RE: Application to the Beaumont Independent School District from BASF Corporation
(First Qualifying Year 2015)

To the Local Government Assistance & Economic Analysis Division:

By copy of this letter transmitting the application for review to the Comptroller's Office, the Beaumont Independent School District is notifying BASF Corporation of its intent to consider the application for appraised value limitation on qualified property. The Applicant submitted an Application to the school district on September 19, 2013. The Board voted to accept the application on September 19, 2013. The application has been determined complete as of November 21, 2013. Please prepare the economic impact report.

Please note, the qualified property that is the subject of this application will be built both on green field locations and next to existing improvements at the BASF plant. In addition to the appraisal information regarding the existing facility, the Applicant has provided a detailed aerial map to demonstrate the property that is in place and in service to distinguish the existing property from the new improvements that are the subject of this application. Furthermore, in keeping with the practice of the Jefferson County Appraisal District, the Applicant will request that new appraisal accounts are created for all new improvements that are placed in service following the determination of a complete application. The Applicant is aware that the determination of a completed application by the Comptroller determines what property may be eligible for a value limitation agreement.

The school district has determined that the wage information included in the application represents the most recent wage data available at the time of the application.

Letter to Local Government Assistance & Economic Analysis Division

In accordance with 34 Tex. Admin Code §9.1054, a copy of the application will be submitted to the Jefferson County Appraisal District.

Due to the size of the electronic file, a copy is not attached to this email. A hard copy and an electronic copy of the application will be hand delivered to your office today. Please feel free to contact me with questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kevin O'Hanlon', written in a cursive style.
