**ARTICLE III**

**PROTECTION AGAINST LOSS OF FUTURE DISTRICT REVENUES**

**Section 3.1. INTENT OF THE PARTIES**

Subject to the limitations contained in this Agreement (including Section 5.1), it is the intent of the Parties that the District shall, in accordance with the provisions of Texas Tax Code, §313.027(f)(1), be compensated by the Applicant for any loss that the District incurs in its

Maintenance and Operations Revenue solely as a result of, or on account of, entering into this Agreement, after taking into account any payments to be made under this Agreement. Such payments shall be independent of, and in addition to, such other payments as are set forth in Article IV. Subject to the limitations contained in this Agreement (including Section 5.1), it is the intent of the Parties that the risk of any negative financial consequence to the District in making the decision to enter into this Agreement will be borne by the Applicant and not by the District.

**Section 3.2. CALCULATING THE AMOUNT OF LOSS OF REVENUES BY THE DISTRICT**

Subject to the provisions of Sections 5.1 and 5.2, the amount to be paid by the Applicant to compensate the District for loss of Maintenance and Operations Revenue resulting from, or on account of, this Agreement for each year during the term of this Agreement (the "M&O Amount") shall be determined in compliance with the Applicable School Finance Law in effect for such year and according to the following formula:

The M&O Amount owed by the Applicant to the District means the Original M&O Revenue *minus* the New M&O Revenue;

Where:

- i. "Original M&O Revenue" means the total State and local Maintenance & Operations Revenue that the District would have received for the school year under the Applicable School Finance Law had this Agreement not been entered into by the Parties and the Applicant's Qualified Property and/or the Applicant's Qualified Investment been subject to the ad valorem maintenance and operations tax at the tax rate actually adopted by the District for the applicable year.
- ii. "New M&O Revenue" means the total State and local Maintenance and Operations Revenue that the District actually received for such school year, after all adjustments have been made to such Maintenance and Operations Revenue because of any portion of this Agreement.

In making the calculations required by this Section 3.2:

- i. The Taxable Value of property for each school year will be determined under the Applicable School Finance Law.
- ii. For purposes of this calculation, the tax collection rate on the Applicant's Qualified Property and/or the Applicant's Qualified Investment will be presumed to be one hundred percent (100%).

- iii. If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue as calculated under this Section 3.2 results in a negative number, the negative number will be considered to be zero.
- iv. All calculations made for years three (3) through ten (10) of this Agreement under Section 3.2, Subsection ii, of this Agreement relating to the definition of "New M&O Revenue" will reflect the Tax Limitation Amount for such year.
- v. All calculations made under this Section 3.2 shall be made by a methodology which isolates only the revenue impact caused by this Agreement. The Applicant shall not be responsible to reimburse the District for other revenue losses created by other agreements or any other factors not contained in this Agreement.

### **Section 3.3. COMPENSATION FOR LOSS OF OTHER REVENUES**

In addition to the amounts determined pursuant to Section 3.2 above, and to the extent provided in Section 6.3, the Applicant, on an annual basis, shall also indemnify and reimburse the District for the following:

- (a) All non-reimbursed costs incurred by the District in paying or otherwise crediting to the account of the Applicant, any applicable Tax Credit to which the Applicant may be entitled pursuant to Chapter 313, Subchapter D of the Texas Tax Code, and for which the District does not receive reimbursement from the State pursuant to Texas Education Code §42.2515, or other similar or successor statute.
- (b) All non-reimbursed costs, certified by the District's external auditor to have been incurred by the District for extraordinary education-related expenses related to the Applicant's Qualified Investment that are not directly funded in state aid formulas, including expenses for the purchase of portable classrooms and the hiring of additional personnel to accommodate a temporary increase in student enrollment attributable to the Applicant's Qualified Investment. The Applicant may contest any such costs certified by the District's external auditor under the provisions of Section 3.8.
- (c) Any other loss of the District's revenues which directly result from, or are reasonably attributable to any payment made by the Applicant to or on behalf of any third party beneficiary of this Agreement.

### **Section 3.4. CALCULATIONS TO BE MADE BY THIRD PARTY**

All calculations under this Agreement shall be made annually by an independent third party (the "Third Party") jointly approved each year by the District and the Applicant. If the Parties cannot agree on the Third Party, then the Third Party shall be selected by the mediator provided in Section 7.9 of this Agreement.

### **Section 3.5. DATA USED FOR CALCULATIONS**

The calculations for payments under this Agreement shall be initially based upon the valuations placed upon the Applicant's Qualified Investment and/or the Applicant's Qualified Property by the Appraisal District in its annual certified tax roll submitted to the District pursuant to Texas Tax Code §26.01 on or about July 25 of each year of this Agreement. Immediately upon receipt of the valuation information by the District, the District shall submit the valuation information to the Third Party selected under Section 3.4. The certified tax roll data shall form the basis of the calculation of any and all amounts due under this Agreement. All other data utilized by the Third Party to make the calculations contemplated by this Agreement shall be based upon the best available current estimates. The data utilized by the Third Party shall be adjusted from time to time by the Third Party to reflect actual amounts, subsequent adjustments by the Appraisal District to the District's certified tax roll or any other changes in student counts, tax collections, or other data.

### **Section 3.6. DELIVERY OF CALCULATIONS**

On or before November 1 of each year for which this Agreement is effective, the Third Party appointed pursuant to Section 3.4 of this Agreement shall forward to the Parties a certification containing the calculations required under Sections 3.2 and/or 3.3, Article IV, and/or Section 5.1 of this Agreement in sufficient detail to allow the Parties to understand the manner in which the calculations were made. The Third Party shall simultaneously submit his, her or its invoice for fees for services rendered to the Parties, if any fees are being claimed, which fees shall be the sole responsibility of the District, subject to the provisions of Section 3.7. Upon reasonable prior notice, the employees and agents of the Applicant shall have access, at all reasonable times, to the Third Party's offices, personnel, books, records, and correspondence pertaining to the calculation and fee for the purpose of verification. The Third Party shall maintain supporting data consistent with generally accepted accounting practices, and the employees and agents of the Applicant shall have the right to reproduce and retain for purpose of audit, any of these documents. The Third Party shall preserve all documents pertaining to the calculation and fee for a period of five (5) years after payment. The Applicant shall not be liable for any of the Third Party's costs resulting from an audit of the Third Party's books, records, correspondence, or work papers pertaining to the calculations contemplated by this Agreement or the fee paid by the Applicant to the Third Party pursuant to Section 3.7, if such fee is timely paid.

### **Section 3.7. PAYMENT BY APPLICANT**

The Applicant shall pay any amount determined to be due and owing to the District under this Article III on or before the January 31 next following the tax levy for each year for which this Agreement is effective. By such date, the Applicant shall also pay any reasonable amount billed by the Third Party under Section 3.6 above, plus any reasonable and necessary legal expenses paid by the District to its attorneys, auditors, or financial consultants for the preparation and filing of any financial reports, disclosures, or Tax Credit or other reimbursement applications filed with or sent to the State of Texas which are, or may be required under the terms or because of the execution of this Agreement. For no Tax Year during the term of this Agreement shall the Applicant be responsible for the payment of an aggregate amount of fees and expenses under this Section 3.7 and Section 3.6 which exceeds Ten Thousand Dollars (\$10,000.00).

### **Section 3.8. RESOLUTION OF DISPUTES**

Pursuant to Sections 3.3(b), 3.4, 3.6 and 3.9, should the Applicant disagree with the certification containing the calculations, the Applicant may appeal the findings, in writing, to the Third Party within thirty (30) days following the later of (i) receipt of the certification, or (ii) the date the Applicant is granted access to the books, records and other information in accordance with Section 3.6 for purposes of auditing or reviewing the information in connection with the certification. Within fifteen (15) days of receipt of the Applicant's appeal, the Third Party will issue, in writing, a final determination of the certification containing the calculations. Thereafter, the Applicant may appeal the final determination of certification containing the calculations to the District. Any appeal by the Applicant of the final determination of the Third Party may be made, in writing, to the Board of Trustees within thirty (30) days of the final determination of certification containing the calculations, and shall be without limitation of the Applicant's other rights and remedies available hereunder, at law or in equity.

### **Section 3.9. EFFECT OF PROPERTY VALUE APPEAL OR OTHER ADJUSTMENT**

If at the time the Third Party selected under Section 3.4 makes its calculations under this Agreement, the Applicant has appealed any matter relating to the valuations placed by the Appraisal District on the Applicant's Qualified Property, and/or the Applicant's Qualified Property and such appeal remains unresolved, the Third Party shall base its calculations upon the values placed upon the Applicant's Qualified Property and/or the Applicant's Qualified Property by the Appraisal District.

If as a result of an appeal or for any other reason, the Taxable Value of the Applicant's Qualified Investment and/or the Applicant's Qualified Property is changed, once the determination of the new Taxable Value becomes final, the Parties shall immediately notify the Third Party who shall immediately issue new calculations for the applicable year or years using the new Taxable Value. In the event the new calculations result in a change in any amount paid or payable by the Applicant under this Agreement, the Party from whom the adjustment is payable shall remit such amounts to the other Party within thirty (30) days of the receipt of the

new calculations from the Third Party. Any dispute by Applicant with respect to this new calculation shall be appealable to the Board of Trustees in accordance with the provisions of Section 3.8.

### **Section 3.10. EFFECT OF STATUTORY CHANGES**

Notwithstanding any other provision in this Agreement, but subject to the limitations contained in Section 5.1, in the event that, by virtue of statutory changes to the Applicable School Finance Law, administrative interpretations by the Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other reason attributable to statutory change, the District reasonably determines that it will receive less Maintenance and Operations Revenue, or, if applicable, will be required to increase its payment of funds to the State, because of its participation in this Agreement, the Applicant shall make payments to the District, up to the revenue protection amount limit set forth in Section 5.1, that are necessary to offset any actual negative impact on the District as a result of its participation in this Agreement. Such calculation shall take into account any adjustments to the amount calculated for the current fiscal year that should be made in order to reflect the actual impact on the District. Such payment shall be made no later than thirty (30) days following notice from the District of such determination and calculation.

## **ARTICLE IV**

### **SUPPLEMENTAL PAYMENTS**

#### **Section 4.1. INTENT OF PARTIES WITH RESPECT TO SUPPLEMENTAL PAYMENTS**

(a) Amounts Exclusive of Indemnity Amounts

In addition to undertaking the responsibility for the payment of all of the amounts set forth under Article III, and as further consideration for the execution of this Agreement by the District, the Applicant shall also be responsible for the supplemental payments set forth in this Article IV, (the "Supplemental Payments"). The Applicant shall not be responsible to the District or to any other person or persons in any form for the payment or transfer of money or any other thing of value in recognition of, anticipation of, or consideration for this Agreement for limitation on appraised value made pursuant to Chapter 313, Texas Tax Code, unless it is explicitly set forth in this Agreement. It is the express intent of the Parties that the Applicant's obligation to make Supplemental Payments under this Article IV is separate and independent of the obligation of the Applicant to pay the amounts described in Article III; provided, however, that all payments under Articles III and IV are subject to the limitations contained in Section 5.1, and that all payments under this Article IV are subject to the separate limitations contained in Section 4.4.

(b) Adherence to Statutory Limits on Supplemental Payments

It is the express intent of the Parties that any Supplemental Payments made to or on behalf of the District by the Applicant under this Article IV shall exceed neither (i) the limit imposed by the provisions of Texas Tax Code §313.027(i), as such limit is allowed to be increased by the Legislature for any future year of this Agreement, nor (ii) the lesser of the amounts described in Section 4.2(a) and (b).

**Section 4.2. STIPULATED SUPPLEMENTAL PAYMENT AMOUNT - SUBJECT TO AGGREGATE LIMIT**

During the term of this Agreement, the District shall not be entitled to receive Supplemental Payments that exceed the lesser of:

- (a) the "Applicant's Stipulated Supplemental Payment Amount," which is hereby defined as thirty percent (30%) of the "Net Tax Benefit," as such term is defined in Section 1.3 above; or
- (b) the "Aggregate Limit," as such term is defined in Section 1.3 above.

**Section 4.3. ANNUAL CALCULATION OF STIPULATED SUPPLEMENTAL PAYMENT AMOUNT**

The Parties agree that for each Tax Year during the term of this Agreement beginning with the third full Tax Year following the Commencement Date (Tax Year 2017), the Applicant's Stipulated Supplemental Payment Amount, as defined in Section 4.2, will annually be calculated based upon the then most current estimate of tax savings to the Applicant, which will be made, based upon assumptions of student counts, tax collections, and other applicable data, including the District's maintenance and operations tax rate adopted for such Tax Year, in accordance with the following formula:

The Taxable Value of the Applicant's Qualified Property for such Tax Year had this Agreement not been entered into by the Parties (i.e., the Taxable Value of the Applicant's Qualified Property used for the District's interest and sinking fund tax purposes for such Tax Year, or school taxes due to any other governmental entity, including the State of Texas, for such Tax Year);

*Minus,*

The Taxable Value of the Applicant's Qualified Property for such Tax Year after giving effect to this Agreement (i.e., the Taxable Value of the Applicant's Qualified Property used for the District's maintenance and operations tax purposes for such Tax Year, or school taxes due to any other governmental entity, including the State of Texas, for such Tax Year);

*Multiplied by,*

The District's maintenance and operations tax rate for such Tax Year, or the school tax rate of any other governmental entity, including the State of Texas, for such Tax Year;

*Plus,*

Any Tax Credit received by the Applicant with respect to such Tax Year;

*Minus,*

Any amounts previously paid to the District under Article III with respect to such Tax Year;

*Minus,*

The aggregate amount of the excesses of any amounts previously paid to the District under Article III with respect to each previous Tax Year over the tax savings to the Applicant for such previous Tax Year before any reduction for such amounts previously paid, but only to the extent of the portion of such aggregate amount that was not previously taken into account as a reduction in the calculations under this Section 4.4 for any previous Tax Year;

*Multiplied by,*

The number 0.30;

*Minus,*

Any amounts previously paid to the District under Sections 4.2 and 4.3 with respect to such Tax Year.

In the event that there are changes in the data upon which the calculations set forth herein are made, the Third Party described in Section 3.4 above shall adjust the Applicant's Stipulated Supplemental Payment Amount calculation to reflect such changes in the data.

**Section 4.4. CALCULATION OF ANNUAL SUPPLEMENTAL PAYMENTS TO THE DISTRICT AND APPLICATION OF AGGREGATE LIMIT**

For each Tax Year during the term of this Agreement beginning with the third full Tax Year following the Commencement Date (Tax Year 2017) and continuing thereafter through the thirteenth full Tax Year following the Commencement Date (Tax Year 2027), the District, or its successor beneficiary should one be designated under Section 4.6 below shall not be entitled to

receive Supplemental Payments, computed under Sections 4.2 and 4.3 above, that exceed the Aggregate Limit.

If, for any Tax Year during the term of this Agreement the amount of the Applicant's Stipulated Supplemental Payment Amount, calculated under sections 4.2 and 4.3 above for such Tax Year, exceeds the Aggregate Limit for such Tax Year, the difference between the Applicant's Stipulated Supplemental Payment Amount so calculated and the Aggregate Limit for such Tax Year, shall be carried forward from year-to-year into subsequent Tax Years during the term of this Agreement, and to the extent not limited by the Aggregate Limit in any subsequent Tax Year during the term of this Agreement, shall be paid to the District. If there are changes in Chapter 313 of the Texas Tax Code that increase or decrease the limit on the amount of the Supplemental Payments that may be made to or on behalf of the District by the Applicant under this Article IV, any higher or lower amount of Supplemental Payments that first became due hereunder prior to the effective date of any such statutory change will not be adjusted.

Any of the Applicant's Stipulated Supplemental Payment Amounts which cannot be paid to the District prior to the end of the thirteenth full Tax Year following the Commencement Date (Tax Year 2027) because such payment would exceed the Aggregate Limit will be deemed to have been cancelled by operation of law, and the Applicant shall have no further obligation with respect thereto.

#### **Section 4.5. PROCEDURES FOR SUPPLEMENTAL PAYMENT CALCULATIONS**

- (a) All calculations required by this Article IV, including but not limited to: (i) the calculation of the Applicant's Stipulated Supplemental Payment Amount; (ii) the determination of both the Annual Limit and the Aggregate Limit; (iii) the effect, if any, of the Aggregate Limit upon the actual amount of Supplemental Payments eligible to be paid to the District by the Applicant; and (iv) the carry forward and accumulation of any of the Applicant's Stipulated Supplemental Payment Amounts unpaid by the Applicant due to the Aggregate Limit in previous years, shall be calculated by the Third Party selected pursuant to Section 3.4.
- (b) The calculations made by the Third Party shall be made at the same time and on the same schedule as the calculations made pursuant to Section 3.6.
- (c) The payment of all amounts due under this Article IV shall be made at the time set forth in Section 3.7.

#### **Section 4.6. DISTRICT'S OPTION TO DESIGNATE SUCCESSOR BENEFICIARY**

At any time during this Agreement, the Board of Trustees may, in its sole discretion, direct that any of the Applicant's payments under this Article IV be made to the District's educational foundation or to a similar entity, provided that such decision and direction of the Board of Trustees does not result in additional costs to the Applicant. Such foundation or entity

may only use such funds received under this Article IV to support the educational mission of the District and its students. Any designation of such foundation or entity must be made by recorded vote of the Board of Trustees at a properly posted public meeting of the Board of Trustees. Any such designation will become effective after such public vote and the delivery of notice of said vote to the Applicant in conformance with the provisions of Section 8.1 below. Such designation may be rescinded by the Board of Trustees, by Board action, at any time, and any such rescission will become effective after delivery of notice of such action to the Applicant in conformance with the provisions of Section 8.1.

Any designation of a successor beneficiary under this Section 4.6 shall not alter the Aggregate Limit on Supplemental Payments described in Section 4.4 above.

Notwithstanding the foregoing, any payments made by the Applicant shall be made in the manner and to the party designated in this Agreement unless the Applicant receives unambiguous written notice from the District that such payments are to be made to a different party.

## **ARTICLE V**

### **ANNUAL LIMITATION OF PAYMENTS BY APPLICANT**

#### **SECTION 5.1. ANNUAL LIMITATION AFTER FIRST THREE YEARS**

Notwithstanding anything contained in this Agreement to the contrary, and with respect to each Tax Year during the portion of the term of this Agreement beginning after the Tax Year 2017 and ending on the Final Termination Date, in no event shall (i) the sum of the maintenance and operations ad valorem taxes paid by the Applicant to the District for such Tax Year, plus the sum of all payments otherwise due from the Applicant to the District under Articles III and IV with respect to such Tax Year, exceed (ii) the amount of the maintenance and operations ad valorem taxes that the Applicant would have paid to the District for such Tax Year (determined by using the District's actual maintenance and operations tax rate for such Tax Year) if the Parties had not entered into this Agreement. The calculation and comparison of the amounts described in clauses (i) and (ii) of the preceding sentence shall be included in all calculations made pursuant to Sections 3.4 and 3.6, and in the event the sum of the amounts described in said clause (i) exceeds the amount described in said clause (ii), then the payments otherwise due from the Applicant to the District under Articles III and IV shall be reduced until such excess is eliminated.

#### **Section 5.2. OPTION TO CANCEL AGREEMENT**

In the event that any payment otherwise due from the Applicant to the District under Article III and/or Article IV with respect to a Tax Year is subject to reduction in accordance with the provisions of Section 5.1 above, then the Applicant shall have the option to terminate this

Agreement. The Applicant may exercise such option to cancel this Agreement by notifying the District of its election in writing not later than the July 31 of the year next following the Tax Year with respect to which a reduction under Section 5.1 is applicable. Any cancellation of this Agreement under the foregoing provisions of this Section 5.2 shall be effective immediately prior to the second Tax Year next following the Tax Year in which the reduction giving rise to the option occurred. In addition to the foregoing, in the event the Applicant determines that it will not commence or complete construction of the Applicant's Qualified Investment, the Applicant shall have the option, during the Qualifying Time Period, to terminate this Agreement by notifying the District in writing of its exercise of such option. Any termination of this Agreement under the immediately preceding sentence shall be effective immediately prior to the beginning of the Tax Year immediately following the Tax Year during which such notification is delivered to the District. Upon any termination of this Agreement under this Section 5.2, this Agreement shall terminate and be of no further force or effect; provided, however, that the Parties' respective rights and obligations under this Agreement with respect to the Tax Year or Tax Years (as the case may be) through and including the Tax Year during which such notification is delivered to the District, shall not be impaired or modified as a result of such termination and shall survive such termination unless and until satisfied and discharged.

## **ARTICLE VI**

### **TAX CREDITS**

#### **Section 6.1. APPLICANT'S ENTITLEMENT TO TAX CREDITS**

The Applicant shall be entitled to Tax Credits from the District under and in accordance with the provisions of Subchapter D of the Act and the Comptroller's Rules, provided that the Applicant complies with the requirements under such provisions, including the filing of a completed application under Section 313.103 of the Texas Tax Code and the Comptroller's Rules.

#### **Section 6.2. DISTRICT'S OBLIGATIONS WITH RESPECT TO TAX CREDITS**

The District shall timely comply and shall cause the District's collector of taxes to timely comply with their respective obligations under Subchapter D of the Act and the Comptroller's Rules, including, but not limited to, such obligations set forth in Section 313.104 of the Texas Tax Code and the Comptroller's Rules and/or the Texas Education Agency's rules, as applicable.

#### **Section 6.3. COMPENSATION FOR LOSS OF TAX CREDIT PROTECTION REVENUES**

If after the Applicant has actually received the benefit of a Tax Credit under Section 6.1, the District does not receive aid from the State pursuant to Texas Education Code §42.2515 or other similar or successor statute with respect to all or any portion of such Tax Credit for reasons other than the District's failure to comply with the requirements for obtaining such aid, then the District shall notify the Applicant in writing thereof and the circumstances surrounding the State's failure to provide such aid to the District. The Applicant shall pay to the District the

amount of such Tax Credit for which the District did not receive such aid within thirty (30) calendar days after receipt of such notice. If the District receives aid from the State for all or any portion of a Tax Credit with respect to which the Applicant has made a payment to the District under this Section 6.3, then the District shall pay to the Applicant the amount of such aid within thirty (30) calendar days after the District's receipt thereof.

## **ARTICLE VII**

### **ADDITIONAL OBLIGATIONS OF APPLICANT**

#### **Section 7.1. DATA REQUESTS**

During the term of this Agreement, and upon the written request of one Party or by the Comptroller (the "Requesting Party"), the other Party shall provide the Requesting Party with all information reasonably necessary for the Requesting Party to determine whether the other Party is in compliance with its obligations, including any employment obligations which may arise under this Agreement. The Applicant shall allow authorized employees of the District, the Comptroller, and/or the Appraisal District to have access to the Applicant's Qualified Property and/or business records, in accordance with Texas Tax Code §22.07, during the term of this Agreement, in order to inspect the project to determine compliance with the terms hereof. All inspections will be made at a mutually agreeable time after the giving of not less than forty-eight (48) hours prior written notice, and will be conducted in such a manner so as not to unreasonably interfere with either the construction or operation of the Applicant's Qualified Property or with the Applicant's adjacent or surrounding property or operations. All inspections may be accompanied by one or more representatives of the Applicant, and shall be conducted in accordance with the Applicant's safety, security, and operational standards and rules. Notwithstanding the foregoing, nothing contained in this Agreement shall require the Applicant to provide the District, the Comptroller, or the Appraisal District with any technical or business information that is private personnel data, proprietary, a trade secret or confidential in nature or is subject to a confidentiality agreement with any third party or any other information that is not necessary for the District to determine the Applicant's compliance with this Agreement.

## **Section 7.2. REPORTS TO OTHER GOVERNMENTAL AGENCIES**

The Applicant shall timely make any and all reports that are or may be required under the provisions of law or administrative regulation as a result of this Agreement, including but not limited to the annual report or certifications that may be required to be submitted by the Applicant to the Comptroller under the provisions of Texas Tax Code §313.032 and the provisions of Title 34, Part 1, Chapter 9, Subchapter F of the Texas Administrative Code. The Applicant shall forward a copy of all such required reports or certifications to the District contemporaneously with the filing thereof. Currently, the Comptroller requires an Annual Eligibility Report and the Biennial Progress Reports, Forms 50-772 and 50-773, respectively, and an Application for Tax Credit, Form 50-300. The obligation to make all such required filings shall be a material obligation under this Agreement. The Applicant shall not be in default of any reporting obligation hereunder, unless the Applicant has received thirty (30) days prior notice of its reporting obligation from the District.

## **Section 7.3. APPLICANT'S OBLIGATION TO MAINTAIN VIABLE PRESENCE**

By entering into this Agreement, the Applicant warrants that:

- (a) it will abide by all of the terms of this Agreement;
- (b) if it does not cancel the Agreement prior to the end of the Qualifying Time Period under Section 5.2 of this Agreement, it will Maintain Viable Presence in the District through the Final Termination Date of this Agreement; provided, however, that notwithstanding anything contained in this Agreement to the contrary, the Applicant shall not be in breach of this Agreement, and shall not be subject to any liability for failure to Maintain Viable Presence to the extent such failure is caused by Force Majeure, provided the Applicant makes commercially reasonable efforts to remedy the cause of such Force Majeure; and
- (c) it will meet the applicable minimum eligibility requirements under Texas Tax Code, Chapter 313, throughout the period from and including the Tax Year 2017 through and including the last Tax Year during the term of this Agreement with respect to which the Applicant receives the benefit of a Tax Credit.

## **Section 7.4. CONSEQUENCES OF EARLY TERMINATION OR OTHER BREACH BY APPLICANT**

(a) In the event of a Material Breach of this Agreement (as hereinafter defined), except as provided in Section 5.2 or to the extent such Material Breach of this Agreement is caused by Force Majeure, after the notice and cure period provided by Section 7.8, then the District shall be entitled, as its sole and exclusive remedy, to the recapture of all ad valorem tax revenue lost as a result of this Agreement together with the payment of penalty and interest, as calculated in accordance with Section 7.5, on that recaptured ad valorem tax revenue. For purposes of this recapture calculation, the Applicant shall be entitled to a credit for all payments

made to the District pursuant to Article III. The Applicant shall also be entitled to a credit for any amounts paid to the District pursuant to Article IV.

(b) Notwithstanding Section 7.4(a), in the event that the District determines that the Applicant has failed to Maintain Viable Presence and provides written notice of termination of this Agreement, then the Applicant shall pay to the District liquidated damages for such failure within thirty (30) days after receipt of such termination notice. The sum of liquidated damages due and payable shall be the sum total of the District ad valorem maintenance and operations taxes for all of the Tax Years for which the Tax Limitation Amount was allowed pursuant to this Agreement that are prior to the Tax Year in which the default occurs that otherwise would have been due and payable by the Applicant to the District without the benefit of this Agreement, including penalty and interest, as calculated in accordance with Section 7.5. For purposes of this liquidated damages calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Article III. The Applicant shall also be entitled to a credit for any amounts paid to the District pursuant to Article IV. Upon payment of such liquidated damages, the Applicant's obligations under this Agreement shall be deemed fully satisfied, and such payment shall constitute the District's sole remedy. Notwithstanding the foregoing, penalties shall only be due to the extent it is determined that the breach of this Agreement by the Applicant was willful and without a good faith, reasonable belief by the Applicant that its action or omission constituting such breach was in compliance with this Agreement.

#### **Section 7.5. CALCULATION OF PENALTY AND INTEREST**

In determining the amount of penalty or interest, or both, due in the event of a breach of this Agreement, the District shall first determine the base amount of recaptured taxes owed less all credits under Section 7.4 for each Tax Year during the term of this Agreement since the Commencement Date. The District shall calculate penalty or interest for each Tax Year during the term of this Agreement since the Commencement Date in accordance with the methodology set forth in Chapter 33 of the Texas Tax Code, as if the base amount calculated for such Tax Year less all credits under Section 7.4 had become due and payable on February 1 of the calendar year following such Tax Year. Penalties on said amounts shall be calculated in accordance with the methodology set forth in Texas Tax Code §33.01(a), or its successor statute. Interest on said amounts shall be calculated in accordance with the methodology set forth in Texas Tax Code §33.01(c), or its successor statute. Notwithstanding the foregoing, penalties shall only be due to the extent it is determined that the breach of this Agreement by the Applicant was willful and without a good faith, reasonable belief by the Applicant that its action or omission constituting such breach was in compliance with this Agreement.

#### **Section 7.6. MATERIAL BREACH OF AGREEMENT**

The Applicant shall be in "Material Breach of this Agreement" (herein so called) if it commits one or more of the following acts or omissions:

- (a) The Applicant is determined to have failed to meet its obligations to have made accurate material representations of fact in the submission of its Application as is required by Section 8.14, below.
- (b) Subject to Section 5.2, the Applicant fails to Maintain Viable Presence in the District, as required by Section 7.3 of this Agreement, through the Final Termination Date.
- (c) The Applicant fails to make any payment required under Articles III or IV of this Agreement on or before its due date.
- (d) Subject to Section 5.2, the Applicant fails to create and maintain at least the number of New Jobs it committed to create and maintain as set forth on Schedule C, Column C of the Application.
- (e) Subject to Section 5.2, the Applicant fails to create and maintain at least eighty percent (80%) of all such New Jobs as Qualifying Jobs which meet the requirements of Texas Tax Code §313.021(3).
- (f) The Applicant makes any payments to the District or to any other person or persons in any form for the payment or transfer of money or any other thing of value in recognition of, anticipation of, or consideration for this Agreement, in excess of the amounts set forth in Articles III and IV above. Such payments to any other person or persons do not include payments to attorneys, consultants, or advisors retained by the Applicant in connection with applying for, negotiating and entering into this Agreement. Voluntary donations made by the Applicant to the District after the date of execution of this Agreement, and not mandated by this Agreement or made in recognition of or in consideration for this Agreement are not barred by this provision.
- (g) The Applicant fails to materially comply in any material respect with any other material term of this Agreement, or the Applicant materially fails to meet its obligations under the applicable Comptroller's Rules, and under the Act.

#### **Section 7.7. LIMITED STATUTORY CURE OF MATERIAL BREACH**

In accordance with the provisions of Texas Tax Code §313.0275, for any full Tax Year which commences after the project has become operational, the Applicant may cure any Material Breach of this Agreement described in Sections 7.6(d) and 7.6(e) or 7.6(f), above, without the termination of the remaining term of this Agreement. In order to cure any such non-compliance with Sections 7.6(d) and 7.6(e) or 7.6(f) for any such Tax Year, the Applicant may make the liquidated damages payment required by Texas Tax Code §313.0275(b), in accordance with the provisions of Texas Tax Code §313.0275(c).

**Section 7.8. DETERMINATION OF MATERIAL BREACH AND TERMINATION OF AGREEMENT**

Prior to making a determination under Section 7.4 or Section 7.6 that the Applicant is in Material Breach of this Agreement, the District shall provide the Applicant with a written notice of the facts which it believes have caused the Material Breach of this Agreement, and if cure is possible, the cure proposed by the District. After receipt of the notice, the Applicant shall be given ninety (90) days to present any facts or arguments to the Board of Trustees showing that a Material Breach of this Agreement has not occurred and/or that it has cured or undertaken to cure any such Material Breach of this Agreement.

If the Board of Trustees is not reasonably satisfied with such response and/or that such Material Breach of this Agreement has been cured, then the Board of Trustees shall, after reasonable notice to the Applicant, conduct a hearing called and held for the purpose of determining whether such Material Breach of this Agreement has occurred and, if so, whether such Material Breach of this Agreement has been cured. At any such hearing, the Applicant shall have the opportunity, together with its counsel, to be heard before the Board of Trustees. At the hearing, the Board of Trustees shall make findings as to whether or not a Material Breach of this Agreement has occurred, the date such Material Breach of this Agreement occurred, if any, and whether or not any such Material Breach of this Agreement has been cured. Except as otherwise provided in Section 7.7, in the event that the Board of Trustees determines that such a Material Breach of this Agreement has occurred and has not been cured, it shall also terminate this Agreement and determine the amount of recaptured taxes under Section 7.4 (net of all credits under Section 7.4), and the amount of any penalty and/or interest under Section 7.5 that are owed to the District.

After making its determination regarding any alleged Material Breach of this Agreement, the Board of Trustees shall cause the Applicant to be notified in writing of its determination (a "Determination of Breach and Notice of Contract Termination").

**Section 7.9. DISPUTE RESOLUTION**

After receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 7.8, the Applicant shall have ninety (90) days in which either to tender payment or evidence of its efforts to cure, or to initiate mediation of the dispute by written notice to the District, in which case the District and the Applicant shall be required to make a good faith effort to resolve, without resort to litigation and within ninety (90) days after the Applicant's receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 7.8, such dispute through mediation with a mutually agreeable mediator and at a mutually convenient time and place for the mediation. If the Parties are unable to agree on a mediator, a mediator shall be selected by the senior state district court judge then presiding in San Patricio County, Texas. The Parties agree to sign a document that provides the mediator and the mediation will be governed by the provisions of Chapter 154 of

the Texas Civil Practice and Remedies Code and such other rules as the mediator shall prescribe.
