To the Local Government Assistance & Economic Analysis Division:

By copy of this letter transmitting the application for review to the Comptroller's Office, the Barbers Hill Independent School District is notifying Enterprise Products Operating, LLC of its intent to consider the application for appraised value limitation on qualified property. The Applicant submitted an Application to the school district on November 18, 2013. The Board voted to accept the application on November 18, 2013. The application has been determined complete as of November 20, 2013. Please prepare the economic impact report.

Please note, there is no existing property related to this project. The Applicant has proposed to build these improvements next to the planned site of a prior application, the PDH facility. The school district has determined that the wage information included in the application represents the most recent wage data available at the time of the application.

In accordance with 34 Tex. Admin Code §9.1054, a copy of the application will be submitted to the Chambers County Appraisal District.
