorized to execute this Agreement for and on behalf of such Party.

Section 8.9. SEVERABILITY

If any term, provision or condition of this Agreement, or any application thereof, is held invalid, illegal or unenforceable in any respect under any Law (as hereinafter defined), this Agreement shall be reformed to the extent necessary to conform, in each case consistent with the intention of the Parties, to such Law, and to the extent such term, provision or condition cannot be so reformed, then such term, provision or condition (or such invalid, illegal or unenforceable application thereof) shall be deemed deleted from (or prohibited under) this Agreement, as the case may be, and the validity, legality and enforceability of the remaining terms, provisions and conditions contained herein (and any other application such term, provision or condition) shall not in any way be affected or impaired thereby. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement in a mutually acceptable manner so as to effect the original intent of the Parties as closely as possible to the end that the transactions contemplated hereby are fulfilled to the extent possible. As used in this Section 8.9, the term "Law" shall mean any

applicable statute, law (including common law), ordinance, regulation, rule, ruling, order, writ, injunction, decree or other official act of or by any federal, state or local government, governmental department, commission, board, bureau, agency, regulatory authority, instrumentality, or judicial or administrative body having jurisdiction over the matter or matters in question.

Section 8.10. PAYMENT OF EXPENSES

Except as otherwise expressly provided in this Agreement, or as covered by the application fee, (i) each of the Parties shall pay its own costs and expenses relating to this Agreement, including, but not limited to, its costs and expenses of the negotiations leading up to this Agreement, and of its performance and compliance with this Agreement, and (ii) in the event of a dispute between the Parties in connection with this Agreement, the prevailing Party in the resolution of any such dispute, whether by litigation or otherwise, shall be entitled to full recovery of all attorneys' fees (including a reasonable hourly fee for in-house legal counsel), costs and expenses incurred in connection therewith, including costs of court, from the non-prevailing Party.

Section 8.11. INTERPRETATION

When a reference is made in this Agreement to a Section, Article or Exhibit, such reference shall be to a Section or Article of, or Exhibit to, this Agreement unless otherwise indicated. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. The words "include," "includes" and "including" when used in this Agreement shall be deemed in such case to be followed by the phrase " , but not limited to, ". Words used in this Agreement, regardless of the number or gender specifically used, shall be deemed and construed to include any other number, singular or plural, and any other gender, masculine, feminine or neuter, as the context shall require. This Agreement is the joint product of the Parties and each provision of this Agreement has been subject to the mutual consultation, negotiation and agreement of each Party and shall not be construed for or against any Party.

Section 8.12. EXECUTION OF COUNTERPARTS

This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which, taken together, shall constitute but one and the same instrument, which may be sufficiently evidenced by one counterpart.

Section 8.13. ACCURACY OF REPRESENTATIONS CONTAINED IN APPLICATION

The Parties acknowledge that this Agreement has been negotiated, and is being executed, in reliance upon the information contained in the Application. The Applicant warrants that to the best of Applicant's knowledge all material representations, material information, and material facts contained in the Application are true and correct in all material respects. The parties further agree that the Application and all the attachments thereto are included by reference into this Agreement as if set forth herein in full; provided, however, to the extent of any differences or

inconsistencies between the terms, conditions, representations, information, and facts contained in the Application and those contained in this Agreement, the terms, conditions, representations, information, and facts contained in this Agreement shall be controlling.

In the event that the Board of Trustees, after completing the procedures required by Sections 7.8 and 7.9 of this Agreement, makes a written determination that the Application was either incomplete or inaccurate as to any material representation, material information, or material fact, then the Board of Trustees shall notify Applicant in writing of such determination and the Applicant shall have the time periods permitted by Section 7.8 or any other section of this Agreement; if any such material representation, information or fact item remains uncured after the written notice and cure periods specified herein, this Agreement shall be invalid and void except for the enforcement of the provisions required by 34 Texas Administrative Code §9.1053(f)(2)(K).

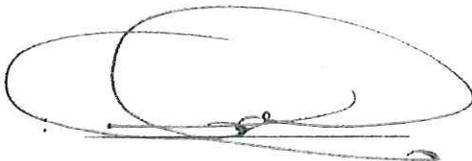

Section 8.14. PUBLICATION OF DOCUMENTS

The Parties acknowledge that the District is required to publish the Application and its required schedules, or any amendment thereto; all economic analyses of the proposed project submitted to the District; the approved and executed copy of this Agreement or any amendment thereto; and each application requesting Tax Credits under Texas Tax Code §313.103, as follows:

- a. Within seven (7) days of such document, the District shall submit a copy to the Comptroller for publication on the Comptroller's Internet website.
- b. The District shall provide on its website a link to the location of those documents posted on the Comptroller's website.
- c. This Section 8.14 does not require the publication of information that is confidential under Texas Tax Code §313.028.

IN WITNESS WHEREOF, this Agreement has been executed by the Parties in multiple originals on this 28th day of August 2012.

EXHIBIT 1

DESCRIPTION OF QUALIFIED REINVESTMENT ZONE

The *DCP Midstream Reinvestment Zone* was originally created on August 13, 2012 by action of the Glasscock County Commissioner's Court. As a result of the action of the Glasscock County Commissioner's Court, all the following real property within Glasscock County, Texas is located within the boundaries of the *DCP Midstream Reinvestment Zone*. A map of the *DCP Midstream Reinvestment Zone* is attached as the next page of this EXHIBIT 1.

BEING a 0.041 acre tract of land for on Access Rood Easement out of Section 225, Block 29, Waco & Northwestern Roll Road Company Survey (W&NM RR), Glasscock County, Texas, some being out of a tract conveyed to McDonald 7V Ranch L.L.C., a Texas limited liability Company, recorded in the Glasscock County Official Public Records at the following volumes and pages: 88/212, 87/213, 87/220, 84/600, 84/605, 84/610, 84/615, and 84/621, and said 0.041 acre tract being more particularly described as follows:

Basis of Bearings is Grid North, Texas Central Zone Based on GPS observations

BEGINNING at a 102d nail found at or near the Northwest corner of said Section 225 and near the centerline of North McDonald Road, on existing caliche road of approximately 80 foot total right-of-way width, for the Northwest corner of this tract;

THENCE S 87°02'26" E, along the North line of said Section 225, a distance of 59.1 feet to a 1/2-inch iron bar with red plastic cap marked "West Co. Abilene" set for the Northwest corner of a 40.00 acre surface site, for the Northeast corner of this tract;

THENCE S 03°15'56" W, along the West Line of said 40.00 acre surface site, a distance of 30.0 feet to a point calculated for the Southeast corner of this tract;

THENCE N 67°02'26" W, departing said West Line of the 40.00 acre surface site, in all a distance of 58.9 feet to a point in the West line of said Section 225 and at a point near the centerline of said North McDonald Road, for the Southwest corner of this tract;

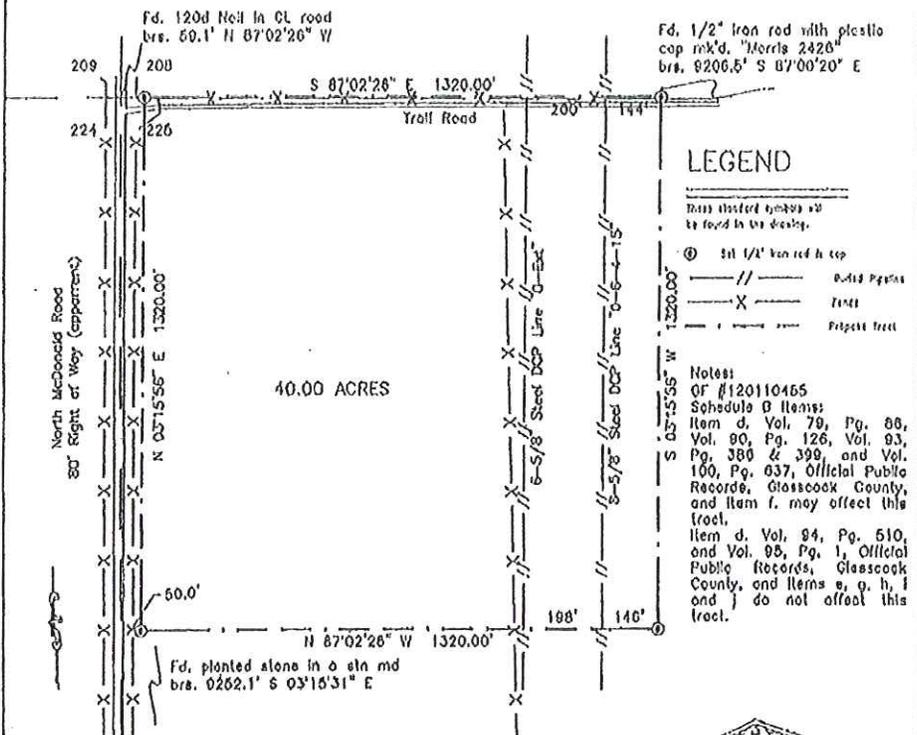

THENCE N 02°52'12" E, along the West line of said Section 225 and generally along the centerline of said North McDonald Road, a distance of 30.0 feet to the POINT OF BEGINNING and containing 0.041 acres of land.

THENCE N 67°02'26" W, departing said West Line of the 40.00 acre surface site, in all a distance of 58.9 feet to a point in the West line of said Section 225 and at a point near the centerline of said North McDonald Road, for the Southwest corner of this tract;

THENCE N 02°52'12" E, along the West line of said Section 225 and generally along the centerline of said North McDonald Road, a distance of 30.0 feet to the POINT OF BEGINNING and containing 0.041 acres of land.

EXHIBIT 3

DESCRIPTION OF THE APPLICANT'S QUALIFIED INVESTMENT/QUALIFIED PROPERTY

The proposed project will consist of a Natural Gas Plant with the following:

Rawhide Plant:

The Rawhide Gas Plant will consist of a 75 million standard cubic feet per day (MMSCFD) (nominal) cryogenic gas processing plant designed to treat and process produced natural gas from DCP gathering systems located throughout West Texas. The Rawhide Gas Plant process consists of four main stages listed and detailed below:

1. Inlet separation and Compression
2. Gas Treating and Water Removal
3. Natural Gas Processing
4. Residue Gas Compression

The Rawhide Plant will contain the following main units and utility systems:

- Inlet Facilities
- Dehydration
- Regeneration
- NGL Recovery Train
- NGL Product Delivery Facilities
- Residue Recompression & Cooling
- Water Heat Recovery
- Heat Medium
- Fuel Gas
- Methanol Injection
- Drains & Flare
- Instrument & Utility Air
- Potable and Utility Water
- Emergency Generator
- Operations and Maintenance Building
