“Base year”, for the parties to this agreement, is defined as the calendar year in which this abatement contract is executed (signed) by all parties hereto.

“Ineligible Property” is fully taxable and ineligible for tax abatement and includes land, supplies, inventory, housing, vehicles, improvements for the generation or transmission of electrical energy not wholly consumed by a new facility or expansion; any improvements, including those to produce, store or distribute natural gas, fluids or gasses, which are not

“Taxable Value” for each taxing entity executing an abatement agreement is determined by deducting from the Market Value of all industrial realty improvements of a property owner and/or its affiliates the amount of any applicable exemptions and abatements granted for that Tax Year.

“Completion” as used herein, shall mean, the successful commissioning of the PROJECT and the attainment of reliable operations. OWNER shall certify in writing to the COUNTY when such Completion is attained.

“Payment in Lieu of Taxes”. If, during the period of this abatement, any Federal or State law provides an additional tax exemption for the property that is already the subject of this agreement, Applicant agrees to decline that tax exemption during the period of this abatement. If Applicant is unable to decline that tax exemption, Applicant agrees to pay the taxes, or payment in lieu of taxes, on the reduction of property tax revenue to the COUNTY that is the result of said exemption. Any payment in lieu of taxes shall be due on or before November 15 of the year in which payment is due.

4. TERM OF ABATEMENT

This AGREEMENT shall be effective and enforceable upon execution by both parties (which date is herein referred to as the "Effective Date"). The Term of the Abatement pursuant to this AGREEMENT shall begin on January 1, 2028 and shall terminate on December 31, 2037, unless sooner terminated pursuant to other provisions of this AGREEMENT. Should OWNER not begin the construction of the PROJECT by December 31, 2026, this AGREEMENT shall be null and void.

5. OWNER REPRESENTATIONS/OBLIGATIONS

In order to receive a tax abatement with respect to a tax year listed on EXHIBIT: Tax Abatement Schedule," OWNER shall comply with the following:

- a. As a result of the PROJECT, and upon its Completion (currently estimated to be not later than the fourth quarter, 2027, maintain a level of not less than one (1) new full-time job (consisting of both permanent direct employee jobs and permanent contractor jobs), using headcount as of June 1, 2023 as the starting point, relating to the PROJECT during the remaining term of this AGREEMENT; provided, however that OWNER may reduce employment levels due to improved efficiencies or changing economic conditions during the term of this AGREEMENT as long as such employment levels do not fall below one (1) full-time job for total on site employment by owner during said term. In the event that such employment falls below one (1) full-time job for total on site employment, Abatement shall be reduced proportionate to such employment decline beginning with the tax year in which the decline occurs and each tax year thereafter per the example calculation cited below where:

A1 = initial Abatement \$s
A2 = revised Abatement \$s
E1 = 1 full-time jobs
E2 = revised employee count
 $A2 = A1 \times (E2/E1)$

- b. Report and certify the requisite job levels to the COUNTY, annually during each tax year under this AGREEMENT;
- c. Construct the PROJECT with an estimated investment in excess of \$35 million;
- d. Make available to the COUNTY information concerning the details of contractor bids, every quarter, during the construction phase of the PROJECT under the express understanding that COMPANY is providing the COUNTY such contractor bid information on a strictly confidential basis so as to maintain the integrity of the competitive bid process;

Such consideration shall be made in good faith without discrimination. For purposes of the foregoing:

i. "Local labor" is defined as those qualified laborers or craftsmen who are residents and domiciliaries of the nine county regions comprised of Jefferson, Orange, Hardin, Jasper, Newton, Liberty, Tyler and Chambers Counties, as well as the Bolivar Peninsula area of Galveston County. "Local subcontractors" shall include only those located or having a principal office in Jefferson County.

ii. OWNER agrees to give preference and priority to local manufacturers, suppliers, vendors, contractors and labor, except where not reasonably possible to do so without significant added expense, substantial inconvenience, or sacrifice in operating efficiency. For any such exception in cases involving purchases over \$1 million, a justification for such purchase shall be included in OWNER'S annual letter of compliance. OWNER further acknowledges that it is a contractual obligation, under this agreement, of persons receiving property tax abatements to favor local manufacturers, suppliers, contractors, and labor, all other factors being equal. In the event of a breach of this "buy local" provision, OWNER agrees that the percentage of abatement shall be proportionately reduced in an amount equal to the amount the disqualified contract bears to the total construction cost for the PROJECT.

OWNER will remit use taxes on taxable purchases made for use in the PROJECT directly to the state of Texas on its monthly Texas Direct Payment Return for both state and county taxes at the applicable rates. The State of Texas collects Limited, Sales, Excise and Use Taxes for both the state and local tax jurisdictions. The state is responsible for distributing the local taxes it collected to the applicable local jurisdiction.

- i. Not in any way discriminate against or treat disparately union contractors who choose to participate in the competitive bid process relating to work on the PROJECT, nor discriminate against or treat disparately union members who seek employment on the PROJECT; and
- j. Encourage and promote the utilization of Historically Underutilized Businesses (HUBs) (also known as Disadvantaged Business Enterprises, or DBEs) by the general contractor engaged by OWNER to construct the PROJECT and any turnaround project which is undertaken as part of or in connection with the PROJECT during the term of the abatement period by ensuring qualified HUB/DBE vendors and contractors are given a timely opportunity to bid on contracts for supplies and services. - k. Consult with chambers of commerce, minority business associations, trade associations and other regional economic development organizations to identify local and HUB/DBE vendors, suppliers and sub-contractors;
- l. Notify qualified local and HUB/DBE vendors, suppliers and sub-contractors, allowing sufficient time for effective preparation of bids for the planned work to be sub-contracted or materials, supplies or equipment to be purchased;
- m. Provide qualified local and HUB/DBE vendors, suppliers and sub-contractors who are interested in bidding on a subcontract or contract for materials, supplies, equipment, or the provision of engineering and construction services and labor adequate information regarding the project as early as is practicable in the bidding process in order to allow the HUB/DBE vendors, suppliers and sub-contractors sufficient time to prepare a bid (*i.e.*, plans, specifications, scope of work, bonding and insurance requirements, and a point of contact within the general/prime contractor);
- n. Negotiate in good faith with interested qualified local and HUB/DBE vendors, suppliers or sub-contractors, and award sub-contracts or contracts for materials, supplies equipment, or the provision of engineering and construction services and labor to local or HUB/DBE vendors, suppliers or sub-contractors when they are the lowest qualified responsive bidder who meets all of the applicable bid specifications; and

OWNER will contractually cause its general/prime contractor to comply with the requirement of subparagraphs f, i, j, k, l, m, n, and o, and to cooperate with OWNER to comply with subparagraph g, of this Section 5. Upon written request from the County after OWNER signs its EPC agreement with its general/prime contractor ("EPC Agreement"), Owner will

provide a redacted copy of the EPC Agreement to include the portions of the EPC Agreement which illustrate compliance with the prior sentence of this paragraph.

- p. Provide access to and authorize the inspection of the Eligible Property by the County's personnel to ensure that the improvements or repairs thereto are made according to the specifications and conditions of this AGREEMENT.

6. VALUE OF ABATEMENT

For each year under this Agreement, the abatement percentage received by OWNER under this AGREEMENT with respect to the value of New Eligible Property, is set forth on attached Exhibit: "Tax Abatement Schedule"

The Abatement during each year covered by this Agreement shall be the value attributable to the Project multiplied by Abatement Schedule, adjusted by the Base Year Value.

7. QUARTERLY MONITORING MEETINGS

With respect to the quarterly monitoring meetings referenced in Section 5(d) above, the County Judge, County Commissioners, or their designee(s) shall be allowed to attend such quarterly monitoring meetings, on the express condition that they execute a confidentiality agreement prepared by OWNER so as to protect confidential information which may be disclosed to them during or as a result of such monitoring meetings. OWNER agrees to reimburse the COUNTY in an amount not to exceed to \$4,000.00 annually for the costs or expenses actually incurred by the COUNTY in monitoring the status of the bidding process every quarter during the construction phase of the PROJECT. OWNER will provide the COUNTY with quarterly reports which detail procurement of services, equipment and labor utilized in construction.

8. TAXABILITY

During the period that this AGREEMENT is effective, taxes shall be payable as follows:

- a. The value of Ineligible Property shall be fully taxable;
- b. The Taxable Value of existing Eligible Property as determined each shall be fully taxable; and
- c. The value of New Eligible Property shall be abated as set forth in Section 6, hereinabove.

9. ADJUSTMENTS TO ABATEMENT FOR BASE YEAR VALUE DECLINE

The Jefferson County Central Appraisal District will establish the certified values of Eligible Property as of January 1, 2023 (year abatement executed) as set forth on attached Exhibit "B," and such values shall be the values used to calculate the Base Year Value as herein defined. If on January 1st of any tax year listed on the "Tax Abatement Schedule" the Taxable Value is less than the Base Year Value, then the abatement of value otherwise available shall be reduced by one dollar for each dollar that the Taxable Value of realty improvements is less than the Base Year Value, except that no such reduction of OWNER's abatement shall be made should any reduction to Taxable Value of OWNER's Eligible Property result from a Force Majeure event.

In the event OWNER reduces its ad valorem taxes on personal property otherwise payable to the COUNTY by participating in a foreign trade zone, then the amount of abated value otherwise available shall be reduced by one dollar for each dollar of tax value reduction attributable to special treatment from trade zone participation. The parties hereto stipulate and agree that they have received certified appraisal value for this property, as calculated by the Jefferson County Central Appraisal District.

It is specifically understood and agreed by OWNER that, if at any time during the effective dates of this agreement relating to abatement, OWNER files or prosecutes an action in district court to contest the appraised value of any property of OWNER or OWNER's affiliates within Jefferson County for unequal appraisal or revision thereof pursuant to Sec. 42.26, Texas Tax Code, any and all abatements granted by the COUNTY to OWNER or its affiliates shall become null and void and cancelled.

10. POLLUTION CONTROL EXEMPTION

The COUNTY understands that OWNER plans (i) to request from the TCEQ a determination under Section 11.31 of the Texas Tax Code that certain property included in the New Eligible Property is pollution control property, and (ii) to apply for an exemption from ad valorem taxes under Section 11.31 of the Texas Tax Code with respect to all or a portion of such property determined by the TCEQ to be pollution control property. The maximum dollar value for equipment that OWNER intends to claim to the TCEQ as exempt from taxation under Section 11.31 is fifteen percent (15%) of cost ("Intended Maximum"), though that number could change as current estimated project costs are refined. It is understood that the COUNTY would not have agreed to this abatement percentages if it were known that the actual exempt property claimed by OWNER would exceed the Intended Maximum. In the event OWNER ultimately obtains an amount in excess of the Intended Maximum in any year of Abatement under this AGREEMENT (such amount the "Exempt Property Excess"), the percentage of abatement described in the "Abatement Schedule" shall be reduced pro rata so as to reimburse the COUNTY for the total decrease in County tax revenue during the abatement period beginning on January 1, 2020 which is expected to result from the Exempt Property Excess. It is understood and agreed that OWNER will not seek a tax exemption for any equipment or portion of the facility which merely reduces the pollution characteristics of the finished product produced by the facility and that an exemption will only be sought for equipment and technology utilized to reduce pollution at or around the facility.

11. EVENT OF DEFAULT

If either party should default in performing any obligation under this AGREEMENT, the other party shall provide such defaulting party written notice of default and provide the defaulting party with a minimum period of thirty (30) days to cure such default prior to instituting an action for breach or pursuing any other remedy for default, provided however, that, if the default is of such a nature that it cannot, with the exercise of reasonable diligence, be cured within thirty (30) days, then such party shall not be in default so long as such party has commenced such cure within thirty (30) days after receiving written notice of such default and is diligently prosecuting such cure to completion. Subject to providing such notice of default and the aforesaid opportunity to cure same, the party aggrieved by default shall have the right to terminate this AGREEMENT and to pursue any remedy available at law or in equity, for breach hereof. In addition, if a party (the "Affected Party") shall become unable to timely perform any of its obligations under this AGREEMENT, other than any obligation to pay money, as a consequence of a Force Majeure Event, the Affected Party shall be relieved of such obligation (and such failure to timely perform such obligation shall not constitute a default) to the extent that and for so long as (but only to the extent that and only for so long as) it is unable to timely perform such obligation as a consequence of such Force Majeure Event. A "Force Majeure Event" means any of the following: (a) acts of God, earthquakes, tidal waves, lightning, floods, and storms; (b) explosions and fires; (c) strikes and lockouts; (d) wars, riots, acts of the public enemy, civil disturbances, hostilities, sabotage, blockades, insurrections, terrorism, and epidemics; (e) acts of expropriation, confiscation, nationalization, requisitioning, or other taking; and (f) any other event, condition, or circumstance beyond the reasonable control of the party claiming relief as a consequence thereof; provided, however, that "Force Majeure Event" does not include the inability to make payment or financial distress.

12. RECAPTURE OF TAXES

In the event the COUNTY terminates this AGREEMENT pursuant to the provisions of Section 11 as a result of any event of default by OWNER under such Section 11, including, for the avoidance of doubt, if OWNER fails to make the improvements to the Eligible Property as provided by this AGREEMENT, the COUNTY shall be entitled to recapture and be paid all taxes previously abated by virtue of this AGREEMENT within thirty (30) days of the termination, together with all penalties and interest required by the Texas Property Tax Code.

13. TERMINATION

OWNER shall have the right to terminate this agreement at any time upon thirty (30) days' written notice to the COUNTY and COUNTY shall have the right of recapture per Provision number 12 above.

14. ASSIGNMENT

OWNER may assign this AGREEMENT, in whole or in part, to a new owner or lessee of the same PROJECT, or a portion thereof, or to an Affiliate of OWNER upon written approval by resolution of the COMMISSIONERS COURT of such assignment, and approval shall not be unreasonably withheld or delayed. It shall not be unreasonable for the COURT to withhold approval if OWNER or the proposed assignee is liable to the COUNTY for outstanding taxes or other obligations.

15. ENTIRE AGREEMENT

The Parties agree that this AGREEMENT contains all of the terms and conditions of the understanding of the Parties relating to the subject matter hereof. All prior negotiations, discussions, correspondence and preliminary understandings between the parties and others relating hereto are superseded by the AGREEMENT.

16. SUCCESSORS AND ASSIGNS

This AGREEMENT shall be binding on and inure to the benefit of the parties, their respective successors and assigns. OWNER may not assign all or part of its rights and obligations hereunder without the prior written consent of the COUNTY, which shall not be unreasonably withheld or delayed. It shall not be unreasonable to withhold consent to assignment if OWNER or the proposed assignee(s) is/are delinquent in the payment of any ad valorem taxes.

3. DEFINITIONS

For purposes of this AGREEMENT, the following terms shall have the meanings set forth below:

“Affiliate” of any specified person or entity means any other person or entity which, directly or indirectly, through one or more intermediaries, controls, or is controlled by, or is under common control with such specified person or entity. For purposes of this definition, the term “control” (including the terms “controlled by” and “under common control with”) means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such person or entity, whether through the ownership of voting securities, by contract or otherwise.

“Base year”, for the parties to this agreement, is defined as the calendar year in which this abatement contract is executed (signed) by all parties hereto.

“Ineligible Property” is fully taxable and ineligible for tax abatement and includes land, supplies, inventory, housing, vehicles, improvements for the generation or transmission of electrical energy not wholly consumed by a new facility or expansion; any improvements, including those to produce, store or distribute natural gas, fluids or gasses, which are not integral to the operation of the facility; deferred maintenance, property to be rented or leased, property which has a productive life of less than ten years, or any other property for which abatement is not allowed by state law.

If, during the period of this abatement, any Federal or State law provides an additional tax exemption for the property that is already the subject of this agreement, Applicant agrees to decline that tax exemption during the period of this abatement. If Applicant is unable to decline that tax exemption, Applicant agrees to pay the taxes, or payment in lieu of taxes, on the reduction of property tax revenue to the DISTRICT that is the result of said exemption. Any payment in lieu of taxes shall be due on or before November 15 of the year in which payment is due.

4. TERM OF ABATEMENT

This AGREEMENT shall be effective and enforceable upon execution by both parties (which date is herein referred to as the "Effective Date"). The Term of the Abatement pursuant to this AGREEMENT shall begin on January 1, 2028 and shall terminate on December 31, 2037, unless sooner terminated pursuant to other provisions of this AGREEMENT. Should OWNER not begin the construction of the PROJECT by December 31, 2026, this AGREEMENT shall be null and void.

5. OWNER REPRESENTATIONS/OBLIGATIONS

In order to receive a tax abatement with respect to a tax year listed on EXHIBIT: Tax Abatement Schedule," OWNER shall comply with the following:

- a. As a result of the PROJECT, and upon its Completion (currently estimated to be not later than the fourth quarter, 2027, maintain a level of not less than one (1) new full-time job (consisting of both permanent direct employee jobs and permanent contractor jobs), using headcount as of June 1, 2023 as the starting point, relating to the PROJECT during the remaining term of this AGREEMENT; provided, however that OWNER may reduce employment levels due to improved efficiencies or changing economic conditions during the term of this AGREEMENT as long as such employment levels do not fall below one (1) full-time job for total on site employment by owner during said term. In the event that such employment falls below one (q) full-time job for total on site employment, Abatement shall be reduced proportionate to such employment decline beginning with the tax year in which the decline occurs and each tax year thereafter per the example calculation cited below where:

A1 = initial Abatement \$s
A2 = revised Abatement \$s
E1 = 1 full-time job
E2 = revised employee count
 $A2 = A1 \times (E2/E1)$

- b. Report and certify the requisite job levels to the DISTRICT, annually during each tax year under this AGREEMENT;
- c. Construct the PROJECT with an estimated investment in excess of \$35 million;
- d. Make available to the DISTRICT information concerning the details of contractor bids, every quarter, during the construction phase of the PROJECT under the express understanding that COMPANY is providing the DISTRICT such contractor bid information on a strictly confidential basis so as to maintain the integrity of the competitive bid process;
- e. Report and certify to the DISTRICT the requisite cost of the PROJECT within 120 days after the completion of the PROJECT (or 120 days after the Effective Date, whichever is later);
- f. Ensure that qualified local labor, vendors, suppliers, and sub-contractors are given a timely opportunity to bid on contracts for the provision of supplies, goods and services (including engineering and construction services, e.g., piping, electrical, civil, fabrication) in connection with construction of the PROJECT and any turnaround project which is undertaken as part of or in connection with the

PROJECT during the term of the abatement period. Such consideration shall be made in good faith without discrimination. For purposes of the foregoing:

- i. "Local labor" is defined as those qualified laborers or craftsmen who are residents and domiciliaries of the nine county regions comprised of Jefferson, Orange, Hardin, Jasper, Newton, Liberty, Tyler and Chambers Counties, as well as the Bolivar Peninsula area of Galveston County. "Local vendors" and "local suppliers" shall include only those located or having a principal office in Jefferson County. "Local subcontractors" shall include only those located or having a principal office in Jefferson County.
- ii. OWNER agrees to give preference and priority to local manufacturers, suppliers, vendors, contractors and labor, except where not reasonably possible to do so without significant added expense, substantial inconvenience, or sacrifice in operating efficiency. For any such exception in cases involving purchases over \$1 million, a justification for such purchase shall be included in OWNER'S annual letter of compliance. OWNER further acknowledges that it is a contractual obligation, under this agreement, of persons receiving property tax abatements to favor local manufacturers, suppliers, contractors, and labor, all other factors being equal. In the event of a breach of this "buy local" provision, OWNER agrees that the percentage of abatement shall be proportionately reduced in an amount equal to the amount the disqualified contract bears to the total construction cost for the PROJECT.
- iii. OWNER agrees that it will provide sufficient notice and information regarding of the project to qualified local contractors to enable them to submit bids for materials in the initial procurement processes, including but not limited PROJECT information provided in job fairs to be conducted by OWNER.
- g. Report and certify to the DISTRICT, quarterly the total number of dollars spent on local labor, local subcontractors and local vendors/suppliers, as total and percentage compared to total dollars spent in connection with the PROJECT;
- h. OWNER will invoice purchases locally to ensure that sales taxes credited to the benefit of Jefferson County, Texas. As further clarification OWNER will enter into a Separate Contract as defined in 34 Texas Administrative Code 3.291 (a) (13) with an EPC contractor (EPC) for the construction of the new plant facility Project to be located in the Reinvestment Zone of OWNER in Jefferson County, Texas.

OWNER will obtain a Texas Direct Payment Permit (DPP) and issue a DPP exemption certificate in lieu of sales tax to EPC. OWNER will remit use taxes on taxable purchases made for use in the PROJECT directly to the state of Texas on its monthly Texas Direct Payment Return for both state and county taxes at the

applicable rates. The State of Texas collects Limited, Sales, Excise and Use Taxes for both the state and local tax jurisdictions. The state is responsible for distributing the local taxes it collected to the applicable local jurisdiction.

- i. Not in any way discriminate against or treat disparately union contractors who choose to participate in the competitive bid process relating to work on the PROJECT, nor discriminate against or treat disparately union members who seek employment on the PROJECT; and
- j. Encourage and promote the utilization of Historically Underutilized Businesses (HUBs) (also known as Disadvantaged Business Enterprises, or DBEs) by the general contractor engaged by OWNER to construct the PROJECT and any turnaround project which is undertaken as part of or in connection with the PROJECT during the term of the abatement period by ensuring qualified HUB/DBE vendors and contractors are given a timely opportunity to bid on contracts for supplies and services. For purposes of the foregoing:
 - i. A HUB/DBE is a business owned or controlled by Socially and Economically Disadvantaged Individuals as defined by all applicable federal or state laws and local policies, including Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, Asian Indian Americans, women, and individuals with disabilities.
 - ii. A HUB/DBE is one that is at least 51 percent owned or controlled by one or more women or Socially and Economically Disadvantaged Individuals or, in the case of a publicly-owned business, one that at least 51 percent of the stock of which is controlled by one or more women or Socially and Economically Disadvantaged Individuals.
 - iii. A business that has been certified as a HUB/DBE by an agency of the federal government or the State of Texas is presumed to be a HUB/DBE for purposes of Agreement.
 - iv. Only a HUB/DBE with its principal office in the State of Texas will be recognized as a HUB/DBE for purposes of this Agreement. A list of HUB/DBE vendors/suppliers is maintained by Jefferson County and a list of same is attached hereto as Exhibit D. As to the use of qualified local and HUB/DBE vendors, suppliers and sub-contractors, OWNER will, at a minimum:
- k. Consult with chambers of commerce, minority business associations, trade associations and other regional economic development organizations to identify local and HUB/DBE vendors, suppliers and sub-contractors;

- l. Notify qualified local and HUB/DBE vendors, suppliers and sub-contractors, allowing sufficient time for effective preparation of bids for the planned work to be sub-contracted or materials, supplies or equipment to be purchased;
 - m. Provide qualified local and HUB/DBE vendors, suppliers and sub-contractors who are interested in bidding on a subcontract or contract for materials, supplies, equipment, or the provision of engineering and construction services and labor adequate information regarding the project as early as is practicable in the bidding process in order to allow the HUB/DBE vendors, suppliers and sub-contractors sufficient time to prepare a bid (*i.e.*, plans, specifications, scope of work, bonding and insurance requirements, and a point of contact within the general/prime contractor);
 - n. Negotiate in good faith with interested qualified local and HUB/DBE vendors, suppliers or sub-contractors, and award sub-contracts or contracts for materials, supplies equipment, or the provision of engineering and construction services and labor to local or HUB/DBE vendors, suppliers or sub-contractors when they are the lowest qualified responsive bidder who meets all of the applicable bid specifications; and
- Include a provision in OWNER'S contract with the general/prime contractor on the PROJECT which requires the general/prime contractor to read and comply with the terms of this AGREE Provide access to and authorize the inspection of the Eligible Property by DISTRICT personnel to ensure that the improvements or repairs thereto are made according to the specifications and conditions of this AGREEMENT.
- o. Provide access to and authorize the inspection of the Eligible Property by the DISTRICT personnel to ensure that the improvements or repairs thereto are made according to the specifications and conditions of this AGREEMENT.
 - p. Provide access to and authorize the inspection of the Eligible Property by personnel to ensure that the improvements or repairs thereto are made according to the specifications and conditions of this AGREEMENT.

6. VALUE OF ABATEMENT

For each year under this Agreement, the abatement percentage received by OWNER under this AGREEMENT with respect to the value of New Eligible Property, is set forth on attached Exhibit: "Tax Abatement Schedule"

The Abatement during each year covered by this Agreement shall be the value attributable to the Project multiplied by Abatement Schedule, adjusted by the Base Year Value.

7. QUARTERLY MONITORING MEETINGS

With respect to the quarterly monitoring meetings referenced in Section 5(d) above, the DISTRICT shall have the ability to designate personnel who shall be allowed to attend such quarterly monitoring meetings, on the express condition that they execute a confidentiality agreement prepared by OWNER so as to protect confidential information which may be disclosed to them during or as a result of such monitoring meetings. OWNER will provide the DISTRICT with quarterly reports which detail procurement of services, equipment and labor utilized in construction.

8. TAXABILITY

During the period that this AGREEMENT is effective, taxes shall be payable as follows:

- a. The value of Ineligible Property shall be fully taxable;
- b. The Taxable Value of existing Eligible Property as determined each shall be fully taxable; and
- c. The value of New Eligible Property shall be abated as set forth in Section 6, hereinabove.

9. ADJUSTMENTS TO ABATEMENT FOR BASE YEAR VALUE DECLINE

The Jefferson County Central Appraisal District will establish the certified values of Eligible Property as of January 1, 2023 (year abatement executed) as set forth on attached Exhibit "B," and such values shall be the values used to calculate the Base Year Value as herein defined. If on January 1st of any tax year listed on the "Tax Abatement Schedule" the Taxable Value is less than the Base Year Value, then the abatement of value otherwise available shall be reduced by one dollar for each dollar that the Taxable Value of realty improvements is less than the Base Year Value, except that no such reduction of OWNER's abatement shall be made should any reduction to Taxable Value of OWNER's Eligible Property result from a Force Majeure event.

In the event OWNER reduces its ad valorem taxes on personal property otherwise payable to the DISTRICT by participating in a foreign trade zone, then the amount of abated value otherwise available shall be reduced by one dollar for each dollar of tax value reduction attributable to special treatment from trade zone participation. The parties hereto stipulate and agree that they have received certified appraisal value for this property, as calculated by the Jefferson County Central Appraisal District.

It is specifically understood and agreed by OWNER that, if at any time during the effective dates of this agreement relating to abatement, OWNER files or prosecutes an action in district court to contest the appraised value of any property of OWNER or OWNER's affiliates within Jefferson County for unequal appraisal or revision thereof pursuant to Sec.

42.26, Texas Tax Code, any and all abatements granted by the DISTRICT to OWNER or its affiliates shall become null and void and cancelled.

10. POLLUTION CONTROL EXEMPTION

The DISTRICT understands that OWNER plans (i) to request from the TCEQ a determination under Section 11.31 of the Texas Tax Code that certain property included in the New Eligible Property is pollution control property, and (ii) to apply for an exemption from ad valorem taxes under Section 11.31 of the Texas Tax Code with respect to all or a portion of such property determined by the TCEQ to be pollution control property. The maximum dollar value for equipment that OWNER intends to claim to the TCEQ as exempt from taxation under Section 11.31 is fifteen percent (15%) of cost ("Intended Maximum"), though that number could change as current estimated project costs are refined. It is understood that the DISTRICT would not have agreed to this abatement percentages if it were known that the actual exempt property claimed by OWNER would exceed the Intended Maximum. In the event OWNER ultimately obtains an amount in excess of the Intended Maximum in any year of Abatement under this AGREEMENT (such amount the "Exempt Property Excess"), the percentage of abatement described in the "Abatement Schedule" shall be reduced pro rata so as to reimburse the DISTRICT for the total decrease in County tax revenue during the abatement period beginning on January 1, 2028 which is expected to result from the Exempt Property Excess. It is understood and agreed that OWNER will not seek a tax exemption for any equipment or portion of the facility which merely reduces the pollution characteristics of the finished product produced by the facility and that an exemption will only be sought for equipment and technology utilized to reduce pollution at or around the facility.

11. EVENT OF DEFAULT

If either party should default in performing any obligation under this AGREEMENT, the other party shall provide such defaulting party written notice of default and provide the defaulting party with a minimum period of thirty (30) days to cure such default prior to instituting an action for breach or pursuing any other remedy for default, provided however, that, if the default is of such a nature that it cannot, with the exercise of reasonable diligence, be cured within thirty (30) days, then such party shall not be in default so long as such party has commenced such cure within thirty (30) days after receiving written notice of such default and is diligently prosecuting such cure to completion. Subject to providing such notice of default and the aforesaid opportunity to cure same, the party aggrieved by default shall have the right to terminate this AGREEMENT and to pursue any remedy available at law or in equity, for breach hereof. In addition, if a party (the "Affected Party") shall become unable to timely perform any of its obligations under this AGREEMENT, other than any obligation to pay money, as a consequence of a Force Majeure Event, the Affected Party shall be relieved of such obligation (and such failure to timely perform such obligation shall not constitute a default) to the extent that and for so long as (but only to the extent that and only for so long as) it is unable to timely perform such obligation as a consequence of such Force Majeure Event. A "Force Majeure Event" means any of the following: (a) acts of God, earthquakes, tidal waves, lightning, floods,

and storms; (b) explosions and fires; (c) strikes and lockouts; (d) wars, riots, acts of the public enemy, civil disturbances, hostilities, sabotage, blockades, insurrections, terrorism, and epidemics; (e) acts of expropriation, confiscation, nationalization, requisitioning, or other taking; and (f) any other event, condition, or circumstance beyond the reasonable control of the party claiming relief as a consequence thereof; provided, however, that "Force Majeure Event" does not include the inability to make payment or financial distress.

12. RECAPTURE OF TAXES

In the event the DISTRICT terminates this AGREEMENT pursuant to the provisions of Section 11 as a result of any event of default by OWNER under such Section 11, including, for the avoidance of doubt, if OWNER fails to make the improvements to the Eligible Property as provided by this AGREEMENT, the DISTRICT shall be entitled to recapture and be paid all taxes previously abated by virtue of this AGREEMENT within thirty (30) days of the termination, together with all penalties and interest required by the Texas Property Tax Code.

13. TERMINATION

OWNER shall have the right to terminate this agreement at any time upon thirty (30) days' written notice to the DISTRICT and DISTRICT shall have the right of recapture per Provision number 12 above.

14. ASSIGNMENT

OWNER may assign this AGREEMENT, in whole or in part, to a new owner or lessee of the same PROJECT, or a portion thereof, or to an Affiliate of OWNER upon written approval by resolution of the DISTRICT of such assignment, and approval shall not be unreasonably withheld or delayed. It shall not be unreasonable for the DISTRICT to withhold approval if OWNER or the proposed assignee is liable to the DISTRICT for outstanding taxes or other obligations.

15. ENTIRE AGREEMENT

The Parties agree that this AGREEMENT contains all of the terms and conditions of the understanding of the Parties relating to the subject matter hereof. All prior negotiations, discussions, correspondence and preliminary understandings between the parties and others relating hereto are superseded by the AGREEMENT.

16. SUCCESSORS AND ASSIGNS

This AGREEMENT shall be binding on and inure to the benefit of the parties, their respective successors and assigns. OWNER may not assign all or part of its rights and obligations hereunder without the prior written consent of the DISTRICT, which shall not be unreasonably withheld or delayed. It shall not be unreasonable to withhold consent to assignment if OWNER or the proposed assignee(s) is/are delinquent in the payment of any ad valorem taxes.

It is understood and agreed that the REINVESTMENT ZONE boundary is subject to revision based on the final construction plan of the PROJECT, and the PORT agrees to cooperate as necessary to amend the Reinvestment Zone boundary, consistent with such final PROJECT, upon request of OWNER; and

WHEREAS, the PORT finds that the terms of this AGREEMENT and the property subject to the AGREEMENT meet the applicable requirements of the PORT'S guidelines and criteria for granting tax abatements, attached hereto as Exhibit E, and that the PROJECT is an Eligible Facility as defined therein.

NOW, THEREFORE, for the mutual consideration set forth below, the Parties hereto agree as follows:

2. AUTHORIZATION

THIS AGREEMENT IS AUTHORIZED BY THE TEXAS PROPERTY REDEVELOPMENT AND TAX ABATEMENT ACT, TEX. TAX CODE CHAPTER 312, AS AMENDED, AND BY ORDER OF THE JEFFERSON COUNTY COMMISSIONERS COURT ESTABLISHING AND ADOPTING THE GOLDEN TRIANGLE STORAGE 2023 REINVESTMENT ZONE.

3. DEFINITIONS

For purposes of this AGREEMENT, the following terms shall have the meanings set forth below:

"Abatement" means the full or partial exemption from ad valorem taxes of the value of certain property located in the REINVESTMENT ZONE designated for economic development purposes.

"Affiliate" of any specified person or entity means any other person or entity which, directly or indirectly, through one or more intermediaries, controls, or is controlled by, or is under common control with such specified person or entity. For purposes of this definition, the term "control" (including the terms "controlled by" and "under common control with") means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such person or entity, whether through the ownership of voting securities, by contract or otherwise.

"Base Year Value" means the taxable value of all industrial realty improvements owned by the property owner and/or its Affiliates within Jefferson County on January 1 preceding the execution of the abatement agreement. OWNER will, in consultation with the Jefferson County Appraisal District, provide the PORT with a list of the Jefferson County Appraisal District account numbers identifying the industrial realty improvements owned by the property owner and/or its Affiliates and the taxable value thereof on January 1 preceding the execution of the abatement agreement for use in preparing the schedule to be attached as an exhibit to the abatement agreement before execution specifying the Base Year Value for all purposes of the abatement agreement.

"Base year", for the parties to this agreement, is defined as the calendar year in which this abatement contract is executed (signed) by all parties hereto.

"Ineligible Property" is fully taxable and ineligible for tax abatement and includes land, supplies, inventory, housing, vehicles, improvements for the generation or transmission of electrical energy not wholly consumed by a new facility or expansion; any improvements, including those to produce, store or distribute natural gas, fluids or gasses, which are not integral to the operation of the facility; deferred maintenance, property to be rented or leased, property which has a productive life of less than ten years, or any other property for which abatement is not allowed by state law.

"Eligible Property" means the realty improvements, the on-site buildings, structures, fixed machinery and equipment, storage tanks, process units (including all integral components necessary for operations), site improvements, and infrastructure and the permanent office space and related fixed improvements, as defined by the Tax Code but does not include personal tangible property.

During the construction phase of the New Eligible Property, the OWNER may make such change orders to the New Eligible Property as are reasonably necessary to accomplish its intended use. It is expressly understood that, notwithstanding anything to the contrary written herein, energy, electricity, manufacturing supplies (e.g. foreign manufactured catalysts), feedstocks, freight, and direct materials that physically become a part of the end product manufactured by the PROJECT) are not subject to the terms of this AGREEMENT.

"Taxable Value" for each taxing entity executing an abatement agreement is determined by deducting from the Market Value of all industrial realty improvements of a property owner and/or its affiliates the amount of any applicable exemptions and abatements granted for that Tax Year.

"Completion" as used herein, shall mean, the successful commissioning of the PROJECT and the attainment of reliable operations. OWNER shall certify in writing to the PORT when such Completion is attained.

"Full-time job", as used herein, shall mean a permanent full-time position that: requires at least 1,600 hours or work per year, is not a transferred from another area of the state, is not created to replace a previous employee, and is covered by a group health benefit plan, and pays at least 110% of the county average weekly wage for manufacturing jobs in Jefferson County.

"Payment in Lieu of Taxes". If, during the period of this abatement, any Federal or State law provides an additional tax exemption for the property that is already the subject of this agreement, Applicant agrees to decline that tax exemption during the period of this abatement. If Applicant is unable to decline that tax exemption, Applicant agrees to pay the taxes, or payment in lieu of taxes, on the reduction of property tax revenue to the PORT during the abatement term that is the result of said exemption. Any payment in

lieu of taxes shall be due on or before November 15 of the year in which payment for taxes are otherwise due.

4. TERM OF ABATEMENT

This AGREEMENT shall be effective and enforceable upon execution by both parties (which date is herein referred to as the "Effective Date"). The Term of the Abatement pursuant to this AGREEMENT shall begin on January 1, 2028 and shall terminate on December 31, 2037, unless sooner terminated pursuant to other provisions of this AGREEMENT. Should OWNER not begin the construction of the PROJECT by December 31, 2026, this AGREEMENT shall be null and void.

The PORT will request that the Jefferson Central Appraisal District establish discrete account numbers to facilitate efficient administration of this AGREEMENT.

5. OWNER REPRESENTATIONS/OBLIGATIONS

In order to receive a tax abatement with respect to a tax year listed on EXHIBIT: Tax Abatement Schedule," OWNER shall comply with the following:

- a. As a result of the PROJECT, and upon its Completion (currently estimated to be not later than the fourth quarter 2027), maintain a level of not less than one (1) new full-time jobs (consisting of both permanent direct employee jobs and permanent contractor jobs), using headcount as of this executed AGREEMENT as the starting point, relating to the PROJECT during the remaining term of this AGREEMENT; provided, however that OWNER may reduce employment levels due to improved efficiencies or changing economic conditions during the term of this AGREEMENT as long as such employment levels do not fall below one (1) full-time jobs for total on site employment by owner during said term. In the event that such employment falls below one (1) full-time jobs for total on site employment, Abatement shall be reduced proportionate to such employment decline beginning with the tax year in which the decline occurs and each tax year thereafter per the example calculation cited below where:

A1 = initial Abatement \$s
A2 = revised Abatement \$s
E1 = 1 full-time jobs
E2 = revised employee count
 $A2 = A1 \times (E2/E1)$

- b. Report and certify the requisite job levels to the PORT, annually during each tax year under this AGREEMENT;
- c. Construct the PROJECT with an estimated investment in excess of \$35 million;

- d. Make available to the PORT information concerning the details of contractor bids, every quarter, during the construction phase of the PROJECT under the express understanding that OWNER is providing the PORT such contractor bid information on a strictly confidential basis so as to maintain the integrity of the competitive bid process;
- e. Report and certify to the PORT the requisite cost of the PROJECT within 120 days after the completion of the PROJECT (or 120 days after the Effective Date, whichever is later);
- f. Ensure that qualified local labor, vendors, suppliers, and sub-contractors are given a timely opportunity to bid on contracts for the provision of supplies, goods and services (including engineering and construction services, *e.g.*, piping, electrical, civil, fabrication) in connection with construction of the PROJECT and any turnaround project which is undertaken as part of or in connection with the PROJECT during the term of the abatement period. Such consideration shall be made in good faith without discrimination. For purposes of the foregoing:
 - i. "Local labor" is defined as those qualified laborers or craftsmen who are residents and domiciliaries of the nine county regions comprised of Jefferson, Orange, Hardin, Jasper, Newton, Liberty, Tyler and Chambers Counties, as well as the Bolivar Peninsula area of Galveston County. "Local vendors" and "local suppliers" shall include only those located or having a principal office in Jefferson County. "Local subcontractors" shall include only those located or having a principal office in Jefferson County.
 - ii. OWNER agrees to give preference and priority to local manufacturers, suppliers, vendors, contractors and labor, except where not reasonably possible to do so without significant added expense, substantial inconvenience, or sacrifice in operating efficiency. For any such exception in cases involving purchases over \$1 million, a justification for such purchase shall be included in OWNER'S annual letter of compliance. OWNER further acknowledges that it is a contractual obligation, under this agreement, of persons receiving property tax abatements to favor local manufacturers, suppliers, contractors, and labor, all other factors being equal. In the event of a breach of this "buy local" provision, OWNER agrees that the percentage of abatement shall be proportionately reduced in an amount equal to the amount the disqualified contract bears to the total construction cost for the PROJECT.
 - iii. OWNER agrees that it will provide sufficient notice and information regarding of the project to qualified local contractors to enable them to submit bids for materials in the initial procurement processes, including but not limited PROJECT information provided in job fairs to be conducted by OWNER.

- g. Report and certify to the PORT, quarterly the total number of dollars spent on local labor, local subcontractors and local vendors/suppliers, as total and percentage compared to total dollars spent in connection with the PROJECT;
- h. OWNER will invoice purchases locally to ensure that sales taxes credited to the benefit of Jefferson County, Texas. As further clarification OWNER will enter into a Separate Contract as defined in 34 Texas Administrative Code 3.291 (a) (13) with an EPC contractor (EPC) for the construction of the new plant facility Project to be located in the Reinvestment Zone of OWNER in Jefferson County, Texas.

OWNER will obtain a Texas Direct Payment Permit (DPP) and issue a DPP exemption certificate in lieu of sales tax to EPC. OWNER will remit use taxes on taxable purchases made for use in the PROJECT directly to the state of Texas on its monthly Texas Direct Payment Return for both state and PORT taxes at the applicable rates. The State of Texas collects Limited, Sales, Excise and Use Taxes for both the state and local tax jurisdictions. The state is responsible for distributing the local taxes it collected to the applicable local jurisdiction.

- i. Not in any way discriminate against or treat disparately union contractors who choose to participate in the competitive bid process relating to work on the PROJECT, nor discriminate against or treat disparately union members who seek employment on the PROJECT; and
- j. Encourage and promote the utilization of Historically Underutilized Businesses (HUBs) (also known as Disadvantaged Business Enterprises, or DBEs) by the general contractor engaged by OWNER to construct the PROJECT and any turnaround project which is undertaken as part of or in connection with the PROJECT during the term of the abatement period by ensuring qualified HUB/DBE vendors and contractors are given a timely opportunity to bid on contracts for supplies and services. For purposes of the foregoing:
 - i. A HUB/DBE is a business owned or controlled by Socially and Economically Disadvantaged Individuals as defined by all applicable federal or state laws and local policies, including Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, Asian Indian Americans, women, and individuals with disabilities.
 - ii. A HUB/DBE is one that is at least 51 percent owned or controlled by one or more women or Socially and Economically Disadvantaged Individuals or, in the case of a publicly-owned business, one that at least 51 percent of the stock of which is controlled by one or more women or Socially and Economically Disadvantaged Individuals.

- iii. A business that has been certified as a HUB/DBE by an agency of the federal government or the State of Texas is presumed to be a HUB/DBE for purposes of Agreement.
- iv. Only a HUB/DBE with its principal office in the State of Texas will be recognized as a HUB/DBE for purposes of this Agreement. A list of HUB/DBE vendors/suppliers is maintained in the Jefferson County Courthouse offices and a list of same is attached hereto as Exhibit D. As to the use of qualified local and HUB/DBE vendors, suppliers and sub-contractors, OWNER will, at a minimum:
 - k. Consult with chambers of commerce, minority business associations, trade associations and other regional economic development organizations to identify local and HUB/DBE vendors, suppliers and sub-contractors;
 - l. Notify qualified local and HUB/DBE vendors, suppliers and sub-contractors, allowing sufficient time for effective preparation of bids for the planned work to be sub-contracted or materials, supplies or equipment to be purchased;
 - m. Provide qualified local and HUB/DBE vendors, suppliers and sub-contractors who are interested in bidding on a subcontract or contract for materials, supplies, equipment, or the provision of engineering and construction services and labor adequate information regarding the project as early as is practicable in the bidding process in order to allow the HUB/DBE vendors, suppliers and sub-contractors sufficient time to prepare a bid (*i.e.*, plans, specifications, scope of work, bonding and insurance requirements, and a point of contact within the general/prime contractor);
 - n. Negotiate in good faith with interested qualified local and HUB/DBE vendors, suppliers or sub-contractors, and award sub-contracts or contracts for materials, supplies equipment, or the provision of engineering and construction services and labor to local or HUB/DBE vendors, suppliers or sub-contractors when they are the lowest qualified responsive bidder who meets all of the applicable bid specifications; and

Include a provision in OWNER'S contract with the general/prime contractor on the PROJECT which requires the general/prime contractor to read and comply with the terms of this AGREEMENT. Provide access to and authorize the inspection of the Eligible Property by the PORT's personnel to ensure that the improvements or repairs thereto are made according to the specifications and conditions of this AGREEMENT.

6. VALUE OF ABATEMENT

For each year under this AGREEMENT, the abatement percentage received by OWNER under this AGREEMENT with respect to the value of New Eligible Property, is set forth on attached Exhibit: "Tax Abatement Schedule"

The Abatement during each year covered by this AGREEMENT shall be the value attributable to the PROJECT multiplied by Abatement Schedule, adjusted by the Base Year Value.

7. QUARTERLY MONITORING MEETINGS

With respect to the quarterly monitoring meetings referenced in Section 5(d) above, the PORT's designee(s) shall be allowed to attend such quarterly monitoring meetings, on the express condition that they execute a confidentiality agreement prepared by OWNER so as to protect confidential information which may be disclosed to them during or as a result of such monitoring meetings. OWNER agrees to reimburse the PORT in an amount not to exceed to \$4,000.00 annually for the costs or expenses actually incurred by the PORT in monitoring the status of the bidding process every quarter during the construction phase of the PROJECT. OWNER will provide the PORT with quarterly reports which detail procurement of services, equipment and labor utilized in construction.

8. TAXABILITY

During the period that this AGREEMENT is effective, taxes shall be payable as follows:

- a. The value of Ineligible Property shall be taxable as provided by law;
- b. The Taxable Value of existing Eligible Property as determined each shall be taxable as provided by law; and
- c. Property taxes attributable to the value of New Eligible Property shall be abated as set forth in Section 6, hereinabove.

9. ADJUSTMENTS TO ABATEMENT FOR BASE YEAR VALUE DECLINE

The Jefferson County Central Appraisal District will establish the certified values of Eligible Property as of January 1, 2023 (year abatement executed) as set forth on attached Exhibit "B," and such values shall be the values used to calculate the Base Year Value as herein defined. If on January 1st of any tax year listed on the "Tax Abatement Schedule" the Taxable Value is less than the Base Year Value, then the amount of property taxes abated under Section 6 shall be reduced by the amount of property taxes that would be imposed on the amount by which the Base Year Value exceeds the Taxable Value using the applicable the PORT tax rate for such year. In making this adjustment, no reduction to Taxable Value of OWNER's or its Affiliates' Eligible Property resulting from a Force Majeure event shall be taken into account.

In the event OWNER reduces its ad valorem taxes on personal property otherwise payable to the PORT by participating in a foreign trade zone, then the amount of property taxes abated shall be reduced by one dollar for each dollar of property tax reduction attributable to special treatment from trade zone participation. The parties hereto stipulate and agree that they have received certified appraisal value for this property, as calculated by the Jefferson County Central Appraisal District.

It is specifically understood and agreed by OWNER that, if at any time during the effective dates of this agreement relating to abatement, OWNER files or prosecutes an action in district court to contest the appraised value of any property of OWNER or OWNER's affiliates within Jefferson County for unequal appraisal or revision thereof pursuant to Sec. 42.26, Texas Tax Code, any and all abatements granted by the PORT to OWNER or its affiliates shall become null and void and cancelled.

10. POLLUTION CONTROL EXEMPTION

The PORT understands that OWNER plans (i) to request from the Texas Commission on Environmental Quality ("TCEQ") a determination under Section 11.31 of the Texas Tax Code that certain property included in the New Eligible Property is pollution control property, and (ii) to apply for an exemption from ad valorem taxes under Section 11.31 of the Texas Tax Code with respect to all or a portion of such property determined by the TCEQ to be pollution control property. The maximum dollar value for equipment that OWNER intends to claim to the TCEQ as exempt from taxation under Section 11.31 is fifteen percent (15%) of the PROJECT cost ("Intended Maximum"), though that number could change as current estimated PROJECT costs are refined. It is understood that the PORT would not have agreed to this abatement percentages if it were known that the actual exempt property claimed by OWNER would exceed the Intended Maximum. In the event OWNER ultimately obtains a Section 11.31 exemption on the value of pollution control equipment in excess of the Intended Maximum in any year of the Abatement Term (such amount the "Exempt Property Excess"), the percentage of abatement described in the "Abatement Schedule" shall be reduced pro rata so as to reimburse the PORT for the total decrease in the PORT'S tax revenue during the abatement period beginning on January 1 of the year following the year during which construction was completed, which is expected to result from the Exempt Property Excess. It is understood and agreed that OWNER will not seek a tax exemption for any equipment or portion of the facility which merely reduces the pollution characteristics of the finished product produced by the facility and that an exemption will only be sought for equipment and technology utilized to reduce pollution at or around the facility.

11. EVENT OF DEFAULT

If either party should default in performing any obligation under this AGREEMENT, the other party shall provide such defaulting party written notice of default and provide the defaulting party with a minimum period of thirty (30) days to cure such default prior to instituting an action for breach or pursuing any other remedy for default, provided however, that, if the default is of such a nature that it cannot, with the exercise of reasonable

diligence, be cured within thirty (30) days, then such party shall not be in default so long as such party has commenced such cure within thirty (30) days after receiving written notice of such default and is diligently prosecuting such cure to completion. Subject to providing such notice of default and the aforesaid opportunity to cure same, the party aggrieved by default shall have the right to terminate this AGREEMENT and to pursue any remedy available at law or in equity, for breach hereof. In addition, if a party (the "Affected Party") shall become unable to timely perform any of its obligations under this AGREEMENT, other than any obligation to pay money, as a consequence of a Force Majeure Event, the Affected Party shall be relieved of such obligation (and such failure to timely perform such obligation shall not constitute a default) to the extent that and for so long as (but only to the extent that and only for so long as) it is unable to timely perform such obligation as a consequence of such Force Majeure Event. A "Force Majeure Event" means any of the following: (a) acts of God, earthquakes, tidal waves, lightning, floods, and storms; (b) explosions and fires; (c) strikes and lockouts; (d) wars, riots, acts of the public enemy, civil disturbances, hostilities, sabotage, blockades, insurrections, terrorism, and epidemics; (e) acts of expropriation, confiscation, nationalization, requisitioning, or other taking; and (f) any other event, condition, or circumstance beyond the reasonable control of the party claiming relief as a consequence thereof; provided, however, that "Force Majeure Event" does not include the inability to make payment or financial distress.

12. RECAPTURE OF TAXES

In the event the PORT terminates this AGREEMENT pursuant to the provisions of Section 11 as a result of any event of default by OWNER under such Section 11, including, for the avoidance of doubt, if OWNER fails to construct the Eligible Property as provided by this AGREEMENT, the PORT shall be entitled to recapture and be paid all taxes previously abated by virtue of this AGREEMENT within thirty (30) days of the termination, together with all penalties and interest required by the Texas Property Tax Code.

13. TERMINATION

OWNER shall have the right to terminate this AGREEMENT at any time upon thirty (30) days' written notice to the PORT and the PORT shall have the right of recapture under section 12.

14. ASSIGNMENT

OWNER may assign this AGREEMENT, in whole or in part, to a new owner or lessee of the same PROJECT, or a portion thereof, or to an Affiliate of OWNER upon written approval by resolution of the PORT Board of Commissioners of such assignment, and approval shall not be unreasonably withheld or delayed. It shall not be unreasonable for the Board to withhold approval if OWNER or the proposed assignee is liable to the PORT for outstanding taxes or other obligations.

15. ENTIRE AGREEMENT

The Parties agree that this AGREEMENT contains all of the terms and conditions of the understanding of the Parties relating to the subject matter hereof. All prior negotiations, discussions, correspondence and preliminary understandings between the parties and others relating hereto are superseded by the AGREEMENT. The PORT agrees that this AGREEMENT complies with the guidelines and criteria for tax abatement, and to the extent of any conflict, the guidelines and criteria shall be interpreted to be consistent with this AGREEMENT.

16. SUCCESSORS AND ASSIGNS

This AGREEMENT shall be binding on and inure to the benefit of the parties, their respective successors and assigns. OWNER may not assign all or part of its rights and obligations hereunder without the prior written consent of the PORT, which shall not be unreasonably withheld or delayed. It shall not be unreasonable to withhold consent to assignment if OWNER or the proposed assignee(s) is/are delinquent in the payment of any ad valorem taxes.
