REVISED RECOMMENDATION

Mike Norrell
Superintendent
Clarendon Consolidated Independent School District
P.O. Box 610
Clarendon, Texas 79226

Re: Amended Recommendation for Limitation on Appraised Value of Property for School District Maintenance and Operations Taxes by and between Clarendon Consolidated Independent School District and Salt Fork Wind, LLC, Application #386

Dear Superintendent Norrell:

On December 19, 2013, the Comptroller received the completed application (Application # 386) for a limitation on appraised value under the provisions of Tax Code Chapter 313¹. This application was originally submitted in November 2013 to the Clarendon Consolidated Independent School District (the school district) by Salt Fork Wind, LP (the applicant).

At the time of application, the school district was classified as a rural school district in Category 4 according to the provisions of Chapter 313. Therefore, the applicant properly applied under the provisions of Subchapter C, applicable to rural school districts.

On September 6, 2016, the Comptroller received an amendment to the application to:

- (a) correct an error in the number of jobs created from 7 to 4, and
- (b) increase the number of turbines and corresponding megawatts

The Comptroller's recommendation is based on the amended application submitted by the school district and reviewed by the Comptroller. The recommendation may not be used by the school district to support its approval of the amended property value limitation agreement if the amended application is modified, the information presented in the amended application changes, or the amended limitation agreement does not conform to the amended application. Additionally, this recommendation is contingent on future compliance with the Chapter 313 and the Texas Administrative Code, with particular reference to the following requirements related to the execution of the agreement:

- 1) The applicant must provide the Comptroller a copy of the proposed amended limitation on appraised value agreement no later than ten (10) days prior to the meeting scheduled by the school district to consider approving the agreement, so that the Comptroller may review it for

- compliance with the statutes and the Comptroller's rules as well as consistency with the application;
- 2) The Comptroller must confirm that it received and reviewed the draft amended agreement and affirm the recommendation made in this letter;
 - 3) The school district must approve and execute an amended limitation agreement that has been reviewed by the Comptroller; and
 - 4) The school district must provide a copy of the signed amended limitation agreement to the Comptroller within seven (7) days after execution, as required by Section 313.025.
