**DELINQUENT TAX INSTALLMENT AGREEMENT**

**PLAINVIEW BIOENERGY, LLC**, having a principal place of business at 5005 LBJ Freeway, Suite 1400, Dallas, Texas 75244 (“Taxpayer”); and **Hale County Appraisal District** (“District”) as agent for collection of ad valorem taxes for Hale County, Texas and Plainview Independent School District (“Taxing Entities”) agree as follows: —

Taxpayer owes delinquent ad valorem taxes for 2008 on the property identified below to Hale County, Texas and Plainview Independent School District. In consideration of the Taxing Entities agreement not to collect such taxes by filing a lawsuit and/or other collection methods, Taxpayer agrees to pay the sum of \$1,815,402.60 representing the tax due plus statutory interest on the tax due from February 1, 2009 (the date the 2008 taxes became delinquent) through May 7, 2009, (the date Taxpayer filed a petition in bankruptcy under Chapter 11 of the Bankruptcy Code) (“the Amount Due”), but not including any penalties, attorneys fees, or other charges not allowed by the Order Confirming the Chapter 11 Plan of Reorganization for the Taxpayer and its affiliated debtors entered in Cause No. 09-11601, In Re: White Energy, Inc., *et al*, Debtors, in the United States Bankruptcy Court, District of Delaware (“Order”). Pursuant to the Chapter 11 Plan of Reorganization as confirmed by the Order, the Taxpayer agrees to pay, subject to the Chapter 11 Plan becoming effective, the Amount Due in the following manner:

- (1) 30% of the Amount Due which shall be paid by the Taxpayer at the earliest date following the effective date of the Chapter 11 Plan on which the Taxpayer has authority to issue such payment; and
- (2) The remaining balance payable in thirty (30) equal monthly installments, with the first installment payable on September 20, 2010, and a like installment payable on the 20<sup>th</sup> day of each succeeding month until the Amount Due has been paid in full.

Taxpayer agrees by execution of this installment agreement that the four and twenty year statute of limitation for the collection of delinquent taxes on personal and real property is hereby suspended during the pendency of this agreement.

It is expressly agreed by Taxpayer that if Taxpayer fails to make payments timely as specified in this agreement, then such failure shall constitute a default and breach of this agreement and the Taxing Entities may proceed, at their election, to file suit for collection of the Amount Due and proceed to judgment. Taxpayer shall not be obligated for payment of interest on the Amount Due, unless default occurs under this agreement, in which event the Taxing Entities shall be entitled to collection of statutory interest accruing on any installment payment then in default from the date of default until payment is made.

Qualifying Time Period usually begins with the final board approval of the application and extends generally for the following two complete tax years.

Column A: This represents the total dollar amount of planned investment in tangible personal property the applicant considers qualified investment - as defined in Tax Code §313.021(1)(A)-(D). For the purposes of investment, please list amount invested each year, not cumulative totals.

Column B: For the years outside the qualifying time period, this number should simply represent the planned investment in tangible personal property. Includes estimates of investment for "replacement" property that is part of original agreement but scheduled for probable replacement during limitation period. The total dollar amount of planned investment each year in buildings or nonremovable component of buildings that the applicant considers qualified investment under Tax Code §313.021(1)(E).

Column C: For the years outside the qualifying time period, this number should simply represent the planned investment in new buildings or nonremovable components of buildings. Dollar value of other investment that may not be qualified investment but that may affect economic impact and total value for planning, construction and operation of the facility. The most significant example for many projects would be land. Other examples may be items such as professional services, etc.

Column D: Land can be listed as part of investment during the "pre-year 1" time period. It cannot be part of qualifying investment. Notes: For advanced clean energy projects, nuclear projects, projects with deferred qualifying time periods, and projects with lengthy application review periods, insert additional rows as needed. This schedule must be submitted with the original application and any application for tax credit. When using this schedule for any purpose other than the original application, replace original estimates with actual appraisal district data for past years and update estimates for current and future years. If original estimates have not changed, enter those amounts for future years.
