RE: Application to the Southland Independent School District from Sage Draw Wind, LLC

To the Local Government Assistance & Economic Analysis Division:

By copy of this letter transmitting the application for review to the Comptroller's Office, the Southland Independent School District is notifying Sage Draw Wind, LLC of its intent to consider the application for appraised value limitation on qualified property should a positive certificate be issued by the Comptroller. The electronic copy is identical to the hard copy that will be hand delivered.

The Applicant submitted the Application to the school district on April 9, 2018. The Board voted to accept the application on April 9, 2018. The application has been determined complete as of April 13, 2018. Please prepare the economic impact report.

A copy of the application will be submitted to the Fisher County Appraisal District.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kevin O'Hanlon', with a stylized flourish at the end.

Executed Application Attached

Application for Appraised Value Limitation on Qualified Property

(Tax Code, Chapter 313, Subchapter B or C)

INSTRUCTIONS: This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.025 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- notify the Comptroller that the school board has elected to consider the application. This notice must include:
 - the date on which the school district received the application;
 - the date the school district determined that the application was complete;
 - the date the school board decided to consider the application; and
 - a request that the Comptroller prepare an economic impact analysis of the application;
- provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the original hard copy of the completed application to the Comptroller in a three-ring binder with tabs, as indicated on page 9 of this application, separating each section of the documents, in addition to an electronic copy on CD. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, the Comptroller will publish all submitted application materials on its website. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller rules. For more information, see guidelines on Comptroller's website.

The Comptroller will independently determine whether the application has been completed according to the Comptroller's rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. Pursuant to 9.1053(a)(1)(C), requested information shall be provided within 20 days of the date of the request. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project, issue a certificate for a limitation on appraised value to the school board regarding the application and prepare an economic impact evaluation by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application not later than the 150th day after the application review start date (the date the application is finally determined to be complete), unless an extension is granted. The Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to issue a certificate, complete the economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller's website to find out more about the program at comptroller.texas.gov/economy/local/ch313/. There are links to the Chapter 313 statute, rules, guidelines and forms. Information about minimum limitation values for particular districts and wage standards may also be found at that site.

SECTION 6: Eligibility Under Tax Code Chapter 313.024

1. Are you an entity subject to the tax under Tax Code, Chapter 171? ☒ Yes ☐ No
2. The property will be used for one of the following activities:
 - (1) manufacturing ☐ Yes ☒ No
 - (2) research and development ☐ Yes ☒ No
 - (3) a clean coal project, as defined by Section 5.001, Water Code ☐ Yes ☒ No
 - (4) an advanced clean energy project, as defined by Section 382.003, Health and Safety Code ☐ Yes ☒ No
 - (5) renewable energy electric generation ☒ Yes ☐ No
 - (6) electric power generation using integrated gasification combined cycle technology ☐ Yes ☒ No
 - (7) nuclear electric power generation ☐ Yes ☒ No
 - (8) a computer center that is used as an integral part or as a necessary auxiliary part for the activity conducted by applicant in one or more activities described by Subdivisions (1) through (7) ☐ Yes ☒ No
 - (9) a Texas Priority Project, as defined by 313.024(e)(7) and TAC 9.1051 ☐ Yes ☒ No
3. Are you requesting that any of the land be classified as qualified investment? ☐ Yes ☒ No
4. Will any of the proposed qualified investment be leased under a capitalized lease? ☐ Yes ☒ No
5. Will any of the proposed qualified investment be leased under an operating lease? ☐ Yes ☒ No
6. Are you including property that is owned by a person other than the applicant? ☐ Yes ☒ No
7. Will any property be pooled or proposed to be pooled with property owned by the applicant in determining the amount of your qualified investment? ☐ Yes ☒ No

SECTION 7: Project Description

1. In **Tab 4**, attach a detailed description of the scope of the proposed project, including, at a minimum, the type and planned use of real and tangible personal property, the nature of the business, a timeline for property construction or installation, and any other relevant information.
2. Check the project characteristics that apply to the proposed project:

☒ Land has no existing improvements

☐ Land has existing improvements (*complete Section 13*)

☐ Expansion of existing operation on the land (*complete Section 13*)

☐ Relocation within Texas

SECTION 8: Limitation as Determining Factor

1. Does the applicant currently own the land on which the proposed project will occur? ☐ Yes ☒ No
2. Has the applicant entered into any agreements, contracts or letters of intent related to the proposed project? ☒ Yes ☐ No
3. Does the applicant have current business activities at the location where the proposed project will occur? ☐ Yes ☒ No
4. Has the applicant made public statements in SEC filings or other documents regarding its intentions regarding the proposed project location? ☐ Yes ☒ No

7. Is the applicant evaluating other locations not in Texas for the proposed project? ☒ Yes ☐ No
8. Has the applicant provided capital investment or return on investment information for the proposed project in comparison with other alternative investment opportunities? ☐ Yes ☒ No
9. Has the applicant provided information related to the applicant's inputs, transportation and markets for the proposed project? ☐ Yes ☒ No
10. Are you submitting information to assist in the determination as to whether the limitation on appraised value is a determining factor in the applicant's decision to invest capital and construct the project in Texas? ☒ Yes ☐ No

Chapter 313.026(e) states "the applicant may submit information to the Comptroller that would provide a basis for an affirmative determination under Subsection (c)(2)." If you answered "yes" to any of the questions in Section 8, attach supporting information in Tab 5.

SECTION 9: Projected Timeline

1. Application approval by school board 7/1/2018
2. Commencement of construction Q4 2018
3. Beginning of qualifying time period 7/1/2018
4. First year of limitation 2020
5. Begin hiring new employees Q4 2019
6. Commencement of commercial operations Q4 2019
7. Do you propose to construct a new building or to erect or affix a new improvement after your application review start date (date your application is finally determined to be complete)? ☐ Yes ☒ No
Note: Improvements made before that time may not be considered qualified property.
8. When do you anticipate the new buildings or improvements will be placed in service? Q4 2019

SECTION 10: The Property

1. Identify county or counties in which the proposed project will be located Lynn and Garza Counties
2. Identify Central Appraisal District (CAD) that will be responsible for appraising the property Lynn CAD and Garza CAD
3. Will this CAD be acting on behalf of another CAD to appraise this property? ☐ Yes ☒ No
4. List all taxing entities that have jurisdiction for the property, the portion of project within each entity and tax rates for each entity:
 County: See continuation page attached to Tab 1 City: See continuation page attached to Tab 1
(Name, tax rate and percent of project)
 Hospital District: See continuation page attached to Tab 1 Water District: See continuation page attached to Tab 1
(Name, tax rate and percent of project)
 Other (describe): See continuation page attached to Tab 1 Other (describe): See continuation page attached to Tab 1
(Name, tax rate and percent of project)
5. Is the project located entirely within the ISD listed in Section 1? ☐ Yes ☒ No
 5a. If no, attach in **Tab 6** additional information on the project scope and size to assist in the economic analysis.
6. Did you receive a determination from the Texas Economic Development and Tourism Office that this proposed project and at least one other project seeking a limitation agreement constitute a single unified project (SUP), as allowed in §313.024(d-2)? ☐ Yes ☒ No
 6a. If yes, attach in **Tab 6** supporting documentation from the Office of the Governor.

SECTION 11: Investment

NOTE: The minimum amount of qualified investment required to qualify for an appraised value limitation and the minimum amount of appraised value limitation vary depending on whether the school district is classified as Subchapter B or Subchapter C, and the taxable value of the property within the school district. For assistance in determining estimates of these minimums, access the Comptroller's website at comptroller.texas.gov/economy/local/ch313/.

1. At the time of application, what is the estimated minimum qualified investment required for this school district? 10,000,000.00
2. What is the amount of appraised value limitation for which you are applying? 20,000,000.00
Note: The property value limitation amount is based on property values available at the time of application and may change prior to the execution of any final agreement.
3. Does the qualified investment meet the requirements of Tax Code §313.021(1)? ☒ Yes ☐ No
4. Attach a description of the qualified investment [See §313.021(1).] The description must include:
 - a. a specific and detailed description of the qualified investment you propose to make on the property for which you are requesting an appraised value limitation as defined by Tax Code §313.021 (**Tab 7**);
 - b. a description of any new buildings, proposed new improvements or personal property which you intend to include as part of your minimum qualified investment (**Tab 7**); and
 - c. a detailed map of the qualified investment showing location of tangible personal property to be placed in service during the qualifying time period and buildings to be constructed during the qualifying time period, with vicinity map (**Tab 11**).
5. Do you intend to make at least the minimum qualified investment required by Tax Code §313.023 (or §313.053 for Subchapter C school districts) for the relevant school district category during the qualifying time period? ☒ Yes ☐ No

SECTION 12: Qualified Property

1. Attach a detailed description of the qualified property. [See §313.021(2)] (If qualified investment describes qualified property exactly, you may skip items a, b and c below.) The description must include:
 - 1a. a specific and detailed description of the qualified property for which you are requesting an appraised value limitation as defined by Tax Code §313.021 (Tab 8);
 - 1b. a description of any new buildings, proposed new improvements or personal property which you intend to include as part of your qualified property (Tab 8); and
 - 1c. a map of the qualified property showing location of new buildings or new improvements with vicinity map (Tab 11).
2. Is the land upon which the new buildings or new improvements will be built part of the qualified property described by §313.021(2)(A)? ☐ Yes ☒ No
 - 2a. If yes, attach complete documentation including:
 - a. legal description of the land (Tab 9);
 - b. each existing appraisal parcel number of the land on which the new improvements will be constructed, regardless of whether or not all of the land described in the current parcel will become qualified property (Tab 9);
 - c. owner (Tab 9);
 - d. the current taxable value of the land. Attach estimate if land is part of larger parcel (Tab 9); and
 - e. a detailed map showing the location of the land with vicinity map (Tab 11).
3. Is the land on which you propose new construction or new improvements currently located in an area designated as a reinvestment zone under Tax Code Chapter 311 or 312 or as an enterprise zone under Government Code Chapter 2303? ☒ Yes ☐ No
 - 3a. If yes, attach the applicable supporting documentation:
 - a. evidence that the area qualifies as a enterprise zone as defined by the Governor's Office (Tab 16);
 - b. legal description of reinvestment zone (Tab 16);
 - c. order, resolution or ordinance establishing the reinvestment zone (Tab 16);
 - d. guidelines and criteria for creating the zone (Tab 16); and
 - e. a map of the reinvestment zone or enterprise zone boundaries with vicinity map (Tab 11)
 - 3b. If no, submit detailed description of proposed reinvestment zone or enterprise zone with a map indicating the boundaries of the zone on which you propose new construction or new improvements to the Comptroller's office within 30 days of the application date. What is the anticipated date on which you will submit final proof of a reinvestment zone or enterprise zone?

SECTION 13: Information on Property Not Eligible to Become Qualified Property

1. In Tab 10, attach a specific and detailed description of all **existing property**. This includes buildings and improvements existing as of the application review start date (the date the application is determined to be complete by the Comptroller). The description must provide sufficient detail to locate all existing property on the land that will be subject to the agreement and distinguish existing property from future proposed property.
2. In Tab 10, attach a specific and detailed description of all **proposed new property that will not become new improvements** as defined by TAC 9.1051. This includes proposed property that: functionally replaces existing or demolished/removed property; is used to maintain, refurbish, renovate, modify or upgrade existing property; or is affixed to existing property; or is otherwise ineligible to become qualified property. The description must provide sufficient detail to distinguish existing property (question 1) and all proposed new property that cannot become qualified property from proposed qualified property that will be subject to the agreement (as described in Section 12 of this application).
3. For the property not eligible to become qualified property listed in response to questions 1 and 2 of this section, provide the following supporting information in Tab 10:
 - a. maps and/or detailed site plan;
 - b. surveys;
 - c. appraisal district values and parcel numbers;
 - d. inventory lists;
 - e. existing and proposed property lists;
 - f. model and serial numbers of existing property; or
 - g. other information of sufficient detail and description.
4. Total estimated market value of existing property (that property described in response to question 1): \$ 0.00
5. In Tab 10, include an appraisal value by the CAD of all the buildings and improvements existing as of a date within 15 days of the date the application is received by the school district.
6. Total estimated market value of proposed property not eligible to become qualified property
(that property described in response to question 2): \$ 0.00

Note: Investment for the property listed in question 2 may count towards qualified investment in Column C of Schedules A-1 and A-2, if it meets the requirements of 313.021(1). Such property cannot become qualified property on Schedule B.

Tab Item 4

Detailed Description of the Project

Provide a detailed description of the scope of the proposed project, including, at a minimum, the type and planned use of real and tangible personal property, the nature of the business, a timeline for property construction or installation, and any other relevant information.

Sage Draw Wind, LLC (“Sage Draw Wind”) is requesting a Chapter 313 Appraised Value Limitation Agreement from Southland ISD for a proposed renewable energy project using wind turbines (the “Project”) to be constructed partially in Southland ISD (Lynn County and Garza County) and partially in Wilson ISD (Lynn County) (the “Project”). The portion of the Project located in Southland ISD is the subject of this application. The portion of the Project located in Wilson ISD is the subject of a separate application being filed simultaneous with this application.

The installed capacity of the proposed project is expected to be approximately 300 megawatts (MW). While turbine type and size have yet to be finalized, the current plan is to utilize approximately one-hundred and twenty (120) GE 2.5 MW wind turbine generators with 89m towers and rotors of 127m rotor diameter. The Project is anticipated to cover approximately 50,000 acres of privately-owned land, all currently used as farmland or pasture, and such uses can continue as the Project is designed to be compatible with such activities. Construction of the Project is expected to commence in December 2018, and is anticipated to be complete in the fourth quarter of 2019. The siting of the wind turbine generators is currently proposed to be allocated among the counties and school districts as follows:

Southland ISD

65 turbines for a total of 162.5 MW
(30 in Lynn County; 35 in Garza County)

Wilson ISD

55 turbines for a total of 137.5 MW

In addition to the wind turbines, the Project will also include the following improvements:

- an operations and maintenance building (located in Southland ISD, Lynn County)
- underground electrical collection cables (located throughout the Project area)
- meteorological towers
- substation (located in Southland ISD, Lynn County)
- overhead transmission line that will connect the project substation to a substation owned by Sharyland Utilities (the Point of Interconnection, which is located in Lynn County) (a portion of the transmission line is located in Southland ISD, Lynn County)

None of this property is covered under an existing appraisal district account number.

This Project is expected to have a useful life of 30 years or more.

Approximately 200 construction workers are anticipated at peak of construction activity, and approximately 6 permanent full time workers are anticipated for the plan management and operations and maintenance functions for the entire project.

Tab Item 5

Documentation to assist in determining if limitation is a determining factor:

Sage Draw Wind, LLC ("Sage Draw Wind") is a Delaware limited liability company. Sage Draw Wind has one member with 100% ownership, Lincoln Clean Energy, LLC ("LCE"). LCE has successfully developed projects involving over \$1 billion in capital investment in some of the largest electricity markets in the United States, including California, New Jersey, and Texas.

The Applicant for this Project has entered into a number of contracts related to the project, including long-term lease option agreements with area landowners and service agreements and scopes with various consultants (environmental, airspace, etc.) to assess the suitability of the site, and a request for studies leading to an interconnection agreement with the transmission provider. None of these contracts obligate Applicant to construct the Project.

In order for the Project to qualify for the federal income tax Production Tax Credit (PTC), the Applicant was required to complete a minimum amount of PTC qualification work before the statutorily imposed deadline of December 31, 2016. This work consisted of earth-moving to prepare eight (8) holes for turbine foundations (though foundations were not installed) and installation of 2,000 linear feet of road connecting two foundation holes. Additional Production Tax Credit (PTC) work was done prior to the deadline of December 31, 2017. The work consisted of earth moving to prepare eight (8) holes for turbine foundations (though foundations were not installed). These pre-construction activities were not deemed to have created taxable improvements by the Lynn County Central Appraisal District and no tax bill was delivered. The pre-construction activities did not result in the creation of any Qualified Property.

The Applicant's completion of this minor amount of PTC qualification work does not, either legally or financially commit it to constructing the Project in Lynn and Garza Counties.

The Applicant is a national wind developer with the ability to locate projects of this type in other states within the United States and other regions within Texas with favorable wind characteristics. The Applicant is actively assessing and developing other projects outside of Texas that are competing for limited investment funds. In addition to its projects in Texas, the developer is assessing or developing projects in Oklahoma, Nebraska, Indiana, Iowa, North Dakota, South Dakota, Montana, New Mexico, Arkansas, Alabama, and Mississippi. This appraised value limitation is critical to the ability of the Project to move forward in Southland ISD.

Without the available tax incentives, the economics of the Project become far less attractive and the likelihood of selling the electricity at a competitive price will significantly decrease. The Applicant for this Project is competing against other developers who have been offered or are in the process of applying for Value Limitation Agreements with other school districts. Obtaining the limitation is critical to the economic and competitive viability of this Project. Without the limitation approval, the Applicant would likely terminate the Project, including the aforementioned contracts, leases, and limited improvements, in order to reallocate resources in states with more favorable economics.

Tab Item 6

The overall Project is anticipated to have a capacity of 300 MW consisting of 120 GE 2.5 MW wind turbine generators, with each having a nameplate capacity of 2.5 MW. The siting of the turbines will be allocated among the counties and school districts as follows:

Southland ISD

65 turbines for a total of 162.5 MW
(30 in Lynn County; 35 in Garza County)

Wilson ISD

55 turbines for a total of 137.5 MW

Based on the location of the turbines shown above, 54% of the Project is located in Southland ISD, and 46% of the Project is located in Wilson ISD.

Based on the location of the turbines shown above, 71% of the Project is located in Lynn County, and 29% of the Project is located in Garza County.

The Project's substation will be located in Southland ISD (Lynn County). The Project's Point of Interconnection is in Lynn County. A portion of the transmission line connecting the Project's substation to the Point of Interconnection will be located in Southland ISD (Lynn County).

Tab Item 7

Description of Qualified Investment

Sage Draw Wind, LLC plans to construct a 300 MW wind farm consisting of 120 turbines in Lynn and Garza Counties and within the boundaries of Wilson ISD and Southland ISD.

The applicant is requesting an appraised value limitation on all of the qualified investment and the qualified property constructed or placed upon the real property within Southland ISD. For purposes of this application, the Project anticipates using General Electric (GE) 2.5 MW turbines. The qualified investment in Southland ISD is expected to include approximately sixty-five (65) GE 2.5 MW wind turbine generators, including 89m towers, nacelles, rotors with 127m rotor diameter, and reinforced concrete foundations, pads, underground and overhead electric collection cables, met towers, spare parts and control systems as necessary for the commercial generation of electricity. While the turbine locations have not yet been finalized, they are expected to be sited in a series of rows running approximately east to west in the Northeastern part of Lynn County and Northwestern part of Garza County. The map in Tab 11 shows the preliminary turbine locations. The exact placement of these turbines, as well the exact specifications, heights, and component parts, is subject to ongoing planning, soil and geotechnical studies, and engineering and will be determined before construction commences.

In addition to the wind turbines, the Project will also include the following qualified investment in Southland ISD (all in Lynn County):

- underground electrical collection cables
- permanent meteorological towers
- Project collector substation
- overhead transmission line connecting the Project collector substation to the Point of Interconnection.

The approximate location of each of these improvements is shown on the map in Tab 11.

Tab Item 8

Description of Qualified Property

See Tab Item 7. The Qualified Property Description is the same as the Qualified Investment.

Tab Item 9

Description of Land

See the maps attached as Tab 11. The Project will include all of the land described below that is located in Lynn County and Garza County. This application covers the portion of the Lynn County and Garza County land described below that is located in Southland ISD.

Description of all property not eligible to become qualified property

NONE.

Applicant completed a minor amount of pre-construction work in 2016 and 2017 at the Project site in order to qualify the Project for the federal income tax Production Tax Credit in accordance with federal law. This pre-construction work consisted of earth-moving to prepare sixteen (16) holes for turbine foundations (though foundations were not installed) and the installation of 2,000 linear feet of road connecting two foundation holes. These pre-construction activities were not deemed to have created taxable improvements by the Lynn or Garza County Central Appraisal District, and no tax bill was delivered. The pre-construction activities did not result in the creation of any Qualified Property.

The 2016 pre-construction activities occurred on the following described lands with a map below.

Tract 1: 102.0 acre tract of land, more or less, out of the middle part of the West One-Half (W/2) of Section 1257, Block 1, AB&M Survey, Abstract 1237, Lynn County, Texas.

Tract 2: 156.40 acre tract of land, more or less, being the Southeast One-Quarter (SE/4) of Section 1257, Block 31, AB&M Survey, Abstract 1237, Lynn County, Texas.

Tract 3: 165.3 acre tract of land, more or less, being out of the Southwest One-Quarter (SW/4) out of Section 4, Block 3, J Hays Survey, Abstract 555, Garza County, Texas.

Tract 4: 100.6 acre tract of land, more or less, being the middle part of the East One-Half (E/2) of Section 1253, Block 3, TT & RR Survey, Abstract 345, Garza County, Texas.

Request for Waiver of Job Creation Requirement

See attached letter. Based on the attached letter, Sage Draw Wind, LLC is committing to creating six (6) jobs to support the entire Project. Although no individual employees will be assigned specifically to manage the portions of the Project located in Southland ISD or Wilson ISD, based on the number of turbines located in in each school district, the created jobs will be allocated among the school districts as follows:

Southland ISD
3 jobs

Wilson ISD
3 jobs

March 19, 2018

Superintendent Wynn Robinson
Southland Independent School District
190 Eighth Street
Southland, TX 79364

Re: Chapter 313 Job Waiver Request

Dear Superintendent Robinson,

Please consider this letter to be Sage Draw Wind, LLC's formal request to waive the minimum new job creation requirement, as provided under Texas Tax Code 313.025(f-I).

The governing body of a school district may waive the new jobs creation requirement in Section 313.021(2)(A)(iv)(b) or 313.051(b) and approve an application if the governing body makes a finding that the jobs creation requirement exceeds the industry standard for the number of employees reasonably necessary for the operation of the facility of the property that is described in this application. Wind energy projects create a large number of full-time jobs during the construction phase, but these jobs are temporary by nature. Once the project is in operation, a small crew of full-time employees will maintain and operate the facility. Based upon our experience in the wind industry, we expect that six (6) employees would be needed to operate a 300 MW facility. Because approximately 54% of the project's wind turbine generators will be located in Southland ISD, we can commit to creating three (3) full-time positions to fill those needs. All would be qualifying jobs as described in Section 313.021 (3) of the Texas Tax Code.

The applicant requests that the Southland ISD's Board of Trustees make such a finding and waive the job creation requirement. This waiver request is in line with industry standards for the job requirements for a wind energy facility of this size, as evidenced by limitation agreement applications that have been filed by other wind energy developers, and by documentation related to the development and operation of solar generation facilities.

The project stands to provide significant benefits to the community with respect to increased tax base and the ongoing royalty payments it will make to local landowners.

Sincerely,

For All Columns: List amount invested each year, not cumulative totals.

Column A: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application.
Only tangible personal property that is specifically described in the application can become qualified property.

Column B: The total dollar amount of planned investment each year in buildings or nonremovable component of buildings.

Column C: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that will not become qualified property include investment meeting the definition of 313.021(1) but not creating a new improvement as defined by TAC 9.1051. This is proposed property that functionally replaces existing property; is used to maintain, refurbish, renovate, modify or upgrade existing property; or is affixed to existing property—described in SECTION 13, question #5 of the application.

Column D: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that may result in qualified property are land or professional services.

Total Investment: Add together each cell in a column and enter the sum in the blue total investment row. Enter the data from this row into the first row in Schedule A2.

Qualified Investment: For the green qualified investment cell, enter the sum of all the green-shaded cells.

* All investments made through the qualifying time period are captured and totaled on Schedule A1 [blue box] and incorporated into this schedule in the **first row**.

** Only investment made during deferrals of the start of the limitation (after the end of qualifying time period but before the start of the Value Limitation Period) should be included in the "year prior to start of value limitation period" row(s). If the limitation starts at the end of the qualifying time period or the qualifying time period overlaps the limitation, no investment should be included on this line.

*** If your qualifying time period will overlap your value limitation period, do not also include investment made during the qualifying time period in years 1 and/or 2 of the value limitation period, depending on the overlap. Only include investments/years that were **not** captured on Schedule A1.

For All Columns: List amount invested each year, not cumulative totals. Only include investments in the remaining rows of Schedule A2 that were not captured on Schedule A1.

Column A: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application.

Only tangible personal property that is specifically described in the application can become qualified property.

Column B: The total dollar amount of planned investment each year in buildings or nonremovable component of buildings.

Column C: Dollar value of other investment that may affect economic impact and total value. RESOLUTION AND ORDER

**ELECTING TO BECOME ELIGIBLE TO PARTICIPATE IN PROPERTY TAX
ABATEMENTS AND ADOPTING GUIDELINES AND CRITERIA
FOR GRANTING PROPERTY TAX ABATEMENTS**

The Commissioners' Court of Garza County, Texas, meeting in regular session on January 30, 2017, considered the following resolution:

WHEREAS, the Property Redevelopment and Tax Abatement Act (the "Act"), Chapter 312 of the Texas Tax Code, authorizes counties, cities, and other taxing units to provide temporary property tax abatements for limited periods of time as an inducement for the development or redevelopment of property; and

WHEREAS, the Act further requires that in order to become eligible to participate in tax abatements, a county or other taxing unit must (1) adopt a resolution stating its election to so participate and (2) adopt guidelines and criteria for property tax abatements; and

WHEREAS, Garza County, Texas, a "taxing unit" governed by the Act, desires to affirm its eligibility to participate in tax abatements; and,

WHEREAS, the Commissioners' Court of Garza County, Texas, desires to adopt Guidelines and Criteria for property tax abatements;

NOW, THEREFORE, BE IT ORDERED, by the Commissioner's Court of Garza County, Texas, that:

- (1) Garza County is eligible to participate in tax abatements; and further
- (2) the Guidelines and Criteria attached hereto as Exhibit A are hereby adopted by Garza County in accordance with the requirements of the Act.

The foregoing Resolution and Order was lawfully moved by Ted Brannon, duly seconded by Jeff Williams, and duly adopted by the Commissioner's Court of Garza County, Texas, on January 30th, 2017.

GUIDELINES AND CRITERIA FOR GRANTING TAX ABATEMENTS IN REINVESTMENT ZONES

Garza County, Texas

I. PURPOSE

Garza County, hereinafter referred to as "County" is committed to the promotion of quality development in all parts of the County and to improving the quality of life for its citizens. In order to help meet these goals, the County will consider recommending tax incentives, which may include the designation of reinvestment zones, application for tax abatements, and entering into tax abatement agreements to stimulate growth and development.

It is the intent of the County that such incentives will be provided in accordance with the procedures and criteria outlined in this document and in Chapter 312 of the Texas Tax Code. However, nothing in these Guidelines and Criteria shall imply or suggest to be construed to imply or suggest that tax entities are under any obligation to provide any incentives to any applicant. All such applicants for tax incentives shall be considered on an individual basis for both the qualification for tax abatement and the amount of any tax abatement. The adoption of these Guidelines and Criteria shall not create any property, contract, or other legal right in any person to have the governing body consider or grant a specific application or request for tax abatement.

Only that increase in the fair market value of the property directly resultant from the development, redevelopment, and improvement specified in the contract will be eligible for abatement. All abatement contracts will be for a term no longer than allowed by law. Additionally, the Garza County Commissioners Court reserves the right to negotiate a tax abatement agreement in order to compete favorably with other communities.

II. DEFINITIONS

The attached Glossary is a list of words with their definitions that are found in this document, and the Glossary is incorporated herein by reference.

III. GUIDELINES AND CRITERIA

In order to be eligible for designation as a reinvestment zone and to receive tax abatement, the planned improvement as a minimum must meet the following:

- (a) Be an authorized Facility. A facility may be eligible for abatement if it is a(n):

Aquaculture/Agriculture Facility,

Distribution Center Facility,
Manufacturing Facility,
Office Building,
Regional Entertainment/Tourism Facility,
Research Facility,
Regional Service Facility,
Historic Building in designated area,
Renewable Energy Facility, or
Other Basic Industry

- (b) The project must be reasonably expected to have an increase in positive net economic benefit to Garza County of at least \$15,000,000.00 over the life of the abatement, computed to include (but not limited to) new sustaining payroll and capital improvement. In consideration of the request for designation as a reinvestment zone and to receive tax abatement, the following factors will also be considered:
- (1) Jobs. The projected New Jobs created including the number of jobs, the retention of existing jobs, the type of jobs, the average payroll, the total payroll and the number of local persons hired.
 - (2) Fiscal Impact. The amount of real and personal property value that will be added to the tax roll for both eligible and ineligible property, the amount of direct sales tax that will be generated, the infrastructure improvements by the County that will be required by the facility, the infrastructure improvements made by the facility, and the compatibility of the project with the County's development goals.
 - (3) Community Impact, including:
 - i. The pollution, if any, as well as other negative environmental impacts affecting the health and safety of the community that will be created by the project;
 - ii. The revitalization of a depressed area;
 - iii. The business opportunities of existing local vendors;
 - iv. The alternative development possibilities for proposed site;
 - v. The impact on other taxing entities, including the use of municipal or county infrastructure; and/or
 - vi. Whether the improvement is expected to solely or primarily have the effect of transferring employment from one part of Garza County to another.

IV. ABATEMENT AUTHORIZED

- (a) **Authorized Date.** A facility may be eligible for tax abatement for a period not to exceed ten years if it has applied for such abatement prior to the commencement of construction provided that such facility meets the criteria granting tax abatement in reinvestment zones created in Garza County pursuant to these Guidelines and Criteria.
- (b) **Creation of New Value.** Abatement may only be granted for the additional value of eligible property improvements made subsequent to the filing of an application for tax abatement and specified in the abatement agreement between the County and the owner or lessee (and lessor if required pursuant to IV(f)) of the facility or improvements receiving the abatement, all subject to such limitations as the Guidelines and Criteria may require.
- (c) **New and Existing Facilities.** Abatement may be granted for new facilities and improvements to existing facilities for purposes of modernization or expansion. If the modernization project includes facility replacement, the abated value shall be the value of the new unit(s) less the value of the old unit(s).
- (d) **Eligible Property.** Abatement may be extended to the value of the following: new, expanded, replaced or modernized buildings and structures; fixed machinery and equipment; site improvements; office space and related fixed improvements necessary to the operation and administration of the facility; and all other real and tangible personal property as permitted by Chapter 312 of the Texas Tax Code.
- (e) **Ineligible Property.** The following types of property shall be fully taxable and ineligible for abatement:
 - i. Land,
 - ii. Animals,
 - iii. Inventories,
 - iv. Supplies,
 - v. Tools,
 - vi. Furnishings and other forms of movable personal property other than machinery and equipment that are an essential part of the facility or improvements receiving abatement,
 - vii. Vehicles,
 - viii. Vessels,
 - ix. Aircraft,
 - x. Housing or residential property,
 - xi. Fauna,
 - xii. Flora,
 - xiii. Deferred Maintenance investments,
 - xiv. Property to be rented or leased (except as provided in Part IV(f)),

- xv. Any improvements including those to produce, store or distribute natural gas or fluids that are not integral to the operation of the facility,
 - xvi. Property owned or used by the State of Texas or its political subdivision or by any organization owned, operated or directed by a political subdivision of the State of Texas.
- (f) **Owned/Leased Facilities.** If a leased facility or leased improvements are granted an abatement, the agreement shall be executed with the lessor and lessee of the facility or improvements. The owner of the real property where the facility or improvements are located is not required to execute the abatement agreement if it is not the lessor or lessee of the facility or improvements.
- (g) **Value and Term of Abatement.** Abatement shall be granted effective no earlier than the January 1 valuation date immediately following the date of execution of the agreement. The agreement may provide that the period for which the abatement applies will commence on a later date. The value of new eligible property shall be abated according to the approved agreement between applicant and the governing body. The Garza County Commissioners Court, in its sole discretion, shall determine the amount of any abatement.
- (h) **Taxability.** From the execution of the abatement contract to the end of the period during which the abatement applies, taxes shall be payable as follows:
 - (1) The value of ineligible property as provided in Part IV(e) shall be fully taxable;
 - (2) The base year value of existing eligible property as determined each year shall be fully taxable; and
 - (3) The additional value of new eligible property shall be taxable in the manner described in the abatement agreement.

V. APPLICATION FOR TAX ABATEMENT

- (a) Any present or potential owner, assignee, or lessee of taxable property in Garza County may request the creation of a reinvestment zone and the consideration of a tax abatement agreement by filing written request with the County. The completed Application must be accompanied by the payment of a five hundred dollar (\$500) non-refundable application fee for administrative costs associated with the processing of the tax abatement request. All checks in payment of the administrative fee shall be made payable to Garza County.
- (b) The application shall consist of a completed application form (if provided by the County) accompanied by:

- (1) A general description of the proposed use and the general nature and extent of the modernization, expansion, or new improvements to be undertaken;
- (2) A descriptive list of the improvements which will be part of the facility;
- (3) A map and property description or a site plan;
- (4) A time schedule for undertaking and completing the planned improvements; and
- (5) In the case of modernizing or replacing existing facilities in whole or in part, a statement of the assessed value of the facility separately stated for real and personal property for the tax year immediately preceding the year in which the application is filed.

The County may require that the applicable be supplemented with such financial and other information as deemed appropriate for evaluating the financial capacity and other factors of the applicant.

- (c) Upon receipt of a completed application, the County shall, through public hearings, afford the applicant and the designated representative of any Affected Jurisdiction the opportunity to show cause why the abatement should or should not be granted. Notice of the public hearing shall be clearly identified on an agenda of the Garza County Commissioners Court to be posted at least seven (7) days prior to the hearing.
- (d) The County shall approve or disapprove the application for tax abatement within forty-five (45) days after receipt of the application and notify the applicant of the approval or disapproval promptly thereafter.
- (e) A request for reinvestment zone for the purpose of abatement shall not be granted by the County if the County finds that the request for the abatement was filed after the commencement of construction, alteration, or installation of improvements related to a proposed modernization expansion or new facility. Before the Garza County Commissioners Court holds a public hearing to designate a reinvestment zone, it shall do the following:
 - (1) Not later than the seventh day before the date of the hearing, publish notice of the hearing in a newspaper having general circulation in the County; and
 - (2) Not later than the seventh day before the date of the hearing, deliver written notice of the hearing to the presiding officer of the governing body of each taxing unit that includes in its boundaries any real property that is to be included in the proposed reinvestment zone.

- (f) Requested Variances. Requests for variance from any provision of these Guidelines and Criteria may be made in written form to the Garza County Commissioners Court. Such request shall include a complete description of the circumstances explaining why the applicant should be granted a variance. Approval of a request for variance requires a three-fourths (3/4) vote of the Garza County Commissioners Court.
- (g) Deemed Variances. The Garza County Commissioners' Court may approve a tax abatement agreement that varies from any requirement in these Guidelines and Criteria so long as such variance is permitted by Chapter 312 of the Texas Tax Code. Any aspect of a tax abatement agreement duly authorized and approved by the Garza County Commissioners' Court that varies in any respect from any requirement in these Guidelines and Criteria shall be deemed to have been granted a variance from the Guidelines and Criteria by the Court. It is the express intention of the Garza County Commissioners Court that no tax abatement agreement that has been duly authorized and approved by the Court shall be challenged or held to be invalid because such authorized and approved tax abatement agreement varies from any requirement contained in these Guidelines and Criteria.

VI. PUBLIC HEARING

- (a) Should any Affected Jurisdiction be able to show cause in the public hearing why the granting of abatement by the County will have a substantial adverse effect on its bonds, tax revenue, service incapacity or the provision of service, that showing shall be considered by the Garza County Commissioners Court when deciding to approve or disapprove of the application for tax abatement.
- (b) Neither a reinvestment zone nor an abatement shall be authorized if it is determined that:
 - (1) There would be a substantial adverse effect on the provision of a government service or the tax base of an Affected Jurisdiction;
 - (2) The applicant has insufficient financial capacity to construct and operate the proposed facility or improvements;
 - (3) The planned or potential use of the property would constitute a hazard to public safety, health, or morals; or
 - (4) The planned or potential use of the property violates other governmental codes or laws.

VII. AGREEMENT

- (a) If an application for tax abatement is approved by the Garza County Commissioners Court, the Court shall formally pass a resolution and execute an agreement with the owner and/or lessee of the facility which shall include:
- (1) The percentage of value to be abated each year as provided in Part IV(g) of these Guidelines and Criteria.
 - (2) The commencement date and the termination date of abatement.
 - (3) The proposed use of the facility, nature of construction, time schedule for undertaking and completing the planned improvements, map, property description, and improvements list as provided in Part V of these Guidelines and Criteria.
 - (4) Contractual obligations in the event of default, violation of terms or conditions, delinquent taxes recapture, administration and assignment (as provided in the agreement), and other provisions that may be required for uniformity or by state law or that are mutually agreed to by the County and the applicant.
 - (5) Amount of investment and/or average number of jobs applicant commits to create (if any) for the period of abatement.
 - (6) Any other provisions required by Chapter 312 of the Texas Tax Code.
- (b) The County will use its best efforts to cause such agreement to be executed within thirty (30) days after the later of the date applicant has forwarded all necessary information to the jurisdiction receiving the application or the date of the approval of the application. Prior to the execution of the Agreement, the County will comply with the following notice requirement in Tax Code § 312.2041(a):
- Not later than the seventh day before the date on which a municipality or county enters into an abatement agreement, the governing body of the municipality or county or a designated officer or employee of the municipality or county shall deliver to the presiding officer of the governing body of each other taxing unit in which the property to be subject to the agreement is located a written notice that the municipality or county intends to enter into the agreement. The notice must include a copy of the proposed agreement.
- (c) Each other taxing unit that has jurisdiction over the facility or improvements for which the County approves or disapproves an application for tax abatement shall make its own determination of abatement which shall not bind any other Affected Jurisdiction.

VIII. RECAPTURE

- (a) In the event that the facility or improvements are completed and begin operating but subsequently discontinue operating for any reason excepting a force majeure event (as such event may be more specifically defined in the tax abatement agreement) for a period of more than one (1) year during the abatement period, then the abatement agreement shall terminate along with the abatement of taxes for the calendar year during which the agreement is terminated. The taxes otherwise abated for that calendar year shall be paid to the County within sixty (60) days from the date of termination. The County is permitted to enter into a tax abatement agreement that varies from the provisions of this paragraph without being deemed to be in violation of these Guidelines and Criteria so long as the agreement provides for the recapture of property taxes in the event that the approved facility or improvement discontinue operations during the period of tax abatement.
- (b) If the County determines that a party to a tax abatement agreement is in default according to the terms and conditions of its agreement, the County shall notify the party in writing at the address stated in the agreement, and if such is not cured within sixty (60) days from the date of such notice, then the agreement shall be terminated and all taxes previously abated by virtue of the agreement will be recaptured and paid within sixty (60) days of the termination. Further, it will be a default under a tax abatement granted pursuant to these Guidelines and Criteria if the owner of the eligible property subject to the abatement is delinquent in paying any undisputed taxes to any taxing authority in Garza County, Texas. The County is permitted to enter into a tax abatement agreement that varies from the provisions of this paragraph without being deemed to be in violation of these Guidelines and Criteria so long as the agreement provides for the recapture of property tax in the event that the applicant named in the tax abatement agreement defaults in its obligations under the agreement.

IX. ADMINISTRATION

- (a) The Chief Appraiser of the Garza County Appraisal District shall annually determine an assessment of any real and/or personal property that is the subject of a tax abatement agreement. Each party to a tax abatement agreement shall be required to furnish the assessor with such information as may be necessary to determine an assessment. Once a value has been established, the Chief Appraiser shall notify the Affected Jurisdictions of the appraised value.
- (b) The abatement agreement shall stipulate that employees and/or designated representatives of the County will have access to the facility or improvements that are the subject of the agreement during the term of the abatement to inspect the facility or improvements to determine if the terms and conditions of the agreement are being met. The terms, guidelines, and requirements concerning inspections shall be set forth in the abatement agreement.

- (c) After the period of abatement begins, the County shall annually evaluate each facility receiving abatement and report possible violations of the abatement agreement to the Garza County Commissioners Court. The abatement agreement may also require the party receiving the abatement to file annual certifications with the County.
- (d) All proprietary information acquired by the County for purposes monitoring compliance with the terms and conditions of an abatement agreement shall be considered confidential.

X. ASSIGNMENT

- (a) Except as otherwise provided in the abatement agreement, an abatement agreement may be transferred and assigned by the holder to a new owner or lessee of the same facility upon the approval by resolution of the Garza County Commissioners Court, subject to the financial capacity of the assignee and provided that all conditions and obligations in the abatement agreement are guaranteed by the execution of an assignment and assumption agreement between the holder of the agreement and the assignee. Approval shall not be unreasonably withheld.
- (b) No assignment or transfer shall be approved if the party to the existing agreement or the proposed assignee is liable to any taxing jurisdiction for outstanding taxes or other obligations.

XI. SUNSET PROVISION

- (a) These Guidelines and Criteria are effective upon the date of the adoption and will remain in force for two (2) years unless amended by three quarters vote of the Garza County Commissioners Court, at which time all reinvestment zones and tax abatement contracts created pursuant hereto will be reviewed by each Affected Jurisdiction to determine whether the goals have been achieved. Based on that review, these Guidelines and Criteria may be modified, renewed, or not renewed, providing that such actions shall not affect existing abatement agreements.
- (b) These Guidelines and Criteria do not amend any existing Industrial District Contracts or agreements with the owners of real property in areas deserving of specific attention as agreed by the Affected Jurisdiction.
- (c) Prior to the date for review, as defined above, these Guidelines and Criteria may be modified by a two-thirds (2/3) vote of the County Commissioners as provided for under the laws of the State of Texas.

XII. SEVERABILITY AND LIMITATIONS

- (a) In the event that any section, clause, sentence, paragraph or any part of these Guidelines and Criteria shall for any reason be adjudged by any court of

competent jurisdiction to be invalid, such invalidity shall not affect, impair, or invalidate the remainder of these Guidelines and Criteria.

- (b) Property that is located in a reinvestment zone and that is owned or leased by a person who is a member of the Commissioners Court may not be subject to a tax abatement agreement entered into with the County.
- (c) If these Guidelines and Criteria have omitted any mandatory requirements of the applicable tax abatement laws of the State of Texas, then such requirements are hereby incorporated as a part of these Guidelines and Criteria.

**RESOLUTION AND ORDER CONFIRMING, RATIFYING, AND REAUTHORIZING
THE DESIGNATION OF THE STAKED PLAINS ENERGY
CENTER PROJECT REINVESTMENT ZONE
IN THE JURISDICTION OF LYNN COUNTY, TEXAS**

STATE OF TEXAS }
 }
COUNTY OF LYNN }

WHEREAS, in its public meeting held on December 12, 2016, the Commissioners Court of Lynn County, Texas (the "County"), designated the Staked Plains Energy Center Project Reinvestment Zone pursuant to the Texas Property Redevelopment and Tax Abatement Act (Chapter 312 of the Texas Tax Code) (the "Act") and the County's then-current Guidelines and Criteria for Granting Tax Abatements in Reinvestment Zones (the "Old Guidelines and Criteria"); and,

WHEREAS, after its public meeting on December 12, 2016, the County realized that the Old Guidelines and Criteria were undated and that the County could not confirm that the Old Guidelines and Criteria had not expired under their own terms or under § 312.002(c) of the Act; and,

WHEREAS, the County desires to comply with the technical requirements of the Act in its designation of the Staked Plains Energy Center Project Reinvestment Zone; and,

WHEREAS, in its public meeting held on April 10th, 2017, the County adopted new Guidelines and Criteria for Granting Tax Abatements in Reinvestment Zones (the "Current Guidelines and Criteria") to be effective for two years from the date of the meeting;

WHEREAS, at least seven days prior to the date of this hearing, the County published in the newspaper of local circulation notice of this public hearing to consider the confirmation, ratification, and reauthorization of the designation of the real property described in the attached Exhibit A as the Staked Plains Energy Center Project Reinvestment Zone in order to comply with the technical requirements of the Act; and,

WHEREAS, at least seven days prior to the date of this hearing, the County delivered written notice of this public hearing to the presiding officer of the governing body of each taxing unit that includes in its boundaries any of the real property described in the attached Exhibit A; and,

WHEREAS, the County confirms that (a) improvements proposed by Tahoka Wind, LLC are feasible and will be beneficial to the Staked Plains Energy Center Project Reinvestment Zone and (b) the designation of the Staked Plains Energy Center Project Reinvestment Zone will contribute to the retention or expansion of primary employment or will attract major investment in the reinvestment zone that would be beneficial to the real property in the zone; and

1 VOL 467 PAGE 515

WHEREAS, the real property described on Exhibit A meets the criteria established in the Current Guidelines and Criteria for designation as a reinvestment zone; and

WHEREAS, the County desires to waive the requirement that a written application be filed for the designation of the reinvestment zone as permitted by the Current Guidelines and Criteria; and

WHEREAS, all interested members of the public were given an opportunity to make comment at the public hearing;

NOW, THEREFORE, BE IT ORDERED by the Commissioners Court of Lynn County, that:

1. The County hereby waives the requirement that a written application be filed by Tahoka Wind, LLC for the designation of a reinvestment zone under the Current Guidelines and Criteria.
2. The County hereby confirms, ratifies, and reauthorizes its designation of the real property located in Lynn County, Texas, having the legal description in Exhibit A attached to this Order, as a reinvestment zone known as the "Staked Plains Energy Center Project Reinvestment Zone" under the County's Current Guidelines and Criteria, having determined that (a) the real property described on Exhibit A meets the criteria established in the Current Guidelines and Criteria, (b) the designation of such reinvestment zone will contribute to the retention or expansion of primary employment or will attract major investment in the reinvestment zone that would be beneficial to the real property described on Exhibit A and that will contribute to the economic development of the County.
3. This Resolution and Order is a confirmation, ratification, and reauthorization of the designation of the Staked Plains Energy Center Project Reinvestment Zone originally made by the County on December 12, 2016. This Resolution and Order is not a designation of a new reinvestment zone.
4. The County also hereby confirms, ratifies, and reauthorizes all other actions previously taken by the County with regard to the Staked Plains Energy Center Project Reinvestment Zone prior to the date of this Resolution and Order.

ORDER DESIGNATING REINVESTMENT ZONE

WHEREAS, Notice of a proposed Designation of a Reinvestment Zone was published in a newspaper of local circulation and mailed to each taxing unit in the County in accordance with the Texas Tax Code; and

WHEREAS Lynn County desires to create a Reinvestment Zone in the County;

It is Hereby Ordered:

That the County designates the property located in Lynn County having the legal description attached to the Order as Exhibit "A" as the Staked Plains Energy Center Project Reinvestment Zone under Lynn County's Guidelines and Criteria for Tax Abatement under the Property Redevelopment and Tax Abatement Act, Chapter 312 of the Texas Tax Code, having determined that the designation will contribute to the retention and expansion of primary employment and will attract major investment in the zone that will benefit the zone and will contribute to the economic development of the County; and

That the County declares eligible for property tax abatement all eligible property now or hereafter located in the Staked Plains Energy Center Project Reinvestment Zone as authorized by Lynn County's Guidelines and Criteria for Tax Abatement.

Passed and approved at the regular meeting of the Lynn County Commissioners' Court, at which a quorum was present on December 12, 2016.

GUIDELINES AND CRITERIA FOR GRANTING TAX ABATEMENTS IN REINVESTMENT ZONES

Lynn County, Texas

I. PURPOSE

Lynn County, hereinafter referred to as "County" is committed to the promotion of quality development in all parts of the County and to improving the quality of life for its citizens. In order to help meet these goals, the County will consider recommending tax phase-in, which includes the designation of reinvestment zones, application for tax abatements and entering into tax abatement agreements, to stimulate growth and development.

It is the intent of the County that such incentives will be provided in accord with the procedures and criteria outlined in this document. However, nothing in these Guidelines and Criteria shall imply or suggest to be construed to imply or suggest that tax entities are under any obligation to provide any incentives to any applicant. All such applicants for tax phase-in incentives shall be considered on an individual basis for both the qualification for tax abatement and the amount of any tax abatement. The adoption of these guidelines and criteria shall not create any property, contract or other legal right in any person to have the governing body consider or grant a specific application or request for tax abatement.

Only that increase in the fair market value of the property directly resultant from the development, redevelopment, and improvement specified in the contract will be eligible for abatement, and then only to the extent that such increase exceeds any reduction in the fair market value of the other property of the Applicant located within the jurisdiction creating the reinvestment zone. All abatement contracts will be for a term no longer than allowed by law. Additionally, the Lynn County Commissioners Court reserves the right to negotiate a tax abatement agreement in order to compete favorably with other communities.

II. DEFINITIONS

The attached Glossary is a list of words with their definitions that are found in this document, and the Glossary is incorporated herein by reference.

III. GUIDELINES AND CRITERIA

In order to be eligible for designation as a reinvestment zone and receive tax abatement, the planned improvement as a minimum must meet the following:

- (a) Be an authorized Facility. A facility may be eligible for abatement if it is a(n):

Aquaculture/Agriculture Facility,

Distribution Center Facility,
Manufacturing Facility,
Office Building,
Regional Entertainment/Tourism Facility,
Research Facility,
Regional Service Facility,
Historic Building in designated area,
Wind Energy Facility or
Other Basic Industry

- (b) The project must be reasonably expected to have an increase in positive net economic benefit to Lynn County of at least \$150,000.00 over the life of the abatement, computed to include (but not limited to) new sustaining payroll and for capital improvement.

In consideration of the request for designation as a reinvestment zone and to receive tax abatement, the following factors will also be considered:

- (1) Jobs. The projected new jobs created including the number of jobs, the retention of existing jobs, the type of jobs, the average payroll, the total payroll and the number of local persons hired.
- (2) Fiscal Impact. The amount of real and personal property value that will be added to the tax roll for both eligible and ineligible property, the amount of direct sales tax that will be generated, the infrastructure improvements by the County that will be required by the facility, the infrastructure improvements made by the facility, and the compatibility of the project.
- (3) Community Impact.

The pollution, if any, as well as other negative environmental impacts affecting the health and safety of the community that will be created by the project:

The revitalization of a depressed area;

The business opportunities of existing local vendors;

The alternative development possibilities for proposed site;

The impact on other taxing entities, including the use of municipal or county infrastructure; and/or

Whether the improvement is expected to solely or primarily have the effect of transferring employment from one part of Lynn County to another.

IV. ABATEMENT AUTHORIZED

- (a) Authorized Date. A facility may be eligible for tax abatement if it has applied for such abatement prior to the commencement of construction; provided, that such facility meets the criteria granting tax abatement in reinvestment zones created in Lynn County pursuant to these Guidelines and Criteria for a period not to exceed ten years.
- (b) Creation of New Value. Abatement may only be granted for the additional value of eligible property improvements made subsequent to the filing of an application for tax abatement and specified in the abatement agreement between the County and the property owner or lessee (and lessor if required pursuant to IV (E)), subject to such limitations as the Guidelines and Criteria may require.
- (c) New and Existing Facilities. Abatement may be granted for new facilities and improvements to existing facilities for purposes of modernization or expansion. If the modernization project includes facility replacement, the abated value shall be the value of the new unit(s) less the value of the old unit(s).
- (d) Eligible Property. Abatement may be extended to the value of the following: new, expanded, replaced or modernized buildings and structures, fixed machinery and equipment, site improvements plus that office space and related fixed improvements necessary to the operation and administration of the facility, and all other real and tangible personal property permitted by Chapter 312 of the Texas Tax Code.
- (e) Ineligible Property. The following types of property shall be fully taxable and ineligible for abatement:

- Land,
- Animals,
- Inventories,
- Supplies,
- Tools,
- Furnishings and other forms of movable personal property,
- Vehicles,
- Vessels,
- Aircraft,
- Housing or residential property,
- Fauna,

Flora,
Deferred Maintenance investments,
Property to be rented or leased except as provided in Part IV(f),
Any improvements including those to produce, store or distribute natural gas or fluids that are not integral to the operation of the facility,
Property owned or used by the State of Texas or its political subdivision or by any organization owned, operated or directed by a political subdivision of the State of Texas.

- (f) Owned/Leased Facilities. If a leased facility is granted an abatement, the agreement shall be executed with the lessor and lessee.
- (g) Value and Term of Abatement. Abatement shall be granted effective with the January 1 valuation date immediately following the date of execution of the agreement or the qualifying facility in service date or whichever is later. The value of new eligible properties shall be abated according to the approved agreement between applicant and the governing body. The governing body, in its sole discretion, shall determine the amount of any abatement. The table in the attached Exhibit "A", incorporated herein by referenced, shall be the maximum abatement available, the actual amount of abatement granted is in the sole discretion of the Lynn County Commissioner's Court, but shall not exceed said maximum.

The abatement may be extended through an initial agreement and a subsequent agreement as may be required to comply with state law regarding the term of the reinvestment zone.

- (h) Taxability. From the execution of the abatement contract to the end of the agreement period, taxes shall be payable as follows:
 - (1) The value of ineligible property as provided in Part IV(e) shall be fully taxable.
 - (2) The base year value of existing eligible property as determined each year shall be fully taxable.
 - (3) The additional value of new eligible property shall be taxable in the manner described in Part IV(g).

V. APPLICATION FOR TAX ABATEMENT

- (a) Any present or potential owner, assignee or lessee of taxable property in Lynn County may request the creation of a reinvestment zone and tax abatement by filing written request either with the County or applicable taxing entity. The completed Application must be accompanied by the payment of a five hundred dollar (\$500) non-refundable application fee for

administrative costs associated with the processing of the tax abatement request. All checks in payment of the administrative fee shall be made payable to Lynn County.

- (b) The application shall consist of a completed application form accompanied by:
- (1) a general description of the proposed use and the general nature and extent of the modernization, expansion or new improvements to be undertaken;
 - (2) a descriptive list of the improvements which will be part of the facility;
 - (3) a map and property description or a site plan;
 - (4) a time schedule for undertaking and completing the planned improvements;
 - (5) in the case of modernizing or replacing existing facilities in whole or in part, a statement of the assessed value of the facility, separately stated for real and personal property, shall be given for the tax year immediately preceding the application; and
 - (6) The application form may require such financial and other information as deemed appropriate for evaluating the financial capacity and other factors of the applicant.
- (c) Upon receipt of a completed application, the taxing entity receiving such application shall notify in writing the presiding officer of the legislative body of each affected jurisdiction. Before acting upon the application, the jurisdiction receiving such application shall through public hearings afford the applicant and the designated representative of any affected jurisdiction the opportunity to show cause why the abatement should or should not be granted. Notice of the public hearing shall be clearly identified on an agenda of the legislative body of the jurisdiction receiving such application to be posted at least seven (7) days prior to the hearing.
- (d) The jurisdiction receiving the application shall approve or disapprove the application for tax abatement within forty-five (45) days after receipt of the application. The presiding officer of the legislative body of the jurisdiction receiving such application shall notify the applicant of the approval or disapproval promptly thereafter.

- (e) A request for reinvestment zone for the purpose of abatement shall not, except pursuant to subsection (e), be granted if the jurisdiction receiving the application finds that the request for the abatement was filed after the commencement of construction, alteration, or installation of improvements related to a proposed modernization expansion or new facility.
- (f) Variance. Requests for variance from the provisions of subsections (a) through (e) of Part V may be made in written form to the presiding officer of the jurisdiction receiving the application. Such request shall include a complete description of the circumstances explaining why the applicant should be granted a variance. Approval of a request for variance requires a three-fourths (3/4) vote of the governing body of the affected jurisdiction as provided in State Statutes.

VI. PUBLIC HEARING

- (a) Should any affected jurisdiction be able to show cause in the public hearing why the granting of abatement will have a substantial adverse effect on its bonds, tax revenue, service incapacity or the provision of service, that showing shall be reason for the jurisdiction receiving the application to deny the granting of ad valorem tax abatement.
- (b) Neither a reinvestment zone nor an abatement shall be authorized if it is determined that:
 - (1) There would be a substantial adverse affect on the provision of a government service or tax base of an affected jurisdiction.
 - (2) The applicant has insufficient financial capacity.
 - (3) Planned or potential use of the property would constitute a hazard to public safety, health or morals.
 - (4) Planned or potential use of the property violates other governmental codes or laws.

VII. AGREEMENT

- (a) After approval of the tax abatement application, each affected jurisdiction shall formally pass a resolution and execute an agreement with the owner and/or lessee of the facility which shall include:
 - (1) Estimated value to be abated and the base year value.

- (2) Percent of value to be abated each year as provided in Part IV(g) of these Guidelines and Criteria.
 - (3) The commencement date and the termination date of abatement.
 - (4) The proposed use of the facility, nature of construction, time schedule for undertaking and completing the planned improvements, map, property description and improvements list as provided in Part V of these Guidelines and Criteria.
 - (5) Contractual obligations in the event of default, violation of terms or conditions, delinquent taxes recapture, administration and assignment as provided herein and other provisions that may be required for uniformity or by state law.
 - (6) Amount of investment and/or average number of jobs involved for the period of abatement.
 - (7) Said contract shall meet all of the requirements of Texas Tax Code Sec. 312 et. seq.
- (b) Such agreement shall be executed within thirty (30) days after the later of the date applicant has forwarded all necessary information to the jurisdiction receiving the application or the date of the approval of the application.
- (c) Each affected jurisdiction shall make its own determination of abatement which shall not bind any other affected jurisdiction.

VIII. RECAPTURE

- (a) In the event that the facility is completed and begins producing product or service, but subsequently discontinues producing product or service for any reason excepting fire, explosion or other casualty or accident or natural disaster for a period of more than one (1) year during the abatement period, then the abatement agreement shall terminate and so shall the abatement of taxes for the calendar year during which the agreement is terminated. The taxes otherwise abated for that calendar year shall be paid to each affected jurisdiction within the County within sixty (60) days from the date of termination.
- (b) Should the jurisdiction establishing a reinvestment zone and signing a tax abatement agreement determine that a company or individual is in default according to the terms and conditions of its agreement, the jurisdiction

shall notify the company or individual in writing at the address stated in the agreement, and if such is not cured within sixty (60) days from the date of such notice ("Cure Period"), then the agreement shall be terminated. Further, it will be a default under a tax abatement granted pursuant to these Guidelines and Criteria if the owner of the eligible property subject to the abatement is delinquent in paying any undisputed taxes to any taxing authority in Lynn County, Texas.

(c) In the event that the company or individual:

- (1) Allows its ad valorem taxes owed the County or an affected jurisdiction to become delinquent and fails to timely and properly follow the legal procedures for their protest and/or contest; or
- (2) Violates any of the terms and conditions of the abatement agreement and fails to cure same during the Cure Period;

The agreement shall be terminated and all taxes previously abated by virtue of the agreement will be recaptured and paid within sixty (60) days of the termination.

IX. ADMINISTRATION

- (a) The Chief Appraiser of the Lynn County Appraisal District shall annually determine an assessment of the real and personal property comprising the reinvestment zone. Each year the company or individual receiving abatement shall furnish the assessor with such information as may be necessary for abatement, including the number of new or retained employees associated with the facility. Once value has been established, the Chief Appraiser shall notify the affected jurisdictions which levy taxes on the amount of the assessment.
- (b) The agreement shall stipulate that employees and/or designated representatives of the jurisdiction establishing the reinvestment zone and entering into a tax abatement agreement will have access to the reinvestment zone during the term of the abatement to inspect the facility to determine if the terms and conditions of the agreement are being met. All inspections will be made only after the giving of twenty-four (24) hours prior notice and will only be conducted in such a manner as to not unreasonably interfere with the construction and/or operation of the facility. All inspections will be made with one or more representatives of the company or individual and in accordance with its safety standards.
- (c) Upon completion of construction the jurisdiction establishing the reinvestment zone and entering into a tax abatement agreement shall

annually evaluate each facility and report possible violations of the contract and/or agreement to each affected jurisdiction.

- (d) All proprietary information acquired by an affected jurisdiction for purposes monitoring compliance with the terms and conditions of an abatement agreement shall be considered confidential.

X. ASSIGNMENT

- (a) Abatement may be transferred and assigned by the holder to a new owner or lessee of the same facility upon the approval by resolution of each affected jurisdiction, subject to the financial capacity of the assignee and provided that all conditions and obligations in the abatement agreement are guaranteed by the execution of a new contractual agreement with each affected jurisdiction.
- (b) The contractual agreement with the new owner or lessee shall not exceed the termination date of the abatement agreement with the original owner and/or lessee.
- (c) No assignment or transfer shall be approved if the parties to the existing agreement, the new owner or new lessee are liable to any affected jurisdiction for outstanding taxes or other obligations.
- (d) Approval shall not be unreasonably withheld.

XI. SUNSET PROVISION

- (a) These Guidelines and Criteria are effective upon the date of the adoption and will remain in force for two (2) years, unless amended by three quarters vote of the Commissioners Court of Lynn County, Texas, at which time all reinvestment zones and tax abatement contracts created pursuant hereto will be reviewed by each affected jurisdiction to determine whether the goals have been achieved. Based on that review, these Guidelines and Criteria may be modified, renewed or eliminated, providing that such actions shall not affect existing contracts.
- (b) These Guidelines and Criteria do not amend any existing Industrial District Contracts or agreements with the owners of real property in areas deserving of specific attention as agreed by the affected jurisdiction.
- (c) Prior to the date for review, as defined above, these Guidelines and Criteria may be modified by a two-thirds (2/3) vote of the affected taxing authorities, as provided for under the laws of the State of Texas.

XII. SEVERABILITY AND LIMITATIONS

- (a) In the event that any section, clause, sentence, paragraph or any part of these Guidelines and Criteria shall for any reason, be adjudged by any court of competent jurisdiction to be invalid, such invalidity shall not affect, impair, or invalidate the remainder of these Guidelines and Criteria.
- (b) Property that is in a reinvestment zone that is owned or leased by the following cannot benefit from a tax abatement:
 - (1) A member of the governing body of a municipality or by a member of a planning board or commission of the municipality; or
 - (2) A member of the commissioner's court or a member of a planning board or commission of the County is excluded from property tax abatement.
- (c) If these Guidelines and Criteria have omitted any mandatory requirements of the applicable tax abatement laws of the State of Texas, then such requirements are hereby incorporated as a part of this Guideline Statement.
