- ii. "New M&O Revenue" means the total State and local Maintenance & Operations Revenue that the District actually received for such school year, after all adjustments have been made to such Maintenance and Operations Revenue because of any portion of this Agreement.

In making the calculations required by this Section 3.2:

- i. The Taxable Value of property for each school year will be determined under the Applicable School Finance Law.
- ii. For purposes of this calculation, the tax collection rate on the Applicant's Qualified Property and/or the Applicant's Qualified Investment will be presumed to be one hundred percent (100%)
- iii. If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue as calculated under this Section 3.2 results in a negative number, the negative number will be considered to be zero.
- iv. All calculations made for years three (3) through ten (10) of this Agreement under Section 3.2, Subsection ii, of this Agreement

relating to the definition of “New M&O Revenue” will reflect the Tax Limitation Amount for such year.

- v. All calculations made under this Section 3.2 shall be made by a methodology which isolates only the revenue impact caused by this Agreement. The Applicant shall not be responsible to reimburse the District for other revenue losses created by other agreements or any other factors not contained in this Agreement.

Section 3.3. COMPENSATION FOR LOSS OF OTHER REVENUES

In addition to the amounts determined pursuant to Section 3.2 above, and to the extent provided in Section 6.3, the Applicant, on an annual basis, shall also indemnify and reimburse the District for the following:

- (a) all non-reimbursed costs incurred by the District in paying or otherwise crediting to the account of the Applicant, any applicable Tax Credit to which the Applicant may be entitled pursuant to Chapter 313, Subchapter D of the Texas Tax Code, and for which the District does not receive reimbursement from the State pursuant to Texas Education Code §42.2515, or other similar or successor statute.
- (b) all non-reimbursed costs, certified by the District’s external auditor to have been incurred by the District for extraordinary education-related expenses related to the Applicant’s Qualified Investment that are not directly funded in state aid formulas, including expenses for the purchase of portable classrooms and the hiring of additional personnel to accommodate a temporary increase in student enrollment attributable to the Applicant’s Qualified Investment.
- (c) any other loss of the District’s revenues which directly result from, or are reasonably attributable to any payment made by the Applicant to or on behalf of any third party beneficiary of this Agreement.

Section 3.4. CALCULATIONS TO BE MADE BY THIRD PARTY

All calculations under this Agreement shall be made annually by an independent third party (the “Third Party”) jointly approved each year by the District and the Applicant. If the Parties cannot agree on the Third Party, then the Third Party shall be selected by the mediator provided in Section 7.9 of this Agreement.

Section 3.5. DATA USED FOR CALCULATIONS

The calculations for payments under this Agreement shall be initially based upon the valuations placed upon the Applicant’s Qualified Investment and/or the Applicant’s Qualified

Property by the Appraisal District in its annual certified tax roll submitted to the District pursuant to Texas Tax Code §26.01 on or about July 25 of each year of this Agreement. Immediately upon receipt of the valuation information by the District, the District shall submit the valuation information to the Third Party selected under Section 3.4. The certified tax roll data shall form the basis of the calculation of any and all amounts due under this Agreement. All other data utilized by the Third Party to make the calculations contemplated by this Agreement shall be based upon the best available current estimates. The data utilized by the Third Party shall be adjusted from time to time by the Third Party to reflect actual amounts, subsequent adjustments by the Appraisal District to the District's certified tax roll or any other changes in student counts, tax collections, or other data.

Section 3.6. DELIVERY OF CALCULATIONS

On or before November 1 of each year for which this Agreement is effective, the Third Party appointed pursuant to Section 3.4 of this Agreement shall forward to the Parties a certification containing the calculations required under Sections 3.2 and/or 3.3, Article IV, and/or Section 5.1 of this Agreement in sufficient detail to allow the Parties to understand the manner in which the calculations were made. The Third Party shall simultaneously submit his, her or its invoice for fees for services rendered to the Parties, if any fees are being claimed, which fee shall be the sole responsibility of the District, subject to the limit of Section 3.7. Upon reasonable prior notice, the employees and agents of the Applicant shall have access, at all reasonable times, to the Third Party's offices, personnel, books, records, and correspondence pertaining to the calculation and fee for the purpose of verification. The Third Party shall maintain supporting data consistent with generally accepted accounting practices, and the employees and agents of the Applicant shall have the right to reproduce and retain for purpose of audit, any of these documents. The Third Party shall preserve all documents pertaining to the calculation and fee for a period of three (3) years after payment. The Applicant shall not be liable for any of the Third Party's costs resulting from an audit of the Third Party's books, records, correspondence, or work papers pertaining to the calculations contemplated by this Agreement.

Section 3.7. PAYMENT BY APPLICANT

The Applicant shall pay any amount determined to be due and owing to the District under this Agreement on or before the January 31 next following the tax levy for each year for which this Agreement is effective. By such date, the Applicant shall also pay any amount billed by the Third Party plus any reasonable and necessary legal expenses paid by the District to its attorneys, auditors, or financial consultants for the preparation and filing of any financial reports, disclosures, or Tax Credit or other reimbursement applications filed with or sent to the State of Texas which are, or may be required under the terms or because of the execution of this Agreement. For no Tax Year during the term of this Agreement shall the Applicant be responsible for the payment of an aggregate amount of fees and expenses under this Section 3.7 and Section 3.6 which exceeds Ten Thousand Dollars (\$10,000.00).

Section 3.8. RESOLUTION OF DISPUTES

Pursuant to Section 3.4 and Section 3.6, should the Applicant disagree with the certification containing the calculations, the Applicant may appeal the findings, in writing, to the Third Party within thirty (30) days following the later of (i) receipt of the certification, or (ii) the date the Applicant is granted access to the books, records and other information in accordance with Section 3.6 for purposes of auditing or reviewing the information in connection with the certification. Within fifteen (15) days of receipt of the Applicant's appeal, the Third Party will issue, in writing, a final determination of the certification containing the calculations. Thereafter, the Applicant may appeal the final determination of certification containing the calculations to the District. Any appeal by the Applicant of the final determination of the Third Party may be made, in writing, to the District's Board of Trustees within thirty (30) days of the final determination of certification containing the calculations, without limitation of Applicant's other rights and remedies available hereunder, at law or in equity.

Section 3.9. EFFECT OF PROPERTY VALUE APPEAL OR OTHER ADJUSTMENT

If at the time the Third Party selected under Section 3.4 makes its calculations under this Agreement, the Applicant has appealed any matter relating to the valuations placed by the Appraisal District on the Applicant's Qualified Investment, and/or the Applicant's Qualified Property and such appeal remains unresolved, the Third Party shall base its calculations upon the values placed upon the Applicant's Qualified Investment and/or the Applicant's Qualified Property by the Appraisal District.

If as a result of an appeal or for any other reason, the Taxable Value of the Applicant's Qualified Investment and/or the Applicant's Qualified Property is changed, once the determination of the new Taxable Value becomes final, the Parties shall immediately notify the Third Party who shall immediately issue new calculations for the applicable year or years using the new Taxable Value. In the event the new calculations result in a change in any amount paid or payable by the Applicant under this Agreement, the Party from whom the adjustment is payable shall remit such amounts to the other Party within thirty (30) days of the receipt of the new calculations from the Third Party.

Section 3.10. EFFECT OF STATUTORY CHANGES

Notwithstanding any other provision in this Agreement, but subject to the limitations contained in Section 5.1, in the event that, by virtue of statutory changes to the Applicable School Finance Law, administrative interpretations by the Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other reason attributable to statutory change, the District reasonably determines that it will receive less Maintenance and Operations Revenue, or, if applicable, will be required to increase its payment of funds to the State, because of its participation in this Agreement, the Applicant shall make payments to the District, up to the revenue protection amount limit set forth in Section 5.1, that are necessary to offset any actual negative impact on the District as a result of its participation in this Agreement. Such calculation shall take into account any adjustments to the amount calculated for the current fiscal year that should be made in order to reflect the actual impact on the District. Such payment shall be made no later than thirty (30) days following notice from the District of such determination.

ARTICLE IV

The Applicant shall not be responsible to the District or to any other person or persons in any form for the payment or transfer of money or any other thing of value in recognition of, anticipation of, or consideration for this Agreement for limitation on appraised value made pursuant to Chapter 313, Texas Tax Code, unless it is explicitly set forth in this Agreement. It is the express intent of the Parties that the Applicant’s obligation to make Supplemental Payments under this Article IV is separate and independent of the obligation of the Applicant to pay the amounts described in Article III; provided, however, that all payments under Articles III and IV are subject to the limitations contained in Section 5.1, and that all payments under this Article IV are subject to the separate limitations contained in Section 4.2(b).

Such foundation or entity may only use such funds received under this Article IV to support the educational mission of the District and its students. Any designation of such foundation or entity must be made by recorded vote of the Board of Trustees at a properly posted public meeting of the Board of Trustees. Any such designation will become effective after such public vote and the delivery of notice of said vote in conformance with the provisions of Section 8.1, below. Such designation may be rescinded by the Board of Trustees,

by Board action, at any time, and any such rescission will become effective after delivery of notice of such action to the Applicant in conformance with the provisions of Section 8.1.

Any designation of a successor beneficiary under this Section shall not alter the Aggregate Limitation on Supplemental payments described in Section 4.2(b), above.

Notwithstanding the foregoing, any payments made by Applicant shall be made in the manner and to the party designated in this Agreement unless Applicant receives unambiguous written notice from the District at least 30 days before the effective date of the change that such payments are to be made to a different party.

ARTICLE V

ANNUAL LIMITATION OF PAYMENTS BY APPLICANT

SECTION 5.1. ANNUAL LIMITATION AFTER FIRST THREE YEARS

Notwithstanding anything contained in this Agreement to the contrary, and with respect to each Tax Year during the term of this Agreement after the 2015 Tax Year, in no event shall (i) the sum of the maintenance and operations ad valorem taxes paid by the Applicant to the District for such Tax Year, plus the sum of all payments otherwise due from the Applicant to the District or its designee under Articles III and IV with respect to such Tax Year, exceed (ii) the amount of the maintenance and operations ad valorem taxes that the Applicant would have paid to the District for such Tax Year (determined by using the District's actual maintenance and operations tax rate for such Tax Year) if the Parties had not entered into this Agreement. The calculation and comparison of the amounts described in clauses (i) and (ii) of the preceding sentence shall be included in all calculations made pursuant to Sections 3.4 and 3.6, and in the event the sum of the amounts described in said clause (i) exceeds the amount described in said clause (ii), then the payments otherwise due from the Applicant to the District under Articles III and IV shall be reduced until such excess is eliminated.

Section 5.2. OPTION TO CANCEL AGREEMENT

In the event that any payment otherwise due from the Applicant to the District under Article III and/or Article IV with respect to a Tax Year is subject to reduction in accordance with the provisions of Section 5.1 above, then the Applicant shall have the option to terminate this Agreement. The Applicant may exercise such option to cancel this Agreement by notifying the District of its election in writing not later than the July 31 of the year next following the Tax Year with respect to which a reduction under Section 5.1 is applicable. Any cancellation of this Agreement under the foregoing provisions of this Section 5.2 shall be effective immediately prior to the second Tax Year next following the Tax Year in which the reduction giving rise to the option occurred. In addition to the foregoing, in the event the Applicant determines that it will not commence or complete construction of the Applicant's Qualified Investment, the Applicant shall have the option, during the Qualifying Time Period, to terminate this Agreement by notifying the District in writing of its exercise of such option. Any termination of this

Agreement under the immediately preceding sentence shall be effective immediately prior to the beginning of the Tax Year immediately following the Tax Year during which such notification is delivered to the District. Upon any termination this Agreement under this Section 5.2, this Agreement shall terminate and be of no further force or effect; provided, however, that the Parties' respective rights and obligations under this Agreement with respect to the Tax Year or Tax Years (as the case may be) through and including the Tax Year during which such notification is delivered to the District, shall not be impaired or modified as a result of such termination and shall survive such termination unless and until satisfied and discharged.

ARTICLE VI

TAX CREDITS

Section 6.1. APPLICANT'S ENTITLEMENT TO TAX CREDITS

The Applicant shall be entitled to Tax Credits from the District under and in accordance with the provisions of Subchapter D of the Act and the Comptroller's Rules, provided that the Applicant complies with the requirements under such provisions, including the filing of a completed application under Section 313.103 of the Texas Tax Code and the Comptroller's Rules.

Section 6.2. DISTRICT'S OBLIGATIONS WITH RESPECT TO TAX CREDITS

The District shall timely comply and shall cause the District's collector of taxes to timely comply with its obligations under Subchapter D of the Act and the Comptroller's Rules, including, but not limited to, such obligations set forth in Section 313.104 of the Texas Tax Code and either the Comptroller's Rules and/or Texas Education Agency rules.

If after the Applicant has actually received the benefit of a Tax Credit under Section 6.1, the District does not receive aid from the State pursuant to Texas Education Code §42.2515 or other similar or successor statute with respect to all or any portion of such Tax Credit for reasons other than the District's failure to comply with the requirements for obtaining such aid, then the District shall notify the Applicant in writing thereof and the circumstances surrounding the State's failure to provide such aid to the District. The Applicant shall pay to the District the amount of such Tax Credit for which the District did not receive such aid within thirty (30) calendar days after receipt of such notice. If the District receives aid from the State for all or any portion of a Tax Credit with respect to which the Applicant has made a payment to the District under this Section 6.3, then the District shall pay to the Applicant the amount of such aid within thirty (30) calendar days after the District's receipt thereof.

ARTICLE VII

ADDITIONAL OBLIGATIONS OF APPLICANT

Section 7.1. DATA REQUESTS

During the term of this Agreement, and upon the written request of one Party or by the Comptroller (the "Requesting Party"), the other Party shall provide the Requesting Party with all information reasonably necessary for the Requesting Party to determine whether the other Party is in compliance with its obligations, including any employment obligations which may arise under this Agreement. The Applicant shall allow authorized employees of the District, the Comptroller, and/or the Appraisal District to have access to the Applicant's Qualified Property and/or business records, in accordance with Texas Tax Code Section 22.07, during the term of this Agreement, in order to inspect the project to determine compliance with the terms hereof or as necessary to properly appraise the Taxable Value of the Applicant's Qualified Property. All inspections will be made at a mutually agreeable time after the giving of not less than ten (10) days prior written notice, and will be conducted in such a manner so as not to unreasonably interfere with either the construction or operation of the Applicant's Qualified Property. All inspections may be accompanied by one or more representatives of the Applicant, and shall be conducted in accordance with the Applicant's safety, security, and operational standards. Notwithstanding the foregoing, nothing contained in this Agreement shall require the Applicant to provide the District, the Comptroller, or the Appraisal District with any technical or business information that is private personnel data, proprietary, a trade secret or confidential in nature or is subject to a confidentiality agreement with any third party or any other information that is not necessary for the District to determine the Applicant's compliance with this Agreement.

Section 7.2. REPORTS TO OTHER GOVERNMENTAL AGENCIES

The Applicant shall timely make any and all reports that are or may be required under the provisions of law or administrative regulation as a result of this Agreement, including but not limited to the annual report or certifications that may be required to be submitted by the Applicant to the Comptroller under the provisions of Texas Tax Code §313.032 and the provisions of Title 34, Part 1, Chapter 9, Subchapter F of the Texas Administrative Code. The Applicant shall forward a copy of all such required reports or certifications to the District contemporaneously with the filing thereof. Currently, the Comptroller requires an Annual Eligibility Report and the Biennial Progress Reports, Form 50-772 and 50-773 respectively, and an Application for Tax Credit, Form 50-300. The obligation to make all such required filings shall be a material obligation under this Agreement. The Applicant shall not be in default of any reporting obligation hereunder, unless the Applicant has received thirty (30) days prior notice of its reporting obligation from the District.

Section 7.3. APPLICANT'S OBLIGATION TO MAINTAIN VIABLE PRESENCE

By entering into this Agreement, the Applicant warrants that:

- (a) it will abide by all of the terms of this Agreement;
- (b) it will Maintain Viable Presence in the District through the Final Termination Date of this Agreement; provided, however, that notwithstanding anything contained in this Agreement to the contrary, the Applicant shall not be in breach of this Agreement, and shall not be subject to any liability for failure to Maintain Viable Presence to the extent such failure is caused by Force Majeure, provided the Applicant makes commercially reasonable efforts to remedy the cause of such Force Majeure; and,
- (c) it will meet the applicable minimum eligibility requirements under Texas Tax Code, Chapter 313, throughout the period from and including the Tax Year 2015 through and including the last Tax Year during the term of this Agreement with respect to which the Applicant receives the benefit of a Tax Credit.

Section 7.4. CONSEQUENCES OF EARLY TERMINATION OR OTHER BREACH BY APPLICANT

(a) In the event of a Material Breach (hereinafter defined), except as provided in Section 5.2, after the notice and cure period provided by Section 7.8, then the District shall be entitled, as its sole and exclusive remedy, to the recapture of all ad valorem tax revenue lost as a result of this Agreement, as calculated in accordance with Section 7.5, on that recaptured ad valorem tax revenue. For purposes of this recapture calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Article III. The Applicant shall also be entitled to a credit for any amounts paid to the District pursuant to Article IV.

(b) Notwithstanding Section 7.4(a), in the event that the District determines that the Applicant has failed to Maintain Viable Presence and provides written notice of termination of this Agreement, then the Applicant shall pay to the District liquidated damages for such failure within thirty (30) days after receipt of such termination notice. The sum of liquidated damages due and payable shall be the sum total of the District ad valorem maintenance and operations taxes for all of the Tax Years for which the Tax Limitation Amount was allowed pursuant to this Agreement that are prior to the Tax Year in which the default occurs that otherwise would have been due and payable by the Applicant to the District without the benefit of this Agreement, including penalty and interest, as calculated in accordance with Section 7.5. For purposes of this liquidated damages calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Article III. The Applicant shall also be entitled to a credit for any amounts paid to the District pursuant to Article IV. Upon payment of such liquidated damages, the Applicant's obligations under this Agreement shall be deemed fully satisfied, and such payment shall constitute the District's sole remedy.

Section 7.5. CALCULATION OF PENALTY AND INTEREST

In determining the amount of interest due in the event of a breach of this Agreement, the District shall first determine the base amount of recaptured taxes owed less all credits under Section 7.4 for each Tax Year in which said breach has occurred and not been cured since the Commencement Date. The District shall calculate interest for each of said Tax Years at the rate of six percent (6%) per annum.

Section 7.6. MATERIAL BREACH OF AGREEMENT

The Applicant shall be in Material Breach of this Agreement (herein so called) if it commits one or more of the following acts or omissions:

- (a.) Applicant is determined to have failed to meet its obligations to have made accurate material representations of fact in the submission of its Application as is required by Section 8.13, below.
- (b.) Applicant fails to Maintain Viable Presence in the District, as required by Section 7.3 of this Agreement, through the Final Termination Date of this Agreement.
- (c.) Applicant fails to make any payment required under Articles III or IV of this Agreement on or before its due date.
- (d.) Applicant fails to create and maintain at least the number of New Jobs it committed to create and maintain as set forth on Schedule C, Column C of its Application.
- (e.) Applicant fails to create and maintain at least the number of New Jobs it committed to create and maintain as set forth on Schedule C, Column E of its Application.
- (f.) Applicant fails to comply with the requirement of Texas Tax Code §313.051(b) for 80 percent of all the New Jobs created to be Qualifying Jobs as defined in Texas Tax Code §313.021(3).
- (g.) Applicant makes any payments to the District or to any other person or persons in any form for the payment or transfer of money or any other thing of value in recognition of, anticipation of, or consideration for this Agreement, in excess of the amounts set forth in Articles III and IV, above. Voluntary donations made by the Applicant to the District after the date of execution of this Agreement, and not mandated by this Agreement or made in recognition of or in consideration for this Agreement are not barred by this provision.

- (h.) Applicant fails to materially comply in any material respect with any other term of this Agreement, or the Applicant fails to meet its obligations under the applicable Comptroller's Rules, and under the Act.

Section 7.7. LIMITED STATUTORY CURE OF MATERIAL BREACH

In accordance with the provisions of Texas Tax Code §313.0275, for any full Tax Year which commences after the project has become operational, the Applicant may cure any Material Breaches of this Agreement described in Sections 7.6(d) and 7.6(e) or 7.6(f), above, without the termination of the remaining term of this Agreement. In order to cure any such non-compliance with Sections 7.6(d) and 7.6(e) or 7.6(f) for any such Tax Year, the Applicant may make the liquidated damages payment required by Texas Tax Code §313.0275(b), in accordance with the provisions of Texas Tax Code §313.0275(c).

Section 7.8. DETERMINATION OF MATERIAL BREACH AND TERMINATION OF AGREEMENT

Prior to making a determination under Section 7.4 or Section 7.6 that the Applicant is in Material Breach of this Agreement, the District shall provide the Applicant with a written notice of the facts which it believes have caused the Material Breach, and if cure is possible, the cure proposed by the District. After receipt of the notice, the Applicant shall be given ninety (90) days to present any facts or arguments to the Board of Trustees showing that a Material Breach has not occurred and/or that it has cured or undertaken to cure any such Material Breach.

If the Board of Trustees is not reasonably satisfied with such response and/or that such Material Breach has been cured, then the Board of Trustees shall, after reasonable notice to the Applicant, conduct a hearing called and held for the purpose of determining whether such Material Breach has occurred and, if so, whether such Material Breach has been cured. At any such hearing, the Applicant shall have the opportunity, together with their counsel, to be heard before the Board of Trustees. At the hearing, the Board of Trustees shall make findings as to whether or not a Material Breach has occurred, the date such Material Breach occurred, if any, and whether or not any such Material Breach has been cured. Except as otherwise provided in Section 7.7, in the event that the Board of Trustees determines that such a Material Breach has occurred and has not been cured, it shall also terminate this Agreement and determine the amount of recaptured taxes under Section 7.4 (net of all credits under Section 7.4), and the amount of any penalty and/or interest under Section 7.5 that are owed to the District.

After making its determination regarding any alleged Material Breach, the Board of Trustees shall cause the Applicant to be notified in writing of its determination (a "Determination of Breach and Notice of Contract Termination").

Section 7.9. DISPUTE RESOLUTION

After receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 7.8, the Applicant shall have ninety (90) days in which

either to tender payment or evidence of its efforts to cure, or to initiate mediation of the dispute by written notice to the District, in which case the District and the Applicant shall be required to make a good faith effort to resolve, without resort to litigation and within ninety (90) days after the Applicant's receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 7.8, such dispute through mediation with a mutually agreeable mediator and at a mutually convenient time and place for the mediation. If the Parties are unable to agree on a mediator, a mediator shall be selected by the senior state district court judge then presiding in Travis County, Texas. The Parties agree to sign a document that provides the mediator and the mediation will be governed by the provisions of Chapter 154 of the Texas Civil Practice and Remedies Code and such other rules as the mediator shall prescribe. With respect to such mediation, (i) the District shall bear one-half of such mediator's fees and expenses and the Applicant shall bear one-half of such mediator's fees and expenses, and (ii) otherwise each Party shall bear all of its costs and expenses (including attorneys' fees) incurred in connection with such mediation.

In the event that any mediation is not successful in resolving the dispute or that payment is not received before the expiration of such ninety (90) days, the District shall have the remedies for the collection of the amounts determined under Section 7.8 as are set forth in Texas Tax Code Chapter 33, Subchapters B and C, for the collection of delinquent taxes. In the event that the District successfully prosecutes legal proceedings under this section, the Applicant shall also be responsible for the payment of reasonable attorney's fees and a tax lien on the Applicant's Qualified Property and the Applicant's Qualified Investment pursuant to Texas Tax Code §33.07 to the attorneys representing the District pursuant to Texas Tax Code §6.30. In the event that the Applicant is a prevailing party in any such legal proceedings under this section, the District shall be responsible for the payment of the Applicant's reasonable attorney's fees.

In any event where a dispute between the District and the Applicant under this Agreement cannot be resolved by the Parties, after completing the procedures required above in this Section 7.9, either the District or the Applicant may seek a judicial declaration of their respective rights and duties under this Agreement or otherwise, in any judicial proceeding, assert any rights or defenses, or seek any remedy in law or in equity, against the other Party with respect to any claim relating to any breach, default, or nonperformance of any covenant, agreement or undertaking made by a Party pursuant to this Agreement. In the event that the District successfully prosecutes legal proceedings under this section, the Applicant shall also be responsible for the payment of reasonable attorney's fees to the attorneys representing the District. In the event that the Applicant is a prevailing party in any such legal proceedings under this section, the District shall be responsible for the payment of the Applicant's reasonable attorney's fees.

Section 7.10. LIMITATION OF OTHER DAMAGES

Notwithstanding anything contained in this Agreement to the contrary, the District's damages for any default shall under no circumstances exceed the greater of either any amounts calculated under Sections 7.4 and 7.5 above, or the monetary sum of the difference between the payments and credits due and owing to the Applicant at the time of such default and the District

taxes that would have been lawfully payable to the District had this Agreement not been executed. In addition, the District's sole right of equitable relief under this Agreement shall be its right to terminate this Agreement.

The Parties further agree that the limitation of damages and remedies set forth in this Section 7.10 shall be the sole and exclusive remedies available to the District, whether at law or under principles of equity.

Section 7.11. BINDING ON SUCCESSORS

In the event of a merger or consolidation of the District with another school district or other governmental authority, this Agreement shall be binding on the successor school district or other governmental authority.
