Wilbarger County continues to have a lower per capita personal income than the state as a whole. In terms of per capita income, Wilbarger County County's \$34,287 in 2009 ranked 99th among the 254 counties in Texas, while the Texas average was \$38,609 for the same period.

While some of these indicators are positive, the local economy in Wilbarger County is susceptible to adverse changes because of its relatively small population base. Wilbarger County will benefit from economic activity like that associated with the Blue Summit project. Major capital investments like this project are beneficial to the community on a number of fronts, including direct and indirect employment, expanded opportunities for existing businesses and increased local tax bases.

Board Finding Number 3.

The average salary level of qualifying jobs is expected to be at least \$48,000 per year. The review of the application by the State Comptroller's Office indicated that this amount—based on Texas Workforce Commission data—complies with the requirement that qualifying jobs must pay 110 percent of the regional average manufacturing wage. Blue Summit indicates that total employment will be approximately three (3) new jobs, all of which will be qualifying jobs.

In support of Finding 3, the economic impact evaluation states:

After construction, the project will create three new jobs when fully operational. All three jobs will meet the criteria for qualifying jobs as specified in Tax Code Section 313.021(3). According to the Texas Workforce Commission (TWC), the regional manufacturing wage for the NORTEX Regional Planning Commission Region, where Wilbarger County is located was \$38,153 in 2010. The annual average manufacturing wage for 2011 for Wilbarger County is \$42,224. That same year, the county annual average wage for all industries was \$31,564. In addition to a salary of \$48,000, each qualifying position will receive the following benefits: medical, dental and vision insurance coverage; paid holidays; paid vacations; pension; 401(k); short and long term disability; life insurance; sick time/sickness in family time; education assistance; and flexible spending accounts.
