Note: Since this economic and fiscal impact analysis is conducted prior to negotiations of value limitations, it should be noted that the tax revenue figures shown for each school district and other taxing jurisdictions reflect the projected tax collections based on the anticipated value of the project, in the absence of the requested limitation on value, state school financing legislation, or any other type of favorable tax treatment from any public sector jurisdiction.

While Hilmar Cheese's economic and tax impacts will be felt throughout the Texas Panhandle, TXP's tax impact analysis is focused only on Dallam County.
