Docusign Envelope ID: 057FA04E-8187-400A-9C35-A79004949F07

Permanent Employee positions referenced above will be offered to or filled by residents of Chambers County.

c. CCLT represents and agrees that these will be truly "new jobs" for Chambers County and does not expect that Phase 7 will solely or primarily have the effect of transferring employment from one part of Chambers County to another.

d. CCLT agrees to make every commercially reasonable effort to use local resources in employees, goods, and services at the facility, so long as the local goods and services are comparable in quality, specifications, and price (including, for example, standards for bonding capacity, financial and staffing capacity, expertise and experience, integrity, and reliability, etc.).

e. In compliance with Texas Government Code, Section 2264.001 *et seq*., CCLT hereby certifies that it does not and shall not knowingly employ an Undocumented Worker for any purpose related to this Agreement. If, after receiving the benefits of this Agreement, CCLT (or any branch, division, or department thereof) is convicted of a violation under 8 U.S.C. Section 1324a(f), CCLT shall repay all taxes previously abated by virtue of this Agreement with interest at the rate of four percent (4%) *per annum*, not later than the 120th day after the date on which the County notifies CCLT and CCLT of a violation of this Section 6, (g).

In addition, CCLT hereby verifies in accordance with the requirements of Chapters 2271, 2274, and 2274 of the Government Code and subject to applicable law that CCLT will not Boycott Israel, does not and will not Boycott Energy Companies, and does not and will not Discriminate Against Firearm Entities or Firearm Trade Associations, as such capitalized terms are defined in such chapters of the Government Code and subject to the provisions of such chapters of the Government Code.

F. **Good Neighbor Covenant.** CCLT or a CCLT Affiliate represent and agree that the planned use of Phase 7 and related Premises will not constitute a hazard to public safety, health, or morals and provide for adequate buffer zones to holistically protect the quality of life of Chambers County residents.

Section 7. Records and Audits

A. **Annual Certification**. Not later than January 31 of each year during the term of the tax abatement, CCLT shall submit to the County a certification from CCLT as to the conditions and covenants set forth in Section 6, provided that once the Construction Covenant is met, no further certification shall be required with respect to the Construction Covenant.

B. **County Access to Premises**. For the sole purpose of verifying CCLT 's annual certification, County employees or representatives shall have reasonable access to the Premises during the term of this Agreement. The

Docusign Envelope ID: 057FA04E-8187-400A-9C35-A79004949F07

County shall give prior notice to CCLT whose employees shall have the right to accompany County employees. While on the Premises, County employees shall follow CCLT safety policies and not interfere with CCLT operations. The County shall keep all information obtained while on the Premises confidential and shall execute a commercially reasonable form of confidentiality agreement drafted by CCLT before entering the premises.

Section 8. Default and Termination

A. **Default**. In the event that CCLT either fails to ensure that Covenants A. through F. set forth in Section 6 are achieved, or breaches the terms or conditions of this Agreement, CCLT shall be in default of this Agreement.

B. **Cure**. In the event CCLT defaults in its performance of the Agreement, the County shall give CCLT written notice of such default. CCLT shall have sixty (60) days after said written notice to cure the default. If the default is not reasonably susceptible to cure within such sixty (60) day period and CCLT has commenced and is pursuing cure of same, then, after first advising the County of CCLT 's efforts to cure same, CCLT may utilize an additional ninety (90) days for such purposes. The County may authorize additional time to cure defaults, which authorization shall not be unreasonably withheld.

C. **Remedy for Uncured Default**. The County's sole and exclusive remedy against any Person for breach of this Agreement, in the event of default after the expiration of the applicable notice and cure periods, shall be that the County may, at its option, terminate the Agreement and all future tax abatements under this Agreement shall be void. Notwithstanding the foregoing, if CCLT fails to meet the Construction Covenant, CCLT shall repay to the County, without penalty or interest, all tax abatements received under this Agreement. If CCLT breaches a covenant in Section 6, other than the Construction Covenant, for any year, the County shall not be entitled to terminate this Agreement, but may, at its option, rescind the tax abatement pertaining to such year.

D. **CCLT 's Remedies**. The CCLT may institute proceedings as may be necessary or desirable in its opinion to defend against (i) improper assertions of default or (ii) improper attempts to terminate this Agreement, to withhold or obtain payments prescribed by this Agreement, or to seek repayment of amounts paid under the Agreement. Such proceedings may include, but are not limited to, seeking specific performance and/or injunctive relief, or enforcement by mandamus, or such other remedy as may be available at law, in equity, or otherwise. Such rights and remedies are not exclusive and are in addition to any other rights or remedies the CCLT may have at law, in equity, or otherwise.

Neither Party may assign its rights and duties hereunder, in whole or in part, without prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned, or delayed; provided that CCLT may assign this Agreement and all of its rights hereunder to any CCLT Affiliate without the County's consent. In addition, this Agreement and all rights hereunder may be assigned for the benefit of any Financing Party. Any assignment in violation of this Section 9 shall not affect any tax abatements with respect to which CCLT or a CCLT Affiliate is already entitled.

C. **Defense of Third-Party Claims**. In the event any action or proceeding shall be brought against the County's Indemnified Party by reason of any matter for which the County's Indemnified Party is indemnified hereunder, CCLT shall, upon notice from the County's Indemnified Party or its authorized agents or representatives, at CCLT 's sole cost and expense, resist and defend the same with legal counsel selected by CCLT ; provided, however, that CCLT shall not admit liability in any such matter on behalf of the County's Indemnified Party without the County's express written consent. Nothing herein shall be deemed to prevent the County's Indemnified Party at its election and at its own expense from cooperating with CCLT and participating in the defense of any litigation by their own counsel. If CCLT fails to retain defense counsel within ten (10) business days after receipt of County's Indemnified Party written notice that the County's Indemnified Party is invoking its right to indemnification under this Agreement, the County's Indemnified Party shall have the right to retain defense counsel on their own behalf, and CCLT shall be liable for all usual and customary defense costs incurred by the County's Indemnified Party.

Section 12. Miscellaneous

A. **Severability**. The provisions of this Agreement are severable, and if for any reason a provision of this Agreement is determined to be invalid by a court having competent jurisdiction over the subject matter of the invalid provision, the invalidity shall not affect other provisions that can be given effect without the invalid provision. Furthermore, in lieu of such illegal, invalid, or unenforceable provision, there shall be added automatically as a part of this Agreement, a provision as similar in its terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable.

The failure by either party to exercise any right, power, or option given to it by this Agreement, or to insist upon strict compliance with the terms of this Agreement, shall not constitute a waiver of the terms and conditions of this Agreement with respect to any other or subsequent breach thereof, nor a waiver by such party of its rights at any time thereafter to require exact and strict compliance with all the terms hereof.

G. **Counterparts; Electronic Delivery**. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered (whether delivered in person, by mail, email, facsimile, or other electronic format) shall be an original, but all such counterparts shall together constitute one and the same instrument. GENERAL CRITERIA

Chambers County may provide Chapter 381 Economic Development Program incentives for a business or commercial development project ("Project") if that Project:

1. Will enhance the economic vitality of Chambers County;
2. Will result in a net increase or retention of jobs in the County or add to the tax base or will otherwise improve or enhance the economic welfare of the residents or businesses of the County; or
3. Demonstrates the potential to generate revenues to the County which outweigh costs associated with incentives. In addition, the following criteria must be satisfied:

The Project MUST:

1. Show a clear demonstration of economic benefit through advancement of the County's economic development goals which include expanding the tax base; creating and/or retaining quality jobs; increasing private capital investment in the community; spurring development in targeted locations; or encouraging development of targeted businesses or clusters desirable to enhance the County's economy;

2. Provide evidence that demonstrates the business' financial stability and capacity to complete the project; and

3. Be in compliance with all local, state, and federal laws.

In order to receive any Chapter 381 Economic Development Program incentives from Chambers County, credible information must be made available by the applicant, including but not limited to capital investment and employment projections, to enable Chambers County to conduct an appropriate analysis of the proposed project at initiation and throughout the life cycle of the Chapter 381 Economic Development Program Agreement.

The decision to provide any Chapter 381 Economic Development Program incentives will be considered on a case-by case basis, in accordance with the criteria set forth in this policy, and at the discretion of the Chambers County Commissioners Court.

QUALIFICATION CRITERIA (NON-RESIDENTIAL PROJECTS)

In order to be eligible for Chapter 381 Economic Development Program incentives, a Project must meet the following qualifying criteria:

1. Locate within the boundaries of Chambers County.
2. Create or retain a minimum of 10 jobs.

Projects qualifying under the General and Qualifying Criteria will be eligible for Chapter 381 Economic Development Program incentives, the percentages, and terms for which will be at the sole discretion of the Chambers County Commissioners Court.

QUALIFICATION CRITERIA (OPPORTUNITY ZONE RESIDENTIAL PROJECTS)

The Opportunity Zones program was established by Congress in the Tax Cut and Jobs Act as an innovative approach to spurring long-term private sector investments in targeted urban and rural communities nationwide. The program is based on the bipartisan Investing in Opportunity Act. The program establishes a mechanism that enables investors with capital gains tax liabilities across the country to receive favorable tax treatment for investing in Opportunity Funds that are certified by the U.S. Treasury Department. The Opportunity Funds use the capital invested to make equity investments in businesses and real estate in Opportunity Zones designated by each state.

Three census tracts have been designated as Qualified Opportunity Zones (QOZ): **7103, 7104.01, and 7105**. Consideration of Chapter 381 Economic Development Program proposals for residential developments and other targeted value-add projects will be limited to these designated QOZ census tracts. Residential developments in a QOZ are encouraged to include options that qualify for financing under the USDA Rural Development Single Family Housing Guaranteed Loan Program. INFLATION REDUCTION ACT, CHIPS ACT, AND TEXAS CHIPS ACT PROJECTS

Chambers County encourages business, commercial, manufacturing, and industrial concerns to locate, remain, and expand in the County. Consistent with this sentiment, recent concurrent efforts by the federal and state government have resulted in several programs focused on addressing severe supply chain constraints, broadening and diversifying energy sources, and reshoring or co-shoring manufacturing, all of which enhance the County's ability to meet its stated goals.

To that end, proposals for projects that promote the expansion, retention, and diversification of the County's economic base and qualify for certain incentives under the following state and federal programs will be considered by the Court:

- **Inflation Reduction Act**

GUIDELINES AND CRITERIA FOR TAX ABATEMENT IN CHAMBERS COUNTY, TX

Applicants applying for tax Abatement with Chambers County are advised that any Agreement with Chambers County applies only to taxes assessed by Chambers County. Any Abatement or Incentive Agreement with other taxing entities must be negotiated directly with such entities. In addition, each applicant receiving tax Abatement retains the responsibility for annually applying to the CCAD for recognition and implementation of their Abatement Agreement. WHEREAS, CCLT is willing to pay the County an amount of money sufficient to compensate the Sheriff Deputies for their Working Time in the Area, including salary, benefits, and all such other expenses that the County may incur, as provided in this Agreement, subject to the County's Sheriff temporary re-assignment of the Sheriff Deputies for emergency or Sheriff Deputy safety purposes; and

WHEREAS, the Parties also desire to provide patrol vehicles for the assigned Sheriff Deputies patrolling the Area, which vehicles are either owned by the County, or will be owned by the County, with certain costs of operation, fuel maintenance and routine repairs to be shared by the Participants, as provided in this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of mutual covenants and agreements of the Parties, the Parties contract and agree as follows:

TERM

1. The Parties agree that the term of this Agreement shall commence on October 1, 2023 (the "Commencement Date") and continue to remain in full force and effect for a period of three (3) full and complete County budget years (the "Initial Term"); provided however, the Initial Term of this Agreement shall automatically extend without further action of the Parties for additional terms of one year unless otherwise terminated pursuant to the terms herein.

leave, vacation, etc. In total, five (5) Sheriff Deputies will be needed for the services offered under this Agreement, and based on this Agreement, County will move forward with the hiring and budgeting for such positions in reliance on CCLT's promised financial contribution set forth under this Agreement. With all five (5) Sheriff Deputies, the services offered hereunder are meant to provide 24-hour service coverage to the Area, and the Participant Area, subject to temporary re-assignment for emergency or deputy safety situations. In the event that one or more Sheriff Deputies assigned to patrol the Area or Participant Area are reassigned to a different area within the County, or if one or more of the Sheriff Deputies resigns from the County, or otherwise become unavailable to patrol the Area or the Participant Area, the County agrees to authorize the Sheriff to appoint one or more replacement full-time Sheriff Deputies to patrol the Area or Participant Area to provide the services set forth under this Agreement as soon as reasonably practical. The Parties understand and acknowledge that the Sheriff has the ultimate discretion to assign, re-assign, and place his Sheriff Deputies on patrol in certain areas within the County based on the total law enforcement needs of the County, particularly under emergency and exigent circumstances, or when deputy safety concerns require it. Subject to these limitations, County and Sheriff fully intend to hire and assign the Sheriff Deputies providing services under this Agreement to the Area or Participant Area.

3. All Sheriff Deputies assigned to the Area or Participant Area pursuant to this Agreement shall be certified and licensed law enforcement officers as required by law.

4. County shall provide dispatching services for all law enforcement services rendered pursuant to this Agreement.

5. "Working Time" is defined as follows: the usual or normal actual working hours that the Sheriff Deputies are assigned to work in any calendar month, including any overtime. Working Time shall not include vacation or sick leave. Working Time devoted to providing law enforcement services in the Area or Participant Area shall include, but not be limited to the following:

M. The time Sheriff Deputies spend attending public community events in the Area or Participant Area.

6. Discretion as to law enforcement practices and the method of delivering law enforcement services pursuant to this Agreement lies solely within the Sheriff's discretion. To this end, CCLT shall refrain from giving or attempting to give any direction or instruction about law enforcement practices and methods of delivering law enforcement services directly to any Sheriff Deputy assigned by the Sheriff hereunder or to clerical personnel working in the Sheriff's office.

7. The Parties understand and agree that the Sheriff shall retain control and supervision of the Sheriff Deputies performing law enforcement services pursuant to this Agreement to the same extent as other Sheriff Deputies.

8. If CCLT is dissatisfied in any way with the performance of the County, the Sheriff or the Sheriff Deputies under this Agreement, CCLT should provide written notice to the County and Sheriff. After receiving notice, the Parties should meet and confer and attempt to resolve the dispute. If the Parties are unable to resolve the dispute, CCLT's sole remedy is to terminate the Agreement in accordance with the termination provisions in this Agreement at the then current term.

CONSIDERATION FOR SERVICES

9. CCLT agrees to pay the County a sum of money stated in paragraphs 11 and 12 of this Agreement, which will include its pro-rata share of the salary, overtime, and benefits, including paying for Working Time, vacation, personal time, and sick leave of the five (5) full-time Sheriff Deputies employed pursuant to this Agreement (the "Salary and Compensation Cost"). The Salary and Compensation Cost shall be consistent with County adopted rates for other Sheriff Deputies throughout the Initial Term and any renewal term of this Agreement and shall include the following:

A. The base salary of the five (5) Sheriff Deputies, including any salary required by any applicable collective bargaining agreement ("CBA"), plus any overtime paid to the Sheriff Deputies for law enforcement services in the Area or Participant Area, plus any County approved educational certification incentive compensation for the Sheriff Deputies;

B. FICA at the applicable rate for the five (5) Sheriff Deputies (currently 7.65% of each County employee's gross salary);

DocuSign Envelope ID: CE445A2A-BA0D-4C9A-AB15-3CDB30CA7B21

C. Any applicable retirement benefits for the five (5) Sheriff Deputies, which shall be recalculated annually by the County;

D. Medical Insurance and Workers' Compensation insurance premiums for the five (5) Sheriff Deputies, which shall be recalculated annually by the County.

E. Any other benefits provided to the five (5) Sheriff Deputies which are adopted later by the County; and

F. An administrative and contingency fee of five percent (5%) of all the items listed above.

10. CCLT shall pay the County for its pro-rata share of all costs of equipment for each deputy, including but not limited to uniforms, radios, and all tools or items necessary to perform their job effectively.

11. The Parties estimate that the annual cost to fund the five (5) Sheriff Deputies for the entirety of year 1 will be approximately $825,000, and approximately $675,000 annually for years 2 and 3 of this Agreement. The estimated costs for year 2 and year 3 are less because there are anticipated costs the County and Sheriff will incur in year 1 that will not be required in years 2 and 3. It is further estimated that these numbers will need to be adjusted to account for inflation for any renewal periods after the Initial Term. These are estimates only. CCLT agrees to fully fund its pro-rata share of these estimated amounts at the beginning of the County's budget year, in advance, prior to the time costs are incurred by County, and CCLT represents and warrants that it is committed during the Initial Term and any renewal term to do so. CCLT will fund and pay for the estimated annual pro-rated totals no later than the first day of the beginning of the County's budget year for year 1, 2 and 3 of the Initial Term, and the same for every renewal period. The County will account for and maintain records for the actual costs of the services provided hereunder, and upon ninety (90) days advanced written notice, CCLT may request an accounting showing the type and actual costs incurred by County and Sheriff for the expenses and services provided under this Agreement. If the estimated costs are different than the actual costs, the County reserves the right to adjust the next year's annual

Docusign Envelope ID: 057FA04E-8187-400A-9C35-A79004949F07

payment accordingly to reconcile any deficit, and apply a credit for the next year's annual payment if the County determines that CCLT made an overpayment. Put simply, after year 1 of this Agreement, the Parties agree that the annual payment by CCLT may be adjusted to reflect more accurately the actual costs pro-rated incurred by County and Sheriff, and afford the County an opportunity to true up any deficit or overpayment for the preceding year. All payments shall be made to "Chambers County, Texas" and be mailed to: Chambers County Auditor, P.O. Box 910, Anahuac, Texas 77514. If this Agreement is terminated by agreement of both Parties at any time other than at the end of the Initial Term or subsequent renewal term, amounts charged shall be properly prorated and reconciled accordingly. The Parties acknowledge that the County does not currently have five available Sheriff Deputies to provide law enforcement services pursuant to this Agreement for year 1 and agree that CCLT will not be responsible for payment for services which cannot be provided. CCLT will be responsible only for its pro-rata share of law enforcement expenses which are actually incurred in the provision of service to the Area or Participant Area pursuant to this Agreement. The County shall invoice CCLT only for such pro-rated portion of the $825,000 in projected expenses which it actually expects to incur when accounting for time necessary to hire Sheriff Deputies to provide law enforcement services and to obtain necessary equipment as provided herein. The County shall provide CCLT with an accounting of expenses incurred pursuant to this Agreement at the end of Year 1 without further request by CCLT and shall provide a credit to CCLT on the Year 2 invoice for any overpayment.

PRO RATION OF EXPENSES AMONG THE PARTICIPANTS

12. Each of the Participants shall be responsible for a share of the total costs associated with providing the law enforcement services to the Area and the Participant Area, which shall be pro-rated among the Participants in accordance with the certified taxable value of the improvements located in each entity's geographical area. For example, and subject to further adjustment and reconciliation agreed to by the Parties, the proration shall be calculated as follows:

Docusign Envelope ID: 057FA04E-8187-400A-9C35-A79004949F07

DocuSign Envelope ID: CE445A2A-BA0D-4C9A-AB15-3CDB30CA7B21

Entity		Net Taxable Value	Share	2023	2024
CPNID	$	1,724,511,064	66.02%	$ 544,669.31	$ 445,638.53
CCID 2	$	650,842,662	24.92%	$ 205,562.05	$ 168,187.13
KTN/CCLT	$	236,729,592	9.06%	$ 74,768.64	$ 61,174.34
	$	2,612,083,318		$ 825,000.00	$ 675,000.00
Estimated Cost to fund a full-time patrol				$ 825,000.00	$ 675,000.00

The County shall provide CCLT with the calculations in the same manner as shown above with the annual invoice for services. If the Participants do not fund their pro rata share of the Expenses pursuant to the Agreement, the Parties agree and acknowledge that the County will have to make up the difference with its own funding, or the County will have to terminate the Agreement or find funding from some other source. If this Agreement is terminated due to lack of funding by the Participants, the amounts paid by CCLT shall be properly prorated and reconciled/reimbursed accordingly.

PATROL VEHICLES

13. The Parties agree that the Sheriff Deputies appointed and assigned by the Sheriff to patrol the Area and Participant Area shall use the County-owned vehicles purchased pursuant to the terms of this Agreement, and equipped with funds provided by CCLT (the "Patrol Vehicles"), and such Sheriff Deputies shall not receive an auto allowance while patrolling the Area and Participant Area. The Patrol Vehicles shall be appropriately marked to designate that law enforcement services are being performed under the authority of the Sheriff and the Sheriff shall ensure that the Patrol Vehicles are operated and maintained in the manner customary for vehicles used by law enforcement agencies. The Parties agree that the Patrol Vehicles shall be owned and operated by County and stationed at and dispatched from the Chambers County Sheriff's Office in Anahuac, Texas.

Docusign Envelope ID: 057FA04E-8187-400A-9C35-A79004949F07

DocuSign Envelope ID: CE445A2A-BA0D-4C9A-AB15-3CDB30CA7B21

14. CCLT agrees to pay the County for its pro-rata share of the County's costs of operating, fueling, maintaining, and repairing the Patrol Vehicles. The estimated costs of these expenses is included in the estimated annual costs referenced in paragraphs 11 and 12 above, and shall be payable by CCLT to County no later than the first day of the County's budget year for each applicable term of this Agreement. The County will account for and maintain records for the actual costs of the expenses, and the County reserves the right to reconcile the estimated cost payments with the actual costs as set forth in paragraph 11. If this Agreement is terminated by County because of a default by CCLT, or by agreement of both parties at any time other than at the end of the Initial Term or subsequent renewal term, amounts charged shall be properly prorated and reconciled accordingly.

TERMINATION AND DEFAULT

15. If CCLT defaults in the payment of any obligation under this Agreement, the County's sole remedy shall be to immediately terminate this Agreement, upon written notice. If County defaults, CCLT's sole remedy shall be to immediately terminate this Agreement upon written notice; and to have the amounts charged by the County for the then current budget year, properly prorated and reconciled/reimbursed to CCLT accordingly.

16. Intentionally omitted.

17. Either Party may terminate this Agreement at the end of the Initial Term, or at the end of any renewal term, by providing the other Party at least 180 days of advance written notice of their intent to terminate this Agreement. Otherwise, this Agreement will automatically renew for a renewal term equal to a year and renewed automatically year after year until terminated by one of the Parties pursuant to the termination procedures set forth under this Agreement.

18. The Parties agree that should the County fail to enter into Agreements with any of the other Participants for the 1) provision of the law enforcement services described herein and 2) payment by the Participants to the County of their pro rata share of the costs associated with the provision of such services as described herein

Docusign Envelope ID: 057FA04E-8187-400A-9C35-A79004949F07

on or before January 1, 2024, that the County or CCLT may terminate this Agreement upon provision of ninety (90) days written notice. The County and CCLT agree to negotiate in good faith a subsequent agreement for the provision of law enforcement services in the event of such termination.

NOTICE

19. Any notice required to be given under the provisions of this Agreement shall be delivered to the County at the Office of the County Judge, P.O. Box 939, Anahuac, Texas 77514, and to CCLT, at 10925 Highway 225 La Porte, TX 77571. Required notices hereunder shall be hand-delivered or sent by certified mail, return receipt requested. Notice shall be duly served when it is received by the appropriate party. Either Party may designate a different address by giving the other party ten (10) days' written notice.

MISCELLANEOUS

20. The Parties agree that this Agreement contains all the terms and conditions of the understanding of the Parties relating to the subject matter hereof. This Agreement may not be altered, changed, or amended, except by written instrument executed by both Parties. If any provision of this Agreement shall be deemed void or invalid, such provision shall be severed from the remainder of the Agreement, which shall remain in full force and effect.

prohibition of overweight use of SH 99 during certain hours). In such case, CCLT intends to comply with those TXDOT conditions, which, in turn, would allow CCLT to use other routes, including Kilgore Parkway and HW 146, without any current limitations or restrictions. The intent is for CCLT to use SH 99 when laws change to permit full use on SH 99 and as soon as construction on SH 99 is fully completed. In the meantime, CCLT intends to use Kilgore Parkway and Highway 146. Thereafter, CCLT intends and the County expects CCLT to divert freight traffic onto SH 99 as soon as it is legally and practically possible to do so.

3. For the safety of the residents of Chambers County, CCLT intends to minimize freight traffic on Kilgore Parkway and SH 146, including the new west bound left turn lane along the Kilgore Parkway to the fullest extent possible, and CCLT's failure to act consistent with its expressed intentions in this MOU may cause Chambers County to adopt and enforce traffic regulations to prohibit freight traffic along Kilgore Parkway and SH 146, and to this end, Chambers County expressly reserves its legal right, duty and authority to adopt and enforce such traffic regulations in the future to address any safety or public concerns for its citizens using roads within Chambers County.
