RE: Application to the Port Neches-Groves Independent School District from
Huntsman Petrochemical LLC

To the Local Government Assistance & Economic Analysis Division:

By copy of this letter transmitting the application for review to the Comptroller's Office, the Port Neches Groves Independent School District is notifying the Applicant Huntsman Petrochemical LLC of its intent to consider the application for appraised value limitation on qualified property. The Applicant submitted the application to the school district on October 8, 2012. The Board voted to accept the application on October 8, 2012. The application was determined completed on February 11, 2013. Please prepare the economic impact report.

There is no existing property for this project. Please note, no construction has begun at the project site as of the date of the filing of the amended application and the District's determination that the application is complete. The Applicant is aware that the determination of a completed application by the Comptroller determines what property may be eligible for a value limitation agreement.

As you are aware, regional wage information is published annually and based upon the Texas Workforce Commission (TWC) OES data. The school district has determined that the wage information included in the application represents the most recent wage data available at the time of the application. A paper copy of the application will be hand delivered to your office today. In accordance with 34 Tex. Admin Code §9.1054, a copy of the application will be submitted to the Jefferson County Appraisal District.

Please feel free to contact me with questions.

Sincerely,

Letter to Local Government Assistance & Economic Analysis Division

Application for Appraised Value Limitation on Qualified Property

(Tax Code, Chapter 313, Subchapter B or C)

Form 50-296
(Revised May 2010)

INSTRUCTIONS: This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.025 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- notify the Comptroller that the school board has elected to consider the application.

This notice must include:

- the date on which the school district received the application;
- the date the school district determined that the application was complete;
- the date the school board decided to consider the application; and
- a request that the comptroller prepare an economic impact analysis of the application;
- provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the original completed application to the Comptroller in a three-ring binder with tabs separating each section of the documents, in addition to an electronic copy on CD. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, the Comptroller will publish all submitted application materials on its Web site. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller rules as explained in the Confidentiality Notice below.

The Comptroller will independently determine whether the application has been completed according to the Comptroller's rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project, make a recommendation to the school board regarding the application and prepare an economic impact evaluation by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application before the 151st day after the application review start date (the date the application is finally determined to be complete), unless an extension is granted. The Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to complete the recommendation, economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller's Web site to find out more about the program at <http://www.window.state.tx.us/taxinfo/proptax/hb1200/index.html>. There are links on this Web page to the Chapter 313 statute, rules and forms. Information about minimum limitation values for particular districts and wage standards may also be found at that site.

Application for Appraised Value Limitation on Qualified Property

INVESTMENT

NOTE: The minimum amount of qualified investment required to qualify for an appraised value limitation and the minimum amount of appraised value limitation vary depending on whether the school district is classified as rural, and the taxable value of the property within the school district. For assistance in determining estimates of these minimums, access the Comptroller's Web site at www.window.state.tx.us/taxinfo/proptax/hb1200/values.html.

At the time of application, what is the estimated minimum qualified investment required for this school district? \$30,000,000

What is the amount of appraised value limitation for which you are applying? \$30,000,000

What is your total estimated qualified investment? \$110,000,000

NOTE: See 313.021(1) for full definition. Generally, Qualified Investment is the sum of the investment in tangible personal property and buildings and new improvements made between beginning of the qualifying time period (date of application final approval by the school district) and the end of the second complete tax year.

What is the anticipated date of application approval? May 01, 2013

What is the anticipated date of the beginning of the qualifying time period? May 01, 2013

What is the total estimated investment for this project for the period from the time of application submission to the end of the limitation period? \$125,000,000

Describe the qualified investment. [See 313.021(1).]

Attach the following items to this application:

- (1) a specific and detailed description of the qualified investment you propose to make on the property for which you are requesting an appraised value limitation as defined by Tax Code §313.021,
- (2) a description of any new buildings, proposed improvements or personal property which you intend to include as part of your minimum qualified investment and
- (3) a map of the qualified investment showing location of new buildings or new improvements with vicinity map.

Do you intend to make at least the minimum qualified investment required by Tax Code §313.023 (or 313.053 for rural school districts) for the relevant school district category during the qualifying time period?

☒ Yes ☐ No

Except for new equipment described in Tax Code §151.318(q) or (q-1), is the proposed tangible personal property to be placed in service for the first time:

(1) in or on the new building or other new improvement for which you are applying?

☒ Yes ☐ No

(2) if not in or on the new building or other new improvement for which you are applying for an appraised value limitation, is the personal property necessary and ancillary to the business conducted in the new building or other new improvement?

☒ Yes ☐ No

(3) on the same parcel of land as the building for which you are applying for an appraised value limitation?

☒ Yes ☐ No

("First placed in service" means the first use of the property by the taxpayer.)

Will the investment in real or personal property you propose be counted toward the minimum qualified investment required by Tax Code §313.023, (or 313.053 for rural school districts) be first placed in service in this state during the applicable qualifying time period? ..

☒ Yes ☐ No

Does the investment in tangible personal property meet the requirements of Tax Code §313.021(1)?

☒ Yes ☐ No

If the proposed investment includes a building or a permanent, non-removable component of a building, does it house tangible personal property? ☒ Yes ☐ No

QUALIFIED PROPERTY

Describe the qualified property. [See 313.021(2)] (If qualified investment describes qualified property exactly you may skip items (1), (2) and (3) below.)

Attach the following items to this application:

- (1) a specific and detailed description of the qualified property for which you are requesting an appraised value limitation as defined by Tax Code §313.021,
- (2) a description of any new buildings, proposed improvements or personal property which you intend to include as part of your qualified property and
- (3) a map of the qualified property showing location of new buildings or new improvements – with vicinity map.

Land

Is the land on which you propose new construction or improvements currently located in an area designated as a reinvestment zone under Tax Code Chapter 311 or 312 or as an enterprise zone under Government Code Chapter 2303?

☐ Yes ☒ No

If you answered "no" to the question above, what is the anticipated date on which you will submit proof of a reinvestment zone with boundaries encompassing the land on which you propose new construction or improvements? March 01, 2013

Will the applicant own the land by the date of agreement execution?

☒ Yes ☐ No

Will the project be on leased land?

☐ Yes ☒ No

QUALIFIED PROPERTY (CONTINUED)

If the land upon which the new building or new improvement is to be built is part of the qualified property described by §313.021(2)(A), please attach complete documentation, including:

1. Legal description of the land
2. Each existing appraisal parcel number of the land on which the improvements will be constructed, regardless of whether or not all of the land described in the current parcel will become qualified property
3. Owner
4. The current taxable value of the land. Attach estimate if land is part of larger parcel.
5. A detailed map (with a vicinity map) showing the location of the land

Attach a map of the reinvestment zone boundaries, certified to be accurate by either the governmental entity creating the zone, the local appraisal district, or a licensed surveyor. (With vicinity map)

Attach the order, resolution or ordinance establishing the zone, and the guidelines and criteria for creating the zone, if applicable.

Miscellaneous

Is the proposed project a building or new improvement to an existing facility? ☒ Yes ☐ No

Attach a description of any existing improvements and include existing appraisal district account numbers.

List current market value of existing property at site as of most recent tax year. (Land Only) 2012
(Market Value) (Tax Year)

Is any of the existing property subject to a value limitation agreement under Tax Code 313? ☐ Yes ☒ No

Will all of the property for which you are requesting an appraised value limitation be free of a tax abatement agreement entered into by a school district for the duration of the limitation? ☒ Yes ☐ No

WAGE AND EMPLOYMENT INFORMATION

What is the estimated number of permanent jobs (more than 1,600 hours a year), with the applicant or a contractor of the applicant, on the proposed qualified property during the last complete quarter before the application review start date (date your application is finally determined to be complete)? -0-

The last complete calendar quarter before application review start date is the:

☐ First Quarter ☐ Second Quarter ☒ Third Quarter ☐ Fourth Quarter of 2012
(year)

What were the number of permanent jobs (more than 1,600 hours a year) this applicant had in Texas during the most recent quarter reported to the TWG?

Note: For job definitions see TAC §9.1051(14) and Tax Code 313.021(3). If the applicant intends to apply a definition for "new job" other than TAC §9.1051(14)(C), then please provide the definition of "new job" as used in this application. N/A

Total number of new jobs that will have been created when fully operational 10

Do you plan to create at least 25 new jobs (at least 10 new jobs for rural school districts) on the land and in connection with the new building or other improvement? ☒ Yes ☐ No

Do you intend to request that the governing body waive the minimum new job creation requirement, as provided under Tax Code §313.025(f-1)? ☐ Yes ☒ No

If you answered "yes" to the question above, attach evidence documenting that the new job creation requirement above exceeds the number of employees necessary for the operation, according to industry standards. **Note: Even if a minimum new job waiver is provided, 80% of all new jobs must be qualifying jobs pursuant to Texas Tax Code, §313.024(d).**

What is the maximum number of qualifying jobs meeting all criteria of §313.021(3) you are committing to create? 10

If this project creates more than 1,000 new jobs, the minimum required wage for this project is 110% of the average county weekly wage for all jobs as described by 313.021(3)(E)(ii).

If this project creates less than 1,000 new jobs, does this district have territory in a county that meets the demographic characteristics of 313.051(2)? (see table of information showing this district characteristic at <http://www.window.state.tx.us/taxinfo/proptax/hb1200/values.html>)

If yes, the applicant must meet wage standard described in 313.051(b) (110% of the regional average weekly wage for manufacturing)

If no, the applicant shall designate one of the wage standards set out in §§313.021(5)(A) or 313.021(5)(B).

**WAGE AND EMPLOYMENT INFORMATION (CONTINUED)**

For the following three wage calculations please include on an attachment the four most recent quarters of data for each wage calculation. Show the average and the 110% calculation. Include documentation from TWC Web site. The final actual statutory minimum annual wage requirement for the applicant for each qualifying job — which may differ slightly from this estimate — will be based on information from the four quarterly periods for which data were available at the time of the application review start date (date of a completed application). See TAC §9.1051(7).

110% of the county average weekly wage for all jobs (all industries) in the county is \$1,057.93 (as of 01-22-2013)

110% of the county average weekly wage for manufacturing jobs in the county is \$1,868.90 (as of 01-22-2013)

110% of the county average weekly wage for manufacturing jobs in the region is \$1,242.24 (as of 01-22-2013)

Please identify which Tax Code section you are using to estimate the wage standard required for this project:

☐ §313.021(5)(A) or ☐ §313.021(5)(B) or ☐ §313.021(3)(E)(ii), or ☒ §313.051(b)?

What is the estimated minimum required annual wage for each qualifying job based on the qualified property? \$64,596.40

What is the estimated minimum required annual wage you are committing to pay for each of the qualifying jobs you create on the qualified property? \$65,000.00

Will 80% of all new jobs created by the owner be qualifying jobs as defined by 313.021(3)? ☒ Yes ☐ No

Will each qualifying job require at least 1,600 of work a year? ☒ Yes ☐ No

Will any of the qualifying jobs be jobs transferred from one area of the state to another? ☐ Yes ☒ No

Will any of the qualifying jobs be retained jobs? ☐ Yes ☒ No

Will any of the qualifying jobs be created to replace a previous employee? ☐ Yes ☒ No

Will any required qualifying jobs be filled by employees of contractors? ☐ Yes ☒ No

If yes, what percent? _____

Does the applicant or contractor of the applicant offer to pay at least 80% of the employee's health insurance premium for each qualifying job? ☒ Yes ☐ No

Describe each type of benefits to be offered to qualifying jobholders. (Use attachments as necessary.)

CONFIDENTIALITY NOTICE

**Property Tax Limitation Agreement Applications
Texas Government Code Chapter 313
Confidential Information Submitted to the Comptroller**

Generally, an application for property tax value limitation, the information provided therein, and documents submitted in support thereof, are considered public information subject to release under the Texas Public Information Act.

There is an exception, outlined below, by which information will be withheld from disclosure.

The Comptroller's office will withhold information from public release if:

- 1) it describes the specific processes or business activities to be conducted or the specific tangible personal property to be located on real property covered by the application;
- 2) the information has been segregated in the application from other information in the application; and
- 3) the party requesting confidentiality provides the Comptroller's office a list of the documents for which confidentiality is sought and for each document lists the specific reasons, including any relevant legal authority, stating why the material is believed to be confidential.

All applications and parts of applications which are not segregated and marked as confidential as outlined above will be considered public information and will be posted on the internet.

Such information properly identified as confidential will be withheld from public release unless and until the governing body of the school district acts on the application, or we are directed to do so by a ruling from the Attorney General.

Other information in the custody of a school district or the comptroller submitted in connection with the application, including information related to the economic impact of a project or the essential elements of eligibility under Texas Tax Code, Chapter 313, such as

the nature and amount of the projected investment, employment, wages, and benefits, will not be considered confidential business information and will be posted on the internet.

All documents submitted to the Comptroller, as well as all information in the application once the school district acts thereon, are subject to public release unless specific parts of the application or documents submitted with the application are identified as confidential. Any person seeking to limit disclosure of such submitted records is advised to consult with their legal counsel regarding disclosure issues and also to take the appropriate precautions to safeguard copyrighted material, trade secrets, or any other proprietary information. The Comptroller assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by respondents. A person seeking to limit disclosure of information must submit in writing specific detailed reasons, including any relevant legal authority, stating why that person believes the material to be confidential.

The following outlines how the Comptroller's office will handle requests for information submitted under the Texas Public Information Act for application portions and submitted records appropriately identified as confidential.

- This office shall forward the request for records and a copy of the documents at issue to the Texas Attorney General's office for an opinion on whether such information may be withheld from disclosure under the Texas Public Information Act.
- The Comptroller will notify the person who submitted the application/documents when the information is forwarded to the Attorney General's office.
- Please be aware that this Office is obligated to comply with an Attorney General's decision, including release of information ruled public even if it was marked confidential.

ATTACHMENT 04 – PROJECT DESCRIPTION

Project Description:

Huntsman Petrochemical LLC plans to expand its Ethylene Oxide Unit, which will produce approximately 265MM lbs of ethylene oxide per annum. Purchasing of new equipment will result in an estimated \$125MM investment. The total estimated investment for this project is **\$125 million dollars**.

The Project may contain the following main units and utility systems:

Boiling Water Reactor Exchanger/Vessels HP Recycle Compressor	Pumps Piping/Steel Miscellaneous Process Equipment
---	--

Statement on Company's Ability to Relocate in Another State:

Huntsman has petrochemical operations in several states within the United States and many other sites in other countries around the globe. Port Neches is the primary location for the production of Ethylene Oxide and Ethylene Glycol. However, the equipment could operate as a stand-alone plant and Huntsman could install the reactor system at other petrochemical sites, several of which use EO as a raw material to make other products. The closest neighboring state in which Huntsman operates EO derivative plants is Louisiana.

JEFFERSON COUNTY UNIFORM TAX ABATEMENT POLICY-2012

ADMONITORY PROVISIONS

The final determination of value to be abated is vested with the Jefferson County Appraisal District (JCAD), an agency autonomous from Jefferson County. The Procedures used by JCAD are attached as Exhibit "A" and incorporated and adopted in this Abatement Policy for all purposes. These provisions are illustrative only and shall not limit the Appraisal District in making determinations in any manner otherwise allowed by law.

Businesses applying for tax abatement with the County are advised that any agreement with the County applies only to taxes assessed by Jefferson County. Any abatement agreement with other taxing entities must be negotiated directly with such entities. In addition, each individual or business receiving an abatement retains the responsibility for annually applying to the Jefferson County Appraisal District for recognition and implementation of such abatement agreement.

STATEMENT OF PURPOSE

SECTION I

(a) The Commissioners Court of Jefferson County, Texas adopts this tax abatement policy to provide incentives to the owner of real property who proposes a Project to develop, redevelop or improve eligible facilities. The incentives will consist of a limited special exemption from certain taxes provided that the Owner agrees to accept and abide by this Policy and provided that the real property is located in a lawfully created Reinvestment or Enterprise Zone.

(b) This policy is intended to improve the quality of life in economically depressed areas and throughout the County by stimulating industrial development, and job creation and retention.

DEFINITIONS

SECTION II

(a) **"Abatement"** means the full or partial exemption from ad valorem taxes of certain real property values and/or tangible personal property values in a reinvestment or enterprise zone designated by the County for economic development purposes.

(b) **"Agreement"** means a contractual agreement between a property owner and/or lessee and the County.

(c) **"Base Year"** means the calendar year in which the abatement contract is executed (signed).

(d) **"Base Year Value"** means the assessed value of eligible property January 1 preceding the execution of the agreement plus the value of eligible property improvements and Tangible Personal Property made after January 1, but before the execution of the Agreement, and which property is owned by the owner, co-owner, and/or its parent companies, subsidiaries, partners, co-venturers, or any entity exercising legal control over the owner or subject to control by the owner.

(e) **"Deferred Maintenance"** means improvements necessary for continued operation which that do not improve productivity, or alter the process technology, reduce pollution or conserve resources.

(f) **"Distribution Center"** means buildings and structures, including fixed machinery and equipment, used or to be used primarily to receive, store, service or distribute goods or materials owned by the Facility operator where a majority of the goods or services are distributed to points beyond Jefferson County.

(g) **"Eligible Facilities"** or "Eligible Projects" means new, expanded or modernized buildings and structures, tangible personal property as defined in the Texas Tax Code, including fixed machinery and equipment, which is reasonably likely as a result of granting abatement to contribute to the retention or expansion of primary employment or to attract major investment in the reinvestment or enterprise zone that would be a benefit to the property and that would contribute to the economic development within the County, but does not include facilities which are intended primarily to provide goods or services to residents or existing businesses located in the County such as, but not limited to, restaurants and retail sales establishments. Eligible facilities may include, but shall not be limited to, industrial buildings and warehouses. Eligible facilities may also include facilities designed to serve a regional population greater than the County for medical, scientific, recreational or other purposes.

(h) **"Expansion"** means the addition of buildings, structures, machinery, tangible personal property, equipment, payroll or other taxable value for purposes of increasing production capacity.

(i) **"Modernization"** means a complete or partial demolition of facilities and the complete or partial reconstruction or installation of a facility of similar or expanded production capacity. Modernization may result from the construction, alteration, or installation of buildings, structures, machinery, equipment, pollution control devices or resource conservation equipment. Modernization shall include improvements for the purpose of increasing productivity or updating the technology of machinery and equipment, or both.

(j) **"Facility"** means property improvements completed or in the process of construction which together comprise an integral whole.

(k) **"New Facility"** means a property previously undeveloped which is placed into service by means other than in conjunction with Expansion or Modernization.

(l) **"Productive Life"** means the number of years a property improvement is expected to be in service in a facility.

(m) **"Tangible Personal Property"** means tangible personal property classified as such under state law, but excluding inventory and/or supplies and tangible personal property that was located in the investment or enterprise zone at any time before the period covered by the agreement with the County.

WHEN ABATEMENT AUTHORIZED
SECTION III

(a) **Eligible Facilities.** Upon application, Eligible Facilities shall be considered for tax abatement as hereinafter provided.

(b) **Creation of New Value.** Abatement may only be granted for the creation of additional value to eligible facilities made subsequent to and specified in an abatement agreement between the County and the property owner or lessee, subject to such limitations as the County may require. Under no circumstances will abatements be considered or granted once construction on a facility or project has begun.

(c) **New and Existing Facilities.** Abatement may be granted for new facilities and improvements to existing facilities for purposes of modernization or expansion.

(d) **Eligible Property.** Abatement may be extended to the value of buildings, structures, fixed machinery and equipment, site improvements, and related fixed improvements necessary to the operation and administration of the facility.

(e) **Ineligible Property.** The following types of property shall be fully taxable and ineligible for tax abatement: land, supplies, inventory, vehicles, vessels, housing, improvements for the generation or transmission of electrical energy not wholly consumed by a new facility or expansion; any improvements, including those to produce, store or distribute natural gas, fluids or gases, which are not integral to the operation of the facility; deferred maintenance, property to be rented or leased (except as provided in Section III(f), property which has a productive life of less than ten years, or any other property for which abatement is not allowed by state law.

(f) **Owned/Leased Facilities.** If a leased facility is granted abatement, both the owner/lessor and the lessee shall be parties to the abatement contract with the County.

(g) **Economic Qualification.** In order for an Eligible Facility to receive tax abatement the planned improvement:

(1) Must create an increased appraised ad valorem tax value based upon the Jefferson County Appraisal District's assessment of the eligible property; and

(2) Must prevent the loss of payroll or retain, increase or create payroll (full-time employment) on a permanent basis in the County.

(3) Must not have the effect of displacing workers or transferring employment from one part of the County to another.

(4) Must demonstrate by an independent economic impact analysis that the local economic benefit will be substantially in excess of the amount of anticipated foregone tax revenues resulting from the abatement.

Factors Considered By County In Considering Abatement Requests

Section IV

(a) **Standards For Tax Abatement.** The following non-exclusive factors may be considered in determining whether to grant tax abatements for an Eligible Facility or Project, and if so, the percentage of value to be abated and the duration of the tax abatement:

- (1) Existing improvements, if any;
- (2) Type and value of proposed improvements;
- (3) Productive life of proposed improvements;
- (4) Number of existing jobs to be retained by proposed improvements;
- (5) Number and types of new jobs to be created by proposed improvements;
- (6) The extent to which new jobs to be created will be filled by persons who are economically disadvantaged, including residents of a Reinvestment or Enterprise Zone;
- (7) The extent to which local labor, local subcontractors and local vendors and suppliers will be used in the construction phase of the project;
- (8) The amount of local taxes to be generated directly;
- (9) The amount the property tax base valuation will be increased during term of abatement and after abatement;
- (10) The amount of economic impact the Eligible Facility will provide to the local community;
- (11) The costs to be incurred by the County to provide facilities or services directly resulting from the new improvements;
- (12) The amount of ad valorem taxes to be paid to the County during the abatement period considering (a) the existing values; (b) the percentage of new value abated; (c) the abatement period; and (d) the value after expiration of the abatement period;
- (13) The population growth of the County projected to occur directly as a result of new improvements;
- (14) The types and values of public improvements, if any, to be made by the applicant seeking abatement;
- (15) Whether the proposed improvements compete with existing businesses to the detriment of the local economy;
- (16) The impact of the proposed project on the business opportunities of existing businesses;

(17) The attraction of other new businesses to the area as a result of the project;

(18) The overall compatibility with the zoning ordinances and comprehensive plan for the area;

(19) Whether the project is environmentally compatible with no negative impact on quality of life perceptions;

Each application for tax abatement shall be reviewed on its merits utilizing the factors provided above. After such review, abatement may be denied entirely or may be granted to the extent deemed appropriate after full evaluation.

(b) Local Employment. For purposes of evaluating Section III(h)(7): Local labor is defined as those laborers or skilled craftsmen who are residents and domiciliaries of the nine county region comprised of Jefferson, Orange, Hardin, Jasper, Newton, Liberty, Tyler and Chambers counties, as well as the Bolivar Peninsula area of Galveston County. Local vendors and suppliers shall include only those located or having a principal office in Jefferson County. Local Subcontractors shall include only those located or having a principal office in Jefferson County.

Each recipient of property tax abatement shall additionally agree to give preference and priority to local manufacturers, suppliers, vendors, contractors and labor, except where not reasonably possible to do so without significant added expense, substantial inconvenience, or sacrifice in operating efficiency. In any such exception, cases involving purchases over \$10,000.00, a justification for such purchase shall be included in the annual report. Each recipient shall further acknowledge that is a legal and moral obligation of persons receiving property tax abatement to favor local manufacturers, suppliers, contractors and labor, all other factors being equal. In the event of breach of the "buy-local" provision, the percentage of abatement shall be proportionately reduced in an amount equal to the amount the disqualified contract bears to the total construction cost for the project.

(c) Each recipient of a property tax abatement must also provide bidding information to local contractors, manufacturers and labor to allow them to have sufficient information and time to submit their bids and pre-bid meetings must be held between the owner and potential local bidders and suppliers of services and materials.

(d) Historically Underutilized Businesses/Disadvantaged Business Enterprises. The County will also strongly consider the extent to which the project will encourage and promote the utilization of Historically Underutilized Businesses (HUBs) (also known as Disadvantaged Business Enterprises, or DBEs) by the owner and general contractor by ensuring that qualified HUB vendors and contractors are given an opportunity to bid on all contracts.

1. A Historically Underutilized Business (HUB) is a business owned or controlled by Socially and Economically Disadvantaged Individuals as defined by all applicable federal or state laws and local policies, including Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, Asian-Indian Americans, women and individuals with disabilities.

A HUB is one that is at least 51 percent owned or controlled by one or more women or Socially and Economically Disadvantaged Individuals who actively participate in the conduct of the business or, in the case of a publicly owned business, one in which at least 51 percent of the stock is controlled by one or more women or Socially and Economically Disadvantaged Individuals. A business that has been certified as a HUB/DBE by an agency of the federal government or the State of Texas is presumed to be a HUB/DBE for purposes of this policy.

Only a HUB/DBE with its principal office in Jefferson, Hardin, and Orange, County will be recognized as a HUB/DBE for purposes of this policy. Jefferson County will supply a Minority Business Directory to each applicant.

2. The County will require that each abatement contract between itself and any individual or entity seeking the abatement of ad valorem taxes contain a provision requiring the owner, on at least a quarterly basis, and at owner's cost, to allow the full examination by County or its designated representative(s) of all documents necessary for County to assure that best efforts have been used by owner to utilize local labor, subcontractors, vendors, suppliers and HUB's/DBE's. The County will also require that such contracts contain provisions binding the engineering/construction firms utilized as general contractors on the Project to the terms of the abatement contract.

(e) **Denial of Abatement.** Neither a reinvestment or enterprise zone nor abatement agreement shall be authorized if it is determined that:

- (1) There would be a substantial adverse affect on the provision of government service or tax base;
- (2) The applicant has insufficient financial capacity;
- (3) Planned or potential use of the property would constitute a substantial hazard to public safety, health or morals;
- (4) The project would cause a violation of state or federal laws; or
- (5) For any other reason deemed appropriate by the County including the pendency of litigation between the individual or entity requesting the creation of the reinvestment or enterprise zone and the County.

(f) **"Taxability"** From the execution of the abatement agreement to the end of the agreement period, taxes shall be payable as follows:

- (1) The value of ineligible property as provided in Section II(e) shall be fully taxable; and
- (2) The base year value of existing eligible property as determined each year shall be fully taxable.

APPLICATION PROCESS

SECTION V

(a) Any present owner, potential owner or Lessee of taxable property in the County may request the creation of a reinvestment or enterprise zone and tax abatement by filing a written request with the County Judge.

(b) The application shall consist of a completed application form which shall provide detailed information on the items described in Section III(h) hereof; a map and property description with specific metes and bounds; a time schedule for undertaking and completing the planned improvements. In the case of modernization, a statement of the assessed value of the facility, separately stated for real and personal property, shall be given for the tax year immediately preceding the application. The application form may require such financial and other information as may be deemed appropriate for evaluating the financial capacity and other factors of the applicant. The County shall also require a non-refundable application fee in the amount of \$1,000.00 to be submitted with the application.

(c) Prior to the adoption of an ordinance order designating a reinvestment or application by the County for designation of an enterprise zone, the County shall: (1) give written notice to the presiding officer of the governing body of each taxing unit in which the property to be subject to the agreement is located not later than seventh (7th) day before the public hearing; and (2) publish notice of a public hearing in a newspaper of general circulation within such taxing jurisdiction not later than the seventh (7th) day before the public hearing. Before acting upon the application, the County shall, through public hearing, afford the applicant and the designated representative of any governing body referenced hereinabove opportunity to show cause why the abatement should or should not be granted.

(d) The County shall make every reasonable effort to either approve or disapprove the application for tax abatement within forty-five (45) days after receipt of the application. The County shall notify the applicant of approval or disapproval.

(e) The County shall not establish a reinvestment or enterprise zone or enter into an abatement agreement if it finds that the request for the abatement was filed after the commencement of construction, alteration, or installation or improvements related to a proposed modernization, expansion or new facility.

(f) Information that is provided to the County in connection with an application or request for tax abatement and that describes the specific processes or business activities to be conducted or the equipment or other property to be located on the property for which a tax abatement agreement is requested is confidential and not subject to public disclosure pursuant to the Texas Public Information Act until the tax abatement agreement is executed. That information in the possession of a taxing unit after the agreement is executed is not confidential and is subject to disclosure.

AGREEMENT SECTION VI

(a) Not later than the seventh (7th) day before the date on which the County enters into the abatement agreement, the County shall deliver to the presiding officer of the governing body of each other taxing unit in which the property is located a written notice that the County intends to enter into the agreement. The notice shall include a copy of the prepared agreement.

(b) The County shall formally pass a resolution and execute an agreement with the owner of the facility and lessee, as the case may be, which shall include at least the following terms:

- (1) Estimated value to be abated and the base year value;
- (2) Percent of value to be abated each year as provided in Section III(g);
- (3) The commencement date and the termination date of abatement;
- (4) The proposed use of the facility, nature of construction, time schedule, map, property description and improvement list as provided in application, Section IV(b);
- (5) Contractual obligations in the event of default, violation of terms or conditions, delinquent taxes, or assignment;
- (6) Provision for access to and authorization for inspection of the property by County employees to ensure that the improvements or repairs are made according to the specifications and conditions of the agreement;
- (7) Limitations on the uses of the property consistent with the general purpose of encouraging development or redevelopment of the zone during the period that property tax exemptions are in effect;

- (8) Provision for recapturing property tax revenue lost as a result of the agreement if the owner of the property fails to make the improvements or repairs as provided by the agreement;
- (9) Provision that all permanent jobs be registered with the Texas Workforce Commission and that all contractors shall give preference to and to seek qualified workers through the Texas Workforce Commission.
- (10) Contain each and every term agreed to by the owner of the property;
- (11) Requirement that the owner or lessee of the property certify annually to the governing body of each taxing unit that the owner or lessee is in compliance with each applicable term of the agreement; and
- (12) All terms required by Texas Tax Code §312.205, as amended;

Such agreement shall normally be executed within sixty (60) days after the applicant has forwarded all necessary information and documentation to the County.

RECAPTURE SECTION VII

(a) In the event that the company or individual (1) allows its ad valorem taxes owed the County to become delinquent and fails to timely and properly follow the legal procedures for their protest and/or contest; or (2) violates any of the terms and conditions of the abatement agreement; and fails to cure during the cure period, or discontinues production the agreement then may be terminated and all taxes previously abated by virtue of the agreement will be recaptured and paid within thirty (30) days of the termination.

(b) Should the County determine that the company or individual is in default according to the terms and conditions of its agreement, the County shall notify the company or individual of such default in writing at the address stated in the agreement; and if such is not cured within thirty (30) days from the date of such notice ("Cure Period"), then the agreement may be terminated. Alternatively, County may, as a penalty for default or non-compliance with the provisions of an abatement contract, reduce the term of the abatement period and/or the annual percentage abatements available thereunder.

(c) Payment in Lieu of Taxes: If, during the period of this abatement, any Federal or State law provides an additional tax exemption for the property that is already the subject of this agreement, Applicant agrees to decline that tax exemption during the period of this abatement. If Applicant is unable to decline that tax exemption, Applicant agrees to pay the taxes, or payment in lieu of taxes, on the reduction of property tax revenue to the County that is the result of said exemption. Any payment in lieu of taxes shall be due on or before November 15 of the year in which payment is due.

ADMINISTRATION SECTION VIII

(a) The Chief Appraiser of the Jefferson County Appraisal District will annually determine an assessment of the real and personal property subject to each abatement agreement. Each year, the company or individual receiving abatement shall furnish the appraiser with such information as may be necessary to determine compliance with the abatement agreement. Once value has been established, the Chief Appraiser will notify the County of the amount of the assessment.

(b) The abatement agreement shall stipulate that employees and/or designated representatives of the County will have access to the facility during the term of the abatement to inspect the

facility to determine if the terms and conditions of the agreement are being met. Inspections will only be conducted in such manner as to not unreasonably interfere with the construction and/or operation of the facility. All inspections will be made with one or more representative of the company or individual and in accordance with its safety standards.

(c) Upon completion of construction, the designated representative of the Owner shall annually evaluate each facility receiving abatement to insure compliance with the agreement, and a formal report shall be made to the County.

(d) During the course of construction of the Project, Owner and its general contractor and/or subcontractors shall, on at least a quarterly basis, meet with designated County representatives for an onsite inspection to assure compliance with the terms of the abatement agreement. Owner shall be responsible to County for the payment of costs associated with such monitoring. In the event it is determined that Owner or its contractors have failed to comply with the terms of the abatement agreement, then County may terminate the abatement agreement or, in County's discretion, reduce the duration or annual percentages of such abatement.

(e) During construction, the Applicant shall maintain appropriate records of the employees affected by this abatement, including but not limited to, proof of employees' legal residence, proof of immigration-resident status, and, if applicable, such other documentation that may be required to document compliance with the Agreement

(f) The Chief Appraiser of the Jefferson County Appraisal District shall timely file with the Texas Department of Economic Development and the State Property Tax Board all information required by the Tax Code.

(g) All requirements of the Abatement Agreement shall apply to Applicant's contractors/subcontractors and Applicant shall ensure that they abide by the terms of the Agreement.

AGREEMENT

SECTION IX

Abatement may be transferred, assumed and assigned in whole or in part by the holder to a new owner or lessee of the same facility upon the approval by resolution of the Commissioners' Court; subject to the financial capacity of the assignee and provided that all conditions and obligations in the abatement agreement are guaranteed. No assignment or transfer shall be approved if the parties to the existing agreement, the new owner or new lessee are liable to any jurisdiction for outstanding taxes or other obligations. Approval shall not be unreasonably withheld. As a condition of transfer, an assignment fee of 1% may be required, with the maximum fee being \$10,000.00

SUNSET PROVISION

SECTION X

These guidelines and criteria are effective upon the date of their adoption and will remain in force for two years, unless amended by three-quarters of the Commissioners' Court at which time all reinvestment and enterprise zones and tax abatement agreements created pursuant to these provisions will be reviewed to determine whether the goals have been achieved. Based on that review, the guidelines and criteria may be modified, renewed or eliminated.

DISCRETION OF THE COUNTY
SECTION XI

The adoption of these guidelines and criteria by the County does not:

- (1) Limit the discretion of the County to decide whether to enter into a specific tax abatement agreement;
- (2) Limit the discretion of the County to delegate to its employees the authority to determine whether or not the County should consider a particular application or request for tax abatement; or
- (3) Create any property, contract, or other legal rights in any person to have the County consider or grant a specific application or request for tax abatement.

EXHIBIT "A"

JEFFERSON COUNTY APPRAISAL DISTRICT PROCEDURE FOR CALCULATING ABATEMENTS

Purpose

The purpose of this procedure is to clarify the method used in calculating the tax abatement under the attached Contract. This requires calculation of the current market Value, Base Year Value, and taxable Value as these terms are defined below. By deducting the abatable value from the current market Value the Taxable Value may be determined. However, in accordance with the Jefferson County Uniform Tax Abatement Policy, the Real Property Owner's Current Taxable Value shall not be less than the Base Year Value in order for a project to receive the full amount of abatement.

Calculation of "Current Market Value"

"Current Market Value" is determined by calculating for that Tax Year the market value of all industrial realty improvements of a property owner that comprise the "Base year Value" or each taxing entity.

Calculation Base Year Value"

"Base Year Value" for each taxing entity executing an abatement contract is the market value of all industrial realty improvements of a property owner located within that entity for the tax period defined as the "Base Year" less the abated value of all projects granted by that entity for the "Base year." "Base year" is defined as the calendar year in which the abatement contract is executed (signed).

Calculation of "Taxable Value"

"Taxable Value" for each taxing entity is determined by deducting from the appraised market value of all industrial realty improvements of a property owner the amount of any applicable abatements granted for that Tax Year.

Calculation of Value Potentially Eligible for Abatement

The following procedures are followed for each project for which a tax abatement contract has been executed and for each taxing entity granting the abatement.

1. The project base value, if applicable, is subtracted from the current year project value, and the percentage of abatement to be granted is then applied to the net amount determine the project value subject to abatement.

2. The Base Year Value is subtracted from the current Market Value. If the difference is greater than zero (0), then the remaining value is the value potentially eligible for abatement to the extent that it does not exceed the project value subject to abatement.

If the difference is zero (0) or less, then the project is not eligible for an abatement for that Tax Year.

Calculation of Abated Value

Each project that remains potentially eligible for abatement is then tested for each taxing entity granting the abatement on an individual basis in chronological order based on the date the contract was executed.

1. For the project being tested, the Base year Value plus the value potentially eligible for abatement for all other projects is subtracted from the Current Market Value. If the difference is greater than zero (0), then the remaining value is the value of the project to be abated to the extent that it does not exceed the project value subject to abatement for that year.

If the difference is zero (0) or less, then the project is not eligible for an abatement for that Tax Year.

If a subsequent project being tested is determined to be ineligible for the full value potentially eligible for abatement calculated previously after performing the calculation stated above, then the test process must be redone for all prior projects using the actual value subject to abatement for the subsequent project to determine if there is any effect on the abatement for each project and each taxing entity for that Tax Year.
