# **ARTICLE 3– PROTECTION OF DISTRICT REVENUES**

## **Section 3.1 INTENT OF THE PARTIES**

The Parties understand and agree that, to the extent required by law pursuant to Section 313.027(f) of the Code, the Applicant shall compensate the District for any loss in District Funding Revenue incurred because of District's participation in this Agreement. Such reimbursement shall be in addition to the receipt of payments in lieu of taxation or payment of Extraordinary Education-Related Expenses reasonably incurred by the District, subject to any limitation as may be set forth in Article 4 or Article 5 of this Agreement. APPLICANT UNDERSTANDS AND AGREES THAT IT SHALL BEAR ANY NEGATIVE FINANCIAL CONSEQUENCE SUFFERED BY THE DISTRICT AS A DIRECT RESULT OF THE DISTRICT ENTERING INTO THIS AGREEMENT. THE PURPOSE OF THIS SECTION 3.1 IS TO ENSURE THAT THE RISK OF ANY SUCH NEGATIVE FINANCIAL CONSEQUENCE TO THE DISTRICT IS BORNE BY THE APPLICANT AND NOT BY THE DISTRICT.

## **Section 3.2 CALCULATING LOSS OF DISTRICT REVENUES**

Any compensation paid by the Applicant to the District for loss of District Funding Revenues shall be determined in accordance with then-current School Finance Law. Any calculation to make the District whole after a loss under this Article 3 shall be made in

accordance with Schedule 3.2 of this Agreement, which is incorporated herein by reference, and subject to the provisions of Article 5 herein.

### **Section 3.3 COMPENSATION FOR LOSS OF OTHER REVENUES**

To the extent not included in the amounts calculated pursuant to Schedule 3.2, Applicant, on an annual basis, shall also pay to the District all non-reimbursed costs incurred in paying or otherwise crediting amounts for the benefit of Applicant, including, but not limited to (a) any Maintenance and Operations Revenue or Tax Credit to which the Applicant may be entitled pursuant to Chapter 313 of the Code for which the District does not receive reimbursement from the State, whether pursuant to TEC §42.2515 or otherwise; (b) all non-reimbursed costs incurred by the District for Extraordinary Education-Related Expenses related to the project, which do not exceed any limitations set forth in Article 4 of this Agreement, and not otherwise directly funded in state aid formulas, including expenses for the purchase of portable classrooms and the hiring of additional personnel to accommodate a temporary increase in student enrollment attributable to the project; (c) any loss incurred by the District resulting from successful judicial challenge to this Agreement; (d) any reasonable attorneys' fees or other costs incurred by the District due to any legal defense, enforcement or interpretation of this Agreement, irrespective of whether or not this Agreement is ultimately determined to be valid; and (e) any non-reimbursed costs incurred by the District and related to this Agreement, either directly or indirectly.

### **Section 3.4 THIRD PARTY CALCULATIONS**

All calculations made pursuant to this Agreement shall be verified annually by one or more independent third parties ("Consultant") selected by the District and with Applicant's consent, which consent shall not be unreasonably withheld, delayed or conditioned. Applicant will be solely responsible for the payment of Consultant's fees up to Six Thousand Five Hundred Dollars, (\$6,500.00) for the first year of this Agreement. This amount may be increased each year of this Agreement by not more than five percent (5%) from the prior year. All calculations shall initially be based upon good-faith estimates using all available information and shall be adjusted to reflect "near final" or "actual" data for the applicable year as the data becomes available.

### **Section 3.5 DATA FOR CALCULATIONS**

The initial calculations for any payments owing under this Agreement shall be based upon the valuations placed upon the Qualified Property by the Appraisal District in its annual certified tax roll submitted to the District pursuant to §26.01 of the Code in or about July of each year of this Agreement. The certified tax roll data shall form the basis from which any and all amounts due under this Agreement are calculated, and the data utilized by the Consultant will be adjusted as necessary to reflect any subsequent adjustments by the Appraisal District to the District's tax roll. Any estimates used by the Consultant to make calculations as required by this Agreement shall be based on the best and most current information available. The Consultant shall from time to time adjust the data utilized to reflect actual amounts, subsequent adjustments by the Hansford County Appraisal District to the District's certified tax roll, or any other relevant changes to material items such as student counts or tax collections.

### **Section 3.6 DELIVERY OF CALCULATIONS**

3.6.1 All calculations required under Article 3 or Article 4 shall be made by the Consultant on or before December 1 of each year for which this Agreement is effective. The Consultant shall forward such calculations to the Parties in sufficient detail to allow the Parties to understand the manner in which the calculations were made. The Consultant shall maintain supporting data consistent with generally accepted accounting practices. The Consultant shall preserve all documents and data related to all calculations required under this Agreement for a period of three (3) years. Employees and agents of the Parties shall have reasonable access to the Consultant's offices, personnel, books, and records pertaining to all calculations and fees.

3.6.2 In the event the District receives the Consultant's invoice for services rendered, the District shall forward to Applicant such invoice, which Applicant shall pay within thirty (30) days of receipt.

### **Section 3.7 PAYMENT BY APPLICANT**

On or before the January 31 next following the tax levy for each year for which this Agreement is effective, and subject to the limitations contained in Section 5.1, the Applicant shall pay all amounts determined to be due and owing to the District (subject to final settle up), all amounts billed by the Consultant pursuant to Section 3.4, and any reasonable and necessary expenses paid by the District to its attorneys, auditors, or financial consultants for work resulting from the District's participation in this Agreement Provided that the District, upon request of Applicant, provides supporting documentation to substantiate such reasonable and necessary expenses to the extent such supporting documentation is not excepted from disclosure as attorney-client privilege or otherwise under the Texas Public Information Act (Government Code Section 552.001 *et seq.*).

### **Section 3.8 CHALLENGING CALCULATION RESULTS**

The Applicant may appeal the Consultant's results, in writing, within fifteen (15) days of receipt of such results. The Consultant will issue a final determination of the calculations within 15 days of receiving Applicant's appeal. The Applicant may appeal the final determination of the Consultant to the District within 15 days of its receipt, pursuant to District Policy GK (LOCAL).

### **Section 3.9 EFFECT OF PROPERTY VALUE APPEAL OR ADJUSTMENT**

In the event that the Taxable Value of the Qualified Property is changed after an appeal of its valuation, or the Taxable Value is otherwise altered for any reason, the calculations required under Article 3 of this Agreement shall be recalculated by the Consultant at Applicant's sole expense using the revised property values. The Consultant shall transmit the revised calculations to the Parties and any Party owing funds to the other Party shall pay such funds within thirty (30) days after receipt of the new calculations.

### **Section 3.10 EFFECT OF STATUTORY OR OTHER LEGAL CHANGES**

If the District will receive less District Funding Revenue, or, if applicable, will be required to increase its payment of funds to the State due to the District's participation in this

Agreement because of changes to School Finance Law or administrative or legal interpretations by the office of the Comptroller, the Commissioner of Education, the Texas Education Agency, the Courts of the State of Texas, or any other authority having proper jurisdiction over the District or Texas school finance, then the Applicant shall make payments to the District within thirty (30) days of receipt of written notice, up to the limit on the revenue protection amount set forth in Section 5.1 below. The Parties understand and agree that the foregoing payments to the District are necessary to (a) offset any negative impact on the District as a result of its participation in this Agreement; and (b) secure for the District an amount of District Funding Revenue not less than that what the District would have received from State and local funds had the District not entered into this Agreement.

## **ARTICLE 4- PAYMENTS IN LIEU OF TAXATION**

### **Section 4.1 SEPARATE AND INDEPENDENT INDEMNITY AMOUNTS**

In addition to payment of the amounts set forth under Article 3 of this Agreement, and as consideration for the execution of this Agreement by the District, Applicant shall be responsible to the District for payments in lieu of taxation (“PILOT”) and payments for Extraordinary Education-Related Expenses (“PEERE”), as set forth in this Article 4. Any and all obligations for any PILOT and PEERE payments shall be separate and independent of Applicant’s obligations under Article 3 of this Agreement.

### **Section 4.2 CALCULATION OF PAYMENTS IN LIEU OF TAXATION**

4.2.1 Subject to Section 5.1, for each of years one (1) through thirteen (13) of this Agreement, the District shall be entitled to receive the maximum amount of payments in lieu of taxation as allowed by law, which is currently One Hundred Dollars (\$100.00) per Student in Average Daily Attendance (ADA), as determined for that particular school year in accordance with Texas Tax Code § 313.027(i).

4.2.2 In the event Chapter 313 is modified or amended to allow the District to receive payments in lieu of taxation in excess of the foregoing ADA limitation, Applicant agrees to cooperate with District in amending this Agreement to allow District to receive the maximum amount of payments in lieu of taxation as allowed by law; provided however, the total payments in lieu of taxation for any given year of this Agreement shall not exceed the greater of forty percent (40%) of Applicant's Net Tax Savings under this Agreement in such year or \$100 per student in ADA, as determined for that school year. This Section shall only apply if Texas Tax Code § 313.027(i) is amended so that the District is permitted to receive payments in lieu of taxation greater than as described in Section 4.2.1 above; otherwise, Section 4.2.1 shall apply.

4.2.3 Entitlements to supplemental payments of amounts due under this Section shall be made as set forth in Section 3.7 of this Agreement and is subject to the limitations contained in Section 5.1. Payments made under this Article 4 shall not exceed the Aggregate Limit.

### **Section 4.3 PAYMENT OF EXTRAORDINARY EDUCATION-RELATED EXPENSES**

4.3.1 Applicant agrees and acknowledges that construction and installation of its Qualified Property may bring an extraordinary influx of workers into the District. Applicant

further agrees and acknowledges that these workers may cause an undetermined increase in enrollment for the District, and that such increase may subject the District to Extraordinary Education-Related Expenses that are not directly funded in school financing funding formulas. Accordingly, Applicant agrees to reimburse to the District for any documented Extraordinary Education-Related Expenses paid by the District arising from Applicant's Qualified Investment.

4.3.2 In the event that the District incurs reimbursable Extraordinary Education-Related Expenses related to this project, the District will notify Applicant and provide a detailed explanation for such expenses prior to reimbursement by Applicant. The applicant may contest any such cost certified by the District's external auditor under the provisions of Section 3.8.

4.3.3 Payments of amounts due under this Section shall be made as set forth in Section 3.7 of this Agreement.

**Section 4.4 PAYMENT IN LIEU OF TAXATION (PILOT) AND LIMITATION BASED ON NET TAX SAVINGS**

4.4.1 During years one (1) and two (2) of this Agreement, the Applicant shall be required to pay taxes on the full value of the Qualified Property, and the amount of the District's PILOT to which it is entitled under Section 4.2.1 above shall exceed Applicant's Net Tax Savings. Accordingly, the parties agree that Applicant shall make a partial PILOT in years one (1) and (2) as follows:

- (a) Year one (1) = twenty (25%) of the PILOT to which the District is entitled under Section 4.2.1.
- (b) Year two (2) = fifty (50%) of the PILOT to which the District is entitled under Section 4.2.1.

The difference between the amount of District's PILOT for which it is entitled under Section 4.2.1 for years one (1) and (2) and the amount of the partial PILOT actually paid as set out herein shall be carried forward from year-to-year (the "Deferred PILOT"). Beginning in year three (3) of the Agreement, and in addition to the PILOT for that year, all Deferred PILOT owed to the District shall be paid by Applicant to the extent all payments from Applicant to the District for that year do not exceed Applicant's Net Tax Savings. Any amount of Deferred PILOT that remains unpaid shall be carried forward from year to year until paid in full.

4.4.2 Should Applicant fail to make the minimum Qualified Investment during the Qualifying Time Period causing this Agreement to become null and void as set out in Section 2.3.4 herein, Applicant's obligation to make any Deferred PILOT that was carried over by operation of Section 4.4.1 shall be cancelled. Applicant's obligation to make a partial PILOT to the District for years one (1) and two (2) shall survive termination of the Agreement and remain until satisfied, as set out in Section 5.2.4.

## **ARTICLE 5- LIMITATION OF PAYMENTS BY APPLICANT**

### **Section 5.1 LIMITATION AFTER FIRST THREE YEARS**

5.1.1 For each of the years of this Agreement, other than years one (1) through three (3), and notwithstanding anything to the contrary in this Agreement, in no event shall the sum of the maintenance and operations ad valorem taxes paid by the Applicant to the District plus the sum of all payments otherwise due from the Applicant under Articles 3 and 4 with respect to such year exceed the amount of the maintenance and operations ad valorem taxes that the Applicant would have paid to the District for such year if the Parties had not entered into this Agreement.

5.1.2 A comparison of (a) the sum of the maintenance and operations ad valorem taxes paid by the Applicant to the District plus the sum of all payments otherwise due from the Applicant under Articles 3 and 4 with respect to such year; and (b) the taxes Applicant would have paid to the District if this Agreement had not been entered into shall be included in the Consultant's calculations made pursuant to Section 3.4 of this Agreement. The Consultant shall include a credit for the amount of taxes actually paid by the Applicant on the Qualified Property when making this comparison.

5.1.3 During years four (4) through ten (10), should the sum of the Applicant's maintenance and operations ad valorem taxes plus the sum of all payments otherwise due from the Applicant under Article 3 and Article 4 exceed the maintenance and operations ad valorem taxes that the Applicant would have paid if the Parties had not entered into this Agreement, then the payments due from the Applicant to the District under Articles 3 and 4 shall be reduced until such excess is eliminated. In no event shall the cumulative payments to the District as determined for that particular school year, exceed the greater of: (a) forty percent (40%) of the Net Tax Savings, or (b) One Hundred Dollars (\$100.00) per Student in Average Daily Attendance (ADA).

### **Section 5.2 OPTION TO CANCEL AGREEMENT**

5.2.1 For years four (4) through ten (10) of this Agreement, in the event that payments by Applicant to the District become limited as described in Section 5.1 above, the Applicant shall have the option to terminate this Agreement. Applicant may exercise such option by notifying the District of its election in writing not later than July 31 of any year next following the year in which the payments were limited. Upon receipt of such written notice, this Agreement shall terminate effective December 31 of the year in which the notice is received by the District.

5.2.2 For years three (3) through ten (10) of this Agreement, the Applicant shall have the option to terminate this Agreement in the event that the Appraised Value of the Qualified Property falls below the Tax Limitation Amount. The Applicant may exercise such option by notifying the District and the Appraisal District of its election in writing not later than October 31 of any year. The cancellation of this Agreement under this Subsection shall be effective immediately, and Applicant's ad valorem tax shall be assessed based on the actual Appraised Value of the Qualified Property.

5.2.3 The Applicant shall have the right to terminate this Agreement in the event of a change in the School Finance Law, administrative interpretations by the Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other statutory or regulatory change which materially reduces the Net Tax Savings to Applicant under this Agreement. Applicant may exercise such option by notifying the District and the Appraisal District of its election in writing. Upon receipt of such written notice, this Agreement shall terminate effective December 31 of the year in which the notice is received by the District.

5.2.4 Except as expressly stated in Section 4.4.2 of this Agreement, the rights and obligations of the Parties under this Agreement through and including the year during which notice of termination of this Agreement is delivered shall survive such termination and remain until satisfied.

## **ARTICLE 6– TAX CREDITS**

### **Section 6.1 TAX CREDIT DESCRIPTION AND ELIGIBILITY**

6.1.1 Upon the Applicant’s compliance with all requirements of Chapter 313 of the Code and the Comptroller, and in addition to the limitation on the Appraised Value of the Qualified Property as described in Article 2 above, the Applicant shall be entitled to a Tax Credit from the District in an amount equal to the amount of ad valorem taxes paid to the District on that portion of the Appraised Value of the Qualified Property that exceeds the amount of the limitation agreed to by the Parties in each year of the Qualifying Time Period, subject to any limitation or reduction required by law.

6.1.2 The application for a Tax Credit as described in this Article 6 shall be made in accordance with §313.103 of the Code and is solely the Applicant's responsibility.

### **Section 6.2 DISTRICT OBLIGATIONS REGARDING TAX CREDITS**

6.2.1 The District shall timely comply with and, to the extent possible, cause the timely compliance by the Appraisal District of all District obligations regarding Tax Credits under the Code and Comptroller Rules.

6.2.2 The Board of Trustees shall grant Applicant’s application for the tax credit as provided in §313.104 of the Code as well as Comptroller and/or TEA rules.

### **Section 6.3 TAX CREDIT PROTECTION REVENUE LOSS**

If the District does not receive aid pursuant to §42.2515 of the Texas Education Code (or similar or successor statute) after Applicant receives a Tax Credit as described under this Article 6, and such failure is not the result of District’s failure to comply with the requirements of obtaining such aid, then the District shall so notify the Applicant in writing. The Applicant shall, within thirty (30) days after notice, pay to the District the amount of such aid the District did not receive. Conversely, the District shall refund to the Applicant the amount of state aid the District received that was solely attributable to any portion of such state aid paid by Applicant to the District.

## **ARTICLE 7- ADDITIONAL OBLIGATIONS OF APPLICANT**

### **Section 7.1 INFORMATION REQUESTS**

7.1.1 Upon written request, Applicant shall be obligated to provide the District and the Appraisal District with all information and data necessary to determine whether all obligations under this Agreement are being met. In the event that the District requests information which the Applicant regards as being technical or business information which is proprietary, a trade secret or confidential in nature or is subject to a confidentiality agreement with any third party, and subject to §313.028 of the Code, Applicant shall inform the District of its concerns and suitable arrangements shall be made for the District to have access to the information in a manner which does not compromise the confidentiality of the information to other third parties.

7.1.3 Applicant shall allow authorized employees of the District and Appraisal District access to all property that is subject to a limitation on the local ad valorem property values called for under this Agreement during the term of this Agreement for the purposes of appraisal or determination of compliance with this Agreement. All inspections or appraisals will be made at a mutually agreeable time after no less than forty-eight (48) hours prior written notice.

7.1.4 Applicant shall timely make any reports that may be required under law or administrative regulation, including but not limited to the annual report or certifications that may be required by the Comptroller under the provisions of the Comptroller's Rules or the Texas Tax Code, including §313.032 of the Code. Applicant shall forward a copy of all such required reports or certifications to the District at the time of such filing. Timely performance of all required filings shall be a material obligation under this Agreement.

### **Section 7.2 MAINTAINING VIABLE PRESENCE**

By entering into this Agreement, Applicant represents, covenants, and warrants that it will abide by all of the terms of this Agreement and that it will Maintain a Viable Presence in the District as defined in this Agreement for a period of at least three (3) years after the termination of the limitation on the local ad valorem property values called for under this Agreement. Applicant shall not be in breach of this covenant to Maintain a Viable Presence to the extent such failure is caused by an event of Force Majeure, provided Applicant makes commercially reasonable efforts to Maintain a Viable Presence at the conclusion of any period of Force Majeure.

## **ARTICLE 8- BREACH**

As stated in Section 2.3.4 above, the failure by Applicant to make a Qualified Investment of at least Ten Million Dollars (\$10,000,000.00) during the Qualifying Time Period shall result in this Agreement being null and void as of January 1, 2016. This Article 8 shall control in all other instances of Applicant's failure to perform according to the terms of this Agreement.

## **Section 8.1 DISTRICT'S DETERMINATION OF BREACH**

8.1.1 In the event Applicant terminates this Agreement without the consent of the District, except as provided in Section 5.2, or should Applicant or Applicant's successor in interest fail to comply with any material term or meet any material obligation of this Agreement, after the notice and cure period provided herein, District shall be entitled to: (a) the recapture of all ad valorem tax revenue that would have been due from Applicant without the benefit of this Agreement; and (b) all penalty and interest as calculated under Section 8.4. For purposes of the recapture calculation, the Applicant shall be entitled to a credit for all payments made under Article 3 and Article 4.

8.1.2 Notwithstanding Section 8.1.1, in the event the District determines that the Applicant has failed to Maintain a Viable Presence and provides written notice of termination, Applicant shall pay to District liquidated damages equal to the total of the District ad valorem taxes that would have been due from Applicant without the benefit of this Agreement for all of the years for which a Tax Limitation was granted pursuant to this Agreement, plus penalty and interest. Applicant shall be entitled to a credit for all payments made to the District pursuant to Article 3 and Article 4.

8.1.3 Prior to making a determination that Applicant has committed a material breach of this Agreement, the District shall provide the Applicant with a written notice of the facts which the District believes constitute the material breach and, if a cure is feasible, the cure proposed by the District. After receipt of the notice, Applicant shall have sixty (60) days to present any facts or argument to the Board of Trustees showing that it is not in material breach of its obligations under this Agreement or that it has cured any such material breach.

8.1.4 Upon the expiration of Applicant's opportunity to respond, the Board of Trustees shall conduct a hearing as provided in District Policy GF (LOCAL) to determine whether or not a material breach of this Agreement has occurred and, if so, the date such material breach occurred. Applicant shall have the opportunity to be heard before the Board of Trustees at such hearing. In the event that the Board of Trustees determines that a material breach has occurred, it shall also determine the amounts of recaptured taxes to be paid by Applicant to District under Section 8.2 below.

8.1.5 After a determination under Section 8.1.2, the Board of Trustees shall notify Applicant, in writing, of its determination and the amount of recaptured taxes owed by Applicant, if any.

## **Section 8.2 REMEDIES AFTER BREACH**

8.2.1 In the event of default or breach by Applicant, the District's damages shall not exceed the greater of (a) any amounts of recaptured taxes plus penalty and interest; or (b) the sum of the difference between the payments and credits due and owing to the Applicant at the time of default and the District taxes that would have been payable to the District had this Agreement not been executed.

8.2.2 The District's sole right of equitable relief under this Agreement shall be its right to terminate this Agreement.

8.2.3 In accordance with §313.0275 of the Code, for any full year beginning after the project has become operational, Applicant shall cure those material breaches defined in 8.3(d), 8.3(e), or 8.3(f), below, without the termination of this Agreement. In order to cure its noncompliance with 8.3(d), 8.3(e), or 8.3(f) for the particular year of noncompliance only, Applicant may pay liquidated damages as required by §313.0275(b) of the Code, in accordance with §313.0275(c).

Voluntary donations made by Applicant to the District after the date of execution of this Agreement, and not mandated by this Agreement or not made in recognition of or consideration for this Agreement are not barred by this provision.
- (h) Applicant fails to comply in a material respect with any other term of this Agreement, or Applicant fails to meet its obligations under the applicable Comptroller's Rules or Chapter 313 of the Code.

#### **Section 8.4 CALCULATION OF PENALTY AND INTEREST**

In determining the amount of penalty and interest due in the event of a breach of this Agreement, the District shall determine the base amount of taxes owed less any Tax Credit under Article 6 of this Agreement for each year during the term of this Agreement since the Commencement Date. The District shall calculate penalty or interest for each year during the term of this Agreement since the Commencement Date in accordance with the methodology set forth in Chapter 33 of the Texas Tax Code, as if the base amount calculated for such years less all credits under Article 6 had become due and payable on February 1 of the calendar year following such year. Penalties on said amounts shall be calculated in accordance with the methodology set forth in the Code §33.01(a) or its successor statute provided however, that no penalties shall accrue until sixty (60) days after Applicant has received written notice from the District stating the amount due to the District. Interest on said amounts shall be calculated in accordance with the methodology set forth in the Code §33.01(c), or its successor statute.

#### **Section 8.5 DISPUTE RESOLUTION**

The mediation shall be conducted by a mutually agreeable mediator at a mutually convenient time and place. If no mediator is agreed upon by the Parties, a mediator shall be appointed by the judge of a state district court in the judicial district containing the administrative offices of the District. The Parties agree to sign a document that provides the mediator and the mediation will be governed by the provisions of Chapter 154 of the Texas Civil Practice and Remedies Code and such other rules as the mediator shall prescribe. The Parties shall each bear one-half of the mediation fees and expenses.

8.5.2 In the event that any mediation is not successful in resolving the dispute or that payment is not received before the expiration of such sixty (60) days, the District shall have the remedies for the collection of the amounts determined under Section 8.2 and as set forth in Chapter 33, Subchapters B and C of the Code. In the event that the District successfully prosecutes legal proceedings under this section, the Applicant shall also be responsible for the payment of attorney's fees and a tax lien on the Applicant's Qualified Property and the Applicant's Qualified Investment pursuant to §§6.30 and 33.07 of the Code, or other applicable law.

8.5.3 In any event where a dispute between the Parties cannot be resolved, and after completing the mediation procedures required above, either the District or the Applicant may seek a judicial declaration of their respective rights and duties under this Agreement or otherwise, in any judicial proceeding, assert any rights or defenses, or seek any remedy in law or in equity, except as may be limited by this Agreement, against the other Party with respect to any claim relating to any breach, default, or nonperformance of any covenant, agreement or undertaking made by a Party pursuant to this Agreement.

## SCHEDULE 3.2

### CALCULATIONS FOR LOSS OF REVENUES BY DISTRICT

The District Funding Revenue amount owed by Applicant to District will equal:

- (a) Original District Funding Revenue minus New District Funding Revenue, where;
  - i. “Original District Funding Revenue” means the total State and local District Funding Revenue that the District would have received for the school year under the School Finance Law absent this Agreement, effective for said school year.
  - ii. “New District Funding Revenue” means the total State and local District Funding Revenue that the District actually received under the School Finance Law for said school year.
  
- (b) In making the calculations required by this Schedule 3.2:
  - i. The Taxable Value of property for each school year will be determined under the School Finance Law.
  - ii. All calculations using the Original District Funding Revenue and the New District Funding Revenue made for years three (3) through ten (10) of this Agreement shall be based upon the limitation of value on the Qualified Property using the Tax Limitation Amount so that Applicant is not responsible for protecting the District against any decrease in the amount of local ad valorem taxes collected.
  - iii. All calculations made under this Schedule shall be made by a methodology which isolates only the revenue impact caused by this Agreement. Applicant shall not be responsible to reimburse the District for other revenue losses created by other agreements or any other factors.
  - iv. The calculation made under this Schedule cannot result in a negative number. In the event that the calculation is a negative number, the loss to the District under this Schedule will be considered to be zero.
