Local Government Assistance & Economic Analysis
Texas Comptroller of Public Accounts
P.O. Box 13528
Austin, Texas 78711-3528

RE: Amended Application to the Glasscock County Independent School District from
CPV Rattlesnake Den Renewable Energy Company, LLC

To the Local Government Assistance & Economic Analysis Division:

In response to the deficiency letter dated July 29, 2013 from the Comptroller's Office, the Applicant CPV Rattlesnake Den Renewable Energy Company, LLC submitted an amended Application for an Appraised Value Limitation on Qualified Property. The Application has been re-determined to be complete by the school district on July 31, 2013.

The Amended Application specifically addresses all items listed in Attachment A to the deficiency letter. Specifically:

1. Page 5-The NAICS code provided was the 2012 code for Power Generation, Wind Electric. The Amended Application now also shows the 1997 NAICS for Other Electric Power Generation.
2. Attachment 3. In addition to the combined group information provided originally, the Applicant has included a copy of the Texas Franchise Tax Extension Affiliate List.
3. Attachment 7- The Applicant has provided an expanded view of the map to demonstrate the relationship of the project to the County. Also included is a Google Earth view of the project site. In addition, the Applicant has provided a map that shows an overlay of the reinvestment zone over the project site. The school district is county wide; the district boundaries and county boundaries are contiguous.
4. Attachment 10-The land description that was provided in response to the description of Qualified Property-Land has been renamed as Attachment 10.

July 31, 2013

Page 2 of 2

5. Attachment 21-See No. 3 above. In addition, the Applicant has provided an expanded view of the reinvestment zone to demonstrate its location in relation to the County.

6. Attachment 24-Attached.

Please note, no construction has begun at the project site as of the date of the filing of the application and the District's determination that the application is complete. The Applicant is aware that the determination of a completed application by the Comptroller determines what property may be eligible for a value limitation agreement. There is no existing property for this project.

In addition to the items referenced in the deficiency letter, the Applicant has revised the wage information to reflect the most recent wage data available at the time of the application. The wage the Applicant has committed to paying on this project is above the required statutory minimums.

The Applicant has maintained its request to keep confidential the preliminary layout which shows the specific planned location of the turbines. Those items have been submitted separately with a letter detailing the nature of the claim of confidentiality. In order to avoid the inadvertent disclosure of those items, they have not been transmitted electronically with this letter. Please keep these materials segregated from the remainder of the application, and please do not publish these items.

A paper and electronic copy of the application and the segregated confidential materials will be hand delivered to your office. In accordance with 34 Tex. Admin Code §9.1054, a copy of the application will be submitted to the Glasscock County Appraisal District.

Please feel free to contact me with questions.

Sincerely,

Kevin O'Hanlon

Application for Appraised Value Limitation on Qualified Property

(Tax Code, Chapter 313, Subchapter B or C)

Form 50-296
(Revised May 2010)

INSTRUCTIONS: This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.025 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- notify the Comptroller that the school board has elected to consider the application.

This notice must include:

- the date on which the school district received the application;
- the date the school district determined that the application was complete;
- the date the school board decided to consider the application; and
- a request that the comptroller prepare an economic impact analysis of the application;
- provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the original completed application to the Comptroller in a three-ring binder with tabs separating each section of the documents, in addition to an electronic copy on CD. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, the Comptroller will publish all submitted application materials on its Web site. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller rules as explained in the Confidentiality Notice below.

The Comptroller will independently determine whether the application has been completed according to the Comptroller's rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project, make a recommendation to the school board regarding the application and prepare an economic impact evaluation by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application before the 151st day after the application review start date (the date the application is finally determined to be complete), unless an extension is granted. The Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to complete the recommendation, economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller's Web site to find out more about the program at <http://www.window.state.tx.us/taxinfo/proptax/hb1200/index.html>. There are links on this Web page to the Chapter 313 statute, rules and forms. Information about minimum limitation values for particular districts and wage standards may also be found at that site.

INVESTMENT

NOTE: The minimum amount of qualified investment required to qualify for an appraised value limitation and the minimum amount of appraised value limitation vary depending on whether the school district is classified as rural, and the taxable value of the property within the school district. For assistance in determining estimates of these minimums, access the Comptroller's Web site at www.window.state.tx.us/taxinfo/proptax/hb1200/values.html.

At the time of application, what is the estimated minimum qualified investment required for this school district? _____

What is the amount of appraised value limitation for which you are applying? _____

What is your total estimated qualified investment? _____

NOTE: See 313.021(1) for full definition. Generally, Qualified Investment is the sum of the investment in tangible personal property and buildings and new improvements made between beginning of the qualifying time period (date of application final approval by the school district) and the end of the second complete tax year.

What is the anticipated date of application approval? _____

What is the anticipated date of the beginning of the qualifying time period? _____

What is the total estimated investment for this project for the period from the time of application submission to the end of the limitation period? _____

Describe the qualified investment.[See 313.021(1).]

Attach the following items to this application:

- (1) a specific and detailed description of the qualified investment you propose to make on the property for which you are requesting an appraised value limitation as defined by Tax Code §313.021,
(2) a description of any new buildings, proposed improvements or personal property which you intend to include as part of your minimum qualified investment and
(3) a map of the qualified investment showing location of new buildings or new improvements with vicinity map.

Do you intend to make at least the minimum qualified investment required by Tax Code §313.023 (or 313.053 for rural school districts) for the relevant school district category during the qualifying time period? Yes No

Except for new equipment described in Tax Code §151.318(q) or (q-1), is the proposed tangible personal property to be placed in service for the first time:

- (1) in or on the new building or other new improvement for which you are applying? Yes No
(2) if not in or on the new building or other new improvement for which you are applying for an appraised value limitation, is the personal property necessary and ancillary to the business conducted in the new building or other new improvement? Yes No
(3) on the same parcel of land as the building for which you are applying for an appraised value limitation? Yes No

("First placed in service" means the first use of the property by the taxpayer.)

Will the investment in real or personal property you propose be counted toward the minimum qualified investment required by Tax Code §313.023, (or 313.053 for rural school districts) be first placed in service in this state during the applicable qualifying time period? Yes No

Does the investment in tangible personal property meet the requirements of Tax Code §313.021(1)? Yes No

If the proposed investment includes a building or a permanent, non-removable component of a building, does it house tangible personal property? Yes No

QUALIFIED PROPERTY

Describe the qualified property. [See 313.021(2)] (If qualified investment describes qualified property exactly you may skip items (1), (2) and (3) below.)

Attach the following items to this application:

- (1) a specific and detailed description of the qualified property for which you are requesting an appraised value limitation as defined by Tax Code §313.021,
(2) a description of any new buildings, proposed improvements or personal property which you intend to include as part of your qualified property and
(3) a map of the qualified property showing location of new buildings or new improvements – with vicinity map.

Land

Is the land on which you propose new construction or improvements currently located in an area designated as a reinvestment zone under Tax Code Chapter 311 or 312 or as an enterprise zone under Government Code Chapter 2303? Yes No

If you answered "no" to the question above, what is the anticipated date on which you will submit proof of a reinvestment zone with boundaries encompassing the land on which you propose new construction or improvements? _____

Will the applicant own the land by the date of agreement execution? Yes No

Will the project be on leased land? Yes No*

* - The Project will be located on land in which we have a possessory interest in the form of an easement.

QUALIFIED PROPERTY (CONTINUED)

If the land upon which the new building or new improvement is to be built is part of the qualified property described by §313.021(2)(A), please attach complete documentation, including:

- 1. Legal description of the land
2. Each existing appraisal parcel number of the land on which the improvements will be constructed, regardless of whether or not all of the land described in the current parcel will become qualified property
3. Owner
4. The current taxable value of the land. Attach estimate if land is part of larger parcel.
5. A detailed map (with a vicinity map) showing the location of the land

Attach a map of the reinvestment zone boundaries, certified to be accurate by either the governmental entity creating the zone, the local appraisal district, or a licensed surveyor. (With vicinity map)

Attach the order, resolution or ordinance establishing the zone, and the guidelines and criteria for creating the zone, if applicable.

Miscellaneous

Is the proposed project a building or new improvement to an existing facility? [] Yes [] No

Attach a description of any existing improvements and include existing appraisal district account numbers.

List current market value of existing property at site as of most recent tax year. (Market Value) (Tax Year)

Is any of the existing property subject to a value limitation agreement under Tax Code 313? [] Yes [] No

Will all of the property for which you are requesting an appraised value limitation be free of a tax abatement agreement entered into by a school district for the duration of the limitation? [] Yes [] No

WAGE AND EMPLOYMENT INFORMATION

What is the estimated number of permanent jobs (more than 1,600 hours a year), with the applicant or a contractor of the applicant, on the proposed qualified property during the last complete quarter before the application review start date (date your application is finally determined to be complete)?

The last complete calendar quarter before application review start date is the:

- [] First Quarter [] Second Quarter [] Third Quarter [] Fourth Quarter of (year)

What were the number of permanent jobs (more than 1,600 hours a year) this applicant had in Texas during the most recent quarter reported to the TWC?

Note: For job definitions see TAC §9.1051(14) and Tax Code 313.021(3). If the applicant intends to apply a definition for "new job" other than TAC §9.1051(14)(C), then please provide the definition of "new job" as used in this application.

Total number of new jobs that will have been created when fully operational

Do you plan to create at least 25 new jobs (at least 10 new jobs for rural school districts) on the land and in connection with the new building or other improvement? [] Yes [] No

Do you intend to request that the governing body waive the minimum new job creation requirement, as provided under Tax Code §313.025(f-1)? [] Yes [] No

If you answered "yes" to the question above, attach evidence documenting that the new job creation requirement above exceeds the number of employees necessary for the operation, according to industry standards. Note: Even if a minimum new job waiver is provided, 80% of all new jobs must be qualifying jobs pursuant to Texas Tax Code, §313.024(d).

What is the maximum number of qualifying jobs meeting all criteria of §313.021(3) you are committing to create?

If this project creates more than 1,000 new jobs, the minimum required wage for this project is 110% of the average county weekly wage for all jobs as described by 313.021(3)(E)(ii).

If this project creates less than 1,000 new jobs, does this district have territory in a county that meets the demographic characteristics of 313.051(2)? (see table of information showing this district characteristic at http://www.window.state.tx.us/taxinfo/proptax/hb1200/values.html)

If yes, the applicant must meet wage standard described in 313.051(b) (110% of the regional average weekly wage for manufacturing)

If no, the applicant shall designate one of the wage standards set out in §§313.021(5)(A) or 313.021(5)(B).

WAGE AND EMPLOYMENT INFORMATION (CONTINUED)

For the following three wage calculations please include on an attachment the four most recent quarters of data for each wage calculation. Show the average and the 110% calculation. Include documentation from TWC Web site. The final actual statutory minimum annual wage requirement for the applicant for each qualifying job — which may differ slightly from this estimate — will be based on information from the four quarterly periods for which data were available at the time of the application review start date (date of a completed application). See TAC §9.1051(7).

110% of the county average weekly wage for all jobs (all industries) in the county is _____

110% of the county average weekly wage for manufacturing jobs in the county is _____

110% of the county average weekly wage for manufacturing jobs in the region is _____

Please identify which Tax Code section you are using to estimate the wage standard required for this project:

§313.021(5)(A) or §313.021(5)(B) or §313.021(3)(E)(ii), or §313.051(b)?

What is the estimated minimum required annual wage for each qualifying job based on the qualified property? _____

What is the estimated minimum required annual wage you are committing to pay for each of the qualifying jobs you create on the qualified property? _____

Will 80% of all new jobs created by the owner be qualifying jobs as defined by 313.021(3)? Yes No

Will each qualifying job require at least 1,600 of work a year? Yes No

Will any of the qualifying jobs be jobs transferred from one area of the state to another? Yes No

Will any of the qualifying jobs be retained jobs? Yes No

Will any of the qualifying jobs be created to replace a previous employee? Yes No

Will any required qualifying jobs be filled by employees of contractors? Yes No

If yes, what percent? _____

Does the applicant or contractor of the applicant offer to pay at least 80% of the employee's health insurance premium for each qualifying job? Yes No

Describe each type of benefits to be offered to qualifying jobholders. (Use attachments as necessary.)

ECONOMIC IMPACT

Is an Economic Impact Analysis attached (If supplied by other than the Comptroller's office)? Yes No

Is Schedule A completed and signed for all years and attached? Yes No

Is Schedule B completed and signed for all years and attached? Yes No

Is Schedule C (Application) completed and signed for all years and attached? Yes No

Is Schedule D completed and signed for all years and attached? Yes No

Note: Excel spreadsheet versions of schedules are available for download and printing at URL listed below.

If there are any other payments made in the state or economic information that you believe should be included in the economic analysis, please attach a separate schedule showing the amount for each year affected, including an explanation.

CONFIDENTIALITY NOTICE

**Property Tax Limitation Agreement Applications
Texas Government Code Chapter 313
Confidential Information Submitted to the Comptroller**

Generally, an application for property tax value limitation, the information provided therein, and documents submitted in support thereof, are considered public information subject to release under the Texas Public Information Act.

There is an exception, outlined below, by which information will be withheld from disclosure.

The Comptroller's office will withhold information from public release if:

- 1) it describes the specific processes or business activities to be conducted or the specific tangible personal property to be located on real property covered by the application;
- 2) the information has been segregated in the application from other information in the application; and
- 3) the party requesting confidentiality provides the Comptroller's office a list of the documents for which confidentiality is sought and for each document lists the specific reasons, including any relevant legal authority, stating why the material is believed to be confidential.

All applications and parts of applications which are not segregated and marked as confidential as outlined above will be considered public information and will be posted on the internet.

Such information properly identified as confidential will be withheld from public release unless and until the governing body of the school district acts on the application, or we are directed to do so by a ruling from the Attorney General.

Other information in the custody of a school district or the comptroller submitted in connection with the application, including information related to the economic impact of a project or the essential elements of eligibility under Texas Tax Code, Chapter 313, such as

the nature and amount of the projected investment, employment, wages, and benefits, will not be considered confidential business information and will be posted on the internet.

All documents submitted to the Comptroller, as well as all information in the application once the school district acts thereon, are subject to public release unless specific parts of the application or documents submitted with the application are identified as confidential. Any person seeking to limit disclosure of such submitted records is advised to consult with their legal counsel regarding disclosure issues and also to take the appropriate precautions to safeguard copyrighted material, trade secrets, or any other proprietary information. The Comptroller assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by respondents. A person seeking to limit disclosure of information must submit in writing specific detailed reasons, including any relevant legal authority, stating why that person believes the material to be confidential.

The following outlines how the Comptroller's office will handle requests for information submitted under the Texas Public Information Act for application portions and submitted records appropriately identified as confidential.

- This office shall forward the request for records and a copy of the documents at issue to the Texas Attorney General's office for an opinion on whether such information may be withheld from disclosure under the Texas Public Information Act.
- The Comptroller will notify the person who submitted the application/documents when the information is forwarded to the Attorney General's office.
- Please be aware that this Office is obligated to comply with an Attorney General's decision, including release of information ruled public even if it was marked confidential.

Qualifying Time Period usually begins with the final board approval of the application and extends generally for the following two complete tax years.

Column A: This represents the total dollar amount of planned investment in tangible personal property the applicant considers qualified investment- as defined in Tax Code §313.021(1)(A)-(D). For the purposes of investment, please list amount invested each year, not cumulative totals.
[For the years outside the qualifying time period, this number should simply represent the planned investment in tangible personal property].
Include estimates of investment for "replacement" property-property that is part of original agreement but scheduled for probable replacement during limitation period.

Column B: The total dollar amount of planned investment each year in buildings or nonremovable component of buildings that the applicant considers qualified investment under Tax Code §313.021(1)(E).
For the years outside the qualifying time period, this number should simply represent the planned investment in new buildings or nonremovable components of buildings.

Column D: Dollar value of other investment that may not be qualified investment but that may affect economic impact and total value – for planning, construction and operation of the facility. The most significant example for many projects would be land. Other examples may be items such as professional services, etc.
Note: Land can be listed as part of investment during the "pre-year 1" time period. It cannot be part of qualifying investment.

Notes: For advanced clean energy projects, nuclear projects, projects with deferred qualifying time periods, and projects with lengthy application review periods, insert additional rows as needed.

This schedule must be submitted with the original application and any application for tax credit. When using this schedule for any purpose other than the original application, replace original estimates with actual appraisal district data for past years and update estimates for current and future years. If original estimates have not changed, enter those amounts for future years.

Qualified Property - Land

CPV Rattlesnake Den Renewable Energy Company, LLC

Is the land on which you propose new construction or improvements currently located in an area designated as a reinvestment zone under Tax Code Chapter 311 or 321 or as an enterprise zone under Government Code Chapter 2303? No

If you answered “no” to the question above, what is the anticipated date on which you will submit proof of a reinvestment zone with boundaries encompassing the land on which you propose new construction or improvements?

The majority of the land on which the CPV Rattlesnake Den Project will be built is located in Glasscock County Reinvestment Zone -4 which was approved via an Order of The Commissioner’s Court of Glasscock County, Texas on June 28, 2011. Reinvestment Zone -4 encompasses sixty (60) sections in Glasscock County.

The Project is working with Glasscock County to create another reinvestment zone for four (4) sections of land. The new reinvestment zone is being requested and presented at The Commissioner’s Court of Glasscock County, Texas meeting on June 10, 2013 and is expected to be approved in June 2013.

Once the new reinvestment zone is approved the entire project will be located within a reinvestment zone.

The property descriptions of the land included in Reinvestment Zone -4 and currently under consideration for designation as a reinvestment zone are as follows:

Checklist Item 4

Project Description

CPV Rattlesnake Den Renewable Energy Company, LLC

Provide a detailed description of the scope of the proposed project, including, at a minimum, the type and planned use of real and tangible personal property, the nature of the business, a timeline for property construction or installation, and any other relevant information.

CPV Rattlesnake Den Renewable Energy Company, LLC is developing the CPV Rattlesnake Den wind project (the "Project"). The Project will generate clean electricity from the wind and will utilize equipment such as wind turbine generators, towers, foundations, transformers, electrical collection and transmission lines, associated ancillary equipment and meteorological equipment to collect data on wind speed, wind direction, temperature, pressure and humidity which will be used to test the performance of the Project. The Project is expected to consist of up to 118 wind turbine generators with a name plate capacity of 1.7 MW each. The Project expects to commence construction in the fourth quarter of 2013 and achieve commercial operation by the end of 2014. All of the property for which the Project is applying for a limitation on appraised value will be owned by the Project.

The Project is completely located within Glasscock County and completely within the Glasscock County Independent School District which will house 100% of the qualified investment. Most of the Project is located within Reinvestment Zone – 4; however, the Project has requested that an additional reinvestment zone be established which will encompass four sections of property. Once the new reinvestment zone is established, the Project will be entirely located in reinvestment zone areas. Current land use within the Project site consists of farming, ranching and oil and gas production and associated activities.

Included with Checklist Item 4 is a preliminary map of the Project turbine layout.

Describe the ability of your company to locate or relocate in another state or another region of the state.

CPV Rattlesnake Den Renewable Energy Company, LLC is a joint venture of GE Energy ("GE") and CPV Renewable Energy Company, LLC ("CPV REC"). GE is the group within the General Electric conglomerate that focuses on the energy industry. GE is comprised of GE Oil & Gas, GE Energy Management and GE Power & Water. The renewable energy group, which is a worldwide leader in the manufacturing and installation of wind turbines, is under GE Power & Water. CPV REC is a subsidiary of Competitive Power Ventures Holdings, LLC, a leading North American electric power development and asset management company. CPV REC focuses on the development of wind and solar projects. CPV REC has been awarded 700 MW of power purchase agreements since 2008 and has caused approximately 550 MW of wind generation projects to be constructed and brought into operation.

CPV REC is currently evaluating which of its development projects it will invest in and move development/construction forward in 2013/2014. In addition to CPV Rattlesnake Den, CPV REC is in late stage development of wind projects in Kansas, Mexico and Canada. Also, CPV Power Development Inc., CPV REC's sister company that develops thermal power generation projects, is seeking investment to

Checklist Item 4

move forward with the construction of two large thermal generation projects in New Jersey and Maryland.

Obtaining an appraised value limitation on qualified property is crucial to the decision to move the Rattlesnake Den Project forward. The absence of the tax benefit from the value limitation renders the project unable to complete economically in the ERCOT market and thus unable to obtain a commercial contract. CPV requires a commercial contract to obtain financing to construct the Project.

Checklist Item 6

Description of Qualified Investment

CPV Rattlesnake Den Renewable Energy Company, LLC

Describe the qualified investment. [See 313.021(1).]

Attach the following items to this application:

- (1) A specific and detailed description of the qualified investment you propose to make on the property for which you are requesting an appraised value limitation as defined by Tax Code§313.021,**
- (2) A description of any new buildings, proposed improvements or personal property which you intend to include as part of your minimum qualified investment and**
- (3) A map of the qualified investment showing location of new buildings or new improvements with vicinity map.**

CPV Rattlesnake Den Renewable Energy Company, LLC plans to construct an approximately 200 MW wind powered electric generating facility (the "Project"). The Project expects to install 118 GE 1.7 MW wind turbine generators however, the exact locations of the turbines have not been finalized. The improvements the Project intends to install which would contribute to the qualified investment are:

- Wind Turbine Generators
- Turbine Foundations
- Turbine FAA Lighting
- Roads, Turnouts and Crane Pads
- Underground Electric, Communication & Data Collection System
- Electric Transformers
- Project 345 kV Substation
- Underground and/or Overhead Electric Transmission Facilities
- Interconnection Facilities
- Appurtenant Electrical Equipment
- Administration / Operations & Maintenance Building
- Equipment Spares
- Permanent and Temporary Meteorological Towers
- Any and all other equipment associated with the safe and proper operation of a wind powered electric generating facility

A map of the Project's preliminary turbine layout is included with Checklist Item 4.

The description of the qualified investment describes the qualified property.

Column A: This represents the total dollar amount of planned investment in tangible personal property the applicant considers qualified investment - as defined in Tax Code §313.021(1)(A)-(D). For the purposes of investment, please list amount invested each year, not cumulative totals.

Column B: For the years outside the qualifying time period, this number should simply represent the planned investment in tangible personal property. Include estimates of investment for "replacement" property-property that is part of original agreement but scheduled for probable replacement during limitation period. The total dollar amount of planned investment each year in buildings or nonremovable component of buildings that the applicant considers qualified investment under Tax Code §313.021(1)(E).

Column C: For the years outside the qualifying time period, this number should simply represent the planned investment in new buildings or nonremovable components of buildings. Dollar value of other investment that may not be qualified investment but that may affect economic impact and total value-for planning, construction and operation of the facility. The most significant example for many projects would be land. Other examples may be items such as professional services, etc.

Column D: Note: Land can be listed as part of investment during the "pre-year 1" time period. It cannot be part of qualifying investment.

Notes: For advanced clean energy projects, nuclear projects, projects with deferred qualifying time periods, and projects with lengthy application review periods, insert additional rows as needed. This schedule must be submitted with the original application and any application for tax credit. When using this schedule for any purpose other than the original application, replace original estimates with actual appraisal district data for past years and update estimates for current and future years. If original estimates have not changed, enter those amounts for future years.

ORDER

**Approving Motion for Designation
of Glasscock County Reinvestment Zone**

The Commissioners' Court of Glasscock County, Texas, meeting in special session on the 28th day of June, 2011, considered the following resolution:

BE IT ORDERED BY THE COMMISSIONERS' COURT OF GLASSCOCK COUNTY, TEXAS AS FOLLOWS

Motion by Commissioner *Halfman* seconded by *Commissioner Stul* that the following action be taken by the court:

1. THAT Glasscock County hereby designates the property located in Glasscock County, having the boundary description in Exhibit A and shown on the map in Exhibit B, both attached to this **Order**, as a Reinvestment Zone under the Glasscock County Guidelines and Criteria for Granting Tax Abatements, having determined that the designation will contribute to the retention or expansion of primary employment and will attract major investment in the zone that will benefit the zone and will contribute to the economic development of the County, and
2. THAT Glasscock County hereby certifies as correct and accurate the description and boundaries depicted on the attached Exhibits A and B; and
3. THAT Glasscock County hereby declares itself eligible to participate in tax abatements as authorized by Chapter 312 of the Texas Tax Code.
4. THAT the zone shall be called the "Reinvestment Zone-4"

COMMISSIONERS' COURT OF GLASSCOCK COUNTY
GLASSCOCK COUNTY COURTHOUSE
GARDEN CITY, TEXAS

ORDER

The Commissioners' Court of Glasscock County, Texas, meeting in a special session on the 28th day of June, 2011, considered the following resolution:

BE IT ORDERED BY THE COMMISSIONERS' COURT OF GLASSCOCK COUNTY, TEXAS AS FOLLOWS:

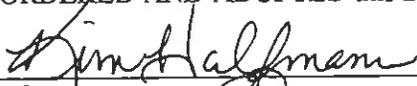

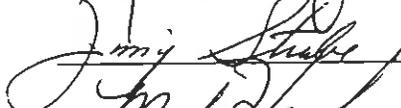

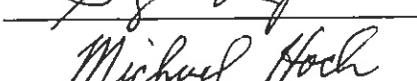

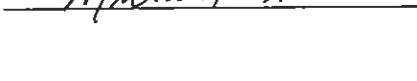

THAT the portion of Glasscock County, Texas described in Exhibit "A" attached hereto and incorporated by reference is hereby designated as a Reinvestment Zone pursuant to V.T.C.A Tax Code Section 312.001, et seq.; and

THAT the Commissioners' Court of Glasscock County, Texas finds that the designation is reasonably likely to contribute to the retention or expansion of primary employment or attract major investment in the zone that would be a benefit to the property and will contribute to the economic development of the community.

THEREFORE, in compliance with V.T.C.A. Tax Code 312 and based upon the above described findings, the Commissioners' Court of Glasscock County, Texas, hereby designate the area described in Exhibit "A" attached hereto and incorporated by reference as a Reinvestment Zone,

This order shall become effective as of June 28, 2011.

ORDERED AND ADOPTED this 28th day of June, 2011.

**CPV RENEWABLE ENERGY

May 29, 2013

The Honorable Kim Halfmann
Glasscock County Judge
P.O. Box 67
Garden City, Texas 79739

**Re: CPV Rattlesnake Den Renewable Energy Company, LLC; Glasscock County
Reinvestment Zone and Property Tax Abatement Application**

Dear Judge Halfmann:

CPV Rattlesnake Den Renewable Energy Company, LLC is pleased to submit this Application for a new reinvestment zone and request to amend the Property Tax Abatement, executed August 19, 2011 for the CPV Rattlesnake Den Project to be located in Glasscock County, Texas, to include the new reinvestment zone. The legal descriptions of the properties and a map of the requested area to be designated a reinvestment zone are attached to this application.

The CPV Rattlesnake Den Project will be constructed in phases and, depending upon market conditions, turbine availability and other factors, will consist of not less than 100 megawatts to be installed in the project area. CPV anticipates that it will commence construction in December 2013 and complete construction by the end of 2014. This is a long term investment with an expected useful life in excess of twenty years. Hundreds of workers will be employed during construction and over 12 full time jobs are expected to be created for this project.

There is enclosed herewith the required application fee of \$1,000.00, made payable to the Glasscock County Clerk. This reduction in taxes would make the CPV Rattlesnake Den Project a more economically competitive project for CPV in the electricity marketplace while still providing a revenue stream to the County during the first ten years of operation. After year ten, the property tax abatement would expire and the project would pay property taxes on the then current value of the improvements.

We look forward to working with you to bring a clean renewable wind power project to Glasscock County. The CPV Rattlesnake Den Project has been years in the making and we are excited to see it through to completion. Please let me know if you have any questions or comments about the foregoing and we look forward to working with you throughout the abatement process.

Glasscock County State of Texas

Tax Abatement Guidelines and Criteria

The following Guidelines and Criteria have been adopted by the Glasscock County Commissioners Court establish a uniform policy of tax abatement for owners or lessees of eligible facilities willing to execute tax abatement contracts designed to provide long-term significant positive economic impact to the community by utilizing the area contractors and work force to the maximum extent feasible, and by developing, redeveloping, and improving property, except as otherwise provided. These Guidelines and Criteria are effective as of the date adopted.

In order to be eligible for designation as a Reinvestment Zone and receive tax abatement, the planned improvement:

1. Must be reasonably expected to have an increase in positive net economic benefit to Glasscock County of at least \$1,000,000.00 over the life of the abatement, computed to include (but not limited to) new sustaining payroll and/or capital improvement. The creation of (number and type) new jobs will also factor into the decision to grant an abatement; and
2. Must not be expected to solely or primarily have the effect of transferring employment from one part of Glasscock County to another.

In addition to the criteria set forth above, the Glasscock County Commissioners Court reserves the right to negotiate a Tax Abatement Agreement in order to compete favorably with other communities.

Only that increase in the fair market value of the property directly resultant from the development, redevelopment, and improvement specified in the contract will be eligible for abatement and then only to the extent that such increase exceeds any reduction in the fair market value of the other property of the applicant located within the jurisdiction creating the Reinvestment Zone.

All abatement contracts will be no longer than allowed by law.

It is the goal of Glasscock County to grant tax abatements on the same terms and conditions as the other taxing units having jurisdiction of the property. However, nothing herein shall limit the discretion of the Glasscock County Commissioners Court to consider, adopt, modify or decline any tax abatement request.

This policy is effective as of the date adopted by the Glasscock County Commissioners Court and shall at all times be kept current with regard to the needs of Glasscock County and reflective of the official views of the County Commissioners Court. These Guidelines and Criteria shall be reviewed every two (2) years.

The adoption of these guidelines and criteria by the Glasscock County Commissioners Court does not:

1. Limit the discretion of the governing body to decide whether to enter into a specific Tax Abatement Agreement;
2. Limit the discretion of the governing body to delegate to its employees the authority to determine whether or not the governing body should consider a particular application or request for tax abatement; or
3. Create any property, contract, or other legal right in any person to have the governing body consider or grant a specific application or request for tax abatement;

Section 1 Definitions

- A. "Abatement" means the full or partial exemption from ad valorem taxes of certain property in a reinvestment zone designated by Glasscock County or the City of Garden City for economic development purposes.
- B. "Agreement" means a contractual agreement between a property owner and/or lessee and Glasscock County.
- C. "Base year value" means the assessed value on the eligible property as of January 1 preceding the execution of the agreement.
- D. "Deferred maintenance" means improvements necessary for continued operation which do not improve productivity or alter the process technology.
- E. "Eligible facilities" means new, expanded, or modernized buildings and structures, including fixed machinery and equipment, which is reasonably likely as a result of granting abatement to contribute to the retention or expansion of primary employment or to attract major investment in the reinvestment zone that would be a benefit to the property and that would contribute to the economic development of Glasscock County, but does not include facilities which are intended to be primarily to provide goods or services to residents for existing businesses located in Glasscock County, such as, but not limited to, restaurants and retail sales establishments, eligible facilities may include, but shall not be limited to hotels and office buildings.
- F. "Expansion" means the addition of building structures, machinery, equipment, or payroll for purposes of increasing production capacity.
- G. "Facility" means property improvement(s) completed or in the process of construction which together comprise an interregional whole.
- H. "Modernization" means a complete or partial demolition of facilities and the complete or partial reconstruction or installation of a facility of similar or expanded production

capacity. Modernization may result from the construction, alteration, or installation of buildings, structures, machinery, or equipment, or both.

- I. "New facility" means a property previously undeveloped which is placed into service by means other than or in conjunction with expansion or modernization.
- J. "Productive life" means the number of years a property improvement is expected to be in service in a facility.

Section 2 Abatement Authorized

- A. Eligible facilities. Upon application, eligible facilities shall be considered for tax abatement as hereinafter provided.
- B. Creation of New Values. Abatement may only be granted for the additional value of eligible property improvement(s) made subsequent to and specified in an abatement agreement between Glasscock County and the property owner or lessee, subject to such limitations as Glasscock County may require.
- C. New and existing facilities. Abatement may be granted for the additional value of eligible property improvement(s) made subsequent to and specified in an abatement agreement between Glasscock County and the property owner or lessee, subject to such limitations as Glasscock County may require.
- D. Eligible property. Abatement may be extended to the value of buildings, structures, fixed machinery and equipment, site improvements, and related fixed improvements necessary to the operation and administration of the facility.
- E. Ineligible Property. The following types of property shall be fully taxable and ineligible for tax abatement: Land; supplies; tools; furnishings, and other forms of movable personal property; housing; deferred maintenance; property to be rented or leased, except as provided in Section 2 F, property which has a productive life of less than ten (10) years.
- F. Owned/leased facilities. If a leased facility is granted abatement, the agreement shall be executed with the lessor and the lessee.
- G. Economic Qualifications. In order to be eligible for designation as a reinvestment zone and receive tax abatement, the planned improvement:
 - 1. Must be reasonably expected to have an increase in positive net benefit to Glasscock County of at least \$1,000,000.00 over the life of the abatement agreement, computed to include (but not limited to) new sustaining payroll and/or capital improvement. The creation of (number and type) new jobs will also factor into the decision to grant an abatement; and

2. Must not be expected to solely or primarily have the effect of transferring employment from one part of Glasscock County to another.

H. Standards for Tax Abatement. The following factors, among others, shall be considered in determining whether to grant tax abatement:

1. Value of existing improvements, if any;
2. Type and value of proposed improvements;
3. Productive life of proposed improvements;
4. Number of existing jobs to be retained by proposed improvements;
5. Number and type of new jobs to be created by proposed improvements;
6. Amount of local payroll to be created;
7. Whether the new jobs to be created will be filled by persons residing or projected to reside within affected taxing jurisdiction;
8. Amount which property tax base valuation will be increased during the term of abatement and after abatement, which shall include a definitive commitment that such valuation shall not, in any case, be less than \$1,000,000.00;
9. The costs to be incurred by Glasscock County to provide facilities directly resulting from the new improvements;
10. The amount of ad valorem taxes to be paid to Glasscock County during the abatement period considering:
 - a. the existing values;
 - b. the percentage of new value abated;
 - c. the abatement period; and
 - d. the value after expiration of the abatement period.
11. The population growth of Glasscock County that occurs directly as a result of new improvements;
12. The types and values of public improvements, if any, to be made by applicant seeking abatement;
13. Whether the proposed improvements compete with existing businesses to the detriment of the local economy;
14. The impact on the business opportunities of existing businesses;
15. The attraction of other new businesses to the area;
16. The overall compatibility with the zoning ordinances and comprehensive plan for the area;
17. Whether the project obtains all necessary permits from the applicable environmental agencies.

Each eligible facility shall be reviewed on its merits utilizing the factors provided above. After such review, abatement may be denied entirely or may be granted to the extent deemed appropriate after full evaluation.

I. Denial of Abatement. Neither a reinvestment zone nor abatement agreement shall be authorized if it is determined that:

1. There would be substantial adverse effect on the provision of government services or tax base;
 2. The applicant has insufficient financial capacity;
 3. Planned or potential use of the property would constitute a hazard to public safety, health, or morals;
 4. Violation of other codes or laws; or
 5. Any other reason deemed appropriate by Glasscock County.
- J. Taxability. From the execution of the abatement to the end of the agreement period, taxes shall be payable as follows:
1. The value of ineligible property as provided in Section 2 E shall be fully taxable; and
 2. The base year value of existing eligible property as determined each year shall be fully taxable.

The additional value of new eligible property shall be fully taxable at the end of the abatement period.

Section 3 Application

- A. Any present or potential Owner ("Owner or "Applicant" herein) of taxable property in Glasscock County may request the creation of a reinvestment zone and tax abatement by filing a written application with the County Judge.
- B. The application shall consist of a general description of the new improvements to be undertaken; a descriptive list of the improvements for which an abatement is requested; a list of the kind, number and location of all proposed improvements of the property; a map and property description; a time schedule for undertaking and completing the proposed improvements. In the case of modernization, a statement of the assessed value of the facility, separately stated for real and personal property, shall be given for the tax year immediately preceding the application. The County may require such financial and other information as deemed appropriate for evaluating the financial capacity and other factors pertaining to the applicant, to be attached to this application. The completed application must be accompanied by the payment of a non-refundable application fee for administrative costs associated with the processing of the tax abatement request. All checks in payment of the administrative fee shall be made payable to Glasscock County. For abatement requests for improvements with a planned value equal to or in excess of \$1,000,000.00 the fee shall be one thousand and no/100 dollars (\$1,000.00), accompanied by the agreement that the Applicant shall pay costs of publishing the statutorily required notices and reasonable attorney and consulting fees as may be incurred by Glasscock County in the examination of the application as well as the preparation and negotiation of any tax abatement agreement.

- C. Glasscock County shall give notice as provided by the Property Tax Code, including written notice, to the presiding officer of the governing body of each taxing unit in which the property to be subject to the agreement is located not later than seven (7) days before the public hearing and publication in a newspaper of general circulation within such taxing jurisdiction not later than the seventh day before the public hearing before acting upon application, Glasscock County shall, through public hearing, afford the applicant and the designated representative of any governing body referenced herein above, and the public the opportunity to show cause why the abatement should or should not be granted.
- D. If a city within Glasscock County designates a reinvestment zone within its corporate limits and enters into or proposes to enter into or proposes to enter into an abatement agreement with a present or potential owner of a taxable property, such present or potential owner of taxable property may request tax abatement by Glasscock County by following the same application process described in Section 3 A hereof. No other notice of hearing shall be required except compliance with the Open Meetings Act, unless the Commissioners Court deems them necessary in a particular case.

Section 4 Agreement

- A. After approval, the Commissioners Court of Glasscock County shall formally pass a resolution and execute an agreement with the Owner which shall:
1. Include a list of the kind, number, and location of all proposed improvements to the property;
 2. Provide access to and authorize inspection of the property by the taxing unit to ensure compliance with the agreement;
 3. Limit the use of the property consistent with the taxing unit's development goals;
 4. Provide for recapturing property tax revenues that are lost if the Owner fails to make improvements as provided by the agreement;
 5. Include each term that was agreed upon with the property owner and require the Owner to annually certify compliance with the terms of the agreement to each taxing unit; and
 6. Allow the taxing unit to cancel or modify the agreement at any time if the property owner fails to comply with the terms of the agreement
- B. The Owner shall also agree to the following:
1. A specified number of permanent full time jobs at facility shall be created, and the Owner and Lessee shall make reasonable efforts to employ persons who are residents of Glasscock County in such jobs, provided, however, that there shall be no obligation to employ residents who are not:
 - a. equally or more qualified than nonresident applicants;
 - b. available for employment on terms and/or salaries comparable to those required by nonresident applicants; or
 - c. able to become qualified with 72 hours training provided by Owner.

2. Each person employed in such job shall perform a portion, if not all, of their work in Glasscock County.
3. Owner shall agree that it and its contractors, if any, will use reasonably commercial efforts to maximize its use of goods and services available through Glasscock County businesses in the construction, operation, and maintenance of the improvements and the project; provided, however, that there shall be no requirement to use goods and services provided by Glasscock County residents that are not:
 - a. of similar quality to those provided by nonresidents; or
 - b. made available on terms and conditions (including pricing) comparable to those offered by nonresidents. Comparable price shall be defined as less than or equal to 105% of the nonresident price for equivalent quality, conditions and terms.
4. Owner or its construction contractor, if any, shall designate a coordinator of local services who will act as liaison between any individual who are interested in obtaining information about providing goods or services related to the construction of the project. Additionally, Owner or its construction contractor, if any, shall advertise in local newspapers in Glasscock County for local contractors to perform work on the construction project.
5. Owner shall agree to maintain a viable presence (as below defined) within the Reinvestment Zone for a period of time, as set by the Glasscock County Commissioners Court, not to exceed twenty (20) years from the date that the abatement agreement first takes effect. For purposes hereof, "Maintain a Viable Presence" means the operation of the Eligible Facilities, as the same may from time to time be expanded, upgraded, improved, modified, changed, remodeled, repaired, restored, reconstructed, reconfigured and/or reengineered.
5. On May 1st of each year that the agreement shall be in effect, Owner shall certify to the County Judge of Glasscock County, and to the governing body of each taxing unit, that Owner is in compliance with each applicable term set forth above.

Such agreement shall normally be executed within sixty (60) days after the applicant has forwarded all necessary information and documentation to the Commissioners Court.

Section 5 Recapture

- A. In the event that the Owner or its assignee:
 1. Allows its ad valorem taxes owed Glasscock County to become delinquent and fails to timely and properly follow the legal procedures for their protest and/or contest; or
 2. Violates any of the terms and conditions of the abatement agreement and fails to cure during the cure period, the agreement then may be terminated and all taxes previously abated by virtue of the agreement will be recaptured and paid within thirty (30) days of the termination.

- B. Should Glasscock County determine that the applicant or its assignee is in default according to the terms and conditions of its agreement, Glasscock County shall notify the company or individual in writing at the address stated in the agreement, and if such is not cured within the time set forth in such notice ("Cure Period") then the agreement may be terminated.

Section 6 Administration

- A. The Chief Appraiser of the Glasscock County Appraisal District will annually determine an assessment of the real and personal property comprising the reinvestment zone. Each year, the company or individual receiving abatement shall furnish the appraiser with such information as may be necessary for the abatement. Once value has been established, the Chief Appraiser will notify the Commissioners Court of Glasscock County of the amount of the assessment.
- B. Glasscock County may execute a contract with any other jurisdiction(s) to inspect the facility to determine if the terms and conditions of the abatement agreement are being met. The abatement agreement shall stipulate that employees and/or designated representatives of Glasscock County will have access to the reinvestment zone during the term of the abatement to inspect the facility to determine if the terms and conditions of the agreement are being met. All inspections will be made only after the giving of twenty-four (24) hours prior notice and will only be conducted in such a manner as to not unreasonably interfere with the construction and/or operation of the facility. All inspections will be made with one or more representatives of the company or individual and in accordance with its safety standards.
- C. Upon completion of construction, the designated representative of Glasscock County shall annually evaluate each facility receiving abatement to insure compliance with the agreement. A formal report shall be made to the Commissioners Court.

Section 7 Assignment

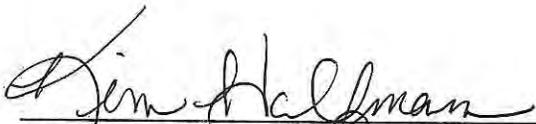

The abatement agreement may be transferred and assigned by the holder to a new owner or lessee of the same facility upon the approval by resolution of the Commissioners Court of Glasscock County subject to the financial capacity of the assignee and provided that all conditions and obligations in the abatement agreement are guaranteed by the execution of a new contractual agreement and/or assumption agreement with Glasscock County. No assignment or transfer shall be approved if the parties to the existing agreement, the new owner or new lessee are liable to any jurisdiction for outstanding taxes or other obligations. Approval shall not be unreasonably delayed or withheld.

Section 8 Sunset Provision

These Guidelines and Criteria are effective upon the date of their adoption and will remain in force for two (2) years unless amended by three-quarters vote of the Commissioners Court of Glasscock County, at which time all reinvestment zones and tax abatement agreements created pursuant to these provisions will be reviewed to determine whether the goals have been achieved. Based on the review, the Guidelines and Criteria will be modified, renewed, or eliminated.

ADOPTED the 10th day of June, 2013.
